## Brainerd rolls toward \$1 million skatepark with GnarBQ Boost

Blake DeShaw, volunteer, and Levi Baca, past owner of a former skateboard shop in Brainerd, set up for a GnarBQ fundraising event in Brainerd. Ann Schwartz photo

By ANN SCHWARTZ  
A new \$1 million skatepark is planned for Memorial Park in Brainerd on Mill Avenue. It will be located on the southwest quadrant near the existing playground.

On June 21, the GnarBQ 2025 Extreme Sports & Cook-out Event was held in downtown Brainerd by the city hall. About \$791 was added to the skatepark fund. Thus far, a \$750,000 skatepark grant was received as well as an additional \$100,000 raised

locally. The group plans to raise \$150,000 more to reach \$1 million.

At the event, guests slurped Coco Moon's Italian sodas and munched on Dunmire's brats. The Smokin' Desk put on a great show. MidMinnesota Federal Credit Union allowed use of its parking lot, with the City of Brainerd, Community Empowerment, Brainerd Community Action, Brainerd Baxter Youth Center (the Shop) and Life Like Photo Studio, Jeff Mozey, additional

sponsors.

Here is some information from their website:

On June 10, 2025 we received a \$750,000 MN State Skatepark Grant, putting our current funds at \$850,000. Help us reach our \$1 Million goal - only \$150,000 to go!

The Lakes Area Skatepark Association has partnered with Brainerd Community Action and can accept donations as an established non-profit with 501(c)3 tax-exempt status.

We are advocating for a skatepark in the Lakes Area of Central Minnesota. Millions of kids around the world rely on extreme sports to be their healthy activity, both mentally and physically. Right now, the Brainerd/Baxter area youth have no place to gather and practice their extreme sport safely.

Our overarching goal is a \$1 million skatepark. This crowdfunding campaign is part of our funding plan. We are also seeking funds through events, grants and government funding.

### Why a skatepark?

#### Mental health benefits

Skateparks offer multiple mental health benefits through extreme sports. The average age of extreme sport participant is 14 years old, a prime age in mental development. Extreme sports build confidence, motivation, friendships and provide a healthy outlet.

#### Physical health benefits

Extreme sports are proven to be great exercise for cardio and strength. Skateparks provide a place for people to practice their sport safely. Without a skatepark, kids have to resort to the street where injuries are more

prone to happen.

#### Economic benefits

Tourism is huge in the Lakes Area, a skatepark would be another draw for our community. Extreme sport enthusiasts travel for Skateparks. People would come from all over Minnesota to ride. More visitors means more spending at our local businesses.

#### Reduce illicit behavior

Youth can sometimes get themselves into trouble if they have too much time on their hands. Participating in an activity, like an extreme sport, helps kids stay away from illicit behavior. Skateparks offer a safe and controlled space where youth can participate in a healthy alternative to drugs and crime.

#### Community benefits

For a lot of people, a skatepark is the center of their community. Friends gather, relationships are made and a sense of belonging is fulfilled. Extreme sports also break down social barriers that cripple our society. Simply stated, a skatepark offers a safe space for people to come together.

# Support for identifying and returning kidnapped Ukrainian children

U.S. Senators Amy Klobuchar (D-MN) and Chuck Grassley (R-IA) introduced their bipartisan Abducted Ukrainian Children Recovery and Accountability Act.

This legislation would increase support for Ukraine's efforts to investigate and track the nearly 20,000 Ukrainian children who have been abducted during Putin's brutal invasion, assist with the rehabilitation and reintegration of children who are returned, and provide justice and ac-

countability for perpetrators of these abductions.

"The mass kidnapping of Ukrainian children by Russia is an atrocity. We cannot accept a world where children are abducted during wartime and used as a form of hostage-taking for negotiations. Our bipartisan legislation will provide the necessary resources to bring them home and hold the perpetrators accountable," said Klobuchar.

"After he started the largest war in Europe since World

War II, Putin kidnapped thousands of Ukrainian children to brainwash and Russify them, trying to destroy their cultural identity and heritage. These children should be returned home as soon as possible. Our bipartisan legislation supports critical tools to identify and track the location of these children and reintegrate them into their homeland. We're also helping hold perpetrators accountable for their atrocities to ensure justice is served," Grassley said.

This legislation follows a bipartisan resolution that Klobuchar and Grassley led in May condemning Russia's abduction and forcible transfer of Ukrainian children and demanding their return before reaching a final peace agreement. Additional cosponsors of that resolution include Senators Joni Ernst (R-IA), Dick Durbin (D-IL), John Fetterman (D-PA), Roger Wicker (R-MS) and Rick Scott (R-FL). You can find the full text of the resolution here.

In March, Klobuchar and Grassley were joined by Senator Durbin in leading a bipartisan letter calling for the State Department to continue supporting efforts to investigate Russia's abduction and deportation of Ukrainian children.

To date, Ukrainian authorities have received at least 19,546 confirmed reports of unlawful deportations and forced transfers of Ukrainian children to Russia, Belarus or Russian-occupied Ukrainian

territory. The abductions aim to erase the children's Ukrainian names, language and identity. As of April 16, Ukraine and its partners have only managed to return 1,274 abducted children.

The State Department's 2024 Trafficking in Persons Report found Russia recruits or uses child soldiers, has a state-sponsored policy or pattern of human trafficking and is among the worst hubs for human trafficking in the world.

# Aitkin County Fair to salute service members on Military Day, July 11

The Aitkin County Fair is about to get a little more patriotic as Friday, July 11 has

officially been declared Military Day at the Aitkin County Fair. The heartfelt celebration

honoring local veterans and active-duty service members will be lead by the Ripple

River Quilt Guild with a special program, "Honoring Our Military," scheduled for 1:00 p.m. on the Windy River Stage.

The program is expected to be a moving tribute to the men and women connected to Aitkin County who have served and continue to serve in the U.S. military.

In addition to the live program, a Wall of Honor will be on display throughout the fair, from July 9-12, in the Creative Activities building. Featuring photographs of veterans and active-duty personnel with ties to Aitkin County, the wall offers a powerful, visual reminder of the individuals behind the uniforms.

To be included in the display, families are invited to submit a non-returnable 4x6 photo along with the name, branch of service, and dates served. Submissions can be emailed to dlamundson1@gmail.com or ckbuhmann@gmail.com, or mailed to Cathy Buhmann at 33966 Pioneer Ave, Aitkin, MN.

Whether your loved one served decades ago or is currently deployed, all eras and branches are welcome. The goal is to honor the full spectrum of service and create a community keepsake that reflects the strength and pride of Aitkin County.

Military Day isn't just about remembrance. It's about community, connection, and teaching the next generation the value of service.

# Declaration of Independence reading

Before the fireworks light the sky and grills fire up for the Fourth of July, Fairfield is inviting everyone to begin their holiday with something a little more historic—and deeply patriotic.

The Annual Reading of the Declaration of Independence will take place at 9:00 a.m. on Friday, July 4, 2025, at the Fairfield Town Hall, located just north of the intersection of State Highway 6 and County Road 36, approximately 15 miles north of Crosby and 5 miles south of Emily.

This cherished tradition brings community members together to reflect on the powerful words that laid the foundation for America's freedom. It's a moment to pause, honor, and remember the bold vision of the Founding Fathers who declared that this new nation would stand on the principles of liberty, equality, and self-governance.

Following the reading, attendees can enjoy a short program of patriotic readings and music, creating a stirring tribute to the country's history and ideals. Light refreshments will be served afterward, offering a chance for neighbors and visitors alike to connect and share in the spirit of the holiday.

Whether you're a history enthusiast, a proud patriot, or simply looking for a meaningful way to start your Independence Day, the Fairfield Town Hall gathering offers a welcoming, reflective, and community-rich experience.

All are welcome and encouraged to attend. Bring a friend, a flag, and a heart full of gratitude for the freedoms we celebrate each July 4.

# DNR adds eight counties to deer feeding and attractant ban

The Minnesota Department of Natural Resources has added eight counties to a deer feeding and attractant ban to reduce the risk of chronic wasting disease spread, after CWD was detected in wild deer in new areas of the state last year.

"The feeding and attractant ban is one tool to reduce unnatural congregating of deer and lower the risk of CWD

spread," said Paul Burr, acting big game program coordinator. "We use this tool where it provides the greatest benefit to the health of Minnesota's white-tailed deer."

Added to the feeding and attractant ban are Anoka, Clay, Ramsey, Sherburne, Steele, Traverse, Wilkin and Wright counties.

The ban now includes 32 Minnesota counties and

remains in effect for Aitkin, Beltrami, Carver, Cass, Crow Wing, Dakota, Dodge, Fillmore, Goodhue, Hennepin, Houston, Hubbard, Itasca, Le Sueur, Mower, Norman, Olmsted, Polk, Rice, Scott, Sibley, Wabasha, Washington and Winona counties. A map of the feeding and attractant ban area is available on the Minnesota DNR website.

The wording of the ban was

clarified to prevent it from covering natural or manufactured products that do not have attractants added. This change allows hunters to use items such as non-scented ropes, mock scrapes with no scents added, and other items

that were never intended to be covered under the deer feeding and attractant ban.

In areas outside the ban, the Minnesota DNR recommends that the public not feed deer. People interested in helping deer should focus

efforts on improving habitat to provide long-term food resources and shelter. For more information on how to improve private land for the benefit of deer and other wildlife, visit the Minnesota DNR website.

## Brainerd sizzles with arts fair, parade, live music, and fireworks on tap

Summer in Brainerd is in full swing, and the calendar has events that promise to bring color, creativity, and celebration to the local community.

Kicking things off is the Annual Summer Arts Fair at Gregory Park on Sunday, June 29, from 10 a.m. to 4 p.m.. This beloved event draws hundreds of local artists and vendors,

filling the park with handcrafted treasures, unique art pieces, jewelry, home goods, and more. Whether you're shopping for something special or just strolling through the booths with an iced coffee in hand, there's something for everyone at this creative celebration. Bring the whole family and enjoy a day of art, music, and sunshine under the park's canopy of shade trees.

The celebration continues just a few days

later with the Brainerd/Baxter Fourth of July Parade, stepping off at 6 p.m. on Friday, July 4, near downtown Brainerd. Expect a lively lineup of floats, marching bands, local organizations, and maybe even a surprise appearance from Uncle Sam himself.

Patriotic spirit will be on full display as the community comes together to celebrate America's birthday in true red, white, and blue fashion.

But the fun doesn't stop when the parade ends. At 8 p.m., the spotlight shifts to Lyman P. White Park Amphitheater on East River Road,

where live music will set the tone for an unforgettable summer evening. Meanwhile, across town at Don Adamson Field, located east of the high school football stadium, family relays will bring laughter and a little friendly competition to the night.

And finally, the grand finale: fireworks light up the sky at 10:15 p.m. at Don Adamson Field, capping off the day with a dazzling display of color and sound. Bring a blanket, some snacks, and settle in for what's sure to be a spectacular show.

## Pequot Lakes Stars & Stripes Days spectacular 4th of July celebration

Get ready for an unforgettable family-friendly celebration filled with food, music, contests, fireworks at Stars and Stripes Days in Pequot Lakes on July 3 and 4.

**Thursday, July 3**

Start your Independence

Day celebration at South Trailside Park with food vendors, kid-friendly activities, and the always-popular Bean Bag Toss Tournament. Registration for the tournament starts at 5:00 p.m. with both youth (ages 8-14)

and adult (ages 15+) brackets, and cash prizes for the top three finishers in each category.

For the younger crowd, enjoy thrilling bungee trampolines, bounce houses, and a kids' climb, also starting at 5:00 p.m. At 7:00 p.m., test your loon-calling skills in the Loon Calling Contest, with prizes for 1st place in both 12 & Under and 13 & Older age groups.

The fun doesn't stop there! Sawyers Dream, a local band, will hit the stage at 8:00 p.m., playing live music until the sun sets. At dusk, settle in for a jaw-dropping fireworks show by North Star Fireworks, launching from Pequot Lakes High School.

**Friday, July 4**

Stars and Stripes Days continues on July 4th with even more exciting activities. The Red, White & Brews coffee-to-cocktail bar by MN Traders will be open at 5:00 p.m., offering a refreshing mix of cold beer, coffee, and craft cocktails. Food vendors will also be serving up tasty bites at 5:00 p.m..

If you didn't get a chance to participate in the Bean Bag Toss Tournament on Thursday, don't worry—it's back at 5:00 p.m. on Friday. Get your teams ready for the tournament, with cash prizes on the line.

Music lovers can enjoy a performance by Better Man Duo from 5:30 to 7:00

p.m., and then at 8:00 p.m., Sawyers Dream returns to the stage for another set of live music.

Once again, the night ends with a spectacular fire-

works display at dusk—the perfect way to wrap up the holiday weekend.

# Mille Lacs Community Trust awards \$23,800 in grants to local nonprofits

Above are pictured (back: left to right) Amanda Swaerewgin, Lorna White, Todd Brown, Irmgard Boyer, Ted Landgren, Shawn Hansen, Tina Foster, Ellery Brandt, Brian Andrews, Lori Gross, Jenny Diederich, Tanya Pietz, Mark Greninger, Jason Henke, Logan Henke and (front) Jim White, Gary Tibbitts, Angela Maria Lara Cabrera, Amy Wyant, Ann Silgen, Cathy Buhmann, Pam Brand, Lisa Schmidt.

The Mille Lacs Community Trust Board continues its commitment to supporting local organizations with the latest round of grants, distributing \$23,800 to a variety of nonprofits in the community.

The funds, raised through the voluntary Operation Round Up program, will benefit organizations across the region, providing crucial support for their important work.

In June, the board award-

ed grants to the following organizations: Lakes Area Restorative Justice Project, Quarterbacks Club (Aitkin Public Schools - Aitkin Robotics), Aitkin Area Team for Alzheimer's, Aitkin County

CARE, Inc., Knights of Columbus - Aitkin County Council #18545, Lakes Area Interfaith Caregivers, dba Interfaith Volunteers, Lakes Area Music Festival, Long Lake Conservation Foundation, McGregor Young Life, Monday Lunch Bunch - St. Vincent de Paul, Ripple River Quilt Guild, Riverwood Foundation, South Aitkin First Responders, and The Outreach Program of Brainerd Lakes.

These grants support a

wide range of programs, from education and healthcare to community services and arts initiatives. With these latest awards, the total amount of funds distributed since the inception of Operation Round Up has surpassed an impressive \$1.6 million.

Operation Round Up is a voluntary program through Mille Lacs Energy Cooperative, where members round up their electric bill payments to the nearest dollar. The small change adds up, and 100% of the funds raised through this program are donated back to the local community, supporting nonprofits, schools, and other vital causes.

Mavonne Prokop, Bethany Sellers, Charles Schotzko, Marna Wahl, Bob Nelson, and Doyle Jelsing. These dedicated individuals meet quarterly—on the second Wednesday of March, June, September, and December—to review applications and decide where the funds will have the greatest impact.

Applications for funding are accepted year-round, and organizations can submit their applications for review by the board at any time. To ensure inclusion in the upcoming board meeting, applications must be received a week before the quarterly meetings. For more information or to request an application, contact Deb Chute at 218-927-8221 or 1-800-450-2191.

The Operation Round Up program continues to demonstrate how small contributions can create a significant, positive impact on the Mille Lacs area community. Thank you to all the cooperative members who help make these generous grants possible.
