Building Stronger Communities

Through positive stories

Consuming angry, sad, and negative news can make readers feel overwhelmed and helpless. We want to remember there are still uplifting people to meet and positive stories to tell.

There's Good News out there! We want to shine a light on people, businesses, and events that uplift the community. We are looking for businesses like you that care about our local people.

Good News is...

- Telling positive local stories
- Boosting community pride
- Encouraging local spending

Your community flourishes with Good News.

Our passion and purpose is to inspire more good.

Tell positive local stories

**Inspire
more good**

**Boost

pride**

**Build stronger
communities**

**Encourage
local spending**

The Value of Good News

Good News Magazine not only lets you reach your audience directly, it's also a way to build brand recognition and positive associations over time. Placing your ad alongside engaging, positive stories means it's much more likely to be seen and well received.

Our beautiful design and community focus result in a premium publication that readers keep in their homes for long periods of time — leading to more views of your ad.

IN-HOME DELIVERY

Your ad goes to proven buyers. We only mail to families with money and/or interest.

LOCAL AUDIENCES

Your message reaches fans of the magazine. Local readers suggest more than 90% of the stories we tell.

LONG SHELF LIFE

Readers look at your ad over and over again. 60% of readers keep every issue for more than 60 days.

ADVERTISE CONSISTENTLY

People need to see an ad many times before buying. Your ad stays in front of readers every month.

POWER OF PRINT

Social media is drowning in negativity. Readers notice your ad as they crave the good ol' days.

POSITIVE ASSOCIATION

Your ad lives with positive and 'viral' content. Readers fall in love with their town and your business.

Engaged With Our Community

We mail Good News to subscribers' homes and offer complimentary subscriptions to everyone in the community.

Third-party data show we have 2.12 readers per copy mailed.

Our readers care about the community and have disposable income. When your ad is seen, readers are in a positive state of mind. Our high quality content contributes to our magazines having a long shelf life compared to most media.

Mailing List Composition

SUBSCRIBERS

Everyone in the community can subscribe to Good News. This ensures continual growth of Good News readership, leading to better exposure of your ad.

LOCAL BUSINESSES

We mail Good News to local businesses. This audience is valuable because of the number of readers exposed to ads in each location.

IDEAL HOMEOWNERS

We reach married homeowners with FICO scores of 700 or above. This gives your ad exposure to people with purchasing power.

What our readers say:

Our readers told us why you should advertise in Good News.

“I am exposed to more advertisers in Good News than in any other publication that I have seen in this area.”

“Great magazine for shopping and eating LOCAL! Thank you for publishing useful information on our little community.”

“This magazine allows owners to share what is closest to their hearts while showcasing their products. Plus the customer service Good News offers is outstanding. The magazine is very well put together, well polished, neat, and very inviting. I look forward to each one!”

“The content of the magazine is wholesome and seems to support a good cause. It is much preferable to other advertising sources because it seems to build up the community, rather than solely profit from it.”

“Good News is a great magazine, and it is delivered to many people, probably more than the local newspaper. I look all the way through and read most of it. It is the best place to advertise.”

Our Guarantee

Your monthly ad is free
if you believe we aren't building
a stronger community
through our stories.

PRINT SPECIFICATIONS

Acceptable File Formats

We accept the following file formats: EPS, PDF, and PSD.

Color and Resolution

Make sure you send files using the CYMK color space and at a resolution of 300 DPI.

Common Problems to Avoid

Please check your ad for these errors:

- Incorrect dimensions
- Text outside the safety area
- Non-bleed ads that bleed (and vice versa)
- Low-resolution images
- Images not converted to CMYK
- Spot color/PMS used in the color space
- Position marks/color bars in the live area

We Want to Print Your Ads Correctly

Late ads with problems or last-minute changes increase the chance of print error. Please make every effort to deliver your materials on time and to our specifications.
