In 1995, the Dutch Heritage Boosters raised funds for a brick patio surrounding the Dutch pump in Windmill Park. Many bought bricks with their names stamped into them as part of the fundraising campaign. With the work being done in the park, the bricks have been removed. After being in the elements for 30 years, they are not in condition for the new patio associated with the pump relocation. If you or a loved one purchased a brick and would like to have it, please pick it up on the following days. If you can't make it then, send an email and we'll make other arrangements. Do the same if you can't remember if you have a brick because we can check our list!

Friends who live at Landsmeer Ridge, Prairie Ridge Care Center, and Pioneer Home unable to have a friend or family member do the pickup, we will deliver to you!

We extend a sincere thank you to Eric Ribbens and the Greenworld landscapers for their extreme care in removing the bricks and keeping them as intact as possible.
