Erie County Fair

OUR MISSION

To provide the youth of Erie County the opportunity to showcase their achievements and reach their fullest potential within a supportive environment. To offer all citizens of Erie County a venue to participate in a wide variety of open class competitions in the spirit of good fellowship. To recognize and honor special members of our community who have contributed endless hours of service and provided us a heritage of which we can be proud. To provide the residents of Erie County the opportunity to gather as one family regardless of race, age, sex or religious beliefs, for one week each year to celebrate our community.

Once again, the Erie County Junior Fair Board is participating in Fight Hunger, Stock the Trailer sponsored by Mid-America Farm Credit to collect non-perishable food for Erie County residents in need. Last year they collected just over 1,300 pounds and their goal for this year is 2,000 pounds. This year the Junior Fair Board is challenging every 4-H club to participate and has set a goal of collecting five items per member for each club. Junior Fair Board members will be asking to speak for a few minutes at upcoming club meetings to challenge the members and get them going. Additionally, the Junior Fair Board will be issuing challenges to the Senior Fair Board, OSU Extension Office, and other county offices to help fight hunger in Erie County. All food collected can be placed in the trailer during the fair. The trailer will be at the fair all week to collect items; BUT start collecting today!!

PLEASE help us "make the best better" as we help those less fortunate in Erie County. Erie County Residents are hard-working and generous. We can step up and accomplish this goal together!
