LaVera Party Center Built on Tradition

In 1952, Larry and Vera Gaudio, our Grandparents and the founders of La-Vera Party Center, started a catering business. With that came the traditions of homemade Italian cooking. They used only the finest ingredients to prepare each item off their menu. Three generations later, we still follow those same recipes.

La-Vera Party Center is a spacious and newly remodeled two-room banquet and conference facility that customizes each event to the needs of our guests. Our facility can accommodate events ranging from 100-720 guests. Functions we regularly host include weddings, proms, bar and bat mitzvahs, anniversary parties, luncheons, holiday company parties,

sales rallies, seminars, auction and fund raisers.

We are blessed to have such a great community that will always support local small businesses. As such, La-Vera is trying to make life a little easier. We are now offering a new curbside family meal pickup program. We will offer this service every Monday, Wednesday & Friday and our menus will change accordingly. Our daily meal option will include a protein,

starch and vegetable and will be good for 4-6 people and will cost somewhere in the neighborhood of \$36-\$40. We are also offering curbside takeout Thanksgiving dinner options!

Please visit our website at www.la-vera.com or call 440-943-0087 for more information or questions!
