JCJC Radionian student staff receive top awards

By Linda Cranford

For the ninth consecutive year the student staff of the Radionian, Jones County Junior College's campus newspaper, took the General Excellence Award for top community college newspaper in the state at the annual Better Newspaper Contest, held by the Mississippi Press Association's Education Foundation.

JCJC competed against other community colleges in the state, and in the Investigative Journalism category competed against universities, taking third place in the category. The staff received a total of 30 awards.

Adviser Kelly Atwood said this is the most awards the Radionian has received. "Our awards have increased each year," said Atwood. "Last year we received 27 awards and the year before that, we got 21."

Interesting enough, Atwood said most of the student staff consist of non-journalist majors and come from a diversity of major studies. Entertainment Editor Morgan Clark of Laurel received first place in the Best Cartoon category. Clark said her first place winner was a cartoon about Hillary and Snapchat which alluded to how Hillary must love Snapchat because it deletes all messages.

Opinions Editor Ethan Davis, also of Laurel, received first place in the General Interest Column category with his article "Mating Season," which discusses the dysfunction of college dating today. The judges commented on his article saying, "Sext humor . . . what

Pleasant Ridge VFD needs community's help

To: The Community of Pleasant Ridge

The lack of support for the volunteer fire department has been growing worse and worse every year. The number of volunteers have dropped to just a handful of dedicated members. These men and women take their time to help keep you safe. Have you ever thought if your home was hit with a disaster such as fire, tornado or flood and no one showed up!

Also what about auto accidents? Who do you think comes out to the wrecks that your loved ones are involved in to cut them out of the mangled wreckage? That would be your non-paid volunteers giving up their family dinners and time with their children to help their neighbors. On your insurance cost, if the volunteers fail to maintain a fire rating, your cost of insurance will increase.

To get to the point, we need more volunteers to help with this important non-paying job – the fellowship of getting together to help is great. You don't have to go in a burning building to help; a lot of times if we only had people to drive a truck to the scene or direct traffic at an accident, that would be great . . . or just to comfort a family that has lost everything. So if anyone is interested in finding out more about YOUR Volunteer Fire Department, please contact one of the members of Pleasant Ridge or drop by our next meeting. We meet on the second Tuesday of the month at 6:30 p.m. The station's address is 22 Holly Road, Laurel, just off highway 29. And if you're not in the Pleasant Ridge Community and are interested, please contact your local Volunteer fire department; they would be glad to see you. Below are some contact numbers for Pleasant Ridge Fire & Rescue. Thanks
