# Welcome

From County Executive  
**TERRY BELL**

**W**ARREN COUNTY is located in Eastern Middle Tennessee and is part of Tennessee's Upper Cumberland Region. Resting along the base of the Cumberland Plateau, Warren County is a naturally diverse area ranging from fertile fields to majestic mountains located halfway between Nashville and Chattanooga along the I-24 Corridor.

Known as the "Nursery Capital of the World," agriculture is our number one economic resource, shipping a wide variety of trees and other plants all over the U.S. and other parts of the world. Thanks to our low tax base and emphasis on infrastructure, Warren County has grown at a record pace in the areas of industry and tourism. Our natural resources have made us a hot spot for outdoor recreation. Fishing, kayaking, hiking, caving, and cycling are just a few of the activities you can enjoy in Warren County.

The city of McMinnville is our county seat, and our other municipalities include the cities of Morrison, Viola, and Centertown. Our area offers many recreational and educational opportunities. Four river systems come together at our Rock Island State Park, offering camping, fishing, hiking, and kayaking. Cumberland Caverns is one of the nation's largest cave systems with 27 miles of cave tours for any skill level. We also have one of the southeast's most advanced robotics and mechatronics career training centers, Motlow State Community College, and Tennessee College of Applied Technology.

On behalf of all of Warren County, I'd like to invite you to visit one of Tennessee's true gems. Come experience our hometown hospitality. It's a wonderful place to visit, work, play, or even call home.

**- TERRY BELL**

An aerial photograph of a town square in Warren County. The square is paved and surrounded by brick buildings. Several colorful tents (blue, white, orange, green) are set up around the perimeter, and many people are walking around. In the background, there are more buildings and a dense forest on a hillside. The bottom half of the image has a dark blue overlay with white and yellow text and stylized arrows.

WARREN COUNTY

# Where Growth Meets Tradition

*By Amanda E. West // Photography by Ashleigh Newnes*

**I**N WARREN County, growth isn't just a buzzword — it's woven into our daily life. As the "Nursery Capital of the World," a title reflecting our status as a leading producer of nursery plants, we cultivate both our rich heritage and a vibrant future.

Our historic downtown is a testament to this balance. Once-overlooked buildings are now thriving businesses and thoughtfully reclaimed spaces. Above some storefronts, former forgotten spaces have been transformed into stylish Airbnbs, offering guests a unique blend of Southern charm and modern amenities. Each rental tells its own story, contributing to a broader movement that preserves our roots while embracing new opportunities.

A standout example is The Inn at Tree City, a hotel owned by a McMinnville native. Featuring Warren County-themed rooms, an inviting cafe, and a bar offering craft cocktails named The Well, the Inn offers more than just accommodations — it offers a curated experience reflecting the creativity and hospitality one of our entrepreneurs nurtured.

The Butcher on Main is redefining our local food scene. Specializing in locally sourced meats, custom cuts, and gourmet products, it has become a culinary destination for residents and visitors alike.

Education is a cornerstone of our community's growth. Motlow State Community College and the Tennessee College of Applied Technology (TCAT) have introduced new programs tailored to the thriving automotive industry. Motlow's Electric Vehicle Engineering Technology program is one of the first of its kind in the state, while TCAT-McMinnville offers

hands-on training in automotive technology. These institutions are preparing a skilled workforce ready to lead the way.

Tourism continues to flourish thanks to our many natural wonders, historical destinations, and cultural gems. Cumberland Caverns, with over 27 miles of underground formations, remains one of Tennessee's most visited attractions, offering a range of tours from guided walks to adventurous spelunking. Rock Island State Park draws hikers, campers, nature enthusiasts, and kayakers to its scenic trails and waterfalls.

The Black History Museum of Warren County, located in the historic Clinic Building on West Main Street, honors and preserves the rich African American heritage of our community. Nearby, The Park Theater, a meticulously restored 1939 art deco venue, hosts a diverse lineup of concerts, theatrical productions, comedy shows, and community events.

For a sweet treat, visit The Vanilla Bean Baking Company, a mother-daughter owned bakery on East Main Street. It's a local favorite known for its small-batch baked goods and cozy atmosphere.

Whether you're kayaking the Barren Fork River, enjoying a game at Detention at the Elementary in Morrison, savoring a pizza from Viola's Pizza Company, or dining under the stars at the Local on Morford, our community offers a wealth of experiences.

If you're seeking a weekend getaway or considering a new place to call home, our municipalities of Centertown, McMinnville, Morrison, and Viola offer something for everyone. Come visit, explore, and grow with us.

# The Butcher on Main

QUALITY, COMMUNITY,  
AND CRAFT IN THE  
HEART OF DOWNTOWN

**S**INCE OPENING its doors in July 2024, The Butcher on Main has quickly become one of McMinnville's most celebrated destinations. Located in the heart of downtown, this premium meat shop combines old-fashioned service with unmatched quality — all under the leadership of owner Trevor Borowiak, who brings two decades of grocery experience, a passion for people, and a mission to elevate local food standards.

Inside the shop, a 20-foot fresh meat case is stocked daily with a wide variety of hand-cut meats, house-made specialties, and seasonal items. With butchers on duty from open to close, customers can count on custom cuts, expert advice, and a friendly face at the counter. The commitment to freshness doesn't stop at the butcher block. Each month, the shop brings in more than 20 varieties of fresh seafood directly from Florida, making "Seafood Weekend" a much-anticipated event.

Their dedication to supporting other local producers is just as impressive. Throughout the store, customers will find locally sourced grocery staples such as eggs, milk, sourdough bread, honey, coffee, beef tallow, jelly, and goat cheese, to name a few — strengthening the local food chain and keeping dollars close to home.

The Butcher on Main also boasts a full-service deli with more than 50 meats and cheeses available by the pound. Guests can take their selections home or enjoy a made-to-order sandwich in the spacious lounge area. It's no surprise they were recently voted "Best Deli Sandwich" in the Warren County's Finest contest.

Borowiak and his family may be new to Warren County, but they've been embraced like longtime locals. Customers from across the region now travel into the area to shop, dine, and experience the shop's blend of culinary excellence and welcoming atmosphere. Several area restaurants source their meats directly from The Butcher on Main — a testament to the shop's quality and commitment to supporting local producers.

With a staff of eight — six of them skilled meat cutters — The Butcher on Main prides itself on both expertise and community connection. As Borowiak said, "Everything is prepared right here on site, and we're proud to connect people to their food sources in a way that supports our local economy."

The Butcher on Main has quickly become more than a storefront — it's a community staple, proving that exceptional food and genuine hospitality always have a place at the table.

# The Inn at Tree City

A LEGACY OF  
HOSPITALITY AND  
COMMUNITY

**W**HAT BEGAN as a bold vision in 1998 has blossomed into one of McMinnville's most distinctive destinations. The Inn at Tree City emerged from a family deeply rooted in hospitality, vision, and community pride. In 2003, the Sheth family transformed the property, originally purchased as a Holiday Inn Express, into the Best Western Tree City Inn. In 2024, the inn underwent a comprehensive reimagining, becoming a hotel that reflects the serenity and charm of McMinnville and Warren County.

Owner Keval Sheth, who moved to McMinnville from Ohio at the age of 12 and graduated from Warren County High School in 2004, leads with a mission to elevate local tourism while staying deeply connected to the community that shaped him. "McMinnville is home," Sheth said. "This isn't just a place to stay. The Inn at Tree City is part of our town's story."

Each room at the Inn is thoughtfully themed around the region's natural and cultural attractions — hiking, kayaking, yoga, and nature — offering visitors a stay that mirrors the experiences they will have in Warren County. The property also features two standout spaces: The Cafe and The Well.

The Cafe is a cozy spot where locals and visitors can enjoy freshly brewed coffee, espresso drinks, and a selection of pastries. Open daily from 5 a.m. to 7 p.m., it's the perfect place to start your day with a warm beverage and a welcoming atmosphere.

The Well, a cocktail lounge with big-city flair, crafts every drink with house-made bitters, syrups, and juices, creating a truly elevated experience without ever leaving Warren County.

Behind the scenes is where the heart of the business beats. Sheth credits his parents for laying the foundation, his sister, Komal, for designing their brand, and his dedicated staff — from front desk and housekeeping to baristas and libationists — for bringing the vision to life. “None of this happens alone. They’re the heartbeat of the Inn,” Sheth said.

# The Residences at Main Street Center

**I**N THE center of downtown McMinnville stands a building that has witnessed more than a century of change — and now, it's entering a bold new chapter. The Residences at Main Street Center will soon be a fully renovated 35,000-square-foot landmark that blends architectural preservation with modern living. Originally constructed in three phases — beginning in 1881, expanded in 1902, and completed in the 1960s — the building has housed everything from hardware stores, to photography studios, to boutiques, and furniture stores.

Renovations began in 2020 with the first floor, now home to a vibrant mix of commercial tenants, including a restaurant, spa, tattoo shop, physical therapy clinic, and locally owned boutiques. In 2024, work began on the second and third floors, which will soon feature 10 residential apartments, two of which will be available as short-term rentals through Vrbo and Airbnb. These upper-level spaces offer guests and tenants a unique blend of nostalgia, breathtaking mountain views, and a bird's-eye view of the city.

Designer Raven Young's vision infuses each unit with curated elegance and livable charm. From dramatic paint palettes to ornate trim work, custom built-ins, and soaking tubs, every detail reflects her commitment to comfort, character, and craftsmanship. Each apartment includes washers and dryers, fireplaces, private balconies, smart TVs, and keyless entry systems. Unique tile floors and industrial-chic touches nod to the building's layered history while embracing modern aesthetics.

With walkable access to McMinnville's shops, restaurants, and cultural events, the Residences at Main Street Center offer more than a place to stay — they offer a front-row seat to the city's renaissance, where heritage meets hospitality, and every corner tells a story.

## Southern Blue

**I**N DOWNTOWN McMinnville, a familiar landmark has been given new life. Once a family mansion, later converted into a school in 1915, and eventually serving as the city hall and the police department, the building has now been beautifully reimaged as Southern Blue — a place where history is honored and modern living shines. For decades, locals simply called it the “Blue Building,” and while its purpose has changed, its presence at the heart of town has always made it a point of connection.

Step inside and you'll find a collection of short- and long-term rentals, including Airbnb options, that feel stylish and comfortable. Exposed brick and industrial accents nod to the past, while warm finishes and thoughtful layouts make every space welcoming. Each unit comes complete with modern conveniences — washers and dryers, secure access, and convenient parking — plus special touches like tiled baths, open floor plans, and even private elevators in select residences.

Southern Blue was designed with the live-work-play lifestyle in mind. Start your morning with coffee on the rooftop deck, take your pup for a run at the dog park, or wind down with a glass of wine and a good meal just steps away. When you're ready to explore, the best of McMinnville is just outside your door — from the seasonal farmers market and local boutiques to live music events at The Park Theater, greenways, and parks.

At the heart of Southern Blue is Barren Fork Brews, an on-site restaurant and bar serving craft drinks and local flair.

With its preserved brick facade and carefully reimagined spaces, Southern Blue isn't just a place to stay or live — it's a place to belong. Whether you're here for a weekend getaway or looking for a more permanent landing spot, Southern Blue offers the best of both worlds: big-city style wrapped in small-town warmth.

For more information, visit [www.southernbluetn.com](http://www.southernbluetn.com).

# 1886 Loft Apartment on Main Street

**H**IGH ABOVE East Main Street in downtown McMinnville sits the 1886 Loft Apartment, one of the area's most charming Airbnb stays. With its exposed brick walls, tall windows, and original character, the loft combines the historic soul of McMinnville with the comforts today's travelers expect.

The space is perfect for a weekend getaway, a work-from-anywhere escape, or a family trip. Hosting up to four guests, the loft features two bedrooms, three beds, and one-and-a-half baths. The primary bedroom offers a spacious king bed, while the second room adds flexibility with bunks. Thoughtful amenities — Wi-Fi, smart TVs, keyless entry, and a fully equipped kitchen — make it easy to settle in, whether preparing a home-cooked meal or just winding down after a day of exploring. A soaking tub adds a relaxing finish to any adventure.

Guests rave about the loft's mix of convenience and charm, reflected in its 4.97 out of 5 rating on Airbnb. Step outside and you're in the middle of it all — just steps from local shops, restaurants, the seasonal farmers market, and live performances at The Park Theater. Outdoor adventures like kayaking the Collins River or hiking nearby trails are only minutes away, giving visitors the best of both town and country.

With a blend of history, comfort, and unbeatable location, the 1886 Loft Apartment offers more than a place to stay — it's a way to experience McMinnville like a local.

For more information or to book your stay, visit: [Airbnb — 1886 Downtown Loft Apartment](#).

# The McMinnville-Warren County Chamber Annual Banquet:

**A NIGHT OF CELEBRATION  
AND COMMUNITY**

**T**HE MCMINNVILLE-WARREN County Chamber's annual banquet is the signature event of the year — a night dedicated to celebrating the people and businesses that make our community thrive. Held every March in the arena of the Milner Recreation Center, the banquet typically draws an impressive crowd of around 400 attendees who come together for an evening of elegance, recognition, and fellowship.

Hosted on March 28, the 2025 banquet brought together the people who power Warren County's economy — entrepreneurs, major employers, civic leaders, and community champions — for an evening of recognition and connection. The annual banquets are more than dinners; they're where a community chooses its heroes, retells the year's story, and sets the tone for what comes next. With an eye-catching "Old Hollywood" concept and a true red-carpet welcome, McMinnville's 2025 banquet did exactly that — celebrated progress,

renewed partnerships, and reminded everyone that local business is a team sport in Warren County.

Each year, guests enjoy beautifully decorated spaces, a delicious meal, and time to connect with fellow members in a warm, welcoming setting. Before the awards program begins, the social hour features unique entertainment that changes from year to year — whether it's live music, art displays, or special performances — ensuring the banquet always feels fresh and memorable.

The highlight of the evening is the presentation of awards recognizing members who demonstrate exceptional dedication, innovation, and community impact. While the banquet celebrates all chamber members, it also shines a special spotlight on those who help make Warren County stand out in remarkable ways.

With its mix of celebration, creativity, and tradition, the annual banquet is an event people look forward to year after year.

# Working Toward the Future

THE YOUNG PROFESSIONALS IN MCMINNVILLE ARE LOOKING TO BUILD THE FUTURE.

**T**HE MCMINNVILLE Young Professionals is an up-and-coming group of individuals looking toward the future for Warren County. This group fosters an environment which aims to attract the younger generation that entices young talent, leaders, employees, and students to grow as essential members of our community. The Young Professionals group is designed to help tomorrow's leaders and community members succeed by encouraging networking, professional development events, and fundraising opportunities.

The McMinnville Young Professionals organization was created in January of 2018 to bring young community leaders together and actively shape the future of Warren County. It is a membership-driven

organization aimed at creating a unique community for 22 to 45-year-old professionals to grow personally, engage professionally, and give back to the community by maximizing their individual and collective potential. The organization is in partnership with the McMinnville-Warren County Chamber of Commerce.

# Building the Next Generation

**LOCAL WARREN COUNTY YOUTH BENEFIT FROM THE LEADERSHIP PROGRAM.**

**W**ARREN COUNTY Youth Leadership (WCYL) is a leadership development program designed to provide local emerging and existing youth leaders with the tools to develop individual leadership skills, influence their schools, and contribute to their community. The purpose of WCYL is to train students in leadership techniques and community awareness so that they may become familiar with current issues, community resources, opportunities, and other factors influencing the direction of Warren County's future. You do not have to be the president of your class or the team captain. This is for all students who have leadership potential or have a desire to learn more about leadership and opportunities in the community.

Our Youth Leadership class is open to upcoming high school juniors who apply by the set date on the application each year. The class starts in September and concludes in April. The class spends one day a month with local businesses and learns

about different program topics. The program topics in the past have included Agriculture, Communication, Tourism, Education, Business & Industry, Warren County History, Life Skills, Health & Social Services, Law, Local Government, and State Government.

So far this year, our class has traveled to the Warren County A&L Fair to learn about tourism and agriculture, and to Cedarwood Pumpkin Patch to learn about the nursery business in our county. The class also did a historical walking tour with Jimmy Haley, learned about Mainstreet McMinnville, the Tourism Development Board, and did various team-building activities. In March, the class will go to the Capitol for Bologna Day (Day on the Hill) to meet with legislators, tour the Capitol building, and attend a committee meeting.

To learn more about MYP and Youth Leadership, visit [www.warrentn.com](http://www.warrentn.com) or contact the chamber to apply for the next class!

# The Nursery Capital of the World

**LOCAL NURSERIES HAVE DEEP ROOTS IN THE FERTILE SOIL OF INNOVATION AND INDUSTRY.**

*By Amanda E. West // Photography by Ashleigh Newnes  
and provided by Cedarwood Farms*

**F**ERTILE SOIL at the foothills of the Cumberland Plateau, combined with our ability to ship plants across the country, and our proven heritage of horticulture innovation, is why we earned the title “Nursery Capital of the World.” Located in Department of Agriculture Plant Hardiness Zone 7a, our region enjoys mild winters and warm summers — ideal for cultivating a wide range of plants, shrubs, and trees.

The nursery trade has been vital to our local economy since the 1870s, when Pomona Nursery began growing apples, grapes, pears, and plums. By the 1960s, there were over 150 registered nurseries within our county. While McMinnville serves as the heart of the industry, Warren County is now home to an estimated 400 nurseries that range in size from small-scale boutique growers to wholesalers who ship nationwide.

## Cedarwood Nursery and Cedarwood Pumpkin Patch

Cedarwood Farms in McMinnville adds autumn magic to its nursery roots with a beloved seasonal pumpkin patch. From late September through October, families flock to enjoy their brand new 100-foot super slide, a giant combine, hay maze, corn maze, jump pad, pedal cars, two petting zoos, and whimsical pumpkin train. The on-site country store and kitchen round out the experience with colorful mums, gourds, homemade meals, and weekend bonfires by the lake, complete with live music, ooey-goey s'mores, roasted hot dogs, and cozy conversations.

Owner Buddy Patterson and his son, Lucas, planted eight acres of pumpkins in the summer of 2001. The crop fared so well that his wife, Jana, a local teacher, talked them into creating the annual family-focused event, which allows families and school-aged children to rediscover the foundations of agriculture. The Patterson family now plants 40 acres of pumpkins to ensure that every guest receives a pumpkin.

They are also a wholesale and retail nursery specializing in evergreens, shrubs, and shade trees, including several varieties of arborvitae, hollies, boxwoods, maples, oaks, flowering cherries, and more.

Follow Cedarwood Farms on Facebook or visit [cedarwoodnurserytenn.com](http://cedarwoodnurserytenn.com). You can also find them at 2900 Old Nashville Hwy. in McMinnville, Tennessee, or call (931) 939-3960.

## Hale and Hines Nursery

As a locally owned family business, Hale and Hines Nursery has been a staple in our wholesale nursery community since 1978. They specialize in large container-grown shade, flowering, and evergreen trees. These include 450 varieties of container trees and over 60 varieties of field-grown trees such as Japanese maples, red maples, flowering dogwoods, junipers, arborvitae, Southern magnolias, oaks, and Ginkgo biloba. They serve retailers, wholesalers, landscapers, and municipalities nationwide. Their meticulously planned and organized 900-acre operation blends horticultural heritage with state-of-the-art innovation.

With the help of a Tennessee Department of Agriculture grant, Hale and Hines recently finished construction of a production facility for high-quality 15, 30, and 45-gallon-sized plastic pots with handles. They have used similar pots since 2003, but have had to import them from Italy. This exciting new plastics operation will reduce costs for the nursery, as well as for farmers and other nurseries in our region that rely on these types of containers.

For more information, visit [haleandhines.com](http://haleandhines.com). The business is located at 416 Hines Ln. in McMinnville, Tennessee, or call (931) 668-4488.

# Ascension Saint Thomas River Park

QUALITY  
HEALTH CARE  
CLOSE TO HOME

By Amanda E. West

**A**SCENSION SAINT Thomas River Park in McMinnville is a full-service hospital with 24/7 emergency care. They offer a wide range of affordable health care options, including heart and vascular care, orthopedics, breast health, obstetrics, and maternity care. Their Family Birthing Center offers personalized birthing experiences and advanced neonatal care, where babies receive the most intensive care available. Ascension also offers a wide range of minimally invasive procedures, such as imaging, lab tests, and rehabilitation services in one convenient location.

A newly expanded intensive care unit (ICU) marks a major milestone in Ascension's continued commitment to providing advanced, compassionate care. This renovation adds critical

square footage and increases capabilities from an eight-bed unit to 12. It upgrades technology, and it enhances patient privacy. Each ICU room now features state-of-the-art monitoring systems, improved lighting, and space for family members to remain close to their loved ones during treatment. This expansion also includes dedicated areas for staff collaboration and rapid response, ensuring seamless coordination during emergencies. The State of Tennessee provided a \$7.6 million grant, which was matched with funds from Ascension to make this \$15.2 million investment possible.

In placing patients' needs over profits, Ascension added the Dispensary of Hope community pharmacy. This program offers low-income, uninsured individuals the daily

medications they depend on. With over 300 medications available to treat the most common medical conditions, products are free or deeply discounted for qualifying patients, bringing affordable prescriptions to every citizen of Warren County.

Ascension Saint Thomas Heart provides a network of heart and vascular specialists and services in one convenient location. Utilizing their 128-slice CT Scanner, they offer Cardiac CT Angiography to diagnose and monitor high blood pressure, high cholesterol, irregular heartbeats, and other risk factors for heart disease, heart attack, and stroke. The expansion of a state-of-the-art cardiac catheterization lab means Ascension provides the only lab of this type in our region. They perform

both diagnostic and therapeutic cardiac catheterization procedures on adults, which improves the recovery and overall health of patients who would otherwise have to travel great distances for this degree of specialized cardiac care. The renovation of approximately 1,092 square feet of the current hospital facility makes this first-floor lab easily accessible.

In keeping with its promise to continue offering high-quality health care, Ascension expanded its ICU, welcomed new physicians, completed an extensive renovation of its main lobby, added a pharmacy for uninsured and low-income patients, and increased innovations in health care for every citizen of Warren County. When considering the health of your loved ones, look no further than Ascension Saint Thomas River Park.

# State of Industry

## AN INDUSTRY UPDATE

### NEFAB

NEFAB is a global leader in sustainable packaging and logistics solutions, serving industries like automotive, telecom, and e-mobility. In 2023, NEFAB purchased Polyflex Products LLC in Morrison. An \$8.3 million expansion of their manufacturing operations facility on Red Road in McMinnville will create 58 additional jobs. This new location will add material extrusion capabilities and reuse end-of-life industrial packaging, working alongside the Morrison location, where thermoform packaging operations begin. Polyflex will employ 85 across Warren County.

### MCNEILUS STEEL INC.

McNeilus Steel Inc. is a family-owned, full-line steel fabricating service center that has been in operation since 1948. After 75 years of continued growth, McNeilus broke ground on its newest location on West Maple Street in Morrison. This \$23.4 million investment includes a 200,000-square-foot facility that is expandable up to 500,000 square feet. This location will primarily offer steel distribution of bar stock, tubes, sheets, and plates. Their facility is almost complete, and a ribbon-cutting will follow. They created 55 jobs.

*"We have a lot happening in our county and within our community. It takes time for projects to come to fruition, so the next six to 12 months are going to be very exciting! We also have properties available in our industrial park that are as ready to go as possible. We've done our due diligence, so when prospective companies visit, we are ready to accommodate them."*

#### WENDY SNEED

EXECUTIVE DIRECTOR, INDUSTRIAL  
DEVELOPMENT BOARD OF  
MCMINNVILLE-WARREN COUNTY

### BRIDGESTONE AMERICAS INC.

Bridgestone is investing \$550 million to expand its truck and bus radial tire plant at 725 Bridgestone Dr. in Morrison. The project will add 380 new jobs and 850,000 square feet to the facility, increasing its total footprint to 2.8 million square feet. The expansion will boost production capacity and introduce advanced technologies, including RFID-enabled tires, artificial intelligence in manufacturing, and Enliten — a new tire technology platform focused on performance and sustainability. Construction is expected to be mostly completed by 2026. This investment supports Bridgestone's commitment to U.S. manufacturing and aligns with its global sustainability goals. This facility is one of Bridgestone Americas' key manufacturing sites, and with its recent expansion, it has become an even bigger player in commercial tire production.

**Bridgestone Americas Inc.**

## UNITECH NORTH AMERICA LLC

An adhesive manufacturer based in Ansan City, South Korea, is locating its first U.S. facility in Morrison with an investment of \$30 million. Phase one of the project will create 75 new jobs. This location will specialize in the production of thermal adhesives and battery compression pads for electric vehicle battery manufacturers across the Southeast, as well as industrial adhesives and sealers. Unitech is one of nearly 30 economic development projects started in the Upper Cumberland region since 2019, representing \$840 million in capital investments and approximately 2,700 job commitments.

## THREE STAR MALL

With the help of a federal grant, Warren County purchased the Three Star Mall in late 2023, launching a \$9 million revitalization project to transform the space into a vibrant hub for the community. Plans include replacing the former JCPenney with a new health department and adding a senior center, a veterans service office, and offices for the Upper Cumberland Human Resource Agency. A proposed 5,000-square-foot community room will provide people of all ages a place to unplug and connect over games, coffee, and snacks. Renovations began in December 2023. Located at 1410 Sparta St. in McMinnville, the mall will serve as a centralized resource for community services and support them all under one roof.

## INTERNATIONAL “SISTER CITY” COLLABORATION

Launched by President Eisenhower in 1956, the Sister City program was created to promote international peace through grassroots diplomacy — connecting communities across the globe through education, culture, and economic exchange. Following the announcement of Unitech Co. Ltd.’s first U.S. expansion in Morrison, the South Korean company based in Ansan City signed a Sister City partnership with Warren County. This collaboration strengthens international relationships, encourages cultural understanding, and lays the groundwork for future investments, educational exchanges, and job growth to benefit local families and businesses.

# Motlow's Automation and Robotics Training Center

WARREN COUNTY'S BEST-KEPT SECRET

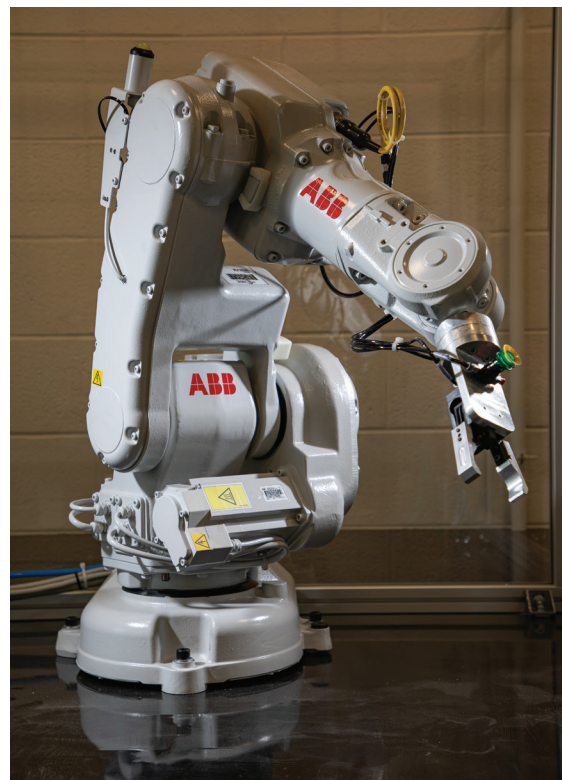

By Amanda E. West

**M**OTLOW STATE Community College has served Middle Tennessee since 1969, growing from a single campus in Moore County to a multi-site institution committed to workforce development and academic excellence. The McMinnville campus, established to meet the educational needs of Warren County and surrounding areas, has become a regional hub for advanced technical training — especially in automation and robotics.

At the core of this innovation is a new wing for the Automation and Robotics Training Center (ARTC), located next to the McMinnville campus. This recent addition not only expands Motlow State's Mechatronics program (one of the first in Tennessee) but also marks the beginning of the Electric Vehicle Engineering Technology (EVET) program. Nissan donated four electric vehicles, and Tennessee Tech donated two vehicle charging stations to ensure students have access to the latest technology.

With these recent additions, ARTC is likely the only academic facility in the nation equipped to credential workers for the world's top three robotics manufacturers: ABB, FANUC, and Yaskawa Motoman.

According to Larry Flatt, executive director of the program, the facility has become a mecca for anyone interested in pursuing robotics — especially since students can learn the equivalent of a 16-week course in four days.

This accelerated model is not only efficient — it's transformative. The robotics program doesn't just serve local students. Applicants come from across the country because their employers appreciate the hands-on experience and small class size, with only two students per robot.

In the last 18 months, ARTC has trained over 300 people who traveled from 33 states, representing 160 companies. Technicians, engineers, and career changers are earning certifications that open doors in manufacturing, logistics, and automation. Their presence boosts tourism dollars, fills local hotels and restaurants, and contributes to Warren County's growing reputation as a destination for technical excellence.

Flatt said, "ARTC continues to champion the team's vision, which took it from concept to placing Motlow and its workforce division at the forefront of providing industry-recognized certifications. This vision resonates not just locally but across Tennessee and beyond. As an equal mix of education and innovation, we continually receive requests to understand how we did it and how we continue to add other programs. Our partnership with almost a dozen leading robot and automation companies gives us a distinct advantage in carrying out one of our missions. That is to ensure there are

enough highly skilled professionals to serve existing industries, spur livable wage jobs, and boost economic growth."

Motlow's efforts align with Tennessee's Drive to 55 initiative, which began in 2013 with a mission to ensure that 55% of Tennesseans hold a postsecondary credential by 2025. Through this initiative, the state distributed \$24 million to institutions offering certifications that made Tennesseans more employable. This grant allowed Motlow to build its 12,500-square-foot robotics training facility for \$5 million.

Prospective students are encouraged to apply for Tennessee's tuition-free programs, such as tnAchieves and TN Reconnect. These programs allow high school graduates and adult learners to pursue robotics training without financial barriers.

A recent grant from the National Science Foundation, coupled with Mitsubishi Electric Corporation's recognition of it as the first non-corporate training center, new certifications, and innovative equipment, ensures that Motlow's McMinnville campus is not only training tomorrow's leaders but will also continue to fuel our local and state economies.

# Tennessee College of Applied Technology Major Campus Expansion

OUT WITH THE OLD AND  
IN WITH THE NEW

*By Amanda E. West*

**T**HE TENNESSEE College of Applied Technology (TCAT) in McMinnville is undergoing a transformative expansion — one that not only enlarges its footprint but also replaces the original buildings that have stood since 1964. This ambitious project marks a new chapter for a campus with nearly 60 years of proven experience in workforce development and hands-on technical training.

Funded through Gov. Bill Lee's Fiscal Year 2023–2024 budget proposal, TCAT-McMinnville was selected as one of 29 major projects across the state. Of the \$945.9 million allocated for TCAT campuses, McMinnville was awarded funding for two projects: the main campus in Warren County and the Coffee County campus in Manchester. Construction is already underway, with substantial completion of the

Manchester site expected by January 2026 and the McMinnville campus slated for completion by mid-2027.

During construction, students will notice temporary changes including relocated entrances and exits, increased noise and activity, parking adjustments, and safety barriers. These disruptions are a small price to pay for what's ahead: larger classrooms and lab spaces, state-of-the-art equipment, expanded student lounge areas, and improved parking.

"This expansion is about safety, future growth, and creating modernized training spaces," said Daniel Bratcher, external relations representative for TCAT at Coffee County. "We're most excited about having the space to offer new programs that the community needs."

TCAT-McMinnville currently boasts an 85% completion rate, an 88% job placement rate, and a 100% licensure rate, which reflects its commitment to student success. The school offers accelerated, industry-aligned programs with hands-on training and a wide array of workforce certifications.

Bratcher said, "TCAT-McMinnville has the benefit of being a competen-

cy-based learning center. This is an approach to teaching and learning where students progress based on their ability to demonstrate mastery of skills or knowledge rather than time. This is a benefit for the student because of the flexibility and efficiency for students, and it ensures students do not move forward without learning previous material."

For anyone seeking hands-on training and a fast track to employment, TCAT-McMinnville offers a practical, career-focused alternative to traditional college. With programs ranging from nursing and massage therapy to welding and commercial truck driving, students have the skills to thrive in high-demand fields across our state and beyond.

Enrollment is open year-round and operates on a first-come, first-served basis. Prospective students begin by submitting an online application and providing transcripts from high school, college, military service, or GED/HiSET programs. Financial aid is available through several state and federal programs, including Tennessee Promise for recent graduates, Tennessee Reconnect for adult learners, the Wilder-Naifeh Technical Skills Grant for full-time students, and grants available to veterans.

## Current programs offered at TCAT-McMinnville

- Industrial Maintenance Technology
- Practical Nursing
- Welding Technology
- Machine Tool Technology
- Automotive Technology
- Computer Information Technology
- Cosmetology
- HVAC/Refrigeration
- Pharmacy Technician
- Advanced Manufacturing
- Administrative Office Technology
- Collision Repair Technology
- Electrical Systems
- Truck Driving
- Massage Therapy
- Reflexology
- Hybrid Practical Nursing

# Educational Opportunities

## IN WARREN COUNTY

### WARREN COUNTY MAKES ALL FORMS OF EDUCATION A TOP PRIORITY.

By Jeriah Brumfield

**W**ARREN COUNTY makes education a priority for all students by providing programs like TN Promise, and tnAchieves, and Higher Ed opportunities through the Foundation of Educational Progress.

The Tennessee Promise is a scholarship and mentoring program that began in the fall of 2015. The scholarships they offer students cover tuition and fees not covered by the Pell Grant, the HOPE scholarship, or TSAA. For this program, removing the financial burden is key, but an important component of Tennessee Promise is the mentorship each participant will receive as they prepare for their higher education. Students must also complete 8 hours of community service per term, maintaining satisfactory academic progress (2.0 GPA).

### tnACHIEVES

tnAchieves is an organization that partners with the TN Promise Scholarship in 83 of the 95 counties in Tennessee. They aim to increase

higher education opportunities for Tennessee high school students by providing mentorship and scholarships.

The organization serves about 90% of Tennessee's high school seniors each year, working with 98% of all TN Promise scholarship applicants.

The organization also provides student advising and support, increasing retention and completion. This ensures consistency in many areas.

tnAchieves guides students from high school through college and into their careers. Foundation of Educational Progress.

The Foundation of Educational Progress is a nonprofit that helps provide resources for students pursuing an education. It improves educational progress by enhancing academic scholarships and programs. The foundation offers educational assistance to students in the Warren County.

### COUNTY AREA

The organization's website also provides information on organizations similar to the Foundation of Educational Progress for students who are not located in Warren County.

It is essential to ensure that our future leaders are prepared for the next step, and the Foundation of Educational Progress is a great starting point for Warren County students.

### ROBOTICS

It is no surprise that Warren County makes STEM a top priority in enhancing students' quality of education. The county has an Automation Robotics Training Center (ARTC), part of the workforce group of Motlow College. They are one of two facilities within 250 miles that have three competing robot companies in the facility. The center's mechatronics program helps students learn the technical skills needed for the workforce while providing hands-on experience.

The Tennessee College of Applied Technology (TCAT), next door to the center, provides young men and women with many hands-on opportunities.

TCAT is a two-year program designed to prepare students for their careers. There are nine programs in the technical and skilled trade industries at TCAT-McMinnville. The program constantly finds new ways to expand and help students pursue their dreams.

Students earning the Mechatronics diploma will be trained in manufacturing, focusing on accuracy and productivity using various skills like pneumatics, hydraulics, robotics, computer controls, and preventive maintenance.

EXPLORE

# Warren County

Our moderate climate, breathtaking views, meandering rivers, thriving downtown scene, and our “Southern hospitality” make Warren County the place to be, no matter the season. Whether you choose to immerse yourself in our natural beauty through kayaking, camping, picnicking, birdwatching, hiking, bicycling, playing sports, fishing, or you prefer indoor recreation, the opportunities are endless.

*By Amanda E. West*

*Photography by Ashleigh Newnes*

THE MANY SEASONS OF

# Rock Island State Park

## KEEPING THE GORGE SAFE AND ACCESSIBLE

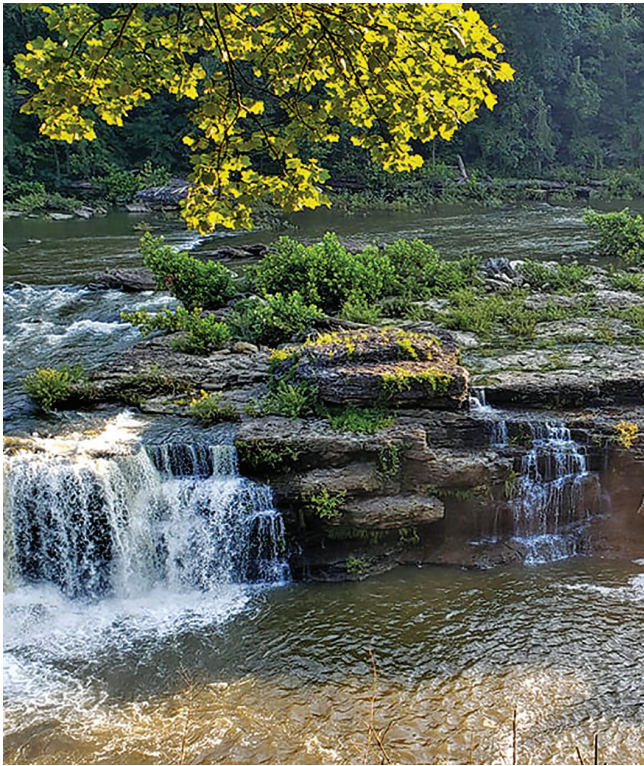

One of the highlights for many of Rock Island's visitors is viewing waterfalls. The gorge is only accessible when there hasn't been a Tennessee Valley Authority (TVA) water release for the dam or significant rainfall. The TVA has information on their website about scheduled releases, including an app for your phone. Visit [www.tva.com/environment/lake-levels/Great-Falls](http://www.tva.com/environment/lake-levels/Great-Falls).

While exploring the gorge, it is critical to stay vigilant for a possible water release. Watch for rising water levels and listen for warning sirens. If you notice either rising water or hear sirens, immediately move to higher ground. The water can rise quickly and without warning.

If you're planning to go into the gorge and you are driving a long distance, call the park office at (931) 837-4770 to determine if the gorge is accessible.

The park is a popular kayaking destination. Flat water paddling from the Sandbar launch ramp is popular (during normal conditions). White water kayaking in the rapids sections near the TVA powerhouse attracts professionals from all over the world. The area upstream of the Sandbar launch ramp on the lake is suited for experienced white water paddlers only though. Kayak fishing has also become a popular activity at the park for an up-close experience with nature.

**E**VERY SEASON has something unique to offer the Rock Island visitors, but the park manager, Damon Graham's, favorite season is spring. The profusion of wildflowers, including some rare orchids as well as migrating birds, make Rock Island feel magical.

Have you ever seen an osprey, with its six-foot wingspan, pulling its sushi dinner out of the river right in front of you? That is a sight to behold and something to put on your bucket list. In addition to osprey, eagles call the park home year-round, and visitors can see a wide variety of songbirds, some rare, at the park. Birds are most likely to be seen during spring and fall during migration when the park has fewer visitors. The quiet surroundings make bird sightings more common.

## SUMMER

Summer brings an influx of visitors for the variety of outdoor activities available. Weekends are often overflowing, so be sure to arrive early or plan to visit mid-week to enjoy the park. Families enjoy swimming at the sandy beach on Center Hill Lake and taking advantage of the three boat launches. Fishing is always popular at Rock Island; be sure you have your license if you are 13 years or older. Camping and picnicking help to extend the outdoor experience. Eating outdoors gives you a million-dollar view and enhances the flavor of your food.

Seasonal ranger-led activities include kayaking, nature walks, and animal presentations, among others. Check the park's website for schedule information.

## FALL

The coolness of fall brings fewer visitors and a return of migrating birds. It is a wonderful time to lose yourself in the oasis of Rock Island. Enjoy the crunchy leaves as you hike or the beauty of the fall colors as you kayak around Center Hill Lake.

People who have mobility challenges love seeing an amazing waterfall from the parking lot. At Rock Island, beauty is available to people with all levels of health and fitness.

Immerse yourself at Rock Island by staying for a few days. RV hookup sites are available year-round, while tent camping can be done March 15 - October. Camping is a wonderful way to get back in touch with nature, but if a few more luxuries are your preference, there are lovely rental cabins available.

## WINTER

Winter at Rock Island can have a magic of its own. The leaves have fallen, so you can see the views more clearly with the fewest visitors. A vigorous walk in a beautiful place warms body and soul.

As John Burroughs said, "I go to nature to be soothed and healed, and to have my senses put in order." Rock Island State Park is nearby in every season to assist with our mental and physical health.

## SPRING

Spring rains make the park water levels change drastically. The roar of the water and awe-inspiring churning help one to appreciate the power and strength in all of those individual droplets merging in the rivers. While not all trails and areas are accessible with high water, it is a sight to behold.

Be aware of potential water release by the TVA. If you hear sirens or notice rising water, retreat immediately to higher ground.

The centerpiece of the 883-acre Rock Island State Park is the beautiful Center Hill Lake, along with three rivers: Caney Fork, Collins, and Rocky.

# Kayaking & Camping

IN MCMINNVILLE

Smooth Rapids offers a unique experience with kayaking, camping, and eating, all available in one perfect location.

**J**UST MINUTES from downtown McMinnville, this is your all-in-one spot for outdoor recreation, overnight camping, and an unforgettable dining experience that will satisfy even your pickiest eater. Soak up the natural ambiance of the Barren Fork River. Rent a kayak or a float and let the gentle waters wash away stress. Tap your foot to the beat of live music from the sound stage. Explore the 8 acres along the river, or bring your own tent or recreational vehicle (RV). With RV spots this affordable, you'll never choose to go "dry docking" again.

Make yourself at home. Amenities include showers, restrooms, a playground for the young'uns, picnic tables, fire pits, and grills. Not a seasoned camper? Book one of their on-site, fully furnished RVs for 1-6 guests, or a cabin through Airbnb,

and rest easy knowing their five-star superhost will take care of everything, so you don't have to. Enjoy their family-style restaurant, shop for merchandise, firewood, or other supplies in their fully stocked store. Besides all of this, with several of Tennessee's most famous parks within a short drive, you'll never hear, "I'm bored" or "Are we there yet?"

Schedule your next staycation, vacation, one-day escape, or weekend refresh today.

**Location:** 245 Durham St., McMinnville, TN

**For more information, call (931) 4-KAYAK1 (931) 452-9251 or go to [www.smoothrapids.com](http://www.smoothrapids.com).**

**OPEN:** Tuesday-Saturday, 11 a.m.–9 p.m.

**CLOSED:** Sunday-Monday \*during the kayaking off-season\*

## OUTDOOR RECREATION

# The Hive at Riverfront

**A**S THE first self-serve, no-contact rental kiosk in the nation, when you want to go kayaking, Hive Paddlesports has you covered. No lifejacket, paddle, or way to haul a kayak to the river? No problem. Simply go to their website and book your rental or scan the QR code at the self-serve kiosk at the Barren Fork River. Enter the code provided to you, open the kiosk door, select the size of lifejackets you need, grab a paddle, take your kayak, and go — no worries about wild rapids or labor-intensive paddling either. Not only is the self-serve kiosk beginner-friendly, but so is the Barren Fork, a 23.4-mile-long, mostly slow-moving tributary of the Collins River.

Want to bring a friend or a relative? Tandem kayaks are also available. Affordable hourly rates start at \$20, and they are open from dawn to dusk. Other amenities include public restrooms, a playground for children, a nearby walking trail, a boat dock, a fishing pier, and a paved parking area. Magnificent scenery, cascading waterfalls, the soft hum of nature, and fresh air — need I say more?

Location: 120 Riverfront Park, McMinnville, TN

Book your next excursion at: [www.hivepaddlesports.com](http://www.hivepaddlesports.com)

## INDOOR RECREATION

# Detention at the Elementary

**B**RING THE entire family and enjoy arcade games, virtual reality games, nine holes of putt-putt golf, a thrilling laser tag course, a 20-foot rock-climbing wall, a virtual golf simulator, bumper cars, and an all-you-can-eat salad, baked potato, or pizza buffet all under one roof. Need a place to unwind while the kids play in a clean, secure, and family-friendly environment? Open-bounce opportunities are available at affordable per-child rates.

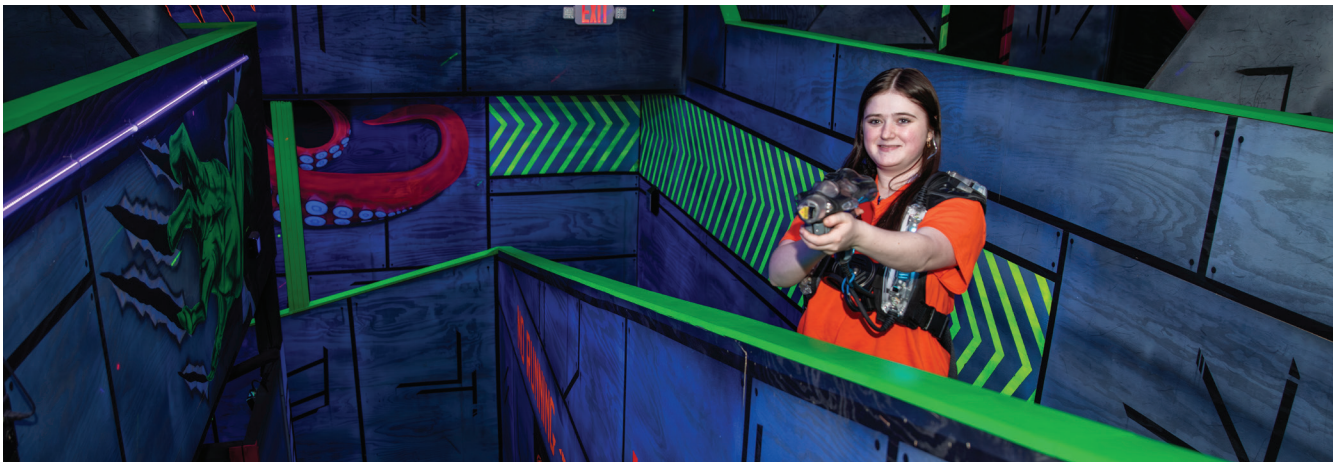

With over 150 virtual courses, whether you're a pro or a beginner, with a touch of your finger, you can tee off at several of the most iconic golf courses around the world, as well as several fictional ones to keep your game lively. Snacks are available, or food can be ordered to your bay when the kitchen is open.

Are you hosting a birthday party, corporate event, reunion, holiday party, wedding, ceremony, or other event? A variety of rental options are available, and they are open Thursday through Sunday.

Follow them on Facebook for updated events, specials, and menus. [www.detentiontn.com](http://www.detentiontn.com).

For more information, call (931) 773-7529

Location: 615 School St., Morrison, TN

# Cumberland Caverns

Spelunk underground and discover a unique experience of a lifetime.

**W**HERE IS the coolest place to see a concert in Middle Tennessee? The Cumberland Caverns! Weddings and other events happen regularly in the cave. If you like staying above ground and shopping, there is a delightful gift shop. When you've finished your browsing and purchases, sit a spell in the rocking chairs on the front porch and admire the view.

If you want an all-out intensive cave experience, you can release your inner spelunker. The Legacy Tour is the most extreme tour at Cumberland Caverns with rock climbing, crevasses, and a canyon. The trip includes areas of the cave not previously permitted to the public and will give you a true taste of adventure.

Whatever pleases you, you can find it at Cumberland Caverns. You can make reservations on their website: [CumberlandCaverns.com](http://CumberlandCaverns.com) or by calling (931) 668-4396.

# Christmas

## IN MCMINNVILLE

**K**ICK OFF the holidays downtown at Merry McMinnville's Santa Parade and Holiday Tree Lighting. Historic Main Street fills with floats, music, and families waiting for Santa, followed by the city tree lighting. Recent celebrations began the Friday after Thanksgiving at 4:30 p.m., which makes it easy to pair with dining and shopping on Main Street. Bring a chair, bundle up, and arrive early for a front-row view.

The City Christmas Parade rolls again in December with church groups, school bands, local clubs, and businesses all in the lineup. It is a classic small-town parade that gives visitors a real feel for the community and gives locals a chance to show off their creativity. If you want to participate, the city posts entry packets and route maps in advance. Spectators should plan for road closures and pick a spot along the route.

Plan time for the McMinnville Nativity Festival, a free, family-friendly weekend that features hundreds of nativity scenes from around the world, live music, and children's activities. It runs in mid-December and is organized by local volunteers. This is a great quiet-moment stop between busier events and an easy way to meet friendly faces. Admission is free, so groups and multigenerational families can linger without rushing.

Holiday shows at the restored Park Theater add a warm glow to the season. The Dailey & Vincent Christmas show is a perfect excuse for dinner downtown and a concert in a historic venue. Book tickets ahead since prime December dates sell quickly.

Why go now: holiday travel brings visitor dollars to local restaurants, shops, and makers, and it helps fund free civic traditions that everyone enjoys the rest of the year. Your presence keeps the parade rolling, the lights glowing, and the theater marquee bright. See you under the lights.

LOCAL FOOD AND MORE

# Farmers Market

**I**N THE heart of downtown, a bountiful harvest fills the beautiful and spacious McMinnville Farmers Market Pavilion. From April through November tables overflow with crates of locally grown sweet potatoes, tomatoes, okra, apples, blackberries, and corn. Eggs from free-range hens are on display next to golden jars of local honey. Behind a chalkboard with a list of prices, coolers keep packages of grass-fed beef, chicken, and pork cold. The smell of freshly baked bread and cinnamon rolls wafts through the air, and buckets of fresh flowers await to adorn dinner tables. The sight is not only a feast for the eyes, but it's also an authentic taste of McMinnville that you won't find anywhere else.

When you come to the Warren County Farmers Market, you also have the opportunity to talk with the growers and producers, to learn about their practices, and to hear the stories of an heirloom variety of carrots or the process of curing bacon.

The farmers market in McMinnville is easy to find. Look for the water tower in downtown McMinnville. It's open from 6 a.m. to noon, every Wednesday and Saturday, from the beginning of April through the end of November. Also, watch for special events throughout the season.

For more information about the farmers market visit the Warren County Farmers Market Facebook page. <https://www.facebook.com/p/Warren-County-Farmers-Market-100039949188372/>

MAIN STREET LIVE

# Music Downtown

**J**OIN THE summer community party in downtown McMinnville with Main Street Live! Bring a chair and bring your friends to try local foods at the Mini Food Truck Festival while you listen to great live music. This family-fun event is hosted by Main Street McMinnville. The food trucks open at 6 p.m. and the free concert begins just an hour later at 7 p.m. on the west lawn of Security Federal Savings Bank (306 W. Main St., McMinnville, TN).

The Main Street McMinnville tent will also provide community announcements and live drawings throughout the night. You can register at the Main Street McMinnville tent. The 2025 season was a great success, bringing attendees to the historic downtown area.

The music is provided by a wide variety of artists. In the summer, keep an eye on the Main Street McMinnville's Facebook page for the latest announcements on the performing line-up and more information about the Main Street Live events.

This event is a non-smoking, non-vaping, non-alcoholic venue. Call the Main Street McMinnville office at (931) 506-5335 or email at [mainstmcminn@blomand.net](mailto:mainstmcminn@blomand.net).

MUSIC, THEATER, COMEDY, DANCE

# The Park Theater

ORIGINALLY CONSTRUCTED in May 1939, The Park Theater underwent a comprehensive renovation and reopened its doors in May 2015. With its rich history, the venue showcases stunning sloped epoxy floors adorned with 378 theater-style seats on the main floor and an additional 181 seats in the balcony, ensuring a delightful experience from every vantage point. A diverse range of performances, spanning from musical acts of all genres to theatrical, comedy, dance, and children's programs, awaits the audience's pleasure. The team at The Park Theater extends a warm invitation to all, eager to earn their valued patronage and offer exceptional service.

For further inquiries or reservations, kindly contact them at (931) -506-2787, and they eagerly await the opportunity to welcome you to The Park!

# Milner Recreation Center

**E**XPERIENCE THE joy of movement in beautifully renovated surroundings at the Milner Recreation Center, formerly known as the Civic Center. Named to honor Doug Milner, Warren County's local Dr. Pepper and Sun Drop philanthropist, the Milner Recreation Center provides opportunities for health and wellness for people of all ages.

The newly renovated facility offers many sports and recreation activities that are made available to the public, including updates for people with disabilities. The indoor walking track is perfect for year-round walking and jogging. The wellness center has expanded and created more space for customers to freely move around during their workouts. The free weight area is separate from the machine weights which gives clients better options. The wellness center has the added convenience of bathrooms and showers. There is also a kid's zone that enables parents to work out in the wellness center while keeping an eye on their children.

*You can now enjoy pickleball on the brand new courts at the Milner Recreation Center.*

With the renovation came the opportunity to run multiple basketball courts with a smaller court located on the second level. The main court is located on the first level and can be divided into two separate courts by a curtain. This provides more opportunities for tournaments or simultaneous group activities. The indoor tennis court is now in its own dedicated room and provides year-round climate-controlled playing comfort. Two new racquetball courts are available for use as well.

Daily admission and all membership options (monthly, family, or yearly) include access to the wide variety of the classes available. Instructors are certified and dedicated to meeting the needs of each participant. Classes are selected for diverse fitness and activity options. Additionally, they are scheduled to meet the needs of the public with morning, noon, and evening alternatives. Boot camp classes, Silver Sneakers (for seniors), cycling, boxing, and yoga are just a sampling of options awaiting Milner Recreation Center members and visitors. Personal training is also available for an added fee.

Immediately on entering, residents notice the redesigned lobby to facilitate guest services and check-in. There is dedicated office space for the parks and recreation administration and the center also provides a banquet hall, available for community rental, including an upgraded kitchen.

Gilley Pool, operated by the McMinnville Parks and Recreation department and in close proximity to the recreation center, has separate membership and daily

pass options. This is due to the seasonal nature of the pool being open from Memorial Day through Labor Day.

Affordability and access are high priorities according to Justin Scott, parks and recreation director for the city of McMinnville. Providing a clean and safe place to exercise supports the healthy lifestyle goals of area residents. Now that Milner Recreation Center is fully operational and reopened as of June 2021, the staff welcomes the public with open arms and encourages them to come in, tour the facility, and try it for a day to fully experience all the center has to offer.

Milner Recreation Center is located at 500 Garfield St. in McMinnville and is open Monday through Friday 6 a.m. to 8 p.m., Saturday 8 a.m. to 8 p.m., and Sunday 1 p.m. to 6 p.m. Their phone number is (931) 473-1212. More information is available on their website.

# Warren County Fair

*Photography by Durham Photography*

**T**HE WARREN County A&L Fair has been a beloved tradition since 1954, bringing together families, neighbors, and visitors to celebrate the spirit of Warren County. Each September, the fairgrounds come alive with music, laughter, and the smell of fair food drifting through the air. From the Ferris wheel to the livestock barns, every corner offers something to enjoy. As the only free fair left in Tennessee, it welcomes over 200,000 people each year, making it one of the state's most cherished community events.

The fair is a highlight of the year for local residents and visitors alike. It offers a chance to support local vendors, showcase 4-H and FFA students, and recognize the people who make this community strong. Exhibits, contests, and live entertainment fill the week with activity, while the midway provides fun for all ages.

The Warren County A&L Fair continues to represent the pride, hard work, and hospitality that define this area. It is a time to connect, celebrate, and experience the best of what Warren County has to offer.

## VISIT THE

**E**

From 8 a.m. to 4 p.m., visitors enjoy a vibrant showcase of over 250 vendors along with two food courts, live entertainment, and family-friendly attractions such as the Kid Zone and games. Streets are closed to traffic, creating a walkable festival atmosphere that highlights the beauty of downtown while supporting local businesses and artisans.

The Autumn Street Fair is more than an event — it is a cornerstone of community pride and economic vitality. By drawing thousands of attendees to the heart of McMinnville, it provides opportunities for local entrepreneurs, strengthens civic engagement, and celebrates the collaborative spirit that defines Warren County.

# Eat Local

## EAT LIKE A LOCAL!

*By Amanda E. West*

*Photography by Ashleigh Newnes*

### THE LOCAL ON MORFORD

---

Contemporary casual dining experience, craft cocktail lounge, and full bar. Offers a nod to the past while elevating the present. Indoor-outdoor covered seating. Amazing appetizers, salads, sandwiches, burgers, seasonal chef-inspired steaks, pork chops, salmon entrees, and a variety of mouth-watering sides and unforgettable desserts. Reservations are suggested but not required. Ideal venue for private events. [www.thelocalonmorford.com](http://www.thelocalonmorford.com)

Located at the heart of Morford Street in McMinnville, at 208 E. Morford St.

For reservations, call (931) 305-0310

**SUNDAY-THURSDAY, 11 A.M.-10 P.M.**

**FRIDAY AND SATURDAY, 11 A.M.-11 P.M.**

## BEGONIAS

Fresh ingredients pair with a hip vibe. Locally sourced beef, garden-fresh salads, award-winning pizza and sandwiches, traditional and not-so-traditional burgers, patty melts, pastas, fabulous starters, and delectable desserts to satisfy your sweet tooth. Delivery available. [www.begoniasmcminnville.com](http://www.begoniasmcminnville.com)

Located in downtown McMinnville at 239 E. Main St. Order online, in their mobile app, or call (931) 507-4174.

**TUESDAY-THURSDAY, 3 A.M.-9 P.M.**

**FRIDAY-SATURDAY, 3 P.M.-9 P.M.**

## COOKIES BY BRAX

One of McMinnville's newest businesses was recently voted Warren County's Finest Chocolate Chip Cookies. Peek through the windows at the seemingly endless trays of freshly baked cookies, meringue-covered pies, puddings, brownies, blondies, and much more. Seasonal goodies, a list of ever-changing sweet treats, and limited quantities make Cookies by Brax the place to discover new favorites. The menu and hours change frequently. [Check Facebook for updates.](#)

For more information, call (931) 316-1626

Located at 121 W. Main St., Suite A, McMinnville, TN

**HOURS: AVAILABLE ON THE COOKIES BY BRAX FACEBOOK PAGE**

## THE GRILL AT SMOOTH RAPIDS

Immerse yourself in nature minutes from downtown. The Grill at Smooth Rapids is a little bit of New Orleans, a little bit of Chicago, and a whole lot of Southern favorites. Locals rave about their famous chicken wings, quirky decor, and the view of the Barren Fork River. Enjoy Philly sandwiches, River Monster Fries, fried green tomatoes, hand-crafted, locally inspired burgers, salads, shrimp, beef and chicken tacos, Cajun po'boys, and Philly sandwiches. Dinner plates of hamburger steak, catfish, fried shrimp, or grilled chicken breast come with a salad and your choice of home-cooked kettle chips, fries, or premium sides. [www.smoothrapids.com](http://www.smoothrapids.com)

For more information, call (931) 452-9251

Located at 245 Durham St., McMinnville, TN

**OPEN: TUESDAY-SATURDAY, 11 A.M.-9 P.M.**

**CLOSED: SUNDAY AND MONDAY**

## PRATER'S BAR-B-QUE & CATERING

Known as the "Best in the South." Made-from-scratch specialty sandwiches, pan-fried catfish, hand-battered fried chicken, burgers, rib-eye steaks, brisket, and their full or half-rack of ribs. Whether feeding your family or thousands at an event, Prater's is ready and willing. Voted No. 1 on Rolling Stone magazine's top things to do at the Bonnaroo Music and Arts Festival. The Prater gang travels across the Mid-South with eight active cooks for competitions, festivals, and catering events.

For more information, call (931) 635-2259

Located at 9576 Manchester Hwy., Morrison, TN

**OPEN: MONDAY-SATURDAY, 10:30 A.M.-8:30 P.M.**

**CLOSED ON SUNDAY**

## VIOLA'S PIZZA COMPANY

Neighbors baking pizza for neighbors. The Covert family perfected the art of making pizza using only the finest ingredients and their signature three-day process. Though they are small, they are mighty. They offer garlic knots, pizza salad, chef salad, buffalo wings, plus their signature 16" pizzas, which include the Viola Special, Town Best, Tractor Pull, and the Valley Garden. Feeling inspired? Build your pizza the way you like it: dine-in or carryout. For weekly or monthly specials, follow their Facebook page or visit [www.violaspizzacompany.com](http://www.violaspizzacompany.com).

For more information, call (931) 635-5000

Located at 7 Lynn St., Viola, TN

**THURSDAY-SATURDAY, 4 P.M.-7 P.M.**

## THE DETENTION @ THE ELEMENTARY

Family-friendly atmosphere, games, golf-simulator, laser tag, bumper cars, bounce houses, rock-climbing wall, arcade, laser tag and so much more! Book your next party or corporate event here. Over 5,000 square feet of dining space. Fresher than fresh salad and potato bars. All-you-can-eat breakfast and pizza buffets on Saturday and Sunday. They also offer in-house and off-site catering options. Follow their Facebook page for daily specials and hours of operation. [www.detentiontn.com](http://www.detentiontn.com)

For more information, call (931) 773-7529

Located at 615 School St., Morrison, TN

## THE VANILLA BEAN BAKING COMPANY

Since they opened their doors in 2018, this mother-daughter team has been voted “Best of the Best” for their chocolate chip cookies. But their peanut butter, oatmeal raisin, and snickerdoodle cookies aren’t to be missed either. Classic vanilla or chocolate cupcakes or more “adventurous” cupcakes such as lavender or pistachio blueberry pair perfectly alongside a steaming cup of coffee, a latte, homemade cream soda, hot tea, or their not-too-tart lemonade. Sally, the owner, prides herself on using the finest ingredients, including locally sourced and roasted coffee beans. Whether in the mood for savory or sweet, their breakfast, brunch, and lunch menus, along with grab-and-go lunch options, are a game-changer. Weekly menus are posted on Facebook and Instagram each Tuesday. Catering and custom orders are welcome. [www.thevanillabeanbakingco.com](http://www.thevanillabeanbakingco.com)

For more information, call (931) 507-2253  
 Located at 224 E. Main St., McMinnville, TN  
**WEDNESDAY-FRIDAY, 7 A.M.-4 P.M.**  
**SATURDAY, 7 A.M.-2 P.M.**

## COLLINS RIVER BBQ & CAFE

Local favorite for comfort food. Fast, friendly service with a smile. Serving up classic pulled pork, smoked wings, fresh salads, homemade desserts, and more. Rated No. 1 by Tripadvisor. Live music, a place to gather for events, and catering are available. [www.collinsriverbbq.com](http://www.collinsriverbbq.com)

Located in downtown McMinnville at 117 E. Main St.  
 Order online or call (931) 507-3663  
**TUESDAY-SATURDAY, 11 A.M.-9 P.M.**

**SCAG**  
POWER EQUIPMENT

**GROW.**

**BLOW.**

**MOW.**

**AND MORE.**

Since 1983, Scag Power Equipment has offered "Simply the Best" lawn mowers money can buy, **built for hard-working AMERICANS, by hard-working AMERICANS.**

More than lawn mowers, today's Scag lineup includes spreader/sprayers to help you grow the lushest turf, walk-behind and stand-on blowers, truck loaders, as well as a stand-on mini skid steer and other small construction equipment — equipping you from start to finish.
