Does your house make you cranky?

Is your entry way an area where shoes coats and boots land.

Look for hooks for jackets and cubby for shoes. It gets rid of the clutter and gives you an organized space. Different colors and patterns give a room some texture and personality. Try mixing it up and not using just solid colors.

Finally your dining room, try a warm paint and warm decorations to keep this room from being formal and cold.

Some of these ideas just may make your home feel warm peaceful and an enjoyable place again.
