GET YOUR AIR DUCTS CLEANED

Air Duct Cleaning by Ron Cochran of Stanley Steemer

Furnace cleaning is invaluable to the way your home breathes and performs. NADCA recommends you should clean your air ducts every 3-5 years. Depending on the situation of your home, that number can change. Air ducts are the lungs of your home - whatever they breathe in, you breathe in too. If you're not convinced air duct cleaning is necessary, check out these 5 reasons why the investment is worth it.

1. It also gets rid of dirt, dust mites and allergens.
2. Reduces air pollution in your home.
3. Helps increase the efficiency of your HVAC system.
4. Refreshes a home you may be buying, selling or renovating.
5. Helps save money on repairs and utility expenses.

To learn more check out our blog at:

<https://www.stanleysteemer.com/blog>

For more information and to have your air
ducts cleaned contact 1(800) STEEMER®
