TIPS FOR A PEACEFUL HOME

Most of us operate at a fairly fast pace and our days are so crammed we don't have time to relax. We can turn our homes into a peaceful setting with just a few steps.

Say no to **Clutter**. Clutter has been shown to actually increase stress, so try to keep your home as clutter free as possible. Clear surfaces such as table tops and countertops, limit decor and knick knacks to meaningful items.

Sunlight. Sunlight enhances our emotional well being, so include as much natural light as possible in your home, dim the lights at night.

Nature. Add some nature scenes and elements. They can help feeling of peacefulness such as plants and water features little fountains. The sound of water is relaxing. Engage your senses.

Sight pleasing things to look at.

Sound. Sounds that soothe you.

Smell. Scents like lavender have shown to be calming.

Touch. Textures in furniture pillow or accessories.

Food. Choose foods that are nourishing.

All this will make your home a beautiful sanctuary for peacefulness after a long day.
