**6 THINGS YOU SHOULD DO WHEN YOU MOVE INTO YOUR NEW HOME.**

- Change the locks. You really don't know how many people have the keys to your home. For security measures it's a good idea to start fresh. You can install new deadbolts yourself for about \$10 each.
- Check for plumbing leaks. You should have done this prior to this, but one more time is good.
- Make sure the hot water heater doesn't leak, the plumbing under the sinks, and your washer dryer hookups aren't leaking. You can tell if you have a leak by checking your water meter at the beginning and end of a two hour window in which no water was used. If the reading is different you have a leak somewhere.
- Steam clean all the carpets before you move your furniture in. It makes it so much easier to do it before you are in and settled. You can easily rent a steam cleaner from most major hardware stores, ex. Lowes, Home Depot.
- Wipe out your cabinets before you move in your dish ware. Use a non toxic cleaner that also disinfects. Give critters the heave-ho which can include, mice, bugs, termites, bats, and any other uninvited guest. There are a number of DIY ways to take care of this.
- Last, introduce yourself to your circuit breaker box and main water shut off. You want to know how to shut each off in case of an emergency.

Just a few small hints to try once you move into your new home.

**MY PLEA**

“Lord, help me reach my hearts... I have a burden in mine. The Faith I have in “You”, is my plea that others Will find. Lord, let the Power of Your Holy Spirit flow in the words that I write... That, many hearts will be moved by Your Truth and then, they Will see. My pleas is for many hearts to look to You, Jesus... That, many souls Will be Saved. With my Faith and prayers... Please draw them Lord, to Believe.”

J.L. Pashley

There is no greater thing in life than to be at Peace with God knowing “Jesus” Chris” as your Saviour. The Love of God is there in every aspect of your life, If we let Him... And He sets us on the path, that is Never wrong. J.L.P
