Seaside Resort of Ocean City!

**Relaxing Vacation with Oceanfront Hotel
June 1-5 * Perfect Blend of Touring & Free Time!**

If you love Seaside Resort Towns and the sensations that only sparkling waters & the gentle breezes of ocean air can provide, you will want to join us for this VERY delightful tour we have planned for you! ~ The sun and surf of Ocean City, Maryland, has been attracting visitors since Algonquian tribes first came to the beaches to fish and sun themselves. Due to OC's isolation as a barrier island, the town remained a sleepy fishing village until the late 1800's when heroes took up residence and the ancestor of today's Coast Guard was established here. In 1900, the wooden Boardwalk was added - (Fun Fact: Originally the boards were all taken up in the winter and stored 'til spring - Wow!). With the building of the Chesapeake Bay Bridge in the 60's, in a few short years OC became the favorite resort for visitors from all over the eastern seaboard. Today, Ocean City stretches along 10 miles of beautiful beach from the Inlet to the Delaware state line, and the Boardwalk offers nearly 3 miles of food, games and shopping. The weather this time of year is perfect, plus the crowds have not yet arrived and the water is warming up nicely - a wonderful time to visit the ocean! ~ Look what all this scenic, carefree adventure holds: 4 nights at the Beautiful Courtyard by Marriott Oceanfront Hotel with direct access to the beach & Boardwalk (unpack once!), and breakfast each morning * An educational Eco-Cruise on "The Explorer" around picturesque Assawoman Bay * Guided tour of Assateague Island's famous "Wild Ponies" - beautiful animals and great photo ops! * Dickens Dinner Theater & Show (our folks LOVE this!) * Browsing in historic Berlin * The unique Discoversea Shipwreck Museum, a gem on Fenwick Island * A fun visit to Seashell City! * Wonderful Additional Dinners at Coral Reef, The Captain's Table, and scenic Harborwatch (subject to change) * *A picturesque, relaxing trip that's especially fun with friends - call for some extra flyers to pass around!!* * \$1,618 p/p, double occ * \$1,398 p/p, triple occ * \$1,288 p/p, quad occ * \$2,268 single

GENERAL INFORMATION:

Ohio Departure Points: Our departure points are as follows - Akron: Home Depot, 2811 S. Arlington St, Akron – just down from the Walmart – park in the front corner behind Golden Corral; Canton: Target parking lot behind Panda Express, 5584 Dressler Rd. NW – near Belden Village; Alliance: the front parking area of Lowe's, 2595 W. State St.; Salem: Burger King on E. State St. (rear parking area); Columbiana: our TLC Office at 44139 St. Rt. 14. Other departure points may be established for groups of 10 or more if the itinerary and direction of travel permit. We reserve the right to change departures. Departures are arranged in the direction of travel, with last departure being the closest to the destination, for the convenience of all passengers. *We have a special TLC Tours rate at a nearby hotel in both Columbiana and Slippery Rock if you have an early pickup and would like to come stay the night before. Call for more info.

Pennsylvania Departure Points: For Both Overnight and Day Trips, choose from 2 Locations: Slippery Rock: Campbell Bus Lines, 258 Grove City Rd; or Butler: Ollie's, 602 Moraine Pointe Plaza. *We may use smaller shuttle buses to make these pickups and join the tour enroute at a logical transfer point.

Seating: On all overnight tours of 30 or more, we use a daily seat rotation to provide a variety of vantage points for everyone. The first day of a trip, you choose your seat when you board, and rotate from there. We feel this is fair to all. If the coach is not full (less than 30), a less formal rotation will be used. Persons traveling single or with uneven amounts in their group may need to sit with other like-travelers. We cannot guarantee that small groups will be seated together. We welcome single travelers, but the single rate does not include two seats on the coach. *We cannot accept doctor's notes regarding requests to sit in the front seat/s. Please consider boarding at the first pickup location if your seat location is of concern. It is also recommended to see your doctor for motion sickness medication, if this should apply.

Smoking/Drinking: We make regular stops for restrooms and for the convenience of smokers; however, we have a NO SMOKING (or vaping) policy aboard all coaches. If someone violates the non-smoking policies of places we are staying or visiting while on tour, it is the sole responsibility of that person should there be any penalties and/or fines for not adhering to their rules and regulations. Consumption of alcoholic beverages is not permitted at any time on the coach.

Transportation: All of our tours use beautiful modern, deluxe wide-body motorcoaches from

Campbell Bus Lines. Campbell has received the highest possible rating with the Dept. of Transportation. The motorcoaches are equipped with air-conditioning, reclining seats, public address system, DVD player, outlets for each passenger, and emergency restrooms. Our intent is for all overnight tours to be professionally escorted. Upon occasion, in order to avoid canceling a trip with a low passenger count, our Driver may serve both positions of Driver and Escort, and are professionally trained to do so.

Age Requirement: All ages are welcome to join a TLC Tour beginning with age 5 years old and up. Because our goal is to provide a relaxing, enjoyable ride for all when on our coach, we must ask that adults plan appropriate, quiet entertainment for their younger ones in order to not disturb the others aboard. There may be a reduction in cost for the younger children, but no guarantees, especially on Day Trips.

Lodging and Meals: Your quality lodging is included on all overnight tours. We never use second-rate hotels, restaurants, or activities on any tour, to the best of our ability to make that determination. If you need two beds in your room, please state this when making your reservation. *Special note regarding accessible (handicapped) rooms: While we can request an accessible room if you ask us to, every hotel has their own definition of exactly what "accessible" fully entails at their property. We cannot be responsible if something is not exactly as you hoped when you arrive. Nor will any hotel guarantee they will be able to fulfill a handicapped room request, especially if the hotel should be full and all such rooms are already taken. ~~ Regarding meals: Generally, some meals are included on overnight tours (see individual tour inclusions); however, we cannot guarantee any special dietary requirements. Most restaurants are now requiring us to order from a pre-set Group Menu, often ahead of departure. We cannot accommodate individual entrée requests other than the ones given to us by the restaurant.

Border Crossings: As of June 2009, a Passport or Passport Card is required for border crossings. Either of these travel documents may be obtained through your local courthouse. The Passport Card is limited, but is sufficient for Canadian border crossings and is good for 10 years – it is also very easy to apply for. Your Driver and/or Escort will be asking to see one of these documents before boarding the coach for trips with this requirement. We cannot be responsible if you are unable to travel due to failure on your part to obtain the proper documentation. Please begin the process early enough to ensure that you will have it in time for your tour's departure. For more information via the Internet: http://travel.state.gov/passport/ppt_card/ppt_card_3926.html

Luggage: One suitcase per person is included in the price of your tour. We ask that you are respectful of the weight. Our Drivers handle up to 54 pieces of luggage multiple times throughout a tour, and if it's too heavy for you to lift comfortably, it is too heavy for them. You are also permitted a carry-on, which is your responsibility. Additional luggage may be transported at the cost of \$10.00 per bag, per day – you must clear this with the Office ahead of time. It is wise to travel light. Luggage tags are provided and required for hotel identification, and are sent with the final letter and phone numbers of your hotels.

Medical Devices: Medical devices must be handled by you, the passenger. They are either to be stored under your seat (not protruding out into the person's space behind or in front of you), or if too large for that accommodation, they must be placed under the coach by you, and taken off at each place it's needed by you. It is not safe for a medical device to ride in an overhead compartment for multiple reasons, nor are our Drivers or hotel personnel allowed to handle it for safety and liability reasons. If it needs to ride under the coach, please have it in a quality container (as small as possible) to ensure it rides safely.

Taxes and Gratuities: All taxes and gratuities for included meals and activities are included, unless otherwise mentioned by the Escort. Driver and Escort gratuities are not included in the price of your tour. The suggested rate for a "job well done" is a minimum of \$4.50-\$5.00 per person/per day for the Tour Escort, and a minimum of \$4.50-\$5.00 per person/per day for the Driver. We request that you express this on an individual basis, and let the quality of service received be your guide.

TLC Reward Cards: TLC Cards are non-transferable and non-replaceable. Please take care to keep it in a safe place you will remember. If you decline your TLC Card punch while on tour, you cannot get it later.

Payment: All prices listed are per/person rates. On one-day tours, full payment must be made with the reservation. For overnight tours, see "How To Make A Reservation". Balance of an overnight tour is due 60 days prior to departure (unless otherwise stated/notified). Confirmation will be sent after we receive your deposit. Please call as soon as possible if you should decide not to go.

Refunds: Prior to 60 days before departure date, a full refund will be made. *Tours that include tickets generally have earlier non-refundable dates – ask upon booking. There are no refunds for

SEE PAGE 35

GENERAL INFORMATION CONTINUED

cancellations made within 60 days prior to your departure date. However, we will do our best to recover as much as we can, but cannot guarantee anything including prepaid reservations and other costs that are non-refundable to us. There will be a \$75.00 per/person charge for this service for overnight tours and \$25.00 for day trips. There will be no refund, for any reason, for a “no-show” on the day of the tour. ~ Please Note: Refunds will be made by the same method you paid us; e.g., if you paid by credit card, the refund will be put back on that credit card. No exceptions.

TLC Tours offers a “Refund Protection Plan” for overnight tours that is available at our office at a minimal cost. It needs to be purchased when you book your trip. This insures you a full refund for two situations. In case of A.) a death in your immediate family (requires a copy of death notice), or B.) personal illness (requires a doctor’s written note confirming you were too ill to travel). Exceptions would be made if an immediate family member’s serious illness necessitates you staying home, but would still need confirmation by a doctor’s note. **Immediate family, in these situations, includes spouse, parents, siblings, or children only.* Call our office for full details about TLC’s RPP. We encourage you to take advantage of the protection plan, or secure comprehensive travel insurance on your own if you prefer “cancel for any reason” coverage

(these companies are easily found via a Google search). Our Refund Protection Plan is not available for Day Trips, nor are there any refunds for Day Trips, with a few exceptions.

Illness: Should someone become ill during or after their tour, we assume no responsibility or liability. We cannot control every minute of everyone’s day, nor can we control how people handle themselves when off the coach. Our coaches are cleaned and sanitized on a regular basis, and we have done our very best to secure accommodations and venues that state the highest sanitation protocols to the best of their ability. We ask that you take your own temperature before leaving home on the morning of Day One, and if you show any fever at all, please stay home. If you have additional/other symptoms that suggest illness, we ask that you please stay home. We trust that our upstanding TLC customers will “do the right thing” and not put anyone else at risk for contracting an illness on a TLC tour, to the best of their ability. If you do need to cancel at the last minute because of concerning symptoms, our normal cancellation policies apply, just as they would to any other last-minute illness that prevents you from going on a tour. See ‘Refunds’ on page 34. ~ If on tour you should become ill, you would be responsible to quarantine yourself and arrange for transportation home when appropriate. -- By traveling with

us, you are agreeing that TLC Tours, LLC will not be held responsible for contracting viruses or other such illnesses, nor liable for any expenses involved in any way.

Cancellations: TLC Tours reserves the right to cancel any tour that has not reached a minimum number of reservations. We always avoid changes and cancellations if at all possible, as we realize the inconvenience to you, our valued customer. We reserve the right to cancel or refuse service to anyone, in our sole discretion. Any person may be dismissed from a tour at any time or place by the Tour Escort or Driver should their conduct be problematic in any way. No refund will be made, nor will any further responsibility be assumed by TLC Tours or anyone in their employment.

Responsibility: TLC Tours, LLC is insured. Campbell Bus Lines is registered and insured with the ICC. TLC Tours acts only as an agent. We are not responsible to any person for any loss of time or money due to a change or delay beyond our control. Nor are we responsible for non-performance by those we have contracted with. We reserve the right to change tour prices, inclusions, and itinerary, if so dictated by circumstances beyond our control. We are not responsible for pricing, typographical, or other errors. Any claims against TLC Tours must be made in writing within 30 days of the trip.

AMERICA 250: The nicknames of all 50 states

The United States is the fourth largest country in the world in terms of total area. According to The World Factbook, the U.S. features more than 9.8 million square kilometers (roughly 3.8 million square miles), and the country’s terrain is as diverse as the people who call the nation home. There may be no better way to gain a feel for America and its inhabitants than getting behind the wheel and taking a road trip, but there’s many other ways to gain insight into what makes each state unique. Each state in the United States has at least one nickname, and those monikers can be a fun way to spark discussions and learn more about each of the 50 states that make up the country.

You're Invited To One of Our Wonderful 2026 TRAVEL MEETINGS

Traditionally each year, in order for you to meet us personally and also to learn more about our tours, we take our "Show on the Road" shortly after our Tour Books come out. These much-anticipated Travel Meetings provide you the opportunity to meet our great team of Escorts, Drivers and Office Staff, plus give the ability to take part in all the other important things we always do at them. ~ Here's how they work...

On the dates and locations to the right, along with meeting us, you'll be able to collect fully-detailed flyers of our overnight tours (2 nights or more), find out which trips have special Travel Meeting Incentives (discounts) if you book that day or by the following Monday – and you'll also receive a little baggie of delicious home-style cookies to take home! We will have a Reservation Table for those who wish to sign up early for your trips so you're sure to have a spot on the ones you're interested in (check or credit card). ~ Also on the way out, you'll receive a very important coupon for a FREE PUNCH on your TLC Rewards Card!

A special gift to all who attend will be the free 2026 "TLC Tour Video" (DVD) full of TLC information, including a Q & A section spotlighting TLC details you've possibly wondered about, and other things that are good to know about motorcoach travel. The main portion of the DVD features a beautiful picture presentation of many of this year's tours which you can take home to watch at your leisure. One thing people especially like about the DVD is that they can play it multiple times and go back and look at other tours they may not have noticed fully the first time. It definitely was a winner when we initially did it, and people keep asking for it again!

In order to keep everyone from coming to the meetings all at once and avoid waiting in long lines to go through the flyer displays, we do need you to call our office and sign up for one of the time slots listed on the right. We're allowing 30 minutes for each slot, and ask that you stick to the one you've signed up for so that all flows well throughout each of the locations. ~ Thank you so much for your help with this – we are extremely appreciative of your great attitudes to make our Travel Meetings so popular and work so well! Can't wait to see you there!!
