Throughput on Your Notcher Line Like You've Never Seen Before

Automation is the key to moving more board feet per hour without wasting labor hours.

That's what **MAX** delivers.

The KA 6000 Notcher is your solution for efficient throughput on boards from saw to stacker--nearly hands free.

ByPass Notcher[®] System *Integrates with M2L Board Stacker*

Feed both notched and non-notched stringers to the same board stacking line at up to 6000 boards per hour.

Guaranteed to Run... Right Out of the Box!

Wide Bandsaws from Bartlett's Saw
are manufactured by life long saw filers.
We know what sawmills need
to keep their mills running right.

We manufacture and sell 4"-8" wide bandsaws
(Single and Double Cut), 1¾" to 2" tooth space.

Every bandsaw we sell has to
meet our high standards before we ship it.

Call us to place your next order...

★★★★★
MAGNUM LT CARRIAGE
Tough, Fast, Simple

"We currently run four Hurdle mills and they give us the versatility to cut cants, ties, grade, and feed our thin-kerf resaws ... Hurdle has been a big part of our success for the last 25 years. You could spend 4 or 5 million dollars building a mill to square logs for a resaw, but why? Hurdle is the MOST cost effective headsaw, no other sawmill can produce like this and keep total capital investment this low!"

Brandon Clark, Clark Lumber Company

BUILT FOR OUTPUT

ENGINEERED FOR VERSATILITY

Industrial sawmills starting at \$129,995*

“The quality of how Wood-Mizer constructs their mills and their engineering help you maintain production as well as your quality of cutting. The WM4500 is a lot heavier built which makes it easier handling bigger and longer logs.”
 — Marty Garbers
 L. Garbers & Sons Sawmill

Selling my cut stock lumber through Bright Star's Premium Cut Auction has been a turning point for my business. The process is straightforward and reliable—I know exactly when my lumber will sell, and I always get paid within a week. Bright Star's marketing puts my products in front of serious buyers nationwide, and I've consistently seen strong prices and quick sales. Since partnering with Bright Star, I've reached new customers, moved more inventory, and grown my business. If you want a hassle-free way to sell your lumber and expand your reach, I highly recommend their auction. - John Gusler, Fairview Woodyard, Fairview MI

FOOD COMPANIES INSIST ON AIR FLOW TRAILER SYSTEMS

- Trailer system kit starts at \$4,400 everything included.
- Reduces moisture and humidity
- Uses regular 53 ft. van.
- Solves storage problems.
- Reduces wasted time.

Jasper Products of Joplin, MO , a manufacturer of food related products, had struggled to eliminate mold on pallets. After trying Air Flow Trailer Systems, they have eliminated the mold problem. “We are happy with it because we aren’t seeing moldy pallets. We tried many other solutions before and nothing else worked even marginally, but this AFTS fan system worked exceptionally well,” said Ed Beam, vice president of Jasper Products. Jasper recently purchased additional units from AFTS, bringing their total to 40.

EXPO
ESSEX JUNCTION, VERMONT
MAY 1 & 2, 2026

The Northeast's biggest and best forest industry show returns to Essex Junction, Vermont in May 2026!

Thousands of hard-working people are planning to gather in May to conduct some serious business and to have some fun. The **LOGGERS' EXPO** features a wide array of supplies and services, heavy equipment and trucks — for loggers and land clearers, tree care professionals and firewood dealers, sawmillers and landowners. This year's show features the **Weller Log Loading Competition**.

MAY 1-2, 2026
CHAMPLAIN VALLEY EXPOSITION, ESSEX JUNCTION, VT
