## NATIONAL FFA WEEK - ITHACA FEB. 20-27, 2016

I believe in the future of agriculture, with a faith born not of words but of deeds-- achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturalists to serve our own public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so-- for others as well as myself; in less need of charity and more of it when needed; in being happy myself and playing square with those whose happiness depends on me.

I believe that rural America can and will hold true to the best traditions of our national life and that I can exert and influence in my home and community which will stand solid for my part in that inspiring task.

# 25<sup>th</sup> Annual Clare/Gladwin Counties

# FOR WALK FOR WARMTH

**Move your feet to give others heat**

The Walk for Warmth is to be held Saturday, February 27 starting at the Doherty Hotel, 604 N. McEwan St., Clare. Registration is at 9 a.m. and the Walk starts at 10 a.m. The dollars raised will help low income people with their heat or other household related emergencies. All money raised stays in the county the walker designates it to. Registration forms and pledge sheets are available at your local Mid Michigan Community Action Agency or on our website [www.mmcaa.org](http://www.mmcaa.org).

**THANK YOU TO ALL AREA BUSINESSES FOR YOUR GENEROUS DONATIONS!**

## FREE T-SHIRT

# Hearing & Loving It!

We've relentlessly pursued the latest in wireless technologies to create Z Series™, Starkey's newest full family of wireless products featuring next generation **900 MHz Technology** that leads the way in performance, comfort, personalization and connectivity.

**Z series**

Z Series wireless hearing aids are designed to:

- Help you hear and understand conversations better in noisy environments like restaurants
- Make loud sounds more comfortable while boosting soft sounds
- Stream TV, phone calls and more, directly to your Z-Series hearing aids

**0% Interest! JUST 1/2 DOWN and LOW Monthly Payments WITH NO INTEREST!**

## HEAR What Our Customers Say!

*One of the best decisions that I have made in a long time was when I decided to open the door at Long's Hearing Care in Cadillac Michigan. I went in for a hearing test. I was treated with respect from the second that I walked in the door. Melissa met me at the front counter and took care of my needs in a very professional manner. I was tested and diagnosed for hearing aids. I was then fitted and when I returned back in 3 days my hearing life was changed. I now don't have to ask people to repeat what they said or have to guess an answer to a question that I really didn't even hear. Today I hear everything loud and clear. Life has completely changed for me. Thank you to Melissa and Mike at Long's Hearing Care!!*

*Bob McKenzie, Grand Rapids Michigan*

## Have You Thought About Invisible?

Starkey SoundLens is the first and most popular custom fit Invisible-in-the Canal (IIC) hearing aid ever made. It is custom fit to your unique ear canal for all day comfort, and rests deep inside your ear where no one can see it.

SoundLens come with Starkey's innovative features, including the industry's most proven feedback canceller, and a noise reduction speech preservation system that is designed to help you hear clearly and easily, even in noisy environments like restaurants. We can now

fit this technology on a wide range of hearing losses and the hearing aids are available at three technology levels and price points to suit your lifestyle and your budget. Please give our office a call if you would like to come in for an appointment to discuss this exciting technology.

Hearing aids do not restore natural hearing ability. Individual experiences vary depending on severity of loss, accuracy of evaluation, proper fit and ability to adapt to amplification. Hearing screening and video otoscope exams are always free, they are not medical exam and are used to determine proper amplification needs only. See your Miracle-Ear rep for complete details on all offers contained herein. ^Studies conducted at the University of Northern Colorado (2014) and Oldenburg Horzentrum (2013) showed that Speech Reception Thresholds (SRT) in cocktail-party situations improved up to 2.9 dB for wearers with mild to moderate hearing loss using GENIUS with Directional Focus, compared to people with normal hearing. This corresponds to over 25% improvement in speech understanding. £ Free services and products available on ME4 Solutions and higher.
