**The IBEW is growing and you are invited!!**

Response to our recent advertisements has been terrific! We have welcomed some new contractors into our family and are continually interviewing new membership prospects.

Our new contractors are not only looking for **Qualified Electricians** but also more **Solar Electricians and Tele-Communication Technicians** to staff upcoming projects.

One of the greatest benefits of the Electrical Union is the ability for our members to retire with dignity. Retirement of our well seasoned members provides fantastic opportunities for **Electricians of Foreman and General Foreman qualifications**. If you are an un-represented "lead" electrician, then we should be talking about your future.

We are also always looking for **Quality Open Shop Electrical Contractors** looking to grow with us. It does not matter if you have just 1 electrician or 1000, we have opportunities for everyone!

The IBEW has been successfully training crews for our contractors since Edison and Tesla were young men. For 125 years our signatory contractors have come to the IBEW to hire the highest quality electricians in the industry. We continue today, working in a mutually beneficial partnership with our contractors to offer the best value in the industry to our valued customers.

### Donna's Day Creative family fun

by Donna Erickson

### Layered Fresh Fiesta Dip for Cinco de Mayo

I'm always looking for a reason to celebrate, especially when food is part of the festivities. May is just around the corner, and with it many opportunities for family, food and fun, starting with May Day. Preschoolers delight in filling mini paper baskets with cookies, candies and a flower to secretly hang on neighbors' front doorknobs.

Mother's Day on the 10th is a good excuse to serve breakfast in bed to that deserving mom. Tucked in-between, on the fifth, is Cinco de Mayo — a festive time to celebrate Mexican culture and heritage with parades, music, dancing and, you guessed it, lots of eats.

We'll mark the day with a dinner of tasty south-of-the-border fare, starting with a fresh, updated version of the Tex-Mex 7-layer fiesta dip with chips. I'm mixing cream cheese and sour cream with homemade taco seasoning that kids can stir up in advance. We'll omit beans that can make the layering mushy, and toss in ripe avocado chunks to replace the more time-consuming guacamole prep. Grated cheese, fresh ripe tomatoes, chopped green onions, avocado and crispy lettuce piled high top it off.

### TASTY TACO SEASONING MIX

- 1 tablespoon salt-free chili powder
- 2 teaspoons ground cumin
- 1 teaspoon garlic powder
- 1 teaspoon onion powder
- 1 teaspoon paprika
- 1 teaspoon dried oregano
- 1/4 teaspoon red-pepper flakes (optional)
- 1 teaspoon sugar
- 1/2 teaspoon salt
- 1/4 teaspoon ground black pepper

Mix all ingredients in a bowl, and store in a jar with a tight lid. Makes 1/4 cup (about 4 tablespoons).

### LAYERED FRESH FIESTA PARTY DIP

- 1 8-ounce package cream cheese, room temperature
- 1 8-ounce container sour cream
- 2 tablespoons "Tasty Taco Seasoning Mix" (see above)
- 1 cup shredded cheddar cheese
- 1 cup chopped fresh tomatoes
- 1/4 cup sliced green onions
- 1 ripe avocado, chopped
- 2 cups crisp lettuce, loosely chopped
- 1/4 cup sliced black olives (optional)
- Tortilla chips for dipping

1. Combine the cream cheese, sour cream and seasoning mix in a large mixing bowl. Spread evenly over a large dinner plate.
2. Sprinkle 3/4 cup of the cheese evenly on top. Continue with the tomatoes, onions, avocado, lettuce and remaining cheese.
3. Serve with a basketful of tortilla chips.

Davy Crockett Lunchbox  
Q. I was a big fan of Davy Crockett during the 1950s and even had a coonskin cap. I managed to save my Davy Crockett lunchbox, and it is in fairly decent shape. How much could I sell it for? — *Carl, Tulsa, Oklahoma*

A. In 1954, Walt Disney produced the Davy Crockett show and it became an immediate hit. The "Ballad of Davy Crockett" shot to the top of the charts, and almost every kid in the country pestered his parents for a coonskin cap. Crockett was portrayed by Fess Parker. Two lunchboxes were produced, one for the American market and the other for Canada. Your American lunchbox is valued in the \$125-\$800 range depending, of course, on condition. The value was found in the "Official Guide to Disney Collectibles" by Ted Hake and published by House of Collectibles.

\*\*\*  
Q. I have a GAR badge that was used during an encampment in Indiana in about 1890. What was the GAR, and is my badge valuable? — *Bill, Shreveport, Louisiana*

A. The Grand Army of the Republic was formed immediately following the Civil War "to provide aid and assistance to the widows and orphans of the fallen Union dead and to care for the hospitalized veterans as needed." The first encampment was staged in Indianapolis in November 1866. The organization was disbanded in 1949 when the last comrade of the GAR died. Your badge is probably valued in the \$25-\$50 range.

\*\*\*  
Q. I have a Singer sewing machine that is the Model 15-30. It is in an oak cabinet that has been damaged by dampness. A neighbor has offered me \$600 for it. Should I sell? — *Bill, Indianapolis, Ind.*

A. Take the money and run. According to several dealers I consulted, your machine is probably worth about \$300, and perhaps even less with the cabinet damage you described.

\*\*\*  
Q. I have a letter that was signed by Harriet Beecher Stowe in 1885. I have been offered \$1,200 for it, but I think it might be worth more. — *Lillian, Hastings, Neb.*

A. A standard letter signed by Harriet Beecher Stowe should sell in the \$200 to \$500 range.

## Strange BUT TRUE

By Samantha Weaver

- A proverb of unknown origin states, "The length of a piece of wood can only be too short on one end."
- Scotsmen and their descendants make up almost half of the signers of the Declaration of Independence, and almost three-quarters of American presidents.
- An adult human has 60,000 miles of blood vessels.
- There was a scientist once who made it his mission to taste as many different kinds of meat as he possibly could. In his opinion, the worst tasting was mole meat. I won't argue. There probably aren't very many people who would be willing to gain enough experience in that field to be able to debate the matter.
- Hong Kong has more Rolls Royce cars per capita than any other city in the world.
- The main cabin of Air Force One, the airplane in which the president flies, is 4,000 square feet. That's more than many people's homes. Air Force One has seven bathrooms and 16 TVs. And there is enough food aboard to serve 2,000 meals.
- There is a popular, bright green melon liqueur, "Midori," which is used to make fruity drinks such as melon balls. The name is very descriptive — in Japanese, "midori" means "green."
- Most people know that a human has 46 chromosomes, but how do we compare to other living things? Not surprisingly, an ant has only two. A fruit fly has eight. A garden pea has 14. Your pet dog has 78. And a garden fern? It has 1,260 chromosomes!
- The state with the highest percentage of people who walk to work is Alaska.

### Can You Afford a Pet?

**DEAR PAW'S CORNER:** A friend of ours recently passed away and left two dogs that need someone to care for them. We're happy to take them in, but I know we'll need to adjust our budget to cover their needs. How much does it cost to care for two healthy adult dogs? — *Karl in Albany, New York*

**DEAR KARL:** First, kudos to you for taking care of your friend's pets! It's a selfless act, and transitioning them to your home likely will help ease the emotional impact of losing their owner.

The cost of pet care varies with the type of pet, their health and other variables. However, the American Pet Products Association has come up with some average costs for caring for pets.

For dogs, overall care costs average about \$1,650 per year, according to Hearst CIO Roger Paschke, citing an APPA report. About half of that amount goes to veterinary care. Pet food purchases take up another big chunk. And owners tend to spend a bit more on toys and similar products for dogs than they do for cats — \$47 versus \$28 per year.

So, with two dogs, does that mean you'll be spending twice that amount, or \$3,300 each year? Perhaps. Veterinary costs tend to be non-negotiable, for example — but you could look into purchasing pet insurance to cover unexpected expenses beyond their annual physical and vaccinations. Dogs don't really need to be festooned with toys, but you do need to purchase a good quality collar and leash for each of them.

By looking at various options for care and hunting for bargains on quality food and toys, you can keep the cost of caring for two dogs within your new budget.

Send your questions or pet care tips to ask@pawscorner.com.

Sometimes we look for  
those thunderous things to  
happen in our life for our  
lives to change or go in the  
other direction. We seek the  
miracle. We seek the parting  
of the seas, the moving of  
the mountains. But no, it's a  
quiet thing. At least for me  
it was.

**Q.** "Desperate Housewives" was one of my favorite shows. Can you tell me what Andrea Bowen, the actress who played Julie Mayer, is up to lately? — *Gia F., via email*

Andrea Bowen

**A.** Since "Housewives" ended in 2012, Andrea has kept busy with TV movies and series like "Scandal," "The Preacher's Daughter" and "The Secret Life of the American Teenager," to name a few. Soon you can catch her starring in the Lifetime original thriller "Dirty Little Addict," which premieres Sunday, May 1, at 9 p.m. ET/PT.

In it, Andrea plays Jennifer Phillips, a teenager who loses her father after a long battle with cancer. Naturally, she's devastated, but one night, after heavy drinking, she crashes her car into Colin, a college-bound track star, who now might never walk again. Jennifer is taken into rehab, and just when she thinks that the worst is over, Colin's brother comes looking for her, hell-bent on revenge.

day, June 12, at 9/8c, "The Last Ship" sets sail in its quest to save humanity after a devastating pandemic with a two-hour premiere. Eric Dane, Bridget Regan, Adam Baldwin, Travis Van Winkle, Marissa Neitling and Jocko Sims star in the third season of the high-impact series, as the crew of the "Nathan James" shifts its attention to Asia after President Michener hears rumblings that the Chinese leader, President Peng, has been hoarding the "Scott cure" instead of distributing it to the people in the region.

"Major Crimes" returns for its fifth season on Monday, June 13, at 10/9c, as Mary McDonnell and crew set out to solve some of the worst and most challenging homicides in Los Angeles. And "Murder in the First" has its season-three premiere on Sunday, June 19, at 10/9c, as viewers are taken deep inside a complex murder investigation conducted by a pair of San Francisco detectives played by Taye Diggs and Kathleen Robertson.

**Q.** I heard talk about a possible sequel to "Galaxy Quest," but now that Alan Rickman has passed away, is it even wise to try? — *Lisa F., via Twitter*

**A.** I agree, Lisa. No one can take the place of Alan Rickman, and it would appear that the folks who planned "Galaxy Quest 2" agree. Most of the original cast members were ready to do a sequel for Amazon, but according to Sam Rockwell, who co-starred in the original movie, it was difficult to find a time to do it because of everyone's busy schedules, and then Alan Rickman died. Sam revealed in a Nerdist podcast: "How do you fill that void of Alan Rickman? That's a hard void to fill." So, no, it's looking like the sci-fi cult hit will not be getting a sequel, and I think that's as it should be.

**KIRKS FOLLY JEWELRY SALE!** 409 Tiogue Avenue, Coventry: April 30, 8:30AM-3:30PM.

**ARIES** (March 21 to April 19) Temper your typical Aries urge to charge into a situation and demand answers. Instead, let the Lamb's gentler self emerge to deal with a problem that requires delicacy.

**TAURUS** (April 20 to May 20) You are aware of what's going on, so continue to stand by your earlier decision, no matter how persuasive the counter-arguments might be. Money pressures will soon ease.

**GEMINI** (May 21 to June 20) By all means, have fun and enjoy your newly expanded social life. But don't forget that some people are depending on you to keep promises that are very important to them.

**CANCER** (June 21 to July 22) You need to wait patiently for an answer to a workplace problem and not push for a decision. Remember: Time is on your side. A financial matter needs closer attention.

**LEO** (July 23 to August 22) You now have information that can influence that decision you planned to make. But the clever Cat will consult a trusted friend or family member before making a major move.

**VIRGO** (August 23 to September 22) Good news: You're finding that more doors are opening for you to show what you can do, and you don't even have to knock very hard to get the attention you're seeking.

**LIBRA** (September 23 to October 22) Your gift for creating order out of chaos will help you deal with a sudden rush of responsibilities that would threaten someone less able to balance his or her priorities.

**SCORPIO** (October 23 to November 21) Congratulations. Your energy levels are coming right back up to normal — just in time to help you tackle some worthwhile challenges and make some important choices.

**SAGITTARIUS** (November 22 to December 21) The sage Sagittarian should demand a full explanation of inconsistencies that might be cropping up in what had seemed to be a straightforward deal.

**CAPRICORN** (December 22 to January 19) A conflict between obligations to family and to the job can create stressful problems. Best advice: Balance your dual priorities so that one doesn't outweigh the other.

**AQUARIUS** (January 20 to February 18) Don't guess, speculate or gossip about that so-called mystery situation at the workplace. Bide your time. An explanation will be forthcoming very soon.

**PISCES** (February 19 to March 20) Boredom might be creeping in and causing you to lose interest in a repeat project. Deal with it by flipping over your usual routine and finding a new way to do an old task.

**BORN THIS WEEK:** You can warm the coldest heart with your lyrical voice and bright smile. You find yourself at home, wherever you are.

### Moments in time

THE HISTORY CHANNEL

- On May 4, 1776, Rhode Island, the colony founded by the most-radical religious dissenters from the Puritans of Massachusetts Bay Colony, becomes the first North American colony to renounce its allegiance to King George III. Ironically, Rhode Island would be the last state to ratify the new American Constitution.
- On May 8, 1792, Congress passes the second portion of the Militia Act, requiring that every free able-bodied white male citizen between the ages of 18 and 45 be enrolled in the militia.
- On May 7, 1915, the British ocean liner Lusitania is torpedoed without warning by a German submarine off Ireland, sinking within 20 minutes. More than 1,100 people perished, including more than 120 Americans, hastening the U.S. entry into World War I.
- On May 2, 1939, New York Yankees first baseman Lou Gehrig benches himself for poor play and ends his record streak of consecutive games played at 2,130. Gehrig was the first major-league player to have his uniform number retired.
- On May 5, 1961, from Cape Canaveral, Florida, Navy Commander Alan Shepard Jr. is launched into space aboard the Freedom 7 space capsule, becoming the first American astronaut to travel into space. The suborbital flight lasted 15 minutes and reached a height of 116 miles.
- On May 6, 1970, hundreds of colleges and universities across the nation shut down as thousands of students join a nationwide campus protest. The protests were a reaction to the shooting of four students at Kent State University by National Guardsmen during an anti-Vietnam War demonstration.
- On May 3, 1986, 54-year-old Willie Shoemaker, aboard Ferdinand, becomes the oldest jockey ever to win the Kentucky Derby. Even as a full-grown man, "Shoe" was just 4 feet 11 inches tall and 98 pounds.
