Obituaries

A funeral service for **Mary Schoning**, age 86, of Milford, was held Saturday, April 23, 2016 at 1:30pm at Union Memorial Church in Milford. Burial was at Milford Cemetery.

Mary Jane (Brinkley) Schoning was born April 15, 1930, the 14th child of Ebb and Eva (Brown) Brinkley of Dickens. She attended country school in the Spencer area before graduating from Spencer High School in 1948. She married her high school sweetheart, Duane Schoning, on January 23, 1949, in Langdon. The couple enjoyed farming together for over 50 years in the Milford area and raised four children.

Mary was well known as "The Egg Lady", delivering farm fresh eggs to area residents & organizations. She was very active in 4-H with her children, and loved tending her large garden. Her hobbies included sewing, baking, quilting and playing cards. She was an active member of Union Memorial Church, serving up many Harvest Home suppers. Mary enjoyed having visitors at the farm and always had a fresh cake ready to share.

Mary passed away on April 20th, 2016 at the Hawkeye Care Center in Spirit Lake at the age of 86, after battling dementia for the last few years.

Left to cherish her memory are her daughters Susan (Steve) Koenck of Cedar Rapids, Sharon (Tom) Norgaard of Spencer, Sally (Dan) Wisner of Urbandale; seven grandchildren, nine great-grandchildren, a sister, Virginia Behrens, four sisters-in-law, and numerous nieces and nephews.

Mary was preceded in death by her husband, Duane; her son, Steven; one son-in-law; two grandchildren; one great grandchild; brothers George, Dale, Wes, Roy, Vern, Donald and Kenneth; and sisters Lela, Loretta, Helen, Ruby and Margaret.

Turner Jenness Funeral Home is in charge of arrangements.

Birding On The Green

The sight of a line of golf carts driving through Brooks National Golf Course is not unusual.

However, the reason these golf carts are out the first Monday of each summer month is a bit out of the ordinary. The people driving them don't have clubs. They don't have balls. They don't even have golf bags.

They have binoculars.

That's because the Dickinson County Conservation Board hosts Birding on the Green 7:00am the first Monday of the month May-September at Brooks National Golf Club. Mark your calendar for this year's birding extravaganza for all ages: May 2, June 6, July 11, August 1 and September 12.

An average of 40-60 avian species are identified at each event, which is led by experienced area birders Ed Thelen and Lee Schoenewe, who can help both beginners and experienced birders alike identify species not only by sight but also by sound. Interesting species spotted in the past have included kingbirds, bluebirds, wood ducks and migrating warblers.

"We are always looking for new species," said naturalist Charles Vigdal.

Dickinson County Nature Center naturalist intern Jessica Tramp is hoping to see a wide variety of birds on the course.

"I would like to see what woodpeckers might be there, maybe some flickers," she said, adding she has dreams of spotting a scarlet tanager too. "They are supposed to be here now. I would love to see one."

The May and September events often have the most winged creatures identified because a variety of species migrate through the area at that time. Plus, Tramp has spotted a variety of water birds throughout the area that have been active during breeding season, and the May Birding on the Green might afford participants a chance to see species such as northern shovelers and pied-billed grebes.

Brooks National Golf Club is the perfect place to check items off of your bird checklist, because it is an Audubon-certified golf course that draws in a variety of species of songbirds, raptors and waterfowl. Birding on the Green has been a successful partnership for the conservation board and golf course, because the course can keep its Audubon certification by having this active bird inventory, and it's a wonderful outdoor experience for the conservation board to offer.

If you don't get your fill of birds during Birding on the Green, stop inside the Dickinson County Nature Center to see exhibits on bird nests and the Okoboji osprey or visit www.dickinsoncountynaturecenter.com to watch the osprey's daily life on our live nest cam.

For more information on Birding on the Green or other events, call 712-336-6352 or keep up with the latest happenings at the nature center on Facebook, Instagram and Twitter.

Clay County Fair Announces Future Improvements

Members of the Clay County Fair Executive Committee broke ground yesterday, April 20, on two capital improvement projects totaling nearly \$750,000 that will dramatically transform the Clay County Fairgrounds for years to come.

The first project is the construction of a new 12,000 square foot exhibit building east of the Creative Living Center. The new exhibit building will provide additional commercial and competitive exhibit space beginning with the 2017 Fair, as well as new restroom facilities for the east end of the fairgrounds.

"We feel the new exhibit building will become an 'anchor' to the east end of the fairgrounds, providing quality exhibit space and restrooms," said Fair CEO/Manager Jeremy Parsons. "It's porch along the north side will also provide a great place for fairgoers to sit and rest."

The second project is a complete rebuild and expansion of the Fair's electrical grid in the "Food Row" area south of the Grandstand. The project, which will be completed with assistance from Spencer Municipal Utilities, will allow the Fair to handle the increased electrical demands of the food concessionaires.

"This project will ensure adequate electrical service for what we hope will be many, many years," said Parsons. "Burying the electrical grid underground will also serve as huge aesthetic improvement to the Fair."

Both projects are part of the Fair's "Centennial Vision," the multi-year, multi-million dollar renovation of the Clay County Fairgrounds that was announced in 2014. The goal of "Centennial Vision" is to make the Fairgrounds a shining jewel for not only the Fair's Centennial in 2017, but for its next 100 years of use.

Several "Centennial Vision" projects have been completed since 2014 including new white vinyl fencing around the North Parking Lot and campgrounds; the renovation and restoration of Historic Main Gate A, as well as new landscaping and seating areas; new aluminum bleachers in the Grandstand Annex; and an overhaul of the Outdoor Arena (new permanent fencing and gates, new lighting, and bleacher repair).

Wendell Arneson Exhibit At AOG

"A Sense of Place", an exhibit of work by Wendell Arneson, will be displayed at Arts on Grand in Spencer from April 19 to May 21. This is the second exhibit in some 20 years for Wendell and his art has undergone some amazing changes, so it will be worth the visit from his fans of years ago.

Wendell received his BA from Luther College in Decorah, Iowa, his Art Education Certification from the University of Wisconsin, and his MFA from Bowling Green State University in Bowling Green, Ohio. His works have been shown at places such as the Toledo Museum of Art, Groveland Gallery in Minneapolis, Wichita Art Center, Rochester Art Center to name just a few. There are numerous corporate and public collections of his work found in businesses such as the Ford Motor Corporation, 3M Corporation, and the First Bank Corporation. Arneson has been on the faculty at St. Olaf College since 1978, specializing in painting (oil, acrylic, and watercolor), drawing, and color design.

In his Artist Statement Wendell shares: "I am interested in work that resides both in the objective and non-objective worlds. I am equally attracted to the gesture or non-descriptive mark as well as the power and ambiguity of symbol and image. Art, for me, does not provide answers but rather provokes questions and seeks possibilities.

These paintings use image and symbol to convey the internal. Beginning with an idea derived from memory and/or observation these paintings are an exploration of questions raised through formal investigation and contemplation of the spiritual. I am an image-maker and interested in the juxtaposition of images that, for me, reference time, place, fragility, memory, journey, and hope. Through the process of discovery I seek clarity while honoring mystery and ambiguity."

GreatLIFE Worthington Celebrates First Year, Announces New VP

At GreatLIFE Malaska Golf & Fitness Club Worthington, there's always something to celebrate, and this month the company is celebrating its first year in Worthington and a new vice president.

The festivities began with a Worthington Chamber of Commerce Ribbon Cutting on Wednesday, April 20, and will be followed up with an all-day Open House including a mixer with refreshments from 3:00-7:00pm on April 27. New members that sign up during the Open House will get their first month's membership free and no initiation fee.

The public is invited to come out, mix and mingle with the community, learn more about GreatLIFE Worthington, and meet recently named Vice President of Public Relations, Community Relations and Corporate Partnerships, Chad Nixon.

A Worthington resident, Nixon is very active in the community, serving on various community committees and boards. He brings more than 20 years of experience in business management and ownership to the GreatLIFE Malaska Golf & Fitness Club organization.

Nixon met Tom Walsh, Sr., GreatLIFE Chairman/CEO, while attending the University of South Dakota. This was the beginning of a business relationship and friendship that has evolved over time. Nixon joined the Dakota King family in 1998, managing the Burger King in Worthington and subsequently became Walsh's business partner and now, Vice President of Public Relations, Community Relations and Corporate Partnerships for GreatLIFE Worthington.

"I can think of no one better than Chad to drive the future development of GreatLIFE in Worthington," said Walsh. Chad is not only focused making the city a great place to live and work, but also on our goals of membership growth, program development and increased club exposure. People that have worked with him on projects know just how effective he can be when he's determined to get things done."

GreatLIFE Malaska Golf & Fitness Club's recent \$5000 donation to the Worthington YMCA Annual Cruise Dinner Fundraiser illustrates the company's commitment to the community and meeting its needs.

GreatLIFE Malaska Golf & Fitness Club in Worthington is open to the public and offers affordable memberships for the whole family. With an unlimited golf and fitness membership, members have unlimited access to 22 golf courses (7 in the area) and more than 15 fitness centers, including the GreatLIFE Malaska Fitness Club and the YMCA in Worthington. 2016 Clay County Fair Speedway Schedule

The Clay County Fair (CCF) Speedway has finalized its racing schedule to include 17 racing dates for the 2016 season. Weekly classes include IMCA Modifieds, Stock Cars, Sports Mods, Hobby Stocks, Sports Compacts and Miniakota Micro Sprints. Special events will add 360 and 410 sprint cars to the field of racing.

Friday, May 6, will kick off the Speedway's second full season which will run weekly on Friday through August 5. "We're really excited about our second full year of racing here at the fairgrounds," says Jeremy Parsons, Clay County Fair CEO/Manager. "Drivers and fans made the first full season a huge success, and we can't wait to get back to racing action on Friday nights."

Adult general admission for regular season races will be \$10; youth, ages 12 and under, are admitted free of charge. Pit passes for regular season races are \$25. Hot Laps will start at 7:00pm sharp, with racing to begin at approximately 7:30pm.

In addition to CCF Speedway's weekly Friday night schedule, the Speedway will host multiple special event races.

Spencer Office Supplies and H&N Chevrolet Buick Hobby Stock Spring Nationals will run Tuesday, May 17, with a \$75 to start, \$2000 to win race. Additional prize money, and a \$200 Hard Charger Award, provided by Weasy's Bar and Grill, will also be at stake for the special event race.

In partnership with the www.GoMuddy.com 360 National Sprint League (NSL), the CCF Speedway will host a 360 Sprint race, sponsored by Arnolds Motor Supply, on Wednesday, July 20, as a part of the NSL's Tri-State Region Speedweek.

Monday, August 8, CCF Speedway will host the Hawkeye Dirt Tour IMCA Racing Iowa Speedweek kick off. "Kicking off the Hawkeye Dirt Tour Speedweek is an exciting addition for the CCF Speedway," says Parsons. "We have a first class racing facility here at the fairgrounds, and adding special events like the Hawkeye Dirt Tour will only help to grow our racing series in the future."

Clay County Fair Speedway would like to thank the marketing partners who help to make the 2016 racing season possible. Partners include, Arnold Motor Supply, Casey's General Stores, CR Powder Coating, Farmers Insurance Agent Lezie Boetel-Pohlman, Farmers Trust and Savings, Hahn Roofing, H&N Chevrolet Buick, Ken Borth Auto, KICD Radio, Matt and Angie Mayer Trucking, Mr. B's Flooring, Q102, Spencer Office Supplies, Sullivan Concrete and Weasy's Bar and Grill.

Friends and Family show is Monday Night

After a very strange start to the spring season it's hard for us to realize that Sunday is the first day of May -- May Day. Then, Monday, the award winning *Spirit of Harmony Chorus* will be presenting its *Friends and Family* program, at the Immanuel Lutheran Church in Spirit Lake. The 7:30 p.m. program will include the group's competition package, plus some *Spirit of Harmony* favorites. The *SoH's* award-winning *Affinity Quartet* will also be performing its competition package. It took us some time -- and some help -- to recall that the *Affinity Quartet* is the "new" version of what was the (also award-winning) *Northern Lights Quartet*. Two of the new group's members, bass Marcia Klingbeil and tenor Mindy Jurgensen, brought with them the heritage of the *Northern Lights* -- heritage that some thinking PR wag dubbed, "an affinity for music and a cappella harmony." They were joined three years ago by lead Gaylene Rolling and baritone Diane Lockard -- all four combined have well over a century of experience with the *Spirit of Harmony!* *Affinity* placed sixth in their first regional competition, and this past spring received fourth place medals. Monday night's show should be fun -- especially with free admission and refreshments following the show! The *Spirit of Harmony*, a member of *Sweet Adelines International*, will take part in the regional competition at Rochester, Minnesota on Saturday, May 14. We wish them well. Choruses from all over the world compete in their regions for a chance to participate in annual international competitions... This week will see *John Senn and Friends* complete its four-week run at Table 316 in Arnolds Park, Wednesday night, from 7 - 9:00... **Kris Karr will be entertaining** on the stage in the barn at the Little Swan Lake Winery, on Thurs-ty Thursday night, from 6 - 8:00, and Maury Muhm, Mel Kimblad and Barb Johnson return to the same Winery stage Sunday afternoon, from 4 - 6:00, as the South 71 Trio. While it will be May Day fun, if you're flying in for the show, you should probably not utter "May Day," as the TSA might take it the wrong way, and you could miss the show! **Looking ahead...** the *Galaxy '50s and '60s* band will be appearing, Friday, May 6, at the Red Rock Center in Fairmont... The Pearson Lakes Art Center has set Saturday night, June 4, for *Okoboji Night Live* -- billed as "an unforgettable night of food, drink, music, sketches -- and fun!" Mark the date on your calendar... And where we noted some of the acts and events for Jackson's *Rhythm of the River* (July 8th and 9th) there's already been one change that we know of. Melissa Ahlschlager will be the Yoga instructor... **In celebration of National Record Store Day** a couple weeks back, we noted significant changes in the recorded music business. Since then we have found more updated numbers. According to the *Recording Industry Association of America (RIAA)*, revenue from downloads of single songs decreased 12.8 percent, from 2014 to 2015, and now stands at about \$1.2 billion. At the same time, revenue from paid subscriptions to streaming services is down by more than 52 percent, to a like \$1.2 billion figure; while advertising revenue from free streaming services is up 30.6 percent, to \$385 million. Sales of physical CDs are down 17.1 percent to \$1.5 billion. And sales of LPs and EPs are up more than 32 percent, though that tally is a relatively minuscule \$416.2 million... 'Sad to say it won't be long before there will be no more stores to celebrate Record -- or CD -- Store Day...

Today, research director RD advises us, is Anita Loos' natal day (1889). Even if the name is unfamiliar, you will probably remember the blockbuster comic novel she wrote in 1925. *Gentlemen Prefer Blondes* was made into a motion picture three years later, then again in 1953, after it was a musical show in 1949. What's especially amusing to us is that Loos' apparently wasn't writing from first-hand experience. She wasn't a blonde! So how did she know that *Diamonds Are a Girl's Best Friend*? Another of her efforts, *Gentlemen Marry Brunettes*, wasn't as successful as...*Blondes*...

Rich Nicklay and Scott Benjamin both soloed with the *Northwest Iowa Jazz Band* last week in Estherville.

All the news that fits we print.

New Fine Art Gallery To Open In Arnolds Park

Summerwind Gallery is very pleased to present new, original fine art from accomplished, nationally recognized artists, including local favorites to select artists from around Iowa whose work has not been available in the lakes area until now. The art will range from time-honored, traditional landscapes and still life, to contemporary abstract and impressionistic interpretations. The work will include everything from oils, acrylics, watercolors, pastels and digital photography, to bronze-cast sculpture and hand-blown glass. The gallery's nostalgic setting is a quaint, 1920s building steeped in Okoboji history, and has been a favorite must-see for summer residents and visitors.

Manager and local artist, Roberta Williams, understands that art should continue to be a crucial part of this vibrant community. "Along with other businesses and organizations who support art and culture in the area, Summerwind Gallery will help connect the public to the artists, providing one-of-a-kind original art pieces and custom art services," Roberta says.

Roberta lived in Iowa City for 34 years before moving to Spirit Lake with her husband, Greg, in 2012. Besides creating and showing her artwork in galleries in Iowa and Minnesota, she ran her own decorative painting business and worked through interior designers and architects on many private and public jobs.

Summerwind Gallery Artists include: (alphabetical order) Mark Avery, Tom Christopher, Art Ciccotti, Janice Czerwinski, Dennis Dykema, Danielle Clouse Gast, Hank Hall, Gene Hamilton, Pam Harp, Raymond Holbrook, Linda Hopkins, Gordon Kellenberger, Michael Kienzle, Bruce Morrison, Susan Pauley, Anita K. Plucker, John Preston, Jack Rees, Daniel Ruf, Judy Thompson, Nancy Thompson, Ellen Wagener, Marcia Wegman, and Roberta Williams.

For further information, call Roberta at 712-332-5906. Please visit the website at: www.summerwindgallery.com to see the gallery's artists and upcoming exhibitions. Or check out: www.facebook.com/summerwindgallery/

View From The Bench

by John Adams, Jr.

Something Positive?

I stressed with our basketball team this year the power of positive thinking and not complaining about things that you cannot control. I've tried to take that approach while watching the Minnesota Twins this year but they sure are making it difficult on me! I, like all Twins fans, suffered through their 0-9 start but held on to hope as it was early in the season; we were then rewarded with a four game winning streak to help stop the bleeding. The poor play, however, reared its ugly head this weekend as the Twins were swept by the Washington Nationals.

Now losing to the Nationals is nothing to be embarrassed about, as they are 14-4 and in first place in the National League East, but the way the Twins lost was simply embarrassing. Friday night saw the Twins fall 8-4 as starter Kyle Gibson couldn't get past the third inning, giving up seven runs as he fell to 0-3 on the season. Things would only get worse from there as Minnesota tied a club record for strikeouts on Saturday, whiffing 18 times while losing 2-0; every Twins position player except Eddie Rosario struck out twice in the game. Just when you think the Twins have found about every way to lose a game this season, Sunday happened. Minnesota actually took a 4-1 lead in the 8th inning with a rare three-run home run by Brian Dozier off Washington ace Stephen Strasburg, only to see the bullpen blow the lead, giving up two runs in the 8th and then a solo home run to Bryce Harper in the 9th. From there the bullpen locked down and kept the Twins in the game until they took a 5-4 lead into the bottom of the 15th. Then the game got even crazier, with two outs Danny Espinosa, who is batting .180 drew a walk and stole second base. With no one left to pinch-hit, pitcher Oliver Perez came up and bunted, Minnesota catcher John Ryan Murphy (who is batting .094) picked the ball up but threw it into right field as the Nationals tied the game. Chris Heisey then homered on the first pitch in the 16th inning to send the Twins to 5-14 on the season. The Twins not only lost a heartbreaker, but set a new club record for strikeouts in an extra innings game with 20 whiffs.

There are many reasons that the Twins are losing but it has mostly come down to very poor hitting and poor pitching by the bullpen when they actually do get a lead. The Twins are hitting just .237 on the season and have struck out 189 times. The bullpen has blown seven leads so far this season, and that's a killer when you are struggling to score runs. The Twins also are finding ways to lose games that you normally don't even see Little League teams do and Sunday was a perfect example of this. National manager Dusty Baker said, "I haven't seen anything like this. This was crazy." I guess that's a positive for Twins' fans, watch the team play and you may see something crazy, unfortunately lately it's been a bad crazy!

Omelet Brunch Benefits Special Needs Camps At Camp Okoboji

All are welcome Sunday, May 1, from 9:30am - 1:00pm for an Omelet Brunch at the Ginny DeWall Dining Hall at Camp Okoboji in Wahpeton. Proceeds from the Benefit will help defray the costs of JOY Camp experiences for "Special Need" campers. JOY camp was the vision of Ginny DeWall, a Milford Schools Special Education Teacher who realized the summer camp needs of her classroom children. Thus JOY (Jesus first, Others second and Yourself last) was created and now today, over 30 years later, has grown to serve over 90 campers each season. These summer campers are treated to Christian fellowship and music, Bible studies, a boat cruise, crafts, indoor and outdoor recreation, an evening at historic Arnolds Park, as well as a theme related banquet and dance. It's no wonder these campers look forward to returning year after year! This year's camps are scheduled for June 9-12 and July 14-17. For more information you may visit our website at www.campokoboji.org.

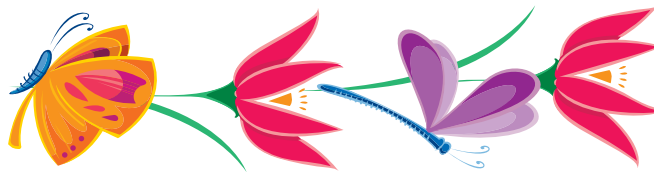

Gentiva Hospice Volunteers

Gentiva Hospice hosted a volunteer recognition and training luncheon on Thursday, April 21. Gentiva has been working to expand their volunteer base due to increased referrals and the requested need of supportive volunteers. Volunteers can offer companionship, socialization, emotional support and caregiver respite to name a few of the services requested by patients and their families. Volunteers work with other team members comprised of nurses, hospice physician, medical social worker, hospice aides, spiritual care coordinators at the patient/caregiver request. They also provide necessary administrative support to office personnel to reach out to families who are bereaved. Volunteers are special people who dedicate their time and presence to a truly notable cause. Their volunteers shared a variety of reasons for giving their time including: a fulfilling way to develop personally, improve the lives of others in their community and they have been helped by a hospice in their own family and want to give back. One volunteer commented, "we laugh together, we cry together it's a special time to share with each other". They additionally have volunteers help fulfill a long standing dream or "bucket-list" wish. Some recent adventures have been to the Classic Car Museum, The Casino in Emmetsburg, a favorite salad or Mexican food from a nearby restaurant. If you have interest in learning more about Gentiva Hospice services or becoming a volunteer, contact their office at 712 336-2941. They offer training and support to become a strong part of our team.

Volunteers pictured are: (front row) Cheryl Noble, Theresa Golden (Manager of Volunteer Services); (back row) Rhea Sybesma, Bobbie Hardt, Deddie Thompson, Betty Tunink. Not available for the picture: Jeff Thee, JoAnne Schoning, Joy Sheley and Arlene Ostrum.

Bedell Family YMCA's Healthy Kids Day® Is April 30, 2016

On Saturday, April 30, the Bedell Family YMCA is holding a free community event to inspire more kids to keep their minds and bodies active. YMCA's Healthy Kids Day®, the Y's national initiative to improve health and well-being for kids and families, is intended to motivate and teach families how to develop a healthy routine at home. YMCA's Healthy Kids Day, celebrated at nearly 1,300 Ys across the country, aims to get more kids moving and learning, so they can keep up the habit all summer long - a critical out-of-school time for kids' health. When kids are out of school, they can face hurdles - or gaps - that prevent them from reaching their full potential, related to hunger, water safety, learning, safe spaces to play, and health. Each year, the Y helps over 9 million youth nationwide "hop the gap" and achieve more, providing a safe to place to learn, stay healthy and build friendships. "The Y is so much more than sports, swimming, gymnastics and a place for kids to hang out. We support families in their efforts to instill healthy habits at home," said Andrew Fisher, Program Operations Director. "We know that it can sometimes feel like a challenge. So at Healthy Kids Day, we'll encourage kids to stay physically and intellectually active all summer long, and give families tips they can easily replicate at home. It's free and open to the community."

Benefit For Angel Haverkorn

A benefit dinner, silent auction and bake sale for Angel Haverkorn will be held on Saturday, April 30, from 4:00 – 7:00pm at the VFW Canteen in Spirit Lake.

At the beginning of February 2016, 39 year old Angel Haverkorn was diagnosed with stage 4 colon cancer. In the short few weeks since, the cancer has spread to her liver. She is currently undergoing chemotherapy treatments on a bi-weekly basis in Spencer. Angel has been extremely high spirited and said that she has determination to beat this! Her husband, Will, and her 2 1/2 year old daughter, Sophie, have been cheering her on. There is a rough road ahead and the family greatly appreciates all of the love, support and prayers.

Tales Of Tails

Would you like a Baby? No, the Humane Society of Northwest Iowa isn't offering human adoptions, but they do have an American bulldog named Baby that has been patiently waiting adoption for a year now.

Baby came to the shelter as a transfer from another shelter that was experiencing utility problems and needed to find placement for its animals. Baby is a medium-sized neutered male that was rescued as a stray by law enforcement personnel. An American bulldog is described as a stocky, well built, strong-looking dog, with a large head and a muscular build. This is true of Baby - a white alert-looking dog with brown spots on his back. He would make a good pet for an adult or an adult couple, for he's not comfortable with children having never had a stable home with a young family.

Baby loves to run and play outside. He's good with other dogs and adapts well to new situations. For some reason he's afraid of wheelchairs and a little leery of bicycles. Since his past history as a stray is a mystery, what experiences may have caused his fear remain questionable. Despite his fears though Baby is a very friendly dog who would make a loyal companion appreciating the security of a forever home. American bulldogs typically bond well with humans and become faithful pets, and Baby would fit that pattern.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00 p.m.

Minnesota West Ranked 6th In Digital Community Colleges Survey

The Center for Digital Education (CDE) announced the winners of its 2015-16 Digital Community Colleges Survey. Now in its eleventh year, the Digital Community Colleges Survey analyzes how community colleges use a range of technologies to improve services to students, faculty, staff and the community at large.

"This year's survey indicates community colleges are making great strides in using data to improve decisions, providing professional development to assist faculty in the use of technology, and creating robust online and mobile environments for their students," said Dr. Kecia Ray, executive director for the Center for Digital Education. "Congratulations to this year's survey winners."

Award winners demonstrated innovative uses of technology, including online courses and mobile environments, mobile apps, secure platforms and wireless networks. Minnesota West Community & Technical College was ranked 6th in the Mid-Sized Colleges Category. This category consisted of colleges that had between 5,000 and 10,000 students.

This year's Digital Community Colleges Survey also revealed insights about community colleges' technology priorities. Colleges surveyed indicated that mobility devices/app support and website redesign are their top priorities in the coming year, followed by cybersecurity tools and testing, network infrastructure modernization, server consolidation and virtualization, and disaster recovery/business continuity. The survey also revealed that, 59% of colleges now offer professional development courses on how to use mobile apps for instruction; while 93% offer professional development courses on how to integrate technology into curriculum and instructional practices.

All accredited U.S. community colleges are eligible to participate in the Digital Community Colleges Survey within three classifications based on enrollment size. CDE thanks last year's first-place winners who abstained from participation to contribute as members of the development panel for this year's survey: Northern Virginia Community College, Va.; Lord Fairfax Community College, Va.; and Carl Sandburg College, Ill.

View the full list of colleges honored at <http://www.centerdigitaled.com/awards/digital-community-colleges/National-Survey-Recognizes-Top-10-Tech-Savvy-Community-Colleges.html>

CDE thanks SHI for underwriting the 2015-16 survey program.

There is no advance registration. Cost is \$10 at the door to cover all sessions as well as a continental breakfast and a roast beef dinner with all the 'fixings' for lunch.

Discovery House News
Carol Elliott, Director
www.mydiscoveryhouse.com

A resident from the Discovery House wanted to share her story...

Who was standing with me when I hit my rock bottom? Only God! Looking back at my "rock bottom"... I was scared with no place to go and my family was not even an option. Prior to coming to Discovery House, I was in a situation I had never dreamt would happen to me. Less than three years ago, I was living a normal comfortable life. I was a business manager, working for a great company, and I had been employed there nearly 15 years. Then, a sudden change of events. My marriage was starting to crumble, my husband lost his job, initiating us to relocate. Maybe moving would help our marriage, giving us a sense of fresh start. I gave up my management job and made the move. This is where I can say...

"How could it be?" I can manage a business with great success, but I can not manage my own life. This is where the spiral begins. My life became unmanageable and the harder I tried to fix it, the more obstacles I encountered. I wish then I had known to "Let go and let God." The obstacles would have been no sweat if I had the mind set I have today. One of those obstacles was eventually losing my husband. I replaced him quickly with a new love, Alcohol! I had struggled in the past with my drinking, but I was a functioning alcoholic. This time was different, the spiral was out of control! I was drinking to give my excuse, good days and bad days...it did not matter. I drank to feed my body at this point. I was unable to function properly without it. My health began to be affected, costing me time off work for numerous hospitalizations. Eventually this spiral cost me my career, my family, my current boyfriend, and almost my life. Was that my rock bottom? I sure thought so. I went to a 23 day inpatient program. I sure thought by doing that, I would be able to repair my relationships. I would then win my family back, and my boyfriend would miss me so much he would welcome me back home. Not this time. I was released early. I had even failed in treatment and was sent home...the harsh truth is I had no home. Now what? I came back to the area, tail between my legs, no where to go with nothing but my luggage and something I had not used in a long time, prayer. I was not a quitter. I want my family and my boyfriend back in my life. I want to live like a manager again, only this time managing my life. That moment there, standing outside the Atlas building in Spencer is when I truly felt rock bottom. So before entering the building I prayed, "God, please help, give me a sense of direction, I give up trying to do this on my own. I'm failing because I haven't let go and let you, Lord, please help me, for the sake of my children, family, and my boyfriend. I surrender, do your thing God!" Through the grace of God and the help of the Atlas program showing me guidance, I found my temporary home at Discovery House. It wasn't where I wanted to be, but where I needed to be.

The Discovery House has been a blessing for me. Since being here I have not only gained a new family in sobriety beneath this roof, but have begun the process of mending fences with my traditional family. The Discovery House has given me an opportunity to claim a new journey in life as God has intended. A chance to find myself, alive, and sober, living in the moment with a purpose. I no longer dwell on the past and fear of tomorrow's consequences. Thanks be to God, my new family at the Discovery House and many others who have helped me along my new journey. I now know that today's actions are the seeds of tomorrow's feelings. Today I wait for joyful help.

Industry Of Year Award Presented To St. Luke Campus' Aquatic Center

The indoor aquatic center on the St. Luke Homes & Services campus, in Spencer, was named the 2015-16 Industry of the Year at the Iowa Environmental Health Association (IEHA) Annual Meeting which was hosted recently during the 2016 Governor's Conference on Public Health at the Holiday Inn Airport in Des Moines.

The award denotes leadership and concern for the environment by the nonprofit long-term care organization, as well as the staff members who oversee the pool and spa in its indoor aquatic center. The Industry of the Year award also acknowledges St. Luke Homes & Services' contribution to public health, as well as its work with state, county and city governments.

The aquatic center, which is located between St. Luke Lutheran Home and The Highlands on the St. Luke Homes & Services campus, opened in August 2006. It affords homeowners, tenants and residents, as well as members of the general public, the chance to relax in a calm, soothing environment. Use of St. Luke Homes & Services' indoor aquatic center also allows individuals the opportunity to accelerate their physical therapy and rehabilitative processes.

Kerri Kofoot, St. Luke Homes & Services' director of assisted living, is certified and registered by the National Swimming Pool Foundation. She began managing the facility's operations when it opened.

Ken Stoeber, a St. Luke Homes & Services' maintenance worker, has served as the organization's certified pool and spa operator since March 2012. He has been certified and registered by the National Swimming Pool Foundation since 2011.

Clay County Environmental Health Administrator Tammy McKeever nominated St. Luke Homes & Services for the Industry of the Year award.

"The St. Luke Campus aquatic center is an exemplary facility. If every pool was run the way this pool is operated, there would be no need for inspectors," McKeever wrote in her nomination. "Every year, St. Luke Homes & Services' Certified Pool Operators go above and beyond what is expected of them. They have shown leadership qualities by sharing many of their forms and practices with other facilities in Clay County. I am especially proud of this facility since most of its swimmers are of the vulnerable population."

Iowa Environmental Health Association President James Hodina, left, presents the 2015-16 Industry of the Year Award to Ken Stoeber for outstanding leadership in environmental health at the St. Luke Campus' indoor aquatic center.

Ken Stoeber & Kerri Kofoot: Certified Pool and Spa Operators Kerri Kofoot and Ken Stoeber have managed the indoor aquatic center on the St. Luke Homes & Services campus, in Spencer, since it opened in August 2006.
