Did you get
your hearing
checked?

There are more than 38 million Americans with hearing loss. Are you one of them?

More people have a hearing loss than any other disability. Hearing loss ranks with arthritis, high blood pressure, and heart disease as one of the four most common health conditions in the United States. Hearing loss could be caused by earwax, ear infection, or it could be simply age related. Untreated hearing loss may lead to poor word understanding caused by auditory deprivation.

Could **middle ear** be the problem?

Could it be **nerve loss**?

Call TODAY to set up your appointment before May 31st and receive:

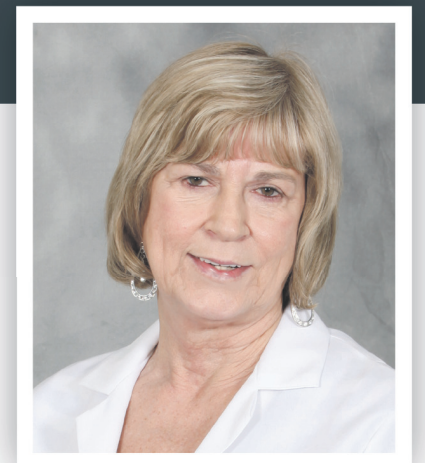

- FREE, no-obligation hearing evaluation and consultation.
- FREE demonstration of the new Audibel® A4™ hearing aids.
- If you currently wear hearing aids, we will clean and check them at no charge.
- Up to \$750 off MSRP toward the purchase of an Audibel A4 hearing aid.

Tullahoma 931-454-9580 ANIMAL SHELTER

Meet Rauge

This week at the City of Tullahoma Animal Shelter we have a playful Beagle mix puppy named Rauge available for adoption. He entered our shelter as a stray this month after he was abandoned by his owners, leaving him thin and hungry. Rauge is approximately 6 months old and is good with other dogs and children. Rauge is up-to-date on his vaccinations, heartworm negative and weighs around 30 lbs. He will receive a free neuter by the Tullahoma Animal Shelter. Rauge would love a forever home! We feel that he would make an excellent pet! Aurora the Blue Heeler mix from last week is still waiting for a great home.

Support your local shelter - adopt, donate or volunteer.

The Tullahoma Animal Shelter always has a great variety of dogs to choose from for adoption. Pictures of other dogs available may be seen at www.tullahomatomn.gov
