What is a Mother?

She's a big smile with love in the middle...She's two eyes filled with hope & pride & just a hint of fear. She's a member of the world's greatest sorority. She's America's hardest working career girl...she's a mother.

She's old & young & in between...she's short & tall & rich & poor. She's the hope of the world with love in her heart...she's a mother.

Mothers like: fathers...children...quiet nights at home...fires in fireplaces...family outings...the happy shouts of boys & girls...A's on report cards...& the music of family laughter.

A mother is the most talented & useful of all living people. She can keep fathers happy...volunteer for church work...& push pounds of spinach through the lips of a young baby.

Mothers lend sons to America to fight its wars...furnish quarterbacks for football teams...and husbands for other women. She's the future of the world in a pretty dress...she's a mother.

3 Reasons Primo Kicks Ash on All Other Ceramic Grills.

- 1 Primo is the Only Ceramic Grill Made in the USA.**
The Only American Made Ceramic Grill. Everything from mixing to hand assembly all takes place at our factory in Tucker, Georgia. That's why Primo has a high reputation for quality over its imported counterparts. Surprisingly, other major ceramic grill companies purchase their grills from foreign manufacturers.
- 2 Primo is the Only Ceramic Grill with the Patented Oval Design.**
True Two-Zone Cooking & More Cooking Versatility. The patented oval shape delivers simultaneous direct and indirect cooking. Grill steaks, while roasting tender foods like seafood or vegetables on the other side. Round ceramic grills can't deliver the level of cooking performance as a Primo Oval Ceramic Grill.
- 3 Primo Offers a Best-in-Category Limited Lifetime Warranty.**
A Limited Lifetime Warranty Backed by a 20-Year Guarantee. What most consumers don't know is that a "lifetime warranty" is defined by each state, and can be as little as a few years. Our 20-year guarantee means you can be rest assured that your Primo Ceramic Grill will be covered for years of enjoyment.
