Pioneer School offers boys and girls a unique opportunity

For 47 years the first week following the Fourth of July has always been designated as the time for a fun filled experience at Century Village in Burton. That experience is the Annual Pioneer School offering boys and girls, ages 8-12, an opportunity to participate in unique activities.

Pioneer School Attendees will learn about history through their participation in many unique activities involving exploring century-old buildings, Creating pioneer crafts, Observing pioneer craftsmen and playing pioneer games. Activities scheduled for this summer will be making paper, whitewashing a fence, broom-making, stenciling, bullet making, blacksmith demonstration, ice cream social and an end of the week family picnic plus many more surprises.

If this is something that interests you, circle your calendar for July 11-15 for this summer. The time for Pioneer School will be 10am -3pm each day, and registration is now open. The cost is \$95 for members and \$115 for non

members. Please call the museum at 440-834-1492 to register or for any questions you have about Pioneer School. Registration is limited so call the museum the sooner the better.

THE WALL THAT HEALS

A substantial touring exhibition making Geauga debut this September

Gauga Park District and Geauga Veterans' Services Commission are pleased to announce that a national touring exhibition called The Wall That Heals will visit Geauga County Fairgrounds September 8 through 11. This Burton stop will be the only Ohio stop for the exhibition this year.

The Wall That Heals was created by the Vietnam Veterans Memorial Fund (VVMF) to travel to communities across the United States. The exhibit features a half-scale replica of the Vietnam Veterans Memorial in Washington D.C., approximately 250 feet in length, chevron-shaped and complete with the 58,249 names of those killed or missing in action from the conflict. Accompanying the wall is also a mobile Education Center telling the story of the Vietnam War era and the Memorial.

This being the first time in its 20-season

existence that The Wall That Heals will have visited Geauga County, organizers expect it to draw thousands of people over its four-day stay at 14373 North Cheshire Street in Burton.

Visitors will be welcome at The Wall That Heals free of charge 24-7 during the exhibition. Additionally, groups are invited to schedule visit to The Wall That Heals to gain a heightened awareness of the impact and legacy of the war, as well as leadership, citizenship and character.

CCAT is active in educating Parents and Youth

Within the last month, the Chardon Community Action Team (CCAT) was at both the Chardon Family Science Day and Hidden Plan Site. CCAT is a group of parents, concerned residents of the Chardon area, and government officials who work to reduce alcohol, drugs, and tobacco use by the youth in the Chardon community.

On April 10th CCAT participated in the Chardon Family Science Day, which was took place at the Chardon High School. CCAT brought with it a hands on museum that required youth to use a sensory approach to learning about the cause, effects, and consequences of substance abuse.

On April 14th CCAT participated in Hidden

Congratulate UH Geauga Medical Center's

Heroes of the Month

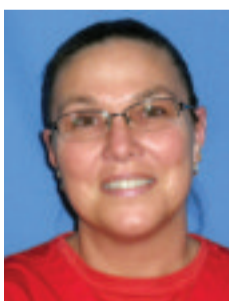

Tamona Grant

Tamona Grant is a Mental Health Worker and a valued member of the 2 North team. Tamona is flexible with her schedule and fills in on days when the unit is short staffed. She is quick to meet her co-workers and patients with a smile and is happy to help with any task that is presented to her. Her dedication and willingness to be flexible to the unit's needs are one of the qualities that make her a hero to her team. Tamona can be seen assisting other units in the hospital when there is a need for additional support for patient care. Tamona likes to think outside the box and is constantly looking for ways to improve the workflow on the unit. She serves as one of the primary preceptors for new staff for the BHU and the float pool nursing assistants.

Jennifer Robinson

Jennifer Robinson is a nurse on our 2 North unit. Although Jennifer is a day shift RN you can find her helping her team by also working night shift to insure that core staff is on duty to provide psychiatric nursing care. Jennifer is board certified through the ANCC in psychiatric nursing and provides expertise in her care delivery to the patients. Jennifer has a quietness that is well received by the patients. Her calm demeanor is one of the strong qualities she brings to the team when the unit is busy. She is one of the main preceptors for the paramedic students and assists with nursing students on the unit. Jennifer is very generous with sharing her knowledge with others making her an asset to the continuing development of staff in this specialized area.

Dawn Boehnlein-Candow

Dawn Boehnlein-Candow is a highly dedicated and energetic Mental Health Worker. Dawn is a strong presence on the unit and can always be found out with her patients. She takes great pride in her work and her quality of patient care delivery. She is one of the preceptors for new mental health workers on the BHU and nursing assistants in the float pool. She has participated in recent safety rounds on the unit to look for environmental risks that could pose a risk to patient safety. Dawn made detailed notes and was very thorough with the task. Dawn consistently looks for safety risks and works diligently to keep her patients and the environment on 2 North clean and safe.

Demetria Chilton

Demetria Chilton is a licensed independent social worker (LISW) on the Behavioral Health Unit. She has been with UHGMC for only a year, but she has become a key player to the success of our unit and discharge planning for the patients. She is affectionately referred to as "Dee" by her co-workers. Her co-workers can also tell what kind of day it will be based on the shoes Dee is wearing. When the high heels are on it's a good day. Dee is always pleasant and calm, even during the most stressful times on the unit. She always makes sure that the patients have what they need to be successful when they leave the unit to go to their discharge destination. Dee will advise patients when she knows of different opportunities in the community that may not have been explored previously and will assist them in finding new resources. Dee is very kind and compassionate and spends time talking to the families and reassuring them that their loved ones are getting the best care possible. Dee is a valuable asset to the Behavioral Health team as well as to the patients and families that we serve.

Each Hero will receive a gift certificate courtesy of
