## Miracle for Mallory

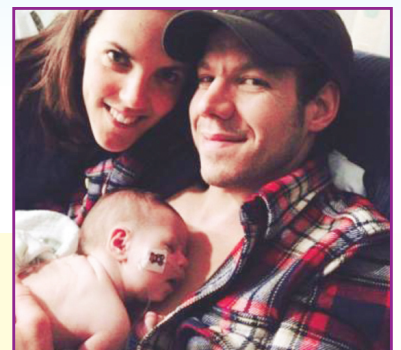

Thank you for taking the time to read this letter. On Saturday, May 28, 2016, the Perry community will be coming together to support the McDanel family. Ryan and Kimmie McDanel gave birth to their beautiful baby girl, Mallory, on February 23, 2016. Mallory was diagnosed with Hypoplastic Left Heart Syndrome (HLHS) in utero. They are currently awaiting several surgeries to repair Mallory's heart. Throughout her two months on earth, Mallory has experienced several health setbacks, but she continues to bring her family so much joy!

To help offset the mounting medical bills and anticipated expenses in the months to come, we are holding a benefit at the Genesee River Restaurant in Mt. Morris, NY on May 28 from 12 to 4.

Thank you in advance for your support.

*Warmest Regards,*

### ELECTRONICS RECYCLING

Due to changes in New York State Law, the Town Transfer Station (Recycling Center) will NOT be able to take ANY electronic items, including TVs and computer components, until further notice. Please watch this space for information regarding the status of this service. In the meantime, there are several upcoming electronics collections sponsored by NYS Senators and Assemblyman over the next few months. The closest to Mt. Morris is at Geneseo High School, June 11th 9:00 a.m.–3:00 p.m. Information for other collection sites is available at the Transfer Station and the Town Clerk's Office.

### RECYCLING REMINDERS

Please remember that ALL clean, dry paper and cardboard can be recycled. Cardboard includes corrugated and paperboard such as cereal boxes. Please flatten when possible. Also, you can recycle ALL PLASTICS # 1–7 which must be FLATTENED. Please flatten cans when possible too. It costs \$257.52 each time the recyclable dumpster needs to be emptied. We do not pay by weight, so packing more in the dumpster keeps down operating costs. When these costs rise, we need to pass that on to our customers with increased permit or ticket prices. Please do your part to keep our Transfer Station open.

**Please remember to vote on our School Board and Budget Tuesday, May 17 Noon - 9 pm in the High School Gym Lobby.**

# Positively Geneseo

## Fun at the Livingston County Museum

### Geneseo's Bear Finds a New Temporary Home

On Wednesday May 4th, Emmeline (the Geneseo Bear) was no longer homeless. The icon had stood atop Geneseo's fountain for many years until a recent traffic accident brought her down. With the support of Village Mayor, Dick Hatheway, the bear is now housed at the Livingston County Museum for all to view at 30 Center Street in the Village of Geneseo.

This is a rare opportunity for visitors who come to the museum to get a close up look at the famous bronze bear. "Her features are amazing", said Museum Administrator Anna Kowalchuk, "up close you can really admire the sculpture." Anna was the first of many who have come to visit the museum to take a "selfie" with the bear. Rub the bear's nose and make a wish!!! The Museum suggests those who photograph themselves with Emmeline make at least a dollar donation, although all donations are graciously accepted.

The fountain and bear are icons in the Village of Geneseo, originally erected in 1888 by the sons of Emmeline Wadsworth in memory of their mother. "I don't know how long until Emmeline will be perched back on her post in the center of Main Street. Until then though, the Livingston County Museum is delighted to provide an opportunity for visitors to see her up close."

**The Museum will be open on Graduation Day, May 14th from 10:00am-3:00pm in addition to regularly scheduled hours which are Thursdays and Sundays from 2:00-5:00pm.**

### New Exhibit >>>>

On May 1st, 2016 the Livingston County Museum hosted an opening reception for their latest exhibit **Our Towns: The History of Livingston County in 25 Objects**. "If the Smithsonian Museum could exhibit "101 Objects that Made America" and the British Museum could exhibit the "History of the World in 100 Objects", then we could tell the story of Livingston County Towns in 25," commented Museum Administrator, Anna Kowalchuk.

This exhibit introduces visitors to a handful of stories that contribute to the mosaic of life in Livingston County. It's interesting how objects can tell stories about people, our history, culture, and society. Using artifacts representing central stories from the 17 towns that make up Livingston County, as well as eight additional objects from the Museum's collection, the exhibit incorporates the following themes: early inhabitants; industry; enterprise and community; and communities and everyday life.

Next steps will include an interactive component so visitors can explore a particular town's history in greater depth. Additionally, next year, visitors can participate in a passport program while visiting other museums and historical societies in towns in Livingston County which would make them eligible to win a cash award if selected.

"We are thankful to the representatives from all towns in the County who have contributed objects and stories. We are also grateful to exhibit designer Scott Wood of Buffalo NY as well as our exhibit sponsors: Historic Preservation, Restoration, and Literature Fund granted by the Rochester Area Community Foundation, American Rock Salt, and Once Again Nut Butter."

To the Residents of the Keshequa School District

**TIMOTHY F. STOUFER**

Is a candidate for the Keshequa Central School Board

- Involved Nunda resident since 1973
- Parent of 2 Keshequa graduates, and grandparent of 2 current KCS Students
- Retired Court Attorney for Livingston County
- Previous KCS board member, and past president

I believe that today's students are facing new challenges, as the result of technological, economic, and demographic changes in our community. In order to meet these challenges, our district must plan creatively with the input and support of our community.

Working together with the current school board, teachers, administrators, and community members, I will help give our students the framework they need to move forward with confidence and success.

I would appreciate your vote on May 17.

Thank you,

# My name is Pam Martin and I am running for MMCS School Board!

I currently work at BOCES in a high school level math classroom. I have volunteered as a coach for youth soccer and basketball for many years. I also serve on community committees as well. I have been an advocate

for our students on many levels. I am currently on the Shared Decision Making Team as well as the Focus committee at MMCS. I am also an advocate for parent, student, and community involvement within the district. We need things like Q&A sessions monthly where all voices can be heard. We need to start asking our students what their wants and needs are. Including parents, community members, staff, Board of Education members, administration and students is key to the success of a district. We want our students to feel successful and to feel like they're a part of their education. As a whole we need to work together to give our students the best possible education. I currently have three children still in the district at all three levels, I also have two boys that graduated MMCS with a great experience and education. I hope that you will consider me as a candidate for Mount Morris Central School Board. Please vote number 2 this Tuesday May 17th on Election Day.

**Thank you! Pam Martin**

## MOUNT MORRIS CENTRAL SCHOOL RESIDENTS

My name is **David DiPasquale** and I am seeking **Re-Election** to the Mount Morris School Board.

I am a graduate of Mount Morris Central School. I live with my wife Alicia, my daughter Addison, who is in first grade, and my son Vincent who will be starting the Pre-K program in the fall. I have been a lifelong resident of Mount Morris.

I have been on the School Board for the last three years. I had the honor of being selected by my fellow board members as School Board President for the last two years. I feel that our school has come a long way in the last three years. We have worked hard to make our school the best school around. I feel we still have some way to go. I am always available for people to reach out to me with their concerns or questions. I am committed and dedicated to our school and humbly ask for your support.

Thank you

ddipasquale@mtmorriscsd.org (585) 315-6998.
