LETTERS TO THE EDITOR

Open letter to Mr. Aaron Jones, who purchased the building which formerly housed the Calvary United Methodist Church.

Dear Aaron Jones:

Thank you for restoring and re-purposing our former church building. When we drive by now we see a lovely restoration of our historic 1928 building. It served our church body well for 87 years, but our activities and ministries outgrew it.

Many of us shed tears as we removed mementoes of years gone by as we deconsecrated the building in May of 2015 in a special service. I am reminded of a professor I had at Christ College in Irvine, California, who said, "remember people, a church is not a building; a church is the people." Let our new building serve our church as well as our old one did. Amen! And thank you to Aaron.

Sincerely,
Ailene Quaday-Gray, United Methodist Women President

Congratulations To The SLMS Band For Earning 3rd Place

Congratulations to the Spirit Lake Middle School 7th/8th grade band for earning 3rd place in the 76th annual Orange City Tulip Festival Parade. This was the band's 30th consecutive year of participation; a tradition longer than all the other middle school bands participating. Come see the middle and high school band as they participate in Spirit Lake's Memorial Day Ceremony and Parade, starting at 10:00am.

"Putting For Patriots" Event
Pirate's Cove Adventure Golf, in Arnolds Park, IA, will host the Tenth Annual Putting for Patriots fundraiser from Friday, May 13 through Monday, May 30. This national event will occur simultaneously at 33 Pirate's Cove, Pirate's Island and Jungle Golf miniature golf courses throughout the United States.
This May event will culminate on Memorial Day weekend and support three charities, which serve our wounded veterans, their families and survivors of the fallen. These organizations include: "Hope For The Warriors", "Homes for Our Troops" and "TAPS—Tragedy Assistance Program for Survivors." Pirate's Cove, Jungle Golf and Pirate's Island will donate a percentage of their total sales on Saturday, May 28 through Monday, May 30. In addition, from May 13 through May 30, each golf course will accept donations to be turned over to the three charities. Since its inception, this event has raised over \$293,000.
"Memorial Day was specifically founded to remember those who died serving our nation," notes Brad Graft, Pirate's Cove Partner and Regional Director. "The Pirate's Cove / Pirate's Island family thought it appropriate to establish an annual event to serve charities that assist our living veterans and the survivors of fallen military members. These are men and women who have sacrificed so much for our freedom."
Pirate's Cove, Pirate's Island and Jungle Golf operate 33 miniature golf courses throughout the United States. For more information, visit their Web sites at www.piratescove.com, www.piratesislandgolf.com, and www.junglegolfmini.com. Additional information on the above charities can be found by accessing their Web sites: www.homesforourtroops.org, www.homesforourtroops.org and www.taps.org. To become a participating Putting for Patriots golf course, see the Putting for Patriots tab on the home page of the Pirate's Cove Web site: www.piratescove.com.

DNR Seeking Input
The DNR is holding a public hearing at 10:00am on May 25, at the Clay County Administration Building, Boardroom, 300 W. Fourth Street, Spencer to gather input on proposed rule changes for animal feeding operations.
The proposed rule incorporates recent legislation, allows marketing solids from open feedlots as bulk dry animal nutrients, provides clarification of requirements in the rules, and repeals unnecessary and outdated rules, lists and internet addresses.
Written or oral comments can be made at the hearing. Send written comments to Gene Tinker, DNR, Wallace State Office Building, 502 E. Ninth Street, Des Moines, IA 50319; or by e-mail to Gene.Tinker@dnr.iowa.gov. Comments must be received on or before June 3.

Avenue Of Flags In Lake Park

The Lake Park Avenue of Flags is looking for volunteers to help hang the Avenue out at the Silver Lake Cemetery on Monday, May 30, 2016, at 7:30am. Volunteers will help place the poles and flags around the north cemetery. Volunteers will also be needed to help take down the Avenue at 5:00pm on Monday, May 30, 2016. Poles will have to be placed back in storage and the flags folded properly for storage in the Legion Hall. Everyone is welcome to come out and help honor our deceased Veterans on Memorial Day.

Clay County Fair Announces Three Dog Night

The Clay County Fair rounds out its 2016 U.S. Cellular Grandstand lineup announcements with legendary music icons, Three Dog Night, along with special guest Kory & the Fireflies, on Saturday, September 17, at 7:30pm.

"Our final Grandstand concert announcement brings yet another genre of music to the Fair for our concert fans," said Fair Manager Jeremy Parsons. "This will be a fun night of music for all ages."

Three Dog Night hits wind through the fabric of pop culture today, whether on the radio where they are heard day in and day out, in TV commercials or in major motion pictures - songs like "Mama Told Me (Not To Come)," "Joy to the World," "Black and White," "Shambala" and "One" serve to heighten our emotions and crystallize the group's continuing popularity. Releases from this decade alone have sold well over a million copies and the band's continued popularity has landed "The Best of Three Dog Night: 20th Century Masters" on the Billboard Top 200 Album Chart for nine of the last 12 months.

Now, marking more than 40 years on the road, Three Dog Night continues to grow its fan base and develop new ways of doing business, all the while keeping up a full schedule of concerts at theatres, performing arts centers, fairs, festivals, corporate events, and casinos. Since 1986, the band has performed over 2,200 shows including two Super Bowls.

Kory & the Fireflies create positive rock and roll and bring that same positive energy to their live shows with a special gift for connecting with audiences. The band has released four full length studio CDs and two DVDs, toured with Goo Goo Dolls and supported Sheryl Crow, Neil Young, Kid Rock, Def Leppard and over 70 other national acts. The group has had air play and video play in all 50 states with their singles, "Sometimes," "Pop Fly," and "Everyone," and appeared multiple times on VH1's "Summer's End Concert."

Tickets will go on sale Friday, May 20 at 10:00am. Prices are \$33 (general admission stage front standing), \$28 (reserved Grandstand seating), and \$23 (general admission bleacher seating). Tickets will be available online at www.midwestix.com, by phone at 1-515-244-2771, or in person at the Clay County Regional Events Center Box Office.

There will be no additional fees applied to any of these purchase methods.

About The Fair: Have "Blue Ribbon Fun" September 10-18, 2016 in Spencer, IA! The Clay County Fair, "The World's Greatest County Fair" since 1917, attracts more than 300,000 people each September for unique experiences including the world-class Grandstand entertainment, daily livestock and horse shows, more than \$150,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, every imaginable type of fair food, hundreds of commercial vendors, and the largest farm machinery display at any fair in the United States! Twins Weekend
 Every summer I try to get up to a couple Minnesota Twins games for a weekend with my good friend Aaron Barriage from Des Moines. We have made it up eight of the 10 years we've been back and also got to see another close friend who lives in Minneapolis, Ryan Naatjes, on Friday night. While the Twins are absolutely awful this season, we still had a great time, enjoying fantastic weather in beautiful Target Field, and we even got to see the Twins win a rare game on Saturday against the Toronto Blue Jays. Another bonus of the weekend was we were able to meet and get an autograph from Twins legend Tony Oliva, pictured above with Aaron. We always enjoy the baseball but the weekend is a great chance to catch up with high school friends which we don't get to do enough of, as we all get busy with our own lives. No matter how often you get to see close friends like this, it's always a great time and we seem to pick up like we were back in high school hanging out every day; even bad baseball by the Twins can't ruin that!

Memorial Day
 While Memorial Day Weekend marks the unofficial start of summer in the Iowa Great Lakes, let us not forget the real meaning of Memorial Day, to honor our United States Military men and women who have died serving our great country. We could not enjoy the many freedoms we have without the sacrifice of all of these great patriots. So many of the things that we enjoy in the Iowa Great Lakes - the beautiful lakes, Arnolds Park, our awesome schools and their unbelievable facilities, the golf courses, the bike trails, the Pearson Lakes Art Center, the facilities that host the awesome free concerts in the summer, the fantastic shops and restaurants and everything else we are so fortunate to have in the Iowa Great Lakes; none of these things would be here today without the sacrifices of the military members and their families. Please continue to pray for those who have lost loved ones protecting our freedom, as well as for those who are currently serving our country and for their families, and give thanks for those who have served and given so much so that we may be FREE! While you are enjoying this holiday weekend with your family and friends, think about those who are serving overseas, as well as those who have served, and their families who are missing them, or are now happy to have them home, and make sure you tell them and their families, THANK YOU!!!!

Big bands begin again Monday and Tuesday

The calendar tells us that the astronomical first day of summer is June 21st — the longest day of the year. But on the campus of the University of Okoboji we know better. Summer begins on Memorial Day weekend.

That's this weekend. With summer comes warmer weather, longer days, shorter nights -- and two big bands each week!

The Dick Bauman Big Band will begin what we're thinking will be its 20th year of performances at three different venues, the former Hollywood Bar and Grille, The Inn, and for the last couple years, the Pearson Lakes Art Center; where it will play Monday (Memorial Day) evening starting at 7:00, and continue each week through and including Labor Day.

Any bets on what the first selection will be to put everyone in the mood? Not far behind on the schedule, Rick Ayres' Jazzed Up Big Band of Okoboji begins the next night — June 1 — also at 7:00, in the Majestic Pavilion in Arnolds Park, with performances set for each Tuesday night, probably through early August, if not through Labor Day.

While there is a \$10 admission charge for the DBBB, the JUBBoO has free admission.

This week's entertainment kicks-off tonight (Tuesday) at the Discovery House, at 1411 Hill Avenue, in Spirit Lake. The music students at Spirit Lake High School will be featured in the first Porch Party, when Discovery board members will be grilling hot dogs and provide soft drinks starting at about 6:00, with entertainment between 6:30 and 6:45...

Glenn Henriksen also begins his summer schedule tonight at his place across the street from the former Presbyterian Church on Highway 9 in Spirit Lake. The Tuesday and Wednesday night shows will begin at 7:00 each week at least through August...

The Itty Bitty Boji Band will be back in action Wednesday night, from 7 - 9:00 at Table 316 in Arnolds Park...

And, Thursday night, Charlie Leissler will be entertaining on the stage in the barn at the Little Swan Lake Winery, just north of Superior, from 6 - 8:00. Kris Karr and his band will be performing on the same stage on Sunday, from 4 - 6:00...

Research director RD tells us today is Radar O'Reilly's 73rd natal day. While the M*A*S*H television program had him pose as a native of Ottumwa, Iowa, he was actually born in Bristol, Connecticut, home of WBIS radio, where Bob Crane (of Hogan's Heroes TV fame) and the Old Professor both found their second very short-lived radio jobs...

Iron-ranger Bob Dylan turns 75 today — the same day that the Brooklyn Bridge opened a span of 1,595 feet to Manhattan in 1883 — and also the same day that saw the first Indy 500 race 105 years ago...

Jazz pianist Ramsey Lewis, whose In Crowd topped the singles and album charts in addition to earning a Grammy Award about 50 years ago, turns 81 on Friday — the same day I Believe in Love's Don Williams will celebrate his 77th birthday...

Friday is also the day the Golden Gate Bridge opened in San Francisco — some 54 years after the Brooklyn span. Many great songs have been written about both...

Have a great weekend whether you're on either coast or the Campus of the UofO — and remember why we're observing Memorial Day...

All the news that fits we print.

Spirit Lake Library News

New Photo Book Features the Iowa Great Lakes Gem-Okoboji
Local author tells 160-year history of area through stories and images Cris will be doing an author visit to talk about her book at the Spirit Lake Public Library on Thursday, June 2, at 2:00. Copies of the book will be available there.

A new coffee table book will be released in the Iowa Great Lakes region this Memorial Day weekend to kick off the summer season. Okoboji: Over 160 Years of History and Images. This pictorial history features more than 400 vintage through recent images and provides readers with a unique opportunity to learn about the history that shaped their community.

Lakes area resident, Cris Hedgpeth, has written and produced this stunning book, meant to tell the story of Okoboji through narrative and photographs shared by families and institutions all across the community.

According to Hedgpeth, "The encouragement of a friend inspired me to write the book because of my love of history and a deep fear of losing it to future generations. There is a rich history about this special place, and I felt there was room in the market for a beautiful photo book to tell the story."

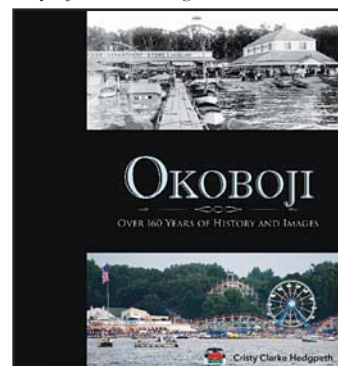

Hedgpeth says the 10 by 11 full color hardcover book will retail for \$39.95, with proceeds going to the Okoboji Foundation.

The book will be available for sale by the weekend prior to Memorial Day. She says it will be available in many lakes area retail establishments, along with book stores in Omaha, Sioux Falls and Des Moines.

- Highlights of Okoboji: Over 160 Years of History and Images are:
- Over 400 photographs and artifacts dating from the 1850s to today
 - Stories about the history of the lakes and the towns surrounding the area
 - Contributions by local historians and experts
 - A study on the ecology of the lakes
 - Maps, graphs, and charts

Hedgpeth states, "Whether you are a lifetime resident or a casual visitor, there is something you will learn about the area. I learned a lot during my research and writing, and I am excited to share it."

About the author of Okoboji: Over 160 Years of History and Images: Cris (Cris) Clarke Hedgpeth has lived most of her life between Omaha, Nebraska, and Okoboji, Iowa. Cris graduated with a BFA from Colorado State University in 1975. She worked as a commercial interior designer until the birth of her second daughter in 1990. Her mother, Sally Searle Clarke, always told her, "Your community gives to you, you need to give back to your community." Cris and her husband, Jim, now split their time between Okoboji and Brevard, North Carolina.

Bedell Family YMCA Begins Offering Brazilian Jiu Jitsu Classes in June

Kyle Heberle moved to Spirit Lake from Colorado to take a job as the Chief Operating Officer with Rembrandt Foods. He is a former Marine, husband and father. Kyle started his journey with Jiu Jitsu while in the Marine Corps. He was immediately hooked and has now worked his way up to a 4th Degree Purple Belt.

Having seen Jiu Jitsu in action and recognizing the values that Jiu Jitsu brings to building character, improving health, and strengthening family, Kyle wanted to continue his journey into the 'Gentle Art' here in the Iowa Great Lakes area. Now in his role as an instructor, Kyle has teamed up with the Bedell Family YMCA to create the only BJJ program in northwest Iowa, Jiu Jitsu Okoboji.

For those unfamiliar with the sport, Jiu Jitsu is the fastest growing martial art in the country and one of the world's most powerful systems of self-defense. It was developed in Brazil during the early 1900s from pieces of traditional Japanese Jiu Jitsu and Judo. Brazilian Jiu Jitsu (BJJ) offers an engaging way to get in shape both physically and mentally. Training BJJ provides a great combination of aerobic and anaerobic conditioning to build both strength and increase cardiovascular capacity. BJJ is also beneficial as a positive form of stress relief.

Jiu Jitsu Okoboji is located in the Spirit Lake HLPC space that was previously used by CrossFit Okoboji. Weekly class offerings are Tuesdays and Thursdays from 7:00-8:00pm and the first and third Saturday of each month from 9-10am. Jiu Jitsu Personal Training sessions will also be available by appointment. Jiu Jitsu Okoboji classes are co-ed and no previous experience is necessary, but those wishing to participate must be 14 years of age or older.

Classes begin June 7, and there will be an open house on June 2 at 6:30pm for those interested in learning more about Jiu Jitsu or interested in seeing the training space.

Visit the museum to view and learn more about the well known Donaldson family. You can also learn the history of Pilot Stanley Fuller from Milford. One of the Donaldson's race cars raced at the Indianapolis 500 in 1915. The above photo was taken at the Tony Fane home in Milford.

Starting this season, the Clark Museum visitors can view over 5,000 pictures and stories from the largest historic collection of Iowa Great Lakes and surrounding areas, representing many towns and over 99 counties. We have unique items of all types and sizes including over 20,000 original memorabilia and business advertisements. Visitors can be seated as they view photos of their county, the lakes area and the amusement park in organized books. This is a great addition. Tales Of Tails

It's time that a happy "tale" of a "tail" be told. If you can, check out the video on the internet entitled "Stolen Dog Reunited with Owner After Two Years Apart." It's a heart-warming - even a tear-jerker experience.

Two years ago Jose Andaverte became homeless after his divorce and asked a friend to care for his dog Chaos until he could once again provide a home for both Chaos and himself. Three months later when he had a job and a home, he came to get Chaos. The friend not only refused to give up Chaos but he and the dog disappeared.

Recently an employee of the Winnebago County Animal Services in Illinois found a stray dog in her driveway. At the shelter they discovered that the dog had a microchip so they called the telephone number recorded on the chip. Jose answered in disbelief but drove miles to the shelter immediately. At first Chaos stayed cautiously behind the shelter employee whom he trusted, but then he sniffed Jose's hand and broke into a "happy dance." The dog's tongue-licking, tail-wagging, antics as he "hugged" his master as only an enthusiastic wriggling dog could do is terrific proof that animals have great memories and strong emotions. Jose's advice even if it's a financial strain, have your pet microchipped - a service the Humane Society of Northwest Iowa provides.

Here at the shelter there is a small white and black terrier mix named Ghost who would love a "forever" home and a microchip. Ghost loves people and he too wriggles with enthusiasm when given a "petting fix." He was "dumped" by his previous owner and then brought to the shelter as a stray. He may be shy at first but he definitely craves affection and would make someone a loyal pet.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Join The Travis Family At Brunch

Billy Jo Travis, 2nd Class Petty Officer in the U.S. Navy, is pictured here with his mother, Collette Travis, and his father, Robert, of Spirit Lake. Mrs. Travis, who is the Daughters of the American Revolution (DAR) chairperson of the Brunch to honor Vietnam Veterans, reports a good response to the event, but says that reservations are still encouraged. As a Vietnam Veteran, Robert welcomes this opportunity to visit with others who served but never received the appreciation that they deserved. Billy Jo served for four years on a Mine Ship and has recently been a Navy Recruiter in Sioux City. He is now headed for a year of schooling in San Diego and will then return to active duty on one of the newly built Navy Mine Ships.

The Brunch to honor Vietnam Veterans is set for 9:30am on Wednesday, June 1, at Wesley Place, 1812 Gary Avenue, Spirit Lake. Vietnam Veterans may bring a family member or friend. Nurses and other support staff in the Vietnam conflict are also welcome. FAREWAY, Hy-Vee, Sunshine Foods, and Walmart are donating food along with members of the Ladies of the Lake DAR Chapter. It promises to be a memorable and rewarding "recognition event," comments Mrs. Travis. For reservations, contact cobotravis@gmail.com.

Rock The Roof To Kick Off June 9

Two shows added to Thursday night concert series this season
The Iowa Rock 'n Roll Music Association is pleased to announce the 2016 schedule for the Rock the Roof Concert Series.

The Thursday night concerts at the Roof Garden in Arnolds Park will kick off with The Trademarkz and Interstate Cruisers set to perform on June 9, with the concert series continuing each Thursday evening throughout the summer.

Two additional concerts have been added to the schedule this year, including the return of the tremendous Richie Lee August 18, and a special evening with The Senders on September 2, just prior to the Iowa Rock n Roll Hall of Fame Induction Spectacular Weekend.

"We're very excited to expand our Rock the Roof schedule this year as we lead up to our 20th Anniversary Celebration during the Hall of Fame Induction Spectacular on Labor Day Weekend," says IRRMA President John Senn. "We have a great line-up and wide variety of music for everyone to enjoy this summer."

The popular Rock the Roof Concerts are held on Thursday evenings throughout the summer from 6:00 to 8:30 at the Roof Garden in Arnolds Park Amusement Park.

Tickets are \$5, except for The Senders show which will be \$10. Season passes are available at the Iowa Rock 'n Roll Museum in Arnolds Park and online at www.iowarocknroll.com.

Jeff Thee, CEO/President of IGLCC with tagged walleye winner Steve Quail of Spencer, and John Wittkamp, owner of Stan's Bait and Tackle in Milford.

Extended Walleye Contest Winner

The Iowa Great Lakes Area Chamber of Commerce is pleased to announce that Steve Quail of Spencer, Iowa, has caught one of 10-tagged Walleye from the 34th Annual Great Walleye Weekend that was held May 7 and 8 in the Iowa Great Lakes.

The tagged walleye was caught Sunday, May 15, 2016, at approximately 11:30pm on East Lake Okoboji. Mr. Quail took the walleye to Stan's Bait & Tackle in Milford, an official weigh in station for the tournament. The Iowa Great Lakes Area Chamber of Commerce confirmed the tag number with The Iowa Department of Natural Resources and presented Mr. Quail a check for \$2778.00, or 20% of the extended contest proceeds.

"We are so excited to have Steve Quail be our first winner this year," said Iowa Great Lakes Area Chamber of Commerce President/CEO, Jeff Thee. "And I remind everyone that 9 tagged Walleye are still in the chain of Okoboji lakes, and two more lucky anglers can catch them until midnight of September 1, 2016."

The annual Great Walleye Weekend is a program of the Iowa Great Lakes Area Chamber of Commerce.

Abbie Gardner Cabin Opening

Abbie Gardner Cabin docent Ed Purdy held up a posterboard with the word perseverance printed on it.

He asked a visiting class of students what they thought it meant and then revealed the definition written below the word, "steadfastness in doing something despite difficulty or delay in achieving success."

Purdy's favorite part of Abbie Gardner Sharp's story is her perseverance in the face of obstacles, her courage and her intelligence.

Abbie Gardner was born in 1843 and moved west with her family, finally settling on the shore of West Lake Okoboji. However, the winter of 1857 was harsh, and food was scarce for settlers as well as local American Indian tribes.

A renegade band of Sioux Indians, known as the Wahpekute or Wahpacootai, came by one March day and demanded food and supplies. The encounter ended in tragedy, with all of Abbie's family being killed except for her. She was taken captive, and the band of American Indians continued the tirade through the region, killing dozens of settlers. Gardner spent three months with the band of Indians then was traded back to her people.

The tale of the massacre, Gardner's captivity and her life following her release are told at the Abbie Gardner Museum and Historic Site, opening for the season May 31 at 74 Monument Drive in Arnolds Park.

"One of the things I like to bring into the discussion is the massacre was not an event in itself," said docent Jack Jones. "There were lots of things that led up to the massacre."

Docents will take visitors through the entire story, from the treaties and lack of food that might have helped start the horrific situation to how Gardner survived and told her story in her adult years.

"I hope they can relive that part of history and get empathy for the Indians and the Gardner family and what they went through," Purdy said.

The Abbie Gardner Museum and Historic Site will be open noon-4 p.m. Tuesday-Sunday through Labor Day weekend. Visitors can see original paintings, historic artifacts and newspaper clippings. They can also tour the historic cabin and visit the massacre monument and gravesite.

"It's so wonderful the cabin and the surrounding area has been preserved," Purdy said, and he likes to point out to museum visitors a large photo of Gardner working in her own museum in her adult years. "In it people can see the exact paintings we still have here and are still preserved. Their eyes get wide it's followed through for so long."

Dickinson County Conservation Board naturalists will also visit the Abbie Gardner Museum during their monthly Hike the Wild program. To take part in this program, meet at the Dickinson County Nature Center in Okoboji at 9:30 a.m. Tuesday, Aug. 23, and then caravan to the historic site. Tour the museum and cabin and then hike to Pillsbury Point on the shore of West Lake Okoboji.

For more information on the Abbie Gardner Museum and Historic Site or on Dickinson County Conservation Board programming, visit www.dickinsoncountyconservationboard.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

Brushy Creek Veterans Honor Flight

by Henry Siemers

I was privileged to be on the recent Honor Flight from the Fort Dodge area. Upon arrival at Dulles Airport, we were greeted by hundreds of people. Many were Cub Scouts, Boy Scouts, groups of school age students as well as the adults. As I passed along the route from the plane to the buses, a young man of early high school age stepped out to shake my hand to thank me. He also handed me a letter (pictured).

Six men from Dickinson County participated in the Brushy Creek Veterans Honor Flight: Henry Siemers and Ed Guthrie of Milford; Harold Johansen of Terril; Gene Fales, Robert Ingwersen, and Ron Claussen of Spirit Lake.

Discovery House News
 Carol Elliott, Director

Hello everyone! I just can not believe that the month of May is coming to an end. Where did May go? As we all know, the first holiday of the season is soon approaching. It is a great time to be with family and great food, of course. But, we must remember the true real meaning of Memorial Day, to honor those who have sacrificed so much to keep this great country of ours free. I so appreciate all of our military men and women who are willing to serve for us to give their time and their lives for us and our freedom. I want to thank all the service men and women who have gone before us and now who are standing up, taking pride in our country, and fighting for our freedom. I thank each and every one of them and our veterans because we would not be free today without all of them. Lets remember to thank the ones we know for serving for us. I thank my dad and my husband for their service even though they are both passed away. I thank my son, John Elliott, and my nephew, Sean Elliott, who are both serving, as well as the many others who are standing up and answering the call and honoring the red, white, and blue for our country.

Not only do we remember them, but also our loved ones we have lost. I have lost both my parents and my husband. At this time, I thank my mom for being my mom, sticking beside me, helping me through after becoming a single parent, encouraging me through my recovery and all of life's challenges, never giving up on me, and believing and wanting the best for me. My mom and God have helped me to press through with all the challenges of life to help me become the person I am today. Even though this month was Mother's day and her birthday, I get through with God knowing my mom would be proud of me and a big part of her is in me to help me make a difference for God! Also, at this time, I thank God for my personal freedom! I know I could not go through what I went through and stop my drinking if it was not for God! At one point, I thought I was so messed up, too proud, and did not think I needed Him. But, once I hit major rock bottom, God was the only one who could help me, deliver me, rescue me, and heal my broken heart of all the pain and hurt so I can live free. I thank God every day for putting people in my path to encourage me and to help lighten my load so I don't have to carry the whole burden. So I can do what He wants me to do and walk in freedom. I thank God that Discovery House is a Christian based shelter and He is calling us to rise higher with Him.

Don't forget our Porch Parties. See you there!

Worthington Windsurfing Regatta & Music Festival Is Just Around The Corner

The 17th annual Worthington Windsurfing Regatta & Music Festival will take place June 10-12 at Sailboard Beach on beautiful Lake Okabena. Enjoy exciting windsurfing and kids activities during the day and free music in the afternoon and evening, plus delicious food vendors and a fenceless beer garden.

Music starts at 5:30pm, Friday, with country artists Hitchville, who has graced the stage of We Fest, Country Fest and Moondance Jammin' Country, as well as opening for some of Country music's biggest superstars such as Carrie Underwood, Toby Keith and Luke Bryan.

The headline performer at 8:30pm, Friday, presented by Sanford Worthington, is the 2013 semifinalist on NBC's The Voice Kat Perkins, who hails from Minneapolis. Growing up the daughter of a music teacher, Kat Perkins has been singing, dancing and performing as long as she can remember. "Fearless" marks her debut solo release.

The music continues Saturday beginning at 3:00pm with rock group Murphy Brothers Band from Mankato - a group that brings high energy guitar rock that will keep you up, moving and coming back for more. They are followed by Brat Pack Radio, a Minneapolis band who has performed far and wide across the globe, featuring dance/pop favorites from the '80s, '90s and today.

At 8:30pm, Saturday, presented by Marthaler Chevrolet and Marthaler Ford of Worthington, the featured headliner is Dot Recording country artist Drake White and the Big Fire. Named one of the Huffington Post's Top Country Artists to Watch in 2016, his current single "Livin' The Dream" is racing up the country charts. Drake White came to King Turkey Day in Worthington a few years ago, and has toured with Willie Nelson, Zac Brown Band, Little Big Town, Eric Church, Toby Keith and more.

All music performances are free to attend - the festival board recommends bringing a chair so you can sit back and relax on the shores of Sailboard Beach. Free Kids Zone activities take place from 10:00am to 4:00pm, Saturday, with the Daily Globe chair auction beginning at 7:00pm, Saturday. All proceeds from the auction go toward the Nobles County Historical Society.

The Worthington Windsurfing Regatta and Music Festival began in 1999, and has been a big success, bringing surfers from throughout the world. It has hosted three US National Windsurfing Championships.

This two-day festival is free to the public. All operating revenue comes from sponsors, registrations, food vendor fees and beverage sales.

Seasons Center Receives \$600,000 Community Development Block Grant

Seasons Center for Behavioral Health has been awarded a \$600,000 community development block grant to proceed with plans to start a therapeutic camp to be located in O'Brien County. The agency is looking to acquire the property of Bob and Pam Maurer, touted as the "prettiest farm in Iowa" on 159-acres including a 30-acre man-made lake. Seasons Center made application for the community development block grant in January of 2016.

In 2015, Seasons Center was called to care for 5,190 individuals, including 2,123 children and 3,067 adults. When looking at the various needs of these individuals, Seasons' board, advisory board, leadership team and employees sought out additional ways to serve those entrusted to our care.

"We are very excited about this grant award," said Kim Scorza, Executive Director of Seasons Center. "It has been well over a year of work in developing all the programming needed for a therapeutic camp for children. If not for the northwest Iowa region surrounding us with words of encouragement and support, as well as the opportunity to apply for this award, this would not be possible."

Seasons Center would like to recognize the Iowa Economic Development Authority, Seasons Center Board of Directors, Seasons Center Advisory Board, the O'Brien County Board of Supervisors and the Phil and Jen Elgersma family for helping us reach this point.

"If not for all of these entities coming together this would not be possible," added Scorza.

"This is just one more way as a community we can care for hurting children," said Jennifer Elgersma, Seasons Center and Autumn's Center Agency Ambassador. "We are so ecstatic that this camp is coming to fruition here in northwest Iowa and we are blessed to be part of this."

Seasons Center will be spending the next several months continuing to meet with our internal camp planning committee with the goal of beginning to provide services to children and their families in the spring of 2017.

Kayaking Adventures Camp

Spending time on the water is the best part about summers in the Iowa Great Lakes area.

Teens and pre-teens can learn a new way to enjoy the waves with the Kayaking Adventures day camps through the Dickinson County Conservation Board 8:30am-noon, June 15-16, for ages 8-12 and 8:30am-noon, June 22-23, for ages 13-18.

Naturalist Charles Vigdal and American Canoe Association instructor Mark Foss will take campers to waterfront locations to learn the basics of kayaking, from paddling techniques to how to put the kayak in and take it out of the water to safety.

"I want them to have some skills so their paddling experience will be enjoyable," Foss said. "I want them to be safe, be respectful to other paddlers and to be respectful of the environment."

Foss has been kayaking for eight years and races competitively in South Dakota, Texas, Minnesota and Missouri. He is passionate about the water sport and passing it on to others.

"You can get so close to nature," he said. "It's quiet. You can get in there and not have the sound of a motor."

Foss and Vigdal are excited to instill an appreciation for kayaking in youth in particular.

"It's much more enjoyable if you build the proper technique. You can build bad habits," Foss said. "They're learning something they can participate in all through adulthood."

The pre-teen and teen years are a great time to learn to kayak, because the youth are open-minded, physically capable and able to learn quickly.

"I say 'This is how you do it,' and boom, they're doing it backward and they're doing it forward," Vigdal said. "They don't give up either."

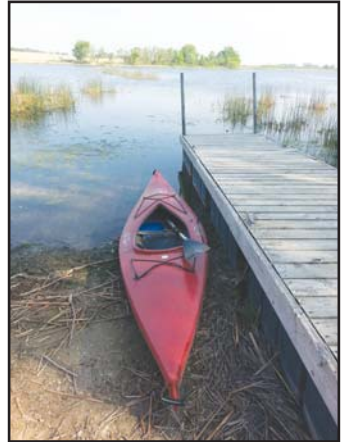

Kayaks, paddles and life jackets will be provided to campers, but they may also bring their own. Campers should also bring water bottles and sunscreen and should wear clothing that is protective but also able to get wet.

To register for the Kayaking Adventures camps, go to www.dickinsoncountynaturecenter.com/event-registration. Camps are \$40 for Conservation Foundation of Dickinson County members or \$50 for non-members, and the price includes a T-shirt.

The registration deadline is two weeks before each camp, and a minimum of five campers is needed for each camp to be held. There is a maximum of eight campers for the Kayaking Adventures camps.

Parents and guardians will drop off and pick up campers at waterfront locations each day, with specific locations dependent on weather and wind conditions. Parents and guardians will be notified of the specific locations as the camp dates arrive.

For more information on the Kayaking Adventures camps, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

Benefits for Iowa Veterans

Veterans Designation on Iowa Drivers Licenses & IDs

Honorably discharged veterans may request the "Veteran" designation be placed on their driver's license or non-operator identification card. Veteran must present a copy of their DD214 or applicable discharge document to the County or State Veterans Affairs Office to have their eligibility certified. That office and the veteran will complete an Iowa DOT Application form. **Note:** Veterans may request the "veteran" designation anytime they seek a new card, not just at the time of renewal. The cost for a duplicate DL or non-operator ID is \$10.

VA Pensions

Veterans with low incomes who are either permanently and totally disabled, or age 65 and older, may be eligible for monetary support. Payments are made to bring the veteran's total income, including other retirement or Social Security income, to a level set by Congress. Un-reimbursed medical expenses may reduce countable income for VA purposes. VA also provides pensions to low income surviving spouses.

VA Healthcare

Increased annual income limits. No asset limits! Out of pocket medical expenses are deducted from income. Transportation available to VA medical appointments at the VA Medical Center in Sioux Falls.

Veterans with Service-Connected Disabilities

Disability compensation is a monetary benefit paid to veterans who are disabled by an injury or illness that was incurred or aggravated during active military service. These disabilities are considered to be service-connected. All veterans who develop Amyotrophic Lateral Sclerosis (ALS), also known as Lou Gehrig's Disease, at any time after separation from service may be eligible for compensation for that disability.

Military Retirement Tax Exemption

This recently-enacted legislation (2014) exempts federal retirement pay received for military service and survivor benefits from state individual income tax. **Information:** Military Retirement Tax Information (<https://tax.iowa.gov/2014-tax-year-information>)

Disabled Veteran's Homestead Tax Credit

This recently-enacted legislation (2014) provides 100% exemption of property taxes for 100% disabled service-connected veterans and Dependency and Indemnity Compensation (DIC) recipients, as well as veterans being paid the 100% rate due to unemployment. **Information:** Department of Iowa Revenue (<https://tax.iowa.gov/disabled-veteran-homestead-property-tax-credit>)

Lifetime Hunting and Fishing License

Veterans with at least a 0% service connected disability rating may be eligible to receive a lifetime hunting or fishing license for a fee of \$7.00

LETTERS TO THE EDITOR

To The Editor:

The Pearson Lakes Art Center would like to sincerely thank the Good Neighbor Fund for their donation to the Educational Department, specifically the Preschool Art Program. Their commitment to non-profit organizations in the Lakes Area is appreciated by the PLAC staff, the preschool teachers, and most importantly the preschool students who participate in this unique program.

The donation will be used to offset the costs of the program including transportation, supplies, classroom maintenance, and staff. Because of the support, we will be able to continue to offer high quality programming and continue to add schools to our program.

Holly Zinn, Education Director
Pearson Lakes Art Center

LETTERS TO THE EDITOR

To the Editor:

Thank you again, Spirit Lake, for coming out and giving the blood of life on May 16, 2016. We did not make our goal of 54 units but came close.

We had 3 deferrals, 1 incomplete, 4 for 8 double red cells making a total of 48 units.

A big thank you to all that donated and mark your calendar for August 18, 2016. Let's make our goal this time!

A big thank you to all the volunteers for their help in calling people, in the canteen, reception area and to Hey, Good Cookies! for providing such wonderful cookies.

Your generosity is most appreciated by those needing transfusions in trauma situations and for on-going treatment of chronic life-threatening illnesses.

Talk About Mental Health

"Let's Talk About Mental Health" says Bill Kersting as he begins his presentation to DAR members, Spencer Senior Club members, and their guests at the May 24 Daughters of the Revolution (DAR) meeting in Spencer. The special occasion is Mental Health Month, which annually each May encourages open discussion of mental health issues and challenges.

The Ladies of the Lake DAR Chapter serves all of Northwest Iowa and attempts to schedule programs in varied locations. This time, the location is the Spencer Senior Center, 104 East 4th Street.

During the last 20 years of his career, Kersting worked in the Spencer Hospital Mental Health Unit, Compass Point and Seasons Center. He retired in 2010 and now shares his experiences and expertise in the mental health field with local organizations. He serves on the board of the National Alliance on Mental Illness (NAMI), and writes a column "Let's Talk About It" for the Spencer newspaper. He is a Hawkeye fan and also roots for the New York Yankees. Kersting is also a faithful participant in the public reading of the United States Constitution, which the DAR sponsors annually in September. This year he will be among those taking turns reading the document aloud at the Spencer Fair.

Hostesses for the Senior Center lunch preceding the program are Spencer DAR members Janelle Holstad of Spencer and Carolyn Blau, Royal.

Area residents are asked to assist the DAR in three patriotic projects: alert Vietnam veterans to be present at the June 1st, 9:30 a.m. Brunch in their honor at Wesley Place, Spirit Lake; be a part of the national effort to write letters to soldiers, and sign Christmas cards for veterans.

"Taking part in these activities is a way that each of us can show those in our armed forces our appreciation for their service and sacrifice," says DAR Vice Regent Colleen Lemkuil, Spirit Lake. For information, contact stancollen37@gmail.com, 515-229-4619.

Bob Kirschbaum Named PLAC Executive Director

The Pearson Lakes Art Center has selected Bob Kirschbaum as its next Executive Director. Kirschbaum came to the PLAC after 8 years with the American Red Cross, most recently in the role as Executive Director in Dubuque, Iowa, managing 18 counties. Prior to his time with the Red Cross he served as an elementary school principal. He was recognized for his outstanding efforts, being named Iowa Educator of the Year and Northwest Iowa Principal of the Year amongst many other awards. He begins his new position with the PLAC May 24. The PLAC began a search for a new director in late November following the resignation of their previous Executive Director. "We selected a director that will help us become better engaged with our membership and community to further our mission of broadening horizons through the arts," said Becky Peters, President of the Pearson Lakes Art Center board. "His enthusiasm for community engagement coupled with his appreciation for arts and culture make him a perfect fit." "I'm very excited for the opportunity to work with the talented staff at the Pearson Lakes Art Center to invite our members and community to get more involved with the arts," said Kirschbaum. "The Pearson Lakes Art Center has an outstanding facility for everyone to experience performing art, visual art and art education."

Katie Slater Joins Thousands Of Realtors® In Nation's Capital To Advance Vital Housing And Property Issues

On behalf of current and future home and property owners throughout the country, nearly 8,900 Realtors® traveled to Washington, D.C., this week to advocate important real estate issues during the 2016 REALTOR® Legislative Meetings & Trade Expo.

Katie Slater, Broker/Owner of NextHome At The Lakes and a Regional Vice President for the Iowa Association of Realtors® joined fellow Realtors® from across the nation to attend the meetings and visit with regulators and lawmakers on Capitol Hill to discuss the legislative and regulatory environment and its effect on residential and commercial real estate.

Attending Realtors®, all members of the National Association of Realtors®, focused on several major issues pertaining to the industry during the legislative-focused meetings. Of utmost importance was protecting real estate-related tax policies, which are vital to expanding homeownership to more Americans. "It is imperative we connect with our lawmakers to ensure they understand the issues that face the real estate industry, markets and their constituents — many of whom are home and property owners. Realtors® are on the ground every day fighting for home and property owners in their communities, and we demonstrated we will do the same here in our nation's capital with our elected officials," said Slater. "Supporting homeowners and property owners through smart legislation is so important for families, communities and the nation's economy, so we will continue to work with lawmakers to ensure they are protected."

While in Washington, Slater met with Representative Steve King on Capitol Hill to influence public policy decisions that will directly affect consumers' ability to own, buy and sell real estate.

Specifically, Slater urged King to preserve current real estate-related tax policies and extend the Mortgage Forgiveness Tax Relief Act, which prevents distressed homeowners from receiving excessive income tax bills on forgiven home loan debt.

Other pressing matters included reforming key Federal Housing Administration condo rules and ensuring Fannie Mae and Freddie Mac mortgage guarantee fees are not extended, increased or diverted away for unrelated government spending.

"Congress is considering legislation that will have a very real impact on the industry, market and buyers and sellers, so it is important our elected officials hear from us," said Slater. "Through the voice and strength of the Realtor® Party, we made it clear where we stand on key issues that affect home and property buyers, sellers and investors right here in the lakes area. That's the benefit of coming together and speaking with one voice to our nation's lawmakers."

During the week-long conference, Realtors® heard from industry and political thought leaders, including U.S. Department of Housing and Urban Development Secretary Julian Castro, who discussed student loan debt and its impact on homeownership. Castro shared some of the regulatory changes coming soon to make sure younger Americans have housing opportunities, as many of them are bogged down by loans they borrowed to earn a college degree. Those changes, which pertain to condo rules, could broaden the number of condos available to FHA homebuyers.

In addition, U.S. Sen. Elizabeth Warren (D-Mass.), shared her perspectives on housing finance and student debt; political pollsters Peter Hart and Bill McInturf offered insights into the mood of the country and its impact on the 2016 presidential and congressional campaigns; investigative journalist and author Bob Woodward shared his thoughts on the presidential elections; and Wells Fargo

economist Mark Vitner discussed financial and commercial real estate markets. NAR Chief Economist Lawrence Yun also shared residential and commercial real estate market updates and forecasts. Realtors® also had the opportunity to speak with several regulatory agencies, including the Environmental Protection Agency, the Federal Housing Finance Agency, the Department of Agriculture's Rural Housing Service, the Department of Transportation's Federal Aviation Administration and the Department of Veterans Affairs, among others.

Aside from the informational legislative sessions, Slater also had the opportunity to sit on the National Association of Realtors® Resort and Second Homes Committee and listen to the concerns in other resort markets across the US. She was also able to explore the latest industry innovations and get up to date on how new products are transforming the real estate business by visiting the almost 120 exhibitors showcasing the newest real estate products and services for the industry during the trade expo.

Slater is the owner of the newest real estate brokerage in the lakes area, NextHome At The Lakes. It is located at 1410 Lake Street in Spirit Lake, next to All Pets Animal Clinic. Give NextHome At The Lakes a call at 712-336-9999 if you are looking to buy or sell a home At The Lakes!

Lakeside Artists In Residence Open Studio

The public is invited to attend the first in a series of Lakeside Artist-in-Residence-Open Studios on Thursday, May 26, at 7:00pm in Pammel Lab on the Lakeside Lab campus in Wapeton. Mark Koven, Corey Smith, and Scott Dickson will be on hand to discuss and share their work. Together their mediums of work include drawing, printmaking, painting, collage, music composition, and more.

Mark Koven's work focuses on the integration of arts with the sciences as a resource to identify and work towards solutions to regional and global concerns. Koven is an assistant professor of sculpture at Florida State University in Tallahassee.

Corey Smith's current work explores the geography, culture, and mythology of the Midwest. Smith studied music composition at the University of Michigan, Ann Arbor. He currently lives in Chicago.

Scott Dickson creates images that are associated with memories from solitary engagements with the landscape and the passage of time. Dickson serves as an assistant professor in drawing at Kendall College of Art and Design.

IowaLakeside Lab's Artist-in-Residence Program was created in order to connect artists and scientists in unique collaborations that reflect new thinking on environmental concerns. Up to nine artists are selected each year from Iowa and across the United States in a competitive application process. Each artist spends two to four weeks in residence working on their own creative projects, with full access to the field station's scientists and diverse ecological community.

Bank Midwest Introduces Interactive Teller Machine

Bank Midwest recently expanded hours and transaction services at its Okoboji location by implementing a new drive-up Interactive Teller Machine (ITM). This is the third location to receive the new ITM technology following Sioux Falls, South Dakota, and Sherburn, Minnesota.

ITMs offer a number of benefits to customers beyond the typical cash dispensing and balance inquiry capabilities of an ATM, such as extended hours and more personalized service with the ability for customers to talk to bank staff remotely via the video screen.

"The best part of adding ITMs, or Personal Tellers as we like to call them, is the ability for customers to talk to a bank employee after the lobby is closed if they need personal assistance," states Nicole Simpson, V.P. Retail Banking. "ITMs blend the benefit and convenience of modern banking with the personal attention and needed services basic ATMs don't provide."

ITMs offer a number of expanded benefits including the ability to make deposits or loan payments, cash checks, and dispense cash in various denominations. In addition, bank employees can verify someone's identity using other forms of identification when cash is needed but a debit card is lost or stolen.

Hours for the drive-up Personal Tellers (ITMs) will be Monday to Friday 7:30am - 5:30pm and Saturday 8:00am - 12:00pm.

ITMs are simple to use and offer customers touchscreen functionality similar to an ATM as well as the ability to talk to a Bank Midwest representative digitally on-screen or through a phone handset.

"We're committed to finding new and innovative ways to serve our communities and know ITMs are a great way to offer our customers more hours of service and better automated convenience," stated Simpson.

Bank Midwest is an employee-owned organization with 11 locations throughout Iowa, Minnesota and South Dakota. The community bank has assets of \$763 million, and is a full-service financial institution offering loans and traditional FDIC-insured accounts, as well as insurance, investment and trust services. (Investment and insurance services are not deposits, not FDIC insured, not guaranteed by the bank and may go down in value.)

Government, stealing the people's wealth is nothing new, started long before the Romans and adapted by modern day bureaucrats. On March 9, 1933, Franklin D. Roosevelt (FDR) called Congress in for an emergency session, which would result in the speedy passing of the Gold Confiscation Act. According to FDR's Executive Order (6102) the Act would 'provide relief in the existing national emergency in banking and for other purposes.' They paid the people \$20.67 per ounce and failure to sell resulted in 5 years in a federal pen. The day after the deadline of Confiscation, the government set the new price at \$41.24, thereby doubling the government's wealth and reducing the public's wealth by half. Education begins, when public education ends!

Danika Portz To Perform In Spencer

SPARC Concert Series is proud to present Danika Portz as the last concert performer of the 2016 season. Danika is a singer/songwriter from the town of Remsen, Iowa, population 1,600, and she has been singing for as long as she can remember. With encouragement from her mother, she had her first tour at age 8, singing for the residents of the local nursing homes. From then on she was sure that all she wanted to do was to perform.

In 2011 she moved to Nashville and was happy to find an amazing group of people that are still involved in her music production. In 2013 she signed a co-publishing contract with Green Hills Music Group and Grin Like a Dog Songs. Danika enjoys all kinds of music, but is most strongly influenced by traditional country lyrics and catchy melodies of modern pop. When she writes, she tries not to limit herself, but writes the story she wants to tell.

On June 10, Danika will be performing at SCT Playhouse at 7:30pm. Tickets are \$15 for adults and \$10 for students.

Tickets for reserved seating can be purchased at SCT by calling 712 262 7336.

Lilac Bush Planted By DAR At The Abbie Gardner Cabin

Mary Thunhorst, new Regent of the Ladies of the Lake Daughters of the American Revolution is so pleased to see the lilac tree they planted 2 years ago growing so well and blooming at the Abbie Gardner Cabin Park. Mary was at the park with her students from Okoboji School. Mary Thunhorst has been nominated as the Ladies of the Lake DAR History teacher of the year and will be nominated for State History teacher for 2016. The park is beautiful this time of year to visit and have a picnic, ride your bike through the area or stop and see the monuments. The museum will open on Memorial Day. It is one of the top places to visit in the Arnolds Park area.

Summer Reading Registration Now Available

A ventriloquist, a clown, a magician, storytimes and more are coming to the Spirit Lake Public Library for kids of all ages during our 'On Your Mark, Get Set, Read!' summer reading program which runs from May 31 through July 9.

The Registration Fair will be held on Tuesday, May 31, from 10:00am to 12:00pm with special guests at the library including Bedell Family YMCA, Dickinson County Conservation, Iowa Lakeside Labs and the Lutheran Lakeside Camp. These local providers of youth programming will have representatives and/or information booths to share their summer program opportunities. (One of our guests, weather permitting, may have some outdoor fun going on in the green space.) Come get signed up for summer reading and walk away with other fun learning activity plans for the summer. If you can't make it for the fair, registration will continue at the library through the end of the program in July and is also now available on-line at spliblib.weebly.com, the library's website.

Children may pick up and begin completing activity sheets as of May 31. Each activity sheet completed allows one spin of the prize wheel. Kids are encouraged to 'Be a Reading Champ' by completing 8 sheets and participating in a self-guided nature hike at Lakeside Lab for a 'big' prize and a chance to win one of the grand prizes.

Our Mother Goose Club summer reading program for infants and toddlers too young to participate in the regular summer reading program offers parents or caregivers pre-reading activities that build reading readiness. Prizes are awarded for completing tasks.

Parents of children not yet in kindergarten will want to sign up for '1000 Books Before Kindergarten' our year round literacy program if not already participating. Caregivers record either in a notebook folder from the library or by using the '1000 Books Before Kindergarten' app. Incidental prizes are awarded at milestones along the way with an annual recognition program at the Spirit Lake Elementary School each fall that honors children reaching 1000 books.

Make reading a part of summer vacation that helps your child exercise their brain and have fun doing it. It's all free and waiting for you at the Spirit Lake Public Library. For more information stop in, check our website, spliblib.weebly.com, call us at 712-336-2667 or look us up on Facebook. Hope to see you soon at the library!
