Bryant, Sanderson awarded honorary degrees from William Carey University during commencement

Submitted
William Carey University awarded honorary degrees to First Lady Deborah Bryant and philanthropist Joe Frank Sanderson Jr. during commencement on May 13 at the WCU Hattiesburg campus.

chairman of the board for Sanderson Farms in Laurel. He and his wife, Kathy, recently contributed \$1.1 million to William Carey University, which is the largest gift by an individual in the institution's history. The Sandersons' gift will help defray the startup costs for a school of pharmacy at the Tradition campus in Biloxi. Sanderson is credited with saving the Magnolia Classic, the only Professional Golf Association tour event played in Mississippi. Sanderson Farms is the title sponsor for the tournament, which benefits Blair E. Batson Children's Hospital in Jackson. In January 2015, the Sanderson Family Farms Championship made a record donation of \$1,102,700 to the children's hospital. The gift will be used to expand the hospital's Children's Heart Center.

Bryant was presented the Doctor of Humane Letters for her outstanding work with children's literacy and her dedication to helping the people of Louisville, Mississippi, when a devastating tornado struck the town in 2014. Bryant was in Louisville when the tornado hit, and rather than return home, she chose to stay and help with relief efforts. During the first year of her husband's term as governor, Bryant visited all 82 counties as part of her "Read Across Mississippi" program to promote literacy and bring attention to reading disorders. During each visit she spent time reading to school children. Bryant retired from St. Dominic Hospital in Jackson with more than 39 years of service. She is an ambassador for Batson Children's Hospital in Jackson, participates in multiple awareness campaigns

"William Carey depends on alumni and other supporters in order to provide strong academic and enrichment programs," said WCU President Tommy King. "Supporters like first Lady Bryant and Joe Frank and Kathy Sanderson are vital to the success of William Carey University."

JCJC PTK officers and advisors pose for a picture after completing a successful year. JCJC Dean of Academic Affairs and Dean of the Charles Pickering Honors Institute, Dr. Mark Taylor (back row right end), is also pictured for receiving the Distinguished Administrator Award at PTK convention. Pictured standing left to right are: PTK advisor Mark Brown and student officers Chase Roberts, Historian, Mize; Adam Wigley, Director of Social Media, Richton; Virginia-Leigh Donohue, Director of Honors in Action, Vicksburg; Jenna Smith, Director of Publications and Marketing, Columbia; Luke Tucker, Vice President of Fellowship, Ellisville; Jonathan Jones, Director of Website, Purvis; Wes Herring, Vice President of Scholarship, Laurel; Dr. Mark Taylor, JCJC Dean and PTK advisor Sarah Ishee. Seated left to right are: Hannah Boyte, Director of Campus Activities, Sumrall; Kiana McFadden, Vice President of Leadership, Waynesboro; Ethan Davis, President, Laurel; Natalie Beth Seales, Vice President of Service, Hattiesburg; Geneva Catlett, Director of College Project, Lucedale. Not pictured are Annie Price, Director of Fundraising, Tupelo and Morgan Lewis, Southern District Representative for MS/LA Region, Laurel.

JCJC's Dr. Mark Taylor selected as Distinguished College Administrator

By Teresa McCreery

Jones County Junior College's dean of Academic Affairs and dean of the Charles Pickering Honors Institute, Dr. Mark Taylor, was selected as a Distinguished College Administrator by Phi Theta Kappa International Honor Society at its annual convention. This award is given to college vice presidents, deans or directors who have demonstrated a strong level of support for Phi Theta Kappa during their tenure. Taylor is one of 25 Distinguished College Administrators to receive this honor from nominations across the nation.

"I was completely surprised when I learned of this award, and I am truly honored to be selected. It is a privilege to represent the college and the administration at the PTK annual convention," said Taylor.

Julie Atwood, one of the advisors for JCJC's Rho Sigma chapter of the academic international Honor Society Phi Theta Kappa, explained Taylor is involved in numerous aspects of PTK. Without his support,

she said, the chapter would not be able to thrive and be successful.

"We are greatly appreciative of his efforts with our Honors students and his continual support for scholarship recommendations and interviews. Without his assistance, we would be hard pressed to identify our strongest candidates for internships, scholarships and other accolades," said Atwood.

Taylor provides opportunities for students to be exposed to leaders to help with personal leadership development through the Honors College. Many PTK students are a part of this advanced educational and leadership class at JCJC, which has a history of producing excellent and prepared student leaders. Atwood also sites his involvement in promoting the arts on campus and offering international travel as other ways he helps students understand and see a "bigger picture" of the world. Ultimately, Dr. Taylor helps to better equip students to compete globally.

Mosell resident, Carter, receives president's award

Congratulations to Lady of the Leaf, Alexis Carter, who received the President's Lifetime Achievement Award recently. President Barack Obama said in his letter to the reigning Miss Southern Magnolia, "Thank you for your devotion to serve and for doing all you can to shape a better tomorrow for our great nation." Alexis has made 165 visits to campuses since being crowned in November to speak on bullying with her platform The Crown C.A.R.E.S. Above, Carter, current Miss Southern Magnolia, receives President Obama's Lifetime Achievement Award from Miss Southern Magnolia Executive Director Dr. Carroll D. Pierce of Seminary. Alexis is the 2016 Scholarship Winner of The Leaf Foundation. She will participate in the Miss Mississippi Pageant this June in Vicksburg.

Prayer changes everything

By Dr. Bill Myers

“Fear (love and respect) the Lord, you His saints, for those who fear Him lack nothing. The lions may grow weak and hungry, but those who seek the Lord lack no good thing” Psalm 34: 9-10. What revelation from God’s Word! His Word is truth! When we turn our attention to our Father in love through worship and a heart of thanksgiving, we can be assured that He will take care of us. Yes, every need supplied!

“He who did not spare His own Son, but gave Him up for us all—how will He not also, along with Him, graciously give us all things?” Romans 8:32. Did you catch that? It said give us all things! You see, nothing is too big for God! And we’re not bothering Him when we ask, believe, and expect from Him (faith). He loves for us to rely on Him for all our needs.

Have you been praying for a family member? Is someone you love sick? Is your heart broken? Do you need a job or even better job/promotion? We’ve all heard the old expression, “When it rains, it pours . . .” This saying refers to everything seemingly going wrong in our lives. I can relate personally. There have been times when I thought, “What else can go wrong?” But I have to remind myself that nothing surprises my Heavenly Father and He has it all under control. No, He will never abandon or forget me. “God will meet all your needs according to His glorious riches in Christ Jesus.” Philippians 4:19.

All means everything! God doesn’t want His children living a life of lack in any area of their lives. If you have been praying for a lost family member or friend, you mustn’t give up. Friends, we must visualize this person saved (that’s faith). As we pray in faith, we must believe He will answer our prayers, no matter our needs, big or small. Our loving Abba Father cares for His children. “The eyes of all look to you, O Lord, and you give them their food at the proper time. You open your hand and satisfy the desires of every living thing.” Psalm 145:15-16.

Jesus said, “Ask and you will receive, and your joy will be complete.” John 16:24. Why do we feel guilty for asking? Many Christians believe it is wrong to ask God for material items. I personally believe His Word and choose to walk in faith that He will take care of me in every area. He has provided for me so many times throughout my life and answered my prayers. He has never failed or abandoned me. I am a walking testimony of God’s love and goodness. The blessings He has given me, He will give to each of His children. Why? It’s because our Father is love.

Today, trust, do not doubt His Word, and never give up! Prayer changes everything!

Dr. Bill Myers is the Show Choir director at Northeast Jones High School, is a frequent contributor to publications in south Mississippi, and has recently released a book, “Surviving the Storms of Life.”

Spring beauties: Magnolia trees are now blooming

By Kay Scarborough

Now that you've cranked up the lawn mower and weed eater, watch out for trees. The surest way to kill a tree is to bump it with the mower or string trimmer. A nice circle of mulch around trees and shrubs can prevent such damage. Leave space around the base of the plant; think "doughnut", not "volcano". Also, be sure you mark plainly all young plants and saplings in the landscape. Mowers have a tendency to "gobble-up" what they can't see.

Speaking of trees, have you noticed the beautiful magnolia trees in bloom all over Jones County? One more reason to live in the South! We are lucky to have several sweet bay magnolias in our yard; the flowers are lovely but less showy than those on the Southern magnolia. They smell so good! You do realize that if you leave the bottom branches on magnolias all the way to the ground, you won't have to rake up the leaves and debris?

Did you know that young trees develop a strong trunk more quickly if their lower branches are left in place for the first few years after planting? These branches also help shade the trunk. Once the trunk is at least two inches thick, begin removing the lower branches gradually, over a period of several years. This is important informa-

tion; I must have been asleep when they taught this to our Master Gardener class. Now I know why my poor pear tree has been whipping around in the wind. The poor skinny thing has no strength at the bottom.

Container plantings are a good way to get a lot of "bang for your buck." A large pot and interesting assortment of annuals can be a real eye catcher. Norman Winter says to incorporate "thriller" (big and dramatic), "spiller" (trailing plants or vines), and "filler" (midsize bloomers), plants. For Mother's Day our daughter surprised me with a big, beautiful glazed container that she planted with caladiums, begonias, creeping jenny, asparagus fern and small daisies. These all come in a huge array of colors and varieties. Try them in a group at the nursery and buy what is pleasing to you! It is essential to combine plants that have similar requirements for light and water.

Remember these are one-season wonders, so you can go crazy. I planted a pot with all lime green for the deck, but it was boring so I mixed up several containers and like it much better now. These plants are not your children, you can throw them out or give them away if they don't please you. As flowers die, pinch them off and the plants will keep blooming. You can do this!!!

"Where flowers bloom so does hope."

No. 3 Bobcats headed to Oklahoma after winning Region 23 title

By Shawn Wansley, JCJC Sports Information Director

The last three times No. 3 Jones County and No. 10 East Central played a one-run game, the Warriors won each time.

But the Bobcats turned the tables on the Warriors when it counted most.

JCJC edged East Central 6-5 here Sunday afternoon at the Clark/Gay Baseball Complex to capture the Region 23 Tournament championship.

The Bobcats made it to the title game after beating No. 1 LSU-Eunice 13-9 and East Central 12-2 in two long games on Saturday.

"I am extremely proud of the team for taking control in a couple of games and punching their ticket to the World Series," said first-year JCJC head coach Chris Kirtland. "The guys had to come through the tough way, through the loser's bracket. The impressive thing was yesterday (Saturday) we had to play two nine-inning games and they put their guts on the field. They just poured it all out and they gave themselves a chance to play for a championship today.

"They were able to take control of the game early today and finish it off."

The Bobcats, 49-8, will now advance to the NJCAA Division II World Series in Enid, Oklahoma, for the first time since 2011. JCJC will meet McHenry College, 48-10, of Illinois at 1 p.m. on May 28 in round one of the tournament at David Allen Memorial Ballpark.

JCJC got off to a fast start on Sunday.

Clint Sasser led off the game with a walk and stole second base. Shelton Wallace singled to right to score Sasser. Mason Irby then singled to right to put runners at first and third.

Tanner Huddleston's groundout scored Wallace and Erick Hoard followed with a single to center to score Irby and give the Bobcats a 3-0 lead.

JCJC went up 4-0 in the second.

Fred Franklin doubled to left to start the inning and Sasser sacrificed him to third base. Wallace's ground ball was thrown away, allowing Franklin to score.

The Bobcats took a 6-0 lead in the sixth.

Franklin led off with a single, stole second and was sacrificed to third by Sasser. Irby then doubled to right to score Sasser and Huddleston doubled to center to drive in Irby.

But the Warriors made things interesting in the bottom of the sixth when they scored all five of their runs.

Dylan Snypes led off with a triple into the rightfield corner and Will Kennedy singled him home. Kennedy stole second and took third on Cole Prestegard's groundout.

With two outs, Matt Mitchell walked and Zach Parker was hit by a pitch to

load the bases. Kennedy then scored on a wild pitch. T.J. Lockett walked to load the bases again.

Michael Davis then cleared the bases with a double to right. But Davis was caught in a rundown between second and third and was tagged out to end the inning.

In the bottom of the ninth, reliever Mason Strickland retired the first two batters before Ty Alderman reached on an error to give the Warriors a chance.

Taylorsville Lady Tartars come together for unforgettable 2016 softball season

By Zac Chamblee

There's nothing better in the world than setting a goal, working hard for it and accomplishing it. Just ask Taylorsville fastpitch coach Mason Grissom. Grissom took over as head coach of the Lady Tartars this past season. He knew he was taking over a team with a ton of talent and championship aspirations.

"I told a lot of people this year that I just try to stay out of their way because they were just so talented," Grissom said. "They're the ones that did it. They put their minds together and stayed together all year long. They had that goal from day one. Win it all."

And that they did. On Friday, May 13, the Lady Tartars captured the school's first-ever fast pitch state title, sweeping East Webster 2-0 in the 2A championship round. Talk about an incredible moment. Grissom still has a hard time describing the final out, trophy presentation and player dog-pile that ensued.

"It's hard to describe," Grissom said with a laugh. "It's a little bit surreal because that's your goal and you work at it everyday and are focused on it. And then it happens,

The 2016 Taylorsville Lady Tartars Photos/ Elle Sullivan

and you're like 'man, is this for real?' It takes a little while to sink in."

It's not like the team was an underdog or anything prior to the start of the season. No, they knew they had a

legit shot at winning it all. With players like Lauren Stringer, Emily Vowell, Anna Kennedy, Cheyenne Hillman and Miracle Crosby, you're gonna be pretty good. And that's just to name a

few of their impact players. So yeah, the Lady Tartars knew they had it in themselves to contend. The rest of the puzzle was about coming together as a family.

"Talent-wise, we knew we we're going to be okay, but the thing you're most proud of is how well they all get along," Grissom added. "That group of girls was so close and so together in anything. And they faced a lot of adversity this year. A lot of stuff could have derailed the team, but they never faltered. If anything, those girls came more and more closer the tougher the year got."

And because of all that, the Lady Tartars are state champions. This is not a one-and-done type situation by any means. No, Grissom thinks this could be just the beginning of a dynasty. That starts and ends with the school's younger and aspiring players, all of which got a tiny taste of just what the Lady Tartars are building.

"Like the other day at the championship game, you look and there are 4th, 5th and 6th grade girls, and they get to watch the game," Grissom said. "Right then and there at that moment, that dream gets put into their mind. They think, 'I want to do that one day.' That's huge for the growth of our program."

Grissom's players this past season jump-started those aspirations. For that and having an opportunity to just coach them, he's forever grateful.

"I couldn't be more proud of them," Grissom concluded. "That's like what I told them after the championship game. I said, 'I look at you now like I've got 19 daughters.' That's how proud I am of them. And they truly deserved to win it."

The Lady Tartars receive their individual medallions for capturing the 2A state championship.

But Strickland struck out Snypes – the leadoff batter – to end the game and the Bobcats “dogpiled” on the infield.

Logan Robbins, 6-1, was the starter and winner. He went 5 2/3 innings, allowed five earned runs, three hits, walked three and struck out two. Strickland, who was the winning pitcher in Thursday’s 8-2 win over LSU-Eunice, went the final 3 1/3 innings, allowed no runs, three hits and struck out three.

Irby and Franklin each doubled and singled, while Hoard had two singles. Huddleston added a double with Wallace and Parker getting singles.

Peyton Cain was the starter and loser. He went 1/3 of an inning, allowed three earned runs, three hits and walked one. Tyler Ladner pitched 2/3 of an inning, allowed no runs, one hit and one walk. Luke Yancey pitched five innings, allowed three runs (two earned), five hits, walked three and struck out four. Channing Wall pitched the final three

innings, gave up no runs, no hits and struck out one.

Snypes tripled, Davis doubled and Kennedy, Prestegard, Mitchell and Alderman singled for the Warriors.

East Central ends the year at 39-17.

But now the Bobcats will focus on playing in the national tournament and trying to add to their single season school record of 49 wins.

“You go into a season hoping to win the ones that matter,” said Kirtland, who was named the Region 23 Coach

of the Year after the tournament. “It just so happens that we’ve won a lot more than that. It’s exciting to actually win a championship game and come through when we’ve needed to most to extend our season.

“These guys could not deserve a championship more. They have done what has been asked of them all season and this is the reward for that.”

The World Series will be a 10-team, double-elimination tournament.

Other first-round games on Saturday will be North Iowa Area, 47-14, vs. Gateway, Arizona, 40-20, at 10 a.m.; Western Oklahoma, 46-16, vs. Parkland, Illinois, 45-14, at 4 p.m. and Brunswick, North Carolina, 40-16, vs. Mercer County, New Jersey, 48-8, at 7 p.m. The final first-round match up will feature Monroe, New York, 33-14, vs. Sinclair, Ohio, at noon on Sunday.

All games in the World Series will air on www.njcaatv.com.

*Offer applies only to single-receipt qualifying purchases. No Interest will be charged on the promo purchase and equal monthly payments are required equal to initial promo purchase amount divided equally by the number of months in promo period until promo is paid in full. The equal monthly payment will be rounded to the next highest whole dollar and may be higher than the minimum payment that would be required if the purchase was a non-promotional purchase. Regular account terms apply to non-promotional purchases. For new accounts: Purchase APR is 29.99%. Minimum Interest Charge is \$2. Existing cardholders should see their credit card agreement for their applicable terms. Subject to credit approval.
 †Monthly payment shown is equal to the purchase price (excluding taxes and delivery) divided by the number of months in the promo period, rounded to the next highest whole dollar, and only applies to the selected financing option shown. If you make your payments by the due date each month, the monthly payment shown should allow you to pay off this purchase within the promo period if this balance is the only balance on your account during the promo period. If you have other balances on your account, this monthly payment will be added to the minimum payment applicable to those balances.
 ‡Previous purchases excluded. Cannot be combined with any other offer or discount. Discount offers exclude Smart Buys, Manager's Specials, The Works, Ashley-Sleep®, Tempur-Pedic®, Stearns & Foster®, iComfort by Serta® mattress purchases, floor models, sales tax, furniture protection plans, warranty, delivery or service charge.
