Message From James Vacca NYC Councilman 13th District

SENIOR SPRING CONCERT AT THE JASA THROGGS NECK SENIOR CENTER

The next installment of my "Senior Spring" concert series will be held on Saturday, June 11th at the JASA Throggs Neck Senior Center located at 2705 Schley Ave. The concert will run from 11:00 AM to 1:00 PM, and will feature the amazing band, Cardinal Theory. They will be performing classic hits from the 50's & 60's. Light refreshments will be provided. If you have any questions, you can reach out to William from my office at 718-931-1721.

FAIR @ THE SQUARE

On Saturday, June 18th, the Westchester Square Business Improvement District, and the NYC Parks Department will be presenting the 8th annual "Fair @ The Square." The fair will run from 11:00 AM to 6:00 PM between St. Raymond Ave. and Westchester Ave. There will be dozens of musical and entertainment performances along with fun activities for the family, such as rock climbing and bouncy houses. Many of our local businesses will have tables and booths set up for food and shopping. The event will be held rain or shine.

INTERNSHIP OPPORTUNITY IN NYC GOVERNMENT

I am currently seeking motivated college and graduate students to fill several summer internship positions in my district office. Interns will gain first-hand experience of local government issues while assisting in all aspects of a busy New York City Council office. All majors are welcomed, but students with an interest in government or politics are strongly encouraged to apply. Prospective interns should have a positive attitude, be comfortable interacting with constituents, flexible and willing to learn. Duties include staffing events with the Council Member, assisting staff with cases, policy research and other tasks as assigned. Internships are unpaid. To apply, e-mail a cover letter and resume to Ariel Alvarez at aalvarez@council.nyc.gov. For more information, call (718) 931-1721.

PREPARATION FOR POWER OUTAGES

With the temperature rising, I want to remind everyone that power outages are more likely during the warmer, summer months. It's wise to take the initiative to prepare ahead of time in case you find yourself without power. Every home should have certain essential items. Flashlights, along with backup batteries, are a necessity. Make sure you have a few around your home. Please avoid using candles, as they can lead to fires if not used properly. You should also have a first-aid kit just in case, which can include bandages, gauze, tape, scissors, antibiotic ointment, hydrogen peroxide, and pain medicine. In addition, it helps to have battery/self-powered radios, along with car chargers for your cell phones. It's always a good idea to have canned food and an opener handy. Lastly, but most importantly, REPORT your outage to ConEd at 1-800-75CONED. ConEd does not know when you are without electricity unless you report the outage.
