We Welcome Dr. Sam Ables, D.C.

Dr. Ables grew up in South Pittsburg in the shadow of one of Tennessee's first chiropractors, Dr. Iva B. Ables, his paternal grandmother. She opened her office in 1923 and practiced for over 50 years in Marion County. While Dr. Sam participated in high school sports, a regular visit to his grandmother's office was not only required, but assumed. Dr. Sam's maternal grandmother's family, the Shelley's, settled in Franklin County over 150 years ago.

Dr. Ables graduated from Life Chiropractic College West in San Lorenzo, California and practiced with his wife for a decade in Arroyo Grande, California. They decided to return to Tennessee in 2003, and have practiced in this areas for over 10 years. His daughter is a 2012 graduate of FCHS.

Dr. Ables' background has influenced his style of practice, which is consistent with time honored principles and supported by significant current research. As Edison said "The doctor of the future will concern his patients with diet, exercise, and care of the human frame." The future is now.

It Wasn't Raining When Noah Built the Ark. Plan Ahead.

Pre-Planning

Consider the advantages:

- Make important decisions together, not alone...
- If something were to happen to you today, your family would know what to do...
- You have peace of mind knowing you have minimized the anxiety for loved ones...
- Your final wishes will be carried out...
- You can choose a pre-payment plan that fits your budget...
- Costs are locked in and you are protected...
- Most pre-arranged plans are transferable, should you transfer or move to another area...

By Pre-planning Your Funeral, You Can:

- Make all the arrangements during a time of peace and not leave them to your family during their time of grief.
- Make your wishes known.
- Control the cost of your funeral and protect from inflation.
- Ensure that personal records are organized and easy for your survivors to locate.
- Protect your insurance so that it provides for your survivors and not for funeral expenses. and
- Provide protection in case the need arises before it is expected.
