Robby Vee To Perform

Boji Bay Legacy Park in Milford is starting out the summer of 2016 with a bang! Following the stage's first show of the summer, artist Robby Vee of Minneapolis, Minnesota, will be headlining Friday, June 10, 2016. Robby Vee, "The Prince Of Twang," was born Robert Velline; named after his father, the legendary Bobby Vee. He is recognized by both the American and Canadian Rockabilly Hall of Fame and has been performing his unique style of Rock-n-Roll music for years on stages across the globe. Robby has learned from, and shared credits and stages with the best; from James Burton to Carl Perkins, Albert Lee, Little Richard, the Everly Brothers, Sir Paul McCartney, Eric Clapton, Dion, The Righteous Brothers, Buddy Holly's Crickets, Dick Clark and his 'Caravan of Stars Rock 'N' Roll Show', his father, 60s pop rocker Bobby Vee and many more. As an Entertainer with many studio records to his name, countless guest artist credits, and a history of extensive touring, Vee has captured the attention of audiences and respected industry professionals both Nationally and Internationally. Gates open at 5:30pm and the show begins at 7:00pm. Come re-live the music of the '60s and the '70s.

LETTERS TO THE EDITOR

To The Editor,
The Lakes Area Hockey Association would like to express thanks and gratitude to the Good Neighbor Fund and those that contributed to this year's campaign. We are blessed to live in a community that supports the work of the many great organizations providing invaluable community enhancements and opportunities in the Lakes Area.

The LAHA utilized these funds to acquire an ice edger that is vital to maintaining optimum ice thickness and uniformity. In addition to the benefit of being able to maintain a quality sheet of ice for skating, a uniform ice thickness reduces the refrigeration workload leading to a more efficient operation and reduced utilities. Without the support of the Good Neighbor Fund and so many other forward thinking and generous donors we would not be where we are today. Thank you for helping us provide a venue for ice related activities for all ages.

Hitchville Performing On Preservation Plaza June 11th

On June 11, Hitchville will be playing on Preservation Plaza, sponsored by Clary Lake Service, Milford Welding and Laser Car Wash. You won't want to miss this concert!

Country super-group Hitchville has quickly solidified themselves among the upper echelon of regional talent. Under the leadership of dynamic lead vocalists Heidi Owens and Matthew Kneefe, the group's trademark harmonies are unique and memorable. The harmonies themselves are hardly the last thing Hitchville attendees are talking about once the group has left the stage. The combination of vocals and "don't try this at home" instrumental solos leads to an unforgettable live show which the band has worked tirelessly to produce.

Arnold's Park marketing director Paul Plumb said, "We are excited to be kicking off another year of FREE shows at Preservation Plaza. We owe a big thank you to Clary Lake Service, Milford Welding and Laser Car Wash for bringing these concerts to the Park." Plumb added, "We also owe a big thank you to KTIV, Bud Light, KICD and MORE 104. We couldn't put these concerts on without their generous support."

All the 2016 Live at the Lake concerts are free to the public. Don't forget your lawn chair!

The next weekend's concert on Friday, June 17th will be Damon Dotson sponsored by RE/MAX Lakes Realty, the Evans family and Northwest Wealth Management. On Saturday, June 18th the Buckingham's will be performing with opener the Trademarkz sponsored by KTIV, Don's Pest Control and Mueske Electric.

Prairie Feed and Trucking Receives Trademark

Congratulations to Al Giese, owner of Prairie Feed and Trucking based in Milford, on recently receiving an official Registered Trademark for their name "Prairie Feed and Trucking" from the United States Patent and Trademark office in Washington, DC. This registration mark will give them exclusive right to use the trademark on or in connection with those goods or services set forth in the registration. Blink Marketing secured the registration mark for the company and worked with the company on filing the application. Jill Harms, owner of Blink Marketing, commented "federal registration allows the owner of a trademark to stop the importation of infringing material. Many people get confused about this subject matter and believe that once you register with the state, you own a name and unfortunately, that is not true." This immediately puts your business and any product or service development you are undertaking at risk. Securing a registered trademark protects your brand, and provides you with the tools to prevent someone using similar signs, name or messaging and riding off the back of your business. The trademark application process took about 12 months to complete, from start to finish. PFT worked with Blink Marketing to secure the trademark.

Maurice farmed for many years in the Superior and Spirit Lake area until his retirement due to health reasons. He loved to bowl and play cribbage with friends and neighbors.

Maurice is survived by his three children, Richard (Peggy) of Cedar Falls, Sue (Barry) Nehls of Mason, Ohio, and Kay Wilson of Spencer, three grandchildren, James, Allan, and Leah, and great grandchildren, Tyler and Cooper.

Shooting Club News

by Tony Petersen

If you like the smell of gun powder and like to break targets you may not be aware of the local opportunity that is right here in the back yard of the University of Okoboji. I am talking about the trap grounds on the Izaak Walton League property, the road heading to the local landfill, or, to help out the tourist, you turn at Boonedocks on 190th street and go east for about three miles and you will see it on the south side of the road. Over the years, there have been changes taking place out there, which we explore over the next few weeks.

Let's start out with What is the Izaak Walton League? The Izaak Walton League of America represents the Defenders of Soil, Air, Wood, Water and Wildlife. The Izaak Walton League was founded in 1922 to conserve outdoor America for future generations. Almost every major, successful conservation program that America has in place today can be traced directly to a League activity or initiative.

The local Dickinson County Chapter was incorporated in June of 1964 and the trap grounds were started in 1974. The chapter then purchased 10 acres from long time member Elmer Kilts in 1979. But that was only the beginning.

If you are not familiar with trap it is a game of concentration. There are 5 stations and you shoot 5 times at one station, then you rotate to the next until you have fired 25 shells. The goal is to shoot and break 25 targets in a row. Well that's the goal. To some it may come easy but for the rest of us there are always those few clay birds that elude the shot.

Make sure to read next week's paper to follow the history up to today, and the exciting opportunities it brings to the local area.

- Current shooting schedule:
- Open trap shooting for the public – Tuesday nights (weather permitting) from 5:00pm until dark, every week.
 - Browning Days – August 6th from 9:00am to 4:00pm
 - Southern Archery Gun Show Day – September 17, from 9:00am to 4:00pm

Other events being announced soon. For more information contact club President Larry Webber at 712-336-2202 or Tony Petersen at 712-320-0275.

Bocce Ball At Brooks

The crew at Brooks Golf Club has been busy this year building two bocce ball courts, located in front of the restaurant, Rabab's at Brooks.

The courts are open to the community and the summer visitors at no charge, so come on out and play this old Italian game. Bocce is a sport that everyone can enjoy and goes well with wine.

Rabab's will be the focal point for bocce ball, so if you are not familiar with the game, stop in and ask to see the instructional video and then go out and play a game of bocce ball. They are also forming a summer league, so be sure to ask about it. There also will be some tournaments during the summer months. Your friends will be able to watch the play on our expansive patio.

According to the United States Bocce Federation, back in the time of the Punic Wars (264 BC to 146 BC), Roman soldiers played bocce to unwind between confrontations with the Carthaginians. Their version of the game largely involved throwing big rocks at a smaller rock. Two thousand years later, the modern adaptation of this rock-throwing turns out to be just as therapeutic between confrontations with Cabernets.

Brooks Golf Club is one of the premiere 27 hole golf courses in the Midwest, featuring bent grass tees, greens and, fairways, a large practice area, and PGA Head Golf Professional.

Okoboji Foundation Awards \$204,630

On June 2nd, representatives of the Okoboji Foundation grant committee and nonprofit recipients celebrated awards of \$204,630 to make a lasting positive impact in our Lakes Community. "The primary focus of improvement on Monument Drive is a new drainage system recognized by USEPA as a Best Practice for storm water infiltration for runoff into West Lake Okoboji. It will be used as a demonstration site for low impact development to protect the water quality of our lakes. In addition, the \$65,000 grant from the Okoboji Foundation allows us to make applications for other grants to support this project." — Jim Hussong, Arnolds Park Mayor

In 2016 the Okoboji Foundation received twenty grant requests totaling \$570,000. Proceeds from Okoboji Foundation endowments provided \$175,000 for awards. The Youth in Philanthropy initiative raised an additional \$29,630 in annual funds for grants steered by student decision.

Iowa Public Television's Dan Wardell To Visit Lake Park Public Library

Dan Wardell, popular host of IPTV KIDS Clubhouse, will travel to Lake Park Public Library, 905 S. Market Street, on Thursday, June 16, 3:00pm, as part of the annual Reading Road Trip. Now in its tenth year, IPTV's Reading Road Trip features an original, interactive story that is connected to this year's summer library reading theme: ON YOUR MARK, GET SET... READ! Dan will take kids on an adventure as they compete against cosmic aliens during the Intergalactic Olympic Championships! Plus, every child attendee will receive a commemorative "space orb" for their efforts. Dan will encourage kids to do something one might not expect from a television personality: turn off the TV, go outside and play, eat healthy snacks, use their imagination and read a good book.

Support for the Reading Road Trip is provided by Blank Children's Hospital, Casey's General Stores and The Coons Foundation. Learn more at Iptv.org/clubhouse.

Family Nature Night

The Dickinson County Nature Center is planning three summer evenings of family and fun with its new Family Nature Night program.

The first in the series will kick off at 6:00pm, Monday, June 13, at the nature center in Okoboji. The Gone Fishin' program will begin in the outdoor amphitheater where naturalists Mary Petersen and Charles Vigdal will talk about how to identify fish you can find in the Iowa Great Lakes, will discuss some fishing basics and will talk about why fishing is important as well as fun.

Then families will get to explore different outdoor stations to learn about bait and lures, to practice knot-tying and to participate in casting contests.

"The goal is to learn the basics of fishing and get your family started in a fun new activity," Petersen said.

Families with children of all ages are invited to this free, one-hour event which will feature prizes, including a grand prize of a rod and reel for one lucky participant.

People may bring a picnic dinner to eat during the first part of the program in the amphitheater and should also bring blankets to sit on as well as bug spray.

Family Nature Night will also be held 6:00pm, Monday, July 11, with the theme Bird Brains and the 6:00pm, August 8, event will feature a special Nature Center Challenge.

"I think these are great activities to do as a family," Petersen said. "It's fun, free and will help create memories your kids will have forever. It's important to teach your kids to take time out to do nature-related activities in this fast-paced world."

Petersen and Vigdal are hoping that Family Nature Night will be just the beginning, that these events will encourage families to find fun, outdoor activities to do together more than just one Monday per month.

For more information on Family Nature Night or other Dickinson County Nature Center programs, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

Iowa Home Prices Rise 5.6% In April

by Mark Gavin | May 19, 2016

According to the Housing Trends Report by Iowa Association of REALTORS®, home sale prices rose 5.6 percent in April 2016 and homes sold were up 5.3 percent when compared to April of last year.

The median sale price for April 2016 was \$142,500 as compared to \$135,000 in April of last year.

The number of homes sold in April rose 5.3 percent from last year. 3,458 homes were sold in April of this year, while 3,284 sold during April 2015.

The days on market (DOM) decreased by 3 days from last year. The average days on market in April 2016 was 88 compared to 91 DOM in 2015.

"Across the state, the normal busy spring real estate market is going strong. The majority of our local boards and associations are reporting higher sold properties than 1 year ago. We expect this to continue with the current shortage of homes for sales in most metro areas," stated IAR President Ken Clark.

The information used to create the IAR April 2016 Housing Trends Report was current as of May 16, at 8:00 a.m. The information is subject to change due to the dynamic nature of the IAR's housing statistics system, which is updated hourly based on information present in local participating MLS (multiple listing service) systems.

The term Realtor® is a registered trademark, which identifies real estate professionals who follow a strict Code of Ethics as members of the National Association of Realtors®.

The Iowa Association of Realtors® is the state's largest real estate professional organization representing over 6,700 members and affiliates. The IAR releases a Housing Trends Report each month. Data is collected from local Realtor® boards through their multiple listing service (MLS), which tracks sales activities in the board area. IAR compiles all of the local board data into the statewide report each month. Reports are available online to IAR members and affiliates with a login and password. Anyone is eligible to become an IAR affiliate. For membership information, visit www.iowarealtors.com.

Emmetsburg's Mainstreet Community Theatre opened its youth production of *Shrek, Jr.* Friday night, and will continue with three more performances this weekend.

Theatre seasons open

It wasn't until too late this past weekend that we realized *Shrek, Jr. - The musical* — opened at the Mainstreet Community Theatre in Emmetsburg. The show features 48 student actors ranging from age 10, to ninth grade, starring Fisher Morris-McEwan (Graettinger) as Shrek, Jr. and Hannah Johnson (Ruthven) as Fiona. Three shows remain on the schedule this weekend — Friday at 7 p.m.; then Saturday and Sunday at 2 p.m. — with the box office opening a half-hour before each show. More information can be found on [facebook](#), or at 712-852-3485. *Shrek* is a fun show for kids of all ages!

The really big news — theatre-wise, this week — is the opening of the box office at the Okoboji Summer Theatre, and next week's season-opening, *The Spitfire Grill* — another fun musical! This is the first time in the OST's history that the box office will be using an electronic ticketing system. *The Spitfire Grill* opens Tuesday, June 14, with an 8:00 curtain, and continues through Saturday with nightly shows and a 4:30 Saturday matinee, before closing night on Sunday, with a 6 p.m. curtain.

More information is available from the box office (712-332-7773) and at [www.stephens.edu/okobojisummertheatre](#)

Agatha Christie's *A Murder is Announced* is the second show of the season, starting Tuesday, June 21...

There's a full-slate of music on the calendar this week, as the *Jazzed Up Big Band of Okoboji* continues its third season tonight (Tuesday) at the Majestic Pavilion, in Arnolds Park, and Glenn Henriksen continues his Tuesday and Wednesday night house concerts in Spirit Lake...

Wednesday night will also see *John Senn and Friends* playing at Table 316, in Arnolds Park, from 7 - 9:00; and "Sting" Ray Anthony returns to the stage of the Lauridsen Theatre at the Pearson Lakes Art Center, for a 7:30 performance...

The Iowa Rock 'n' Roll Music Association begins its *Rock the Roof* shows at 6:00, Thursday night, with the *Trademarkz and Interstate Cruisers*, in the Arnolds Park Roof Garden.

Adam Layman will perform on the stage in the barn at the Little Swan Lake Winery on Thursday night, from 6 - 8 p.m. Justin Kisor will return with a bit of jazz on the same stage, Sunday afternoon, from 4 - 6:00...

The new Boji Bay Legacy Park Okoboji Harley-Davidson Music Stage will feature Robby Vee, Friday night, with a tribute to his dad Bobby Vee, starting at 7:00...

Terry Klein will perform in the Lounge at The Inn at Okoboji, Friday, from 6 - 8:00...

And country singer Danika Portz will close the Spencer Community Theatre's joint series with SPARC on Friday night, at 7:30, at the SCT Playhouse in Spencer...

The 41st annual Glenn Miller Birthplace Society Festival opens in Clarinda on Friday with a weekend massive overdose of all things Glenn Miller. Call the GMB Society at 712-542-2461 for last-minute details...

Friday night will also see three ensembles of the Carroll Symphony Orchestra performing on the deck at the Methodist Camp in Spirit Lake, starting at 6:30. The woodwind and chamber pops ensembles will open the show, with the *All Strings Attached* big band sounds to follow. Bring a lawn chair and relax with some great music.

The CSO, which will see some 70 members travel to the campus this weekend, will feature more ensembles and a longer program Saturday night at the Harris - Lake Park High School auditorium with a 7:30 curtain.

Spirit Lake Flutist Joan Gronstal will not only be heard with the woodwinds, but will accompany the groups on piano once Friday night, and twice Saturday night.

There is no admission charge for either of the performances. But free will donations will be accepted...

While Bill Carpenter will be entertaining on the *Diamond Lady* cruises, this Saturday (and next), the Arnolds Park Amusement Park will open its free summer concert series with *Hitchville*, Saturday night starting at 7:30...

Spencer's Municipal Band also opens its summer concert series this weekend as a part of Spencer's *Flagfest* activities. The muni band will perform mostly patriotic selections at the bandshell at East Leach Park, starting at 1:00. Lawn chairs would be in order here, too...

The full circle of events brings us back to Monday, when the *Dick Bauman Big Band* will continue its 20th year with a 7:00 performance at the Pearson Lakes Art Center's Pomerantz Hall. The *DBBB* will be joined the following week (June 20) by *The Headliners from the Iowa Lakes Community College Reggie Schive Jazz Camp*. We'll have more details on *The Headliners'* performances here next week...

Research Director RD was pleased to learn that last week's *Doughnut Day* celebration saw wide interest in the *Des Moines Register* and on the *NBC Today Show*. The *Register* even cited Ankeny for having so many stand-alone doughnut shops!

RD tells us today is the day to celebrate Dean Martin's birthday (1917). Nancy Sinatra turns 76(!) on Wednesday. And Cole Porter (1891) and Les Paul (1915) share a June 9 (Friday) birthday.

Friday, she continues, is *Iced Tea Day*. With sunny skies and temperatures of perhaps 90 degrees forecast more than a week before the official start of summer, we might just have two glasses -- and lots of ice!

Iowa Great Lakes Rotary Club Spring Clean Up At Shelby's Playground

This past Wednesday, June 1, a group of local Rotarians participated in their annual spring clean up at Shelby Duis Playground located at Elinor Bedell State Park on East Okoboji Lake. In 2001, the playground was built through fundraising efforts of the Iowa Great Lakes Rotary Club, spearheaded by then IGL Rotarians Alex Den Herder and Reggie Worth. The playground honors the memory of a Spirit Lake toddler who died from abuse. The playground is designed for younger children — like Shelby. Pictured are Bill Carmichael, John Whitehead, Nate Gruys, Chuck Skogerboe, Dan Carson, Steve Lindeberg, Greg Richards, and Tom Fuhrman. The children in the center of photo are children of John Whitehead and Nate Gruys. John and his children are non-rotarians, but were at the playground and chipped in to help with the clean up. Thanks to all who participated! The Iowa Great Lakes Rotary Club meets every Wednesday at Arrowwood Resort in Okoboji at noon for one hour. Summer Youth Programming At The Nature Center

If you were lost in the woods, would you know how to start a fire, how to build a shelter, how to find water?

If your 10 to 12-year-old participates in this summer's Young Naturalists program at the Dickinson County Nature Center, they will know how to do all of these tasks.

The bi-weekly program beginning 1:00pm, Thursday, June 16, will focus on Outdoor Survival Skills.

"This is good information to know that could potentially save their lives," said naturalist Charles Vigdal. "Plus, outdoor survival is popular right now with all the zombie shows and apocalypse shows. It's fun while still being relevant."

On weeks opposite of Young Naturalists, children ages 6-9 can get Wet & Wild during the Nature Explorers programs, beginning 10:30am, June 9. Participants will learn about what animals live in the water, will investigate the microscopic water world and will even experiment with H2O.

"I hope our programs at the nature center pique the interests of the kids who attend," said naturalist Mary Petersen. "I want them to have a great time while they're here, but what is even more important is that they are excited to get outside and explore even more when they head home. I hope we can set the tone for what it looks like to have fun outside while learning about the world around us."

Nature Explorers will be held 10:30 a.m. June 9 and 23, July 7 and 21 and August 4.

Even toddlers have the chance to learn and explore at the Dickinson County Nature Center with the year-round Nature Tots program that continues this summer. Themes for the season include Wild Wetlands 10:30am, June 8; Get Muddy 10:30am, July 13; Monarch Mania 10:30am, August 10; and Everybody Poops 10:30am, September 14.

Nature Tots has become a popular program at the nature center, drawing in 20-25 children each month.

"I think parents are discovering that their little ones are naturally interested in the world around them," Petersen said. "As parents, we often tend to seek out fancy toys to entertain our kids, but I think many of us are learning that we can't re-create the experiences we are able to give our kids in nature."

Young Naturalists, Nature Explorers and Nature Tots are all free, one-hour programs. Please pre-register children by calling 712-336-6352.

"In a world filled with electronics, it just makes sense to carve out time to get our kids outdoors and instill in them the importance of being connected to nature," Petersen said. "The best part of our programs is that we let the kids' interests guide our teaching."

For more information on summer youth programming or other Dickinson County Nature Center events, visit www.dickinsoncountynaturecenter.com. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

Grand Prize Winner To Drive Home In A Brand New Cadillac

Grand Falls Casino & Golf Resort would like to congratulate David M. from Sioux Falls, South Dakota, on winning a 2016 Cadillac SRX, valued at \$38,600. On Sunday, May 29, 2016, David became the first Grand Prize winner in The Cadillac of All Giveaways promotion at Grand Falls. David reacted to winning by saying "wow, I just about left. I just about didn't come out today. It just took me by surprise".

There is still plenty of good luck to go around in The Cadillac of All Giveaways at Grand Falls. Our Sunday drawings will continue through the end of June. On June 26th at 6:00 p.m., we will draw another lucky winner to drive home in a brand new 2016 Cadillac SRX, valued at \$38,600.

Grand Falls Casino & Golf Resort (GrandFallsCasinoResort.com), located just minutes away from Sioux Falls, SD in Larchwood, IA, combines a Vegas-inspired casino experience with the amenities of a 97 room hotel, full-service Aveda spa, shopping, a variety of dining options, 1,200 seat event center, and an 18-hole golf course.

Discovery House News

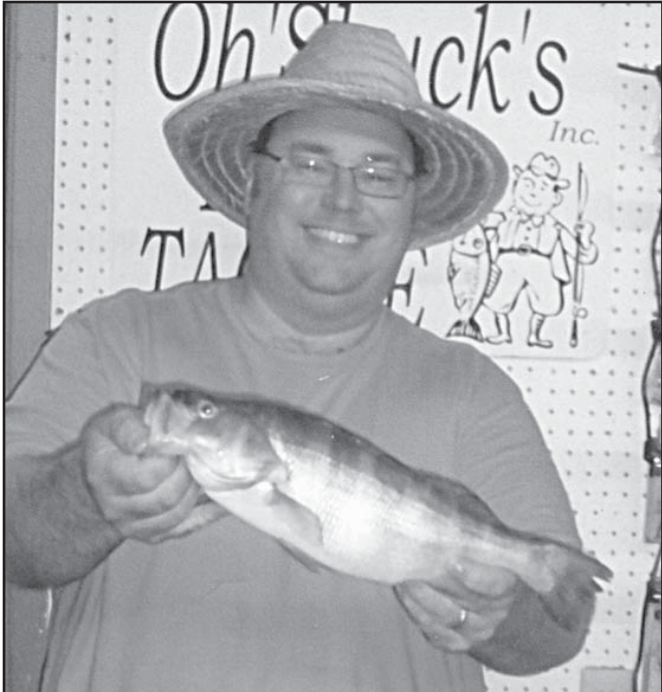

Carol Elliott, Director
www.mydiscoveryhouse.com

Hey Everyone! Can you believe I made it through my first Porch Party?! After all the hard work and effort put in by the residents, residential manager, board members, and myself it was amazing to see such a nice turn out and so rewarding to see them all enjoying themselves. I am thankful for the opportunity to meet such good people in our community for the first time. Not only did they make me feel welcomed but also blessed! I was so impressed and encouraged knowing that our community has nice warm hearted people. It was truly heart warming and awesome to see the stores in our community pitching in to help us for our Porch Parties! I am so blessed to be a part of a community where there are good hearted people and our community stores will pitch in and help the Discovery House, especially around the Porch Party times. I want to thank Fareway, Walmart, Hyvee, Sunshine Foods, and Mc Donalds for blessing us with their awesome donations. I so appreciate these stores for helping us out with our Porch Parties! I want to thank Sally Ites for putting together some high students to perform for us on our first Porch Party. I thank Sally and her husband for setting up and tearing down for the school students. I want to thank all the high school students who came and performed for us. They all did a great job! Thank you so much, Sally, for teaming up with the Discovery House to make a difference. I want to thank Lisa Duffy, for teaming up with me to bring in the desserts, the Hi C, and all the hard work. Thank you, Lisa, for having a willing heart to help. I thank all the many ladies who made desserts for us. Also, all the many others who helped... thank you!! Again, I just thank everyone for coming and helping and making my first porch party a successful one!! I so believe... Many hands make light work!! Thank you everyone for thinking of the Discovery House and your donations! Also, I so appreciate all the ones who have been bringing us meals. Thank you so much! That helps with our budget and lightens my load a bit. If anyone wants to help out with the house supper meals on Monday and Friday nights, please give me a call. It is such a blessing to see people and our community reaching out to help others and give back to our community to make a difference for God!

Please do not forget our upcoming summer Porch Parties! There are bright green flyers around to remind everyone or just call me at 712.336.5340. Also, don't forget to check Discovery House out on facebook. God Bless you all! See you at the Porch Parties!

 Also, thanks to my family for the Friday Night Pizza Party and the birthday cake - such fun! It was a weekend I'll never forget!
 - Elaine "Tottie" Mehan

My 90th birthday was TRULY SPECIAL - a family party including great-grandchildren and oh so many cards and e-mails. To be remembered by so many from Berkley (Pure Fishing) after so many years had passed was a very nice surprise. The years spent there, 1961 - 1995, were some of the best years of my life. I have a "Book Of Memories", included are many laughs and yes, some tears.
 Again "THANK YOU" and in the words of Tiny Tim... God Bless us, every one! - Beryl Johnson

We would like to thank everyone for their prayers, cards, and kindness during our recent loss. A special thank you to the people at Hawkeye Care Center, Hospice, and Father Tom for taking such good care of John.
The Family of John J. Berg

Thank you to all my friends and family for making my 85th birthday a great day!

Tales Of Tails

Here's a happy "tale of a tail" that happened at our own Humane Society of Northwest Iowa. A few weeks ago a dog named Maxwell arrived at the shelter. His master had been taken to the hospital and was going to end up in a nursing home. Maxwell and three other of the man's faithful dogs had lost their home and it was evident their poor master had not been able to care for them properly for some time. Each of the dogs went to a different shelter. The local caregivers were delighted to get Maxwell for he was not only a well-mannered and gentle small dog, but he looked exactly like the movie star Benji.

Benji was the star of a series of movies from 1974 until the mid-2000s. The original Benji was a lovable mixed-breed stray named Higgins "discovered" by dog trainer Frank Inn at a Los Angeles shelter. His first movie was so successful that his daughter Benjean and a grandson starred in later movies after Benji retired at 14. When a fourth Benji was needed, a nationwide search ended at a shelter in Gulfport, Mississippi, where the final Benji was "discovered." The American Humane Society credited a million additional adoptions to the fact that lovable Benji was a shelter dog!

The Northwest Iowa's Humane Society's Benji or Maxwell did not stay with us long. He was quickly adopted into a loving home - another happy "tale." Now we only wish the same could be said for other pets here in the shelter who have lost a near and dear companion to death or incapability. For example, there is Malibu, a lovable eight-year-old black cat whose master died a year ago. Malibu appreciates anyone who pays attention to him, but it's obvious he perks up when it's a man who pets him. He remembers his caring master and would be thrilled to go to a forever home to be someone's loyal companion.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Spirit Lake Library News

Thanks, Krista Elmquist, Youth Services Director

Children who read over the summer do better in school than children who don't. Incorporating reading into your child's summer in a fun way is easy to do at the Spirit Lake Public Library. Children from infants through 8th grade are invited to come read, spin the wheel, win prizes, listen to stories, do crafts and attend entertainment programs.

Feeling crafty? Friends of the Library are sponsoring a come and go 'Make & Take Crafternoon' for kids of all ages from 2:00 to 4:00pm on Tuesday, June 7. Kids may choose to make one or all of the crafts.

Silly Sally the Clown, sponsored by the Spirit Lake Noon Kiwanis, is bringing laughter and learning to the library on Tuesday, June 14, at 1:30. Silly Sally and her puppet friends will use magic and storytelling to teach kids about the importance of having a healthy body and mind.

Youth Chess Club will meet on Thursday, June 16, from 3:30-4:30 for an all-play event. Mentor Jan Bolluyt will be happy to help newbies, so all school-age kids with basic knowledge of the game or who are interested in learning to play chess are invited to come.

We thank the following sponsors for their generous donations: Bank Midwest, Pronto, Golden K Kiwanis, Polaris, Dickinson County Farm Bureau, American Family Insurance, Artistry by Peschon and Motor Inn of Spirit Lake.

Milford Library News

Join the Milford Memorial Library staff for MML's Adult Summer Craft Series this June! Every Wednesday, from 6:00pm to 7:30pm, Milford Memorial Library will host an adult craft. The cost to participate in each project is \$2 and registration is required. The Summer Craft Series will start on June 8, with adult coloring. Come use stamps and fabric markers to color on fabric. Take home your creation to use as a napkin, tea towel, or bandana. Next week, on June 15, come to the library to make chocolate raspberry drip cake. To register, or for more information, contact the Milford Memorial Library at 712-338-4643 or info@milfordlibrary.net.

Looking to get a little messy? Love color? If you are in 4th - 12th grade come to the Milford Memorial Library Thursday, June 9, at 1:00pm, for water balloon painting. Make sure to wear some clothes you can get a little paint on. This craft is part of the Teen Summer Reading Program. For more information about the Summer Reading Program, contact the Milford Memorial Library. All supplies are provided by the library at no cost to the students. For more information or any questions, contact the library.

The theme for the 2015 Children's Summer Reading Program is "On Your Mark, Get Set... Read!" Come to the library Tuesday, June 14, at 10:00am, to see Silly Sally the Clown with "Let's Stay Fit!" Join us every Tuesday and Friday at 10 a.m., through July 5, for stories, crafts, drama, and more! Young people of all abilities from preschool to 4th grade are invited to participate free of charge. To register for the Children's Summer Reading Program, stop by the library or go to the Milford Memorial Library website www.milford.lib.ia.us. For more information or any questions contact Betty Naab at 712-338-4643 or betty@milfordlibrary.net.

Taxpayer Gathering

The Dickinson County Taxpayers Association will hold their annual meeting on Friday, June 10, 2016, beginning at 9:00am. The meeting will be at the Hedberg Theater of the Maritime Museum in Arnolds Park. Coffee and pastries will be available at 8:30am. Association members and the public are invited to attend.
