Positively Keshequa

Fifth Annual Mr. KCS Show 2016

The fifth annual Mr. KCS Talent Show was another fun event for the young men at Keshequa High School and in our Keshequa community. Under the direction of Nunda Rotarian President Doris Marsh and the Nunda Rotary Interact Club (President Maddie Ewing, VP Carly Tallman, Kylie Martindale, Amber Wood, Megan Wilson, Koen Weaver, Lily Kiser, Liam Costello, Mikayla Herman, Abby Belferd, Sylvia Thompson) there were sixteen high school students working together to host a community event that would provide monies in memory of Keshequa graduate student, Taylor Howard, and a donation to the Denny Englert family.

The Mr. KCS Talent Show hosted by MC Principal Peter Reynolds had contestants who performed choreographed dancing, answered humorous questions, and displayed their outstanding talents to a packed audience. Contestants were Keshequa high school students – Dylan Main, Liam Costello, Craig Doty-Mann, Joe Thompson, Patrick Isaman, Koen Weaver, Will Elliott, and Nate Ellsworth. Talents included singing popular songs, playing instruments, and a stand-up comedy routine in addition to modeling casual and formal wear!!

Winners of the talent show were: Best Personality–Joe Thompson, Best Talent–Jake Ellsworth, Second Runner Up–Dylan Main, First Runner Up–Craig Doty-Mann, and chosen Mr. KCS for 2016 – Koen Weaver!

A special thank you to our volunteer judges for the evening: Trevor Early, Michele Seifried, Heather Pero, Rachel Towsley, and Jim Stoufer. We appreciated your willingness to step forward to help make the most difficult decisions in choosing the winners of the contest.

A heartfelt thank you to Keshequa Senior, Kylie Martindale, for learning the choreographed dance and then teaching it to our Mr. KCS contestants. Your talents and patience were gratefully appreciated.

Thank you to the volunteer firemen from the Nunda Fire Department for creating and performing a synchronized comedy act that was quite memorable. Firemen volunteers for the special event were Brian Wood, Mike Gallton, Dana Cotton, Drew Russell, Tyler Green, Cheryl Cotton, Rochelle Guidenshul, and Brandon Snoddy.

A special thank you to guitarist, Rick Morris, who performed some of this favorite country and western songs that he often sings with his band.

The Friday at One Band made another outstanding addition to the show as they played songs that brought back memories for all along with songs they have written just recently. What talent we have in our community as our audience listened to Frank Simone, Ben Beardsley, Doug Gray, and Ron Duttweiler play and sing songs to end a fun evening with an audience made of up of generations of Keshequa community members supporting our fun event!!

This show could not have been such a success without the support of the light and sound individuals who provided all our music and lighting to help the performers to do their best – Paul Calcote, Megan Wilson, and Rachel Bugman. (continued)

But most of all the Nunda Rotary Interact Club would like to thank the following local businesses, organizations, community members, and Nunda Rotarians for their support to help the Rotary Interact Club to host the Mr. KCS Talent Show. They are: Livingston County Healthy Communities That Care, Impression Hair Salon, Burga Time, Mt. Morris Lanes, State Street Detailing, Don's Brush Art and Vinyl Effects, Enchanted Ink Tattoo and Body Piercing, Parts Plus, Sandy's Café, Nunda Historical Society, The Pampered Chef, Digitals by Deb, Nunda Shop-n-Save Grocery, Journey Quilt Co., McMaster's Garage, Nunda Modern Home Kitchen and Bath, Nunda NAPA, Nunda Lumberyard and Hardware, The Pizza Corners, Sanford Home Sales LLC, Kathy's Country Florist, Nunda Family Pharmacy, Douglas Ford, Nunda Historical Society, Lloyd and Lynn's Liquor and Wine, Seating, Inc., Obrien's Septic and Portable Toilets, Law Offices of Theron A. Foote, Nunda Veterinary Clinic, Archaeological and Consulting Experts, LLC, Wilcox Chiropractic, Germack Financial, Kathy's Country Florist, Doris Marsh, Nunda Rotary Club, Michele Seifried, Nunda Rotary Interact Club, Brian Wood, Trevor Early, Rachel Pena, Peggy Colombo, Kathy Clinton, and the audience of our supportive community members.

Giving back to the organizations that benefit our community in so many ways, and to the people who have been integral parts of our community and school exemplifies what Nunda Rotary Interact Club promotes in our community and the world!

Thank you to the Keshequa Community for your support for the Nunda Rotary Interact Club's Mr. KCS Talent Show!!!

June 20- 27th is National HIV Testing Week

Do you know your HIV status? More than 580 people in Livingston County may be infected with HIV and not even know it. What's even more disturbing is that half of the people who are infected with HIV may be under the age of 25. By knowing your HIV status, you can protect yourself, anyone you are having sex with, and, if you're pregnant your baby. Many people don't think of themselves or their partners as being at risk, so they may not worry about using protection or getting tested. You should be tested if:

- You have had unprotected sex
- You have injected drugs
- You have ever had a sexually transmitted disease
- You have had a partner or their previous partners meet any of the risk criteria above.

Take the test and take control. The Livingston County Reproductive Health Center offers Rapid HIV testing that can provide results in as fast as 20 minutes. The low or no cost confidential test is available to men, women, and teens at any of our three community sites (Avon, Dansville, and Mount Morris).

For more information or to make an appointment for your Rapid HIV test please call 243-7540 or 1-800-243-9240 or visit our website at www.livingston-county.us/doh.htm

KEEP YOUR CHILDREN SAFE THIS SUMMER

When summer weather comes, it means more outdoor activity for children. For parents and guardians this means being extra careful to make sure your children stay safe. Keep your children safe this summer by following these simple tips:

• **Water Safety:** Never let your child play in or near water without an adult present. Even if children know how to swim, they can still find themselves at risk. Also remember that infants, toddlers and young children can drown in as little as 2 inches of water. Make sure that children wear life jackets in and around natural bodies of water, even if they know how to swim. Pools should have a four-sided fence, separating the pool from the house, keeping children away from the area when they are not supposed to be swimming.

• **Insect Repellent:** There are many insect repellants that are safe to use for children. Be sure you pick repellants with DEET, picaridin (KBR 3023), IR 3535, or citronella oil. If you use a repellant with DEET, be sure the product has less than 30% DEET, and do not spray near the mouth or eyes and follow manufacturer's directions. Do not use insect repellants with DEET on infants; instead cover them with netting to avoid bites.

• **Sun Safety:** Overexposure to sun and ultraviolet light increases your child's risk of skin cancer. Regular use of sunscreen can lower children's risk of skin cancer by almost 78% (www.keep-kidshealthy.com). Sunscreen with an SPF of 15 or higher is the best defense. Sunscreen should be applied 30-45 minutes before exposure to the sun, and should be reapplied every 2 hours or sooner if your child has been swimming or sweating. Also, be sure to stay in the shade whenever possible, and wear clothing that protects you from the sun, such as a hat and sunglasses.

• **Bicycle Safety:** All children ages 14 and under are required by law to wear their bicycle helmets. Wearing a bicycle helmet can protect a child of any age from serious injury. Make sure your bicycle has reflectors if you are biking at night.

For questions on summer safety please contact the Livingston County Department of Health at (585) 243-7299 or visit our website at www.livingstoncounty.us/doh.htm.
