Hromatko Receives Scholarship

Scholastic Shooting Sports Foundation is proud to announce that Kailye Hromatko, of Okoboji High School, was a recipient in its SSSF Scholarship Program. Sixty SCTP and SASP student athletes will receive scholarships totaling \$60,000. The NRA will add another \$4,000 to that total in July when it awards scholarships to four additional athletes during the SCTP Last Competitor Standing events at its 2016 National Championships.

From 2013 through its 2016 distributions, SSSF will have awarded over \$200,000 in scholarship funds to 208 student athletes in the SCTP and SASP programs.

Athletes who graduated from high school in 2016 and will enroll in college this year were eligible to apply for this year's scholarships. Awards are based on SCTP/SASP participation, academics, need, essays and other factors.

The scholarships are being funded by generous sponsors who support the youth shooting programs, as well as supporters who raise funds through national banquets. For the SCTP scholarships, over \$20,000 was provided by the Amateur Trapshooting Association (ATA), GunBroker.com, NRA, Hodgdon Powder, Zanders Sporting Goods, Randolph/Ranger, Mikes Butcher Block, Browning, TruGlo and MEC.

Of the eight \$1,000 scholarships being awarded to SASP athletes, five are being funded by a donation from Smith & Wesson, while others are being funded by a \$1,000 donation each from Taurus International Manufacturing Inc., Joyce Wilson and the International Defensive Pistol Association (IDPA).

Congratulations Kailye!

Royce Mertens Celebrates 40 Years Of Service At Hy-Vee

Congratulations goes to Royce Mertens on his 40 years of Hy-Vee service. All are welcome to help celebrate with Royce on June 21, from 11:00am - 1:00pm. They will be serving cake and juice in his honor.

Royce Mertens has been in the grocery industry since he was 12 years old. He started off working at National Foods in Spirit Lake, Iowa. The Hy-Vee Wine & Spirits store we know today, used to be the old Hy-Vee Foods Store back in the day. In 1976 Royce was hired on as a Full-Time Aisle Coordinator with the Spirit Lake Hy-Vee. In 1979 Royce became the Frozen / Dairy Manager until 1987. Since 1987 Royce has been our Assistant Shift Manager. Over the years Royce has seen many changes in the grocery industry with the expansion of the Iowa Great Lakes.

Royce has lived in the Spirit Lake area for 66 years. He and his neighborhood sweetheart, Judy, have been married for 51 years. They have 3 kids of their own, 7 grandchildren and 3 great-grandchildren. In Royce's free time he enjoys bicycling, long walks, and visiting his grandchildren.

"Royce is the type of person that makes you feel fortunate you have been given the opportunity to get to know him in your life. I haven't worked with Royce for very long, but it didn't take long to realize how important he is to the customers and employees of the Spirit Lake Hy-Vee. His positive attitude is extremely contagious. Royce will never personally or professionally have a bad day. If he does, you will never know it because he is always smiling. Congratulations on your 40 years of service."

- J.J. Hesnard, Store Director.

Informal ESL Gathering

There will be an informal gathering of international students working in the Iowa Great Lakes on Tuesday evenings throughout the summer for the purpose of learning English language skills and sharing stories of our different cultures. Fun games and ice breakers will be the means of learning English the way native speakers communicate. This is not a formal ESL class and there is no fee for the gatherings. Each meeting will be held in the small Chapel of the Okoboji Bible Conference (enter parking lot at Ida Street) in Arnolds Park at 7:00pm with the first meeting on June 14. We express our thanks to the First Lutheran Mission Team for organizing these gatherings and to the Okoboji Bible Conference for the use of the space. All are welcome! Please contact Sheila Ove for further information at 712-330-1725.

Little Red And The 3 Little Pigs

Treasure Village Family Theatre from Lake Okoboji is known for lively shows that feature audience interaction. This year two fun stories are turned into one entertaining performance. Zared Wolf is not your average wolf! He's just a simple wolf who loves to surf! He admits to being tempted by perky Little Red Riding Hood and her cookie-baking grandma. Later he encounters the 3 Little Pigs who are busy building condos. The audience will help him to learn about honesty and resisting temptation.

Performances of Little Red and the 3 Little Pigs will be at 10:00am on Tuesdays through Saturdays, June 21-25 and June 28 - July 2. Little Red and the 3 Little Pigs performances will continue on Fridays until August 5. Tickets may be purchased with cash or credit card. New this year is a discount for children's tickets. Children's tickets are \$5.50 each for ages 3-10 while everyone 11 and up is \$7.00. Face painting is available for \$1.50 before or after the show. Treasure Village also offers family fun with a storybook themed mini-golf course. For details call 712-337-3730 or check the website www.treasurevillage.org. Treasure Village is located on the west side of West Okoboji Lake, just 2 miles northwest of Milford on Highway 86.

Golf For A Cure Raises \$2,625

Lakes Regional Healthcare Foundation recently received a gift of \$2,625 for Lakes Regional Healthcare's cancer program. The gift was provided by Emerald Hills Golf Club as a result of their Golf For a Cure tournament that was held on May 6.

The annual golf tournament is coordinated every year by Donna Janssen and Judy Wendell, from Spirit Lake and West Okoboji respectively, and the funds raised are split equally to benefit Lakes Regional Healthcare's cancer program and the Abben Cancer Center. "Golf For a Cure is an annual event at Emerald Hills that benefits cancer patients in Spirit Lake and Spencer. The success is due to the efforts of many and I am very proud to be a part of it," said Wendell.

Janssen has a personal connection for coordinating the tournament. She said, "I'm a seven-year survivor of breast cancer and a four-year survivor of lung cancer and while going through treatment, I saw a lot of gals that got depressed or went without because they couldn't afford it. So at least this event could brighten someone's day."

Funds provided to Lakes Regional Healthcare Foundation this year will be used to help purchase a Video Imaging Chair. "The chair complements the needs of mammography needle localization procedures, as well as patient safety. Currently patients must stand during the procedure, and this chair allows patients to lie back during the procedure, as many patients become faint," said Sonja Hamm, Executive Director of Lakes Regional Healthcare Foundation.

Lakes Regional Healthcare Foundation was organized exclusively for the purpose of supporting and benefiting Lakes Regional Healthcare and the expansion and improvement of healthcare services to the area. Those interested in information about donating to Lakes Regional Healthcare Foundation are encouraged to call Sonja Hamm at 712-336-8791.

Open Public League

Izaak Walton Shooting Club is signing up teams now, to join a fun, no pressure trap league. Grab 5-7 of your buddies and come shoot with us every Tuesday night. If you want to shoot but don't have a complete team we will assist in getting you on one. Again this is a fun time - no pressure.

Start date is June 21, and runs every Tuesday through August 16. You Do Not Have To Attend Every Week - you can shoot ahead to match your summer schedule. Prizes and money will be awarded, plus we will have a free league BBQ at the end of the league.

Cost for a team sponsorship is only \$50.00. League is three weeks of 16 yard, then three weeks of handicap (average score) and three weeks of double trap.

Each week you shoot 50 rounds (at \$10.00 a night) plus shells, which can be purchased from the club.

We have gear to purchase if you need to be outfitted - from shooting bags to hearing protection. Plus there are guns you can rent if you need too!

If whether you are young or old - male or female - have a group or not - it is time to get out there and bust some clays.

For more information, contact Larry Webber Jr. at 712-330-4960 or Tony Petersen at 712-320-0275

Headliners returning -- OST opens tonight

Five public concerts by The Headliners from the 36th annual Iowa Lakes Community College Reggie Schive Summer Jazz Camp will highlight next week's music calendar.

In addition to Roger Neumann, Michael Gurciullo, Tony Gulizia, Joey Gulizia, Andy Hall, Scott Hesse, CJ Kocher, and Dan Cassidy, selected camp students are also expected to participate starting Monday night (June 20).

The first show will take place as a part of the Dick Bauman Big Band Monday night show in Pomerantz Hall, at the Pearson Lakes Art Center, starting at 7:00. Tuesday night will see The Headliners on their own for a full show at the same time in the same venue.

Wednesday night's performance will take place at 7:00 at the Thoreson Memorial Park Shelter House, 6th Avenue North, in Estherville. Since the show is free, you should bring a lawn chair or two!

Following Thursday's final student concerts (3:30 and 6:30 on the Iowa Lakes Estherville Campus), The Headliners will head to the Little Swan Lake Winery from about 9:00 to whenever. Reservations are in order...

The Okoboji Summer Theatre opens its 2016 season tonight (Tuesday) with an Off-Broadway musical favorite, *The Spitfire Grill*. It's a show *The New York Times* called, "a soul-satisfying new musical."

The *Spitfire Grill* runs through Sunday. There's only one more week to purchase your Okoboji Summer Theatre Discount Voucher Booklet. Sales end Monday, June 20. A \$143 booklet will save you at least \$40 on the regular box office prices for ten shows — three musicals, six non-musicals, and one Friday evening performance for anyone 18 or younger.

While the booklets are sold by Okoboji Summer Theatre Association — not at the OST Box Office — they are available at Northwest Bank (Spirit Lake, Arnolds Park, and Milford), Liberty National Bank (Okoboji), Pearson Lakes Art Center (Okoboji), and Arts on Grand (Spencer). Or you may email: ostvoucherbooklet@gmail.com by Monday!

Whether we're noting this week or next, Tuesday night means *The Uptown Jazz Band of Okoboji* will be playing in the Majestic Pavilion, at 7:00...

Tuesday also means Glenn Henriksen will be back at his place on Highway 9 in Spirit Lake — as he will be on Wednesday night as well — for 7:00 shows both nights...

Also Wednesday night, John Senn and Friends will be playing at Table 316 in Arnolds Park, from 7 - 9:00...

Following its Flag Day tribute on Sunday, The Spencer Municipal Band will begin its Thursday night series this week with a 7:30 concert in East Leach Park. Just like the park in Estherville, a lawn chair or two would be in order.

The Muni Band concerts will follow on two more Thursday nights, then on July 4th, and a final concert on the grounds of the Clay County Courthouse as a part of *Spencer's Mainstreet Market* on Thursday night, August 11...

Thursday night will also see Charlie Leissler performing on stage in the barn at the Little Swan Lake Winery, from 6 - 8:00. Damon Dotson will play on the same stage Sunday afternoon, from 4 - 6:00...

And the DC Drifters, an Eagles tribute band, will be returning to the Majestic Pavilion at Arnolds Park Amusement Park, Thursday night, for the Iowa Rock 'n' Roll Music Association's Thursday night Rock The Roof session, from 6:00 - 8:30...

Friday night will see *The Past Masters* playing at Boji Bay's Legacy Park, for fans of 60s and 70s Pop and Dance music, from 7 - 10:00...

The Northwest Iowa Concert Band will be part of the fun in Ringsted, Friday night for the Ringsted School Reunion and community celebration. The concert band will perform at 6:30...

And Arnolds Park has Damon Dotson scheduled for Friday night, as well — for a 7:30 performance in Preservation Plaza...

And, Saturday, "Boji" Bill Carpenter will be entertaining (again) on *The Diamond Lady* cruises...

Later Saturday, *The Trademarkz* will open at 6:00, before *The Buckingham's* 7:30 show in Preservation Plaza...

With the aforementioned Damon Dotson engagement Sunday afternoon at the Little Swan Lake Winery, we're back to *The Dick Bauman Big Band* at The Pearson Lakes Art Center, Monday night, at 7:00...

In the "for what it's worth department," Warren County native Rose Colella, who now sings mostly in the Chicago area, opened over the weekend at Michael Feinstein's *54 Below*, in Manhattan.

You might remember that Rose performed at the Little Swan Lake Winery a few years back. Even if you didn't see Rose here, you should remember that Marilyn Maye has performed frequently, not at the Winery, but at *54 Below* — and will be returning to The Inn, July 10, 12 and 13...

It's a small world...

Research Director RD reminds us that today is Flag Day, in addition to being John Bartlett's (1820 - 1905) natal day. With little formal education, Bartlett created one of the most-used reference works of the English language, *Bartlett's Familiar Quotations*, first published in 1855.

We also celebrate the births of several noted songwriters this week. Sammy Fain, who won Academy Awards for *Secret Love* and *Love is a Many Splendored Thing*, was born on June 17, 1902.

Barry Manilow turns 73 on Friday. And Sammy Cahn, who earned Academy Awards for four of his songs — *Three Coins in the Fountain*, *All the Way*, *High Hopes*, and *Call Me Irresponsible* — was born on June 18, 1913.

Beatie Paul McCartney will be celebrating his 74th natal day on Saturday, as well. Sir Paul has too many hit songs to list here!

And one of McCartney's close competitors 50 years ago, Beach Boy Brian Wilson, turns 75 on Monday...

RD also notes that, in addition to Monday being the first day of summer, there will be a full moon that night — the "strawberry moon," so called because the relatively short season for harvesting strawberries comes each year during June. Enjoy!

The Crazy, Fun & Unpredictable Live Show Of The Past Masters

What would you get if you took a Johnny Holm's styled show and mixed it in with Eastern Iowa's premier musical group? One gets the PastMasters. The PastMasters are out of Cedar Rapids, Iowa and their specialty is Oldies Dance Music. Nothing heavy... Just good time Pop. They first got together as a group in 2010 and six years later they claim: "We'll Play what others won't!" They invite everyone to come to Boji Bay Legacy Park on Friday, June 17, to come dance and party to their '60s and '70s Pop Dance Music. The majority of their audience is 30+ but they promise that the younguns will have a blast too. They are 100% Dance Music 100% of the time. Rich Bentler, Entertainment Manager at Riverside Casino and Golf Resort in Riverside, Iowa, calls the Past Masters "The Biggest Home Run In Live Entertainment," take a front row seat and see why... Live. Friday, June 17. Gates open at 5:30pm, show starts at 7:00pm.

Boji Bay Legacy Park is located at 2501 Boji Bend Drive, Milford.

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji and Iowa History

Graveyard at Okoboji Grade in Okoboji, Iowa - early 1900. The location depicted in this photo is the parking area just south of the highway bridge between the lakes. This area was used for junk boats. I wonder how many keepsakes of past history are buried there? Notice a large steam boat showing its smoke stack. My wife and I enjoy watching all the boats that come and go between the lakes - every color, size and name you see. This is a picture I know people will enjoy.

Starting this season, the Clark Museum visitors can view over 5,000 pictures and stories from the largest historic collection of Iowa Great Lakes and surrounding areas, representing many towns and over 99 counties. We have unique items of all types and sizes including over 20,000 original memorabilia and business advertisements. Visitors can be seated as they view photos of their county, the lakes area and the amusement park in organized books. This is a great addition. The museum is located 1 mile west and 1/2 mile north of the Catholic church in Milford. Call 712-338-2147 or email ijclark1@msn.com for any information.

Dickinson County Public Health Babies Program Honored

The Iowa Department of Management and Public Health is pleased to announce that the Best Care for Better Babies program of Dickinson County has earned the Iowa Family Support Credential. Dickinson County Public Health will be presented with the honor at Lakes Regional Healthcare's east atrium on Friday, June 17 at 9:30am. Refreshments will be served and the community is invited to attend. Also in attendance will be O'Brien and Osceola counties, which also earned the Iowa Family Support Credential with Dickinson County.

The Best Care for Better Babies program is the 80th Iowa program to earn this honored distinction. The Iowa Family Support Credential is awarded to family support and parent education programs that are validated through an external evaluation to be in substantial adherence to the Iowa Family Support Standards.

The Iowa Family Support Standards are based on the most up to date, evidence based practice in the family support field. Adherence to the standards indicates that the program is providing high quality services that will result in positive outcomes for young children and their families. The Best Care for Better Babies program diligently worked toward meeting all of the 138 standards over the course of more than two years with the assistance of a program specialist. A peer review was conducted by trained peers from central Iowa to validate the program's adherence to the standards. The Iowa Family Support Credential is valid for five years.

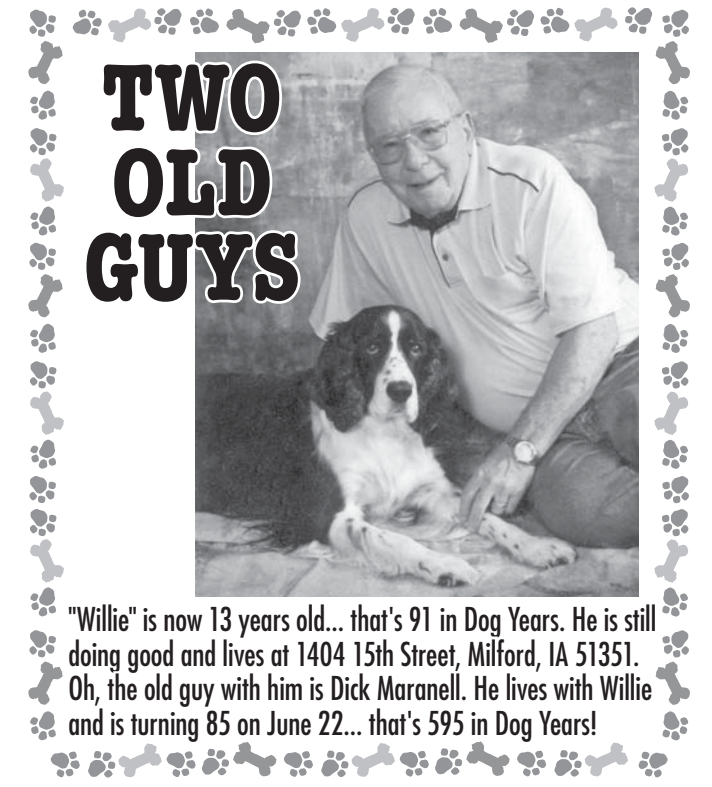

Best Care for Better Babies is a home visitation program for pregnant women and families with infants newborn to six months of age in Clay, Dickinson, O'Brien, and Osceola counties. The program offers short term, in-home services by Registered Nurses to families using an evidence-informed curriculum.

Those interested in more information about the Best Care for Better Babies program can contact Dickinson County Public Health Registered Nurses Cyndy Powers or Julie Kliegl at 712-336-2682. For additional information about the Iowa Family Support Credential, contact Janet Horras, State Home Visitation Program Director, at 515-954-0647.

Obituaries

A funeral service for **Donald Goodell**, age 91, of Lake Park was held Tuesday, June 7, 2016, at the United Methodist Church in Lake Park. Interment was at Silver Lake Cemetery in Lake Park.

Donald Richard Goodell, the son of Bessie (Snow) and Glenn Goodell, was born January 13, 1925, in Excelsior Township in Dickinson County, Iowa. He attended and graduated from Excelsior High School in 1942.

After graduation Don farmed with his brother Clayton for three years on the Belle McLaren farm.

On January 8, 1950, he was united in marriage to Betty McClurg at the Little Brown Church in Nashua, Iowa. Two daughters and three sons were born into this union. Don was a farmer all his life. In 1975, he became a Pioneer sales and chemical representative for 16 years. He and Betty continued farming until 1990 when they moved to their home on Silver Lake and enjoyed many years of happy retirement with family and friends.

Throughout his life Don valued his community. He served on the Harris - Lake Park School Board and the Farmers Exchange Board and was active at the Excelsior Methodist Church. He was an honorary chapter member of the Harris-Lake Park FFA.

In his later years he supported the Lake Park Historical Museum and helped to maintain it.

Don was a generous, kindhearted and humble father, grandfather and friend. He taught his family the value of education and hard work. He took many opportunities to travel and encouraged his family to do the same. Don was always fully present for all musical concerts, sporting activities and celebratory events throughout the generations. Family could always count on him for encouragement and support.

Don passed away peacefully at home in Lake Park, Iowa, on Friday, June 3, at ninety-one years of age.

Left to cherish his memory are his wife, Betty (McClurg) Goodell; children Barb (Greg) Stephanie of Bloomington, Minnesota; Bruce (Jeri) Goodell of Lake Park; Gary (Jan Hanson) Goodell of Union Grove, Wisconsin; Brian (Michelle) Goodell of Lake Park; Becky (Todd) Hummel of Spirit Lake; twelve grandchildren and sixteen great-grandchildren; his brothers, Oran (LaVonnie) of Alexandria, MN and Leon (Gladys) Goodell of Lake Park; sisters, Joyce Monier and Chet Thorn of Sibley, IA, Betty Buchman of Heber Springs, AZ, June Butterfield of Preston, Idaho, and sister-in-law Eloise Goodell of Lake Park; several nieces, nephews, cousins, and many friends.

Don was preceded in death by his parents; brothers, Clayton and Jack; sister Olive Mills; brothers-in-law, Dayton Monier, Carl Sohn, Charles Buchman and Lawrence Mills; sister-in-law, Donna Goodell.

Turner Jenness Funeral Home was in charge of arrangements.

New Milford Kiwanis Member

Milford Kiwanis Club installed two new members. They are Darrell Christensen and Jona Forbes. Darrell and his wife Terri live in Milford. They have three grown children with 7 grandchildren. Darrell is originally from Dubuque and is an Ag Engineering graduate of ISU. Darrell's career with the NRCS took him to several areas in the state of Iowa. The children all graduated from Bedford. One of his last projects was the Oxbow Restoration of an old stream bed that then provided water and habitat for endangered fish species. He now consults on a part time basis with Bolton & Menk Inc. Darrell and Terri both like exercising and especially biking on all the trails around the Lakes area. Also an interest is birding with several feeders at their home. Darrell commented that there are a lot of people in the Club and good people. He wants to be able to give back to the community.

Jona Forbes hails originally from Ocheyedan, Iowa. She and her husband Bob have a son at Altoona giving them two granddaughters. Jona worked for Berkley's, Credit Union, Emmanuel Lutheran Church and 15 years for Alliant Energy before retiring. Jona is a volunteer at the hospital and also enjoys working at This & That. Jona loves 'old and weird' things - she is an antique. Quilting is another hobby and she gets much satisfaction and gratification from that. Why Kiwanis, "I've been so blessed so I want to show and give back - especially to kids."

Camp Okoboji Annual Quilt Auction Saturday, June 18

Church Quilting Circles and private groups have been laboring long and hard to prepare amazing works of art. Though quilters spend a lot of time talking and sharing, their quilts still take focus, dedication, creativity, and plenty of time. Camp Okoboji's Quilt Auction features quilts from nearly 50 quilting groups. The 175+ quilts feature some of the best in the region. This auction is well worth it.

The auction will take place on Saturday, June 18, starting at 12:30, at Camp Okoboji, 1531 Edgewood Drive, Milford. (Highway 86, turn at the Crescent Beach sign). A quilt viewing will be Friday evening and Saturday morning as well as online at www.campokoboji.org. There will be a free-will offering lunch starting at 11:00am. A craft and bake sale will be held June 18, starting at 11:00am. There is much to look at, and enjoy. All items are available on a free-will offering basis.

The Camp Okoboji Auxiliary hosts this annual event. The Auxiliary is a fund raising arm of the Camp. The Quilt Auction is their biggest event. Funds raised this year will go to help complete a new picnic shelter along the shores of Little Emerson Bay. In its 27 year history of quilt auctions, The Auxiliary has raised over \$525,000.

Camp Okoboji has served the lakes area for over 75 years. An outdoor ministry site of the Lutheran Church - Missouri Synod; Camp Okoboji offers summer programs for youth and families, as well as retreats year-round. The camp is nearly surrounded by the waters of Little Emerson Bay and Breezy Point. This unique setting provides many opportunities for relaxing and enjoying God's creation. Its numerous cabins and lodges can accommodate nearly any size family, group and/or organization.

More information can be found on their website: campokoboji.org or contact the Camp office by phone: 712-337-3325 or e-mail: camp@campokoboji.org. Come and experience Jesus at the Lake.

Spring Planting of Little Free Libraries

Spirit Lake High School's J Term class "Repurposed Reading" planted two of the six Little Free Libraries that they made during J Term 2016. These libraries can be found on Hill Avenue and on 28th Street in Spirit Lake. The LittleFreeLibrary.org is an international initiative started in Hudson, Wisconsin. The mission of the Little Free Library organization is to promote literacy in your neighborhood. The philosophy is Take a Book, Return a Book. The location of all registered Little Free Libraries can be found on the LittleFreeLibrary.org web site.

This J Term project would not have been possible without the partnerships with Consumers Lumber, Kleen Construction and the generous donations from several community members. The Spirit Lake Public Library will serve as the repository of books for the Little Free Libraries in Dickinson County. Be on the lookout for a Little Free Library in your neighborhood.

If you are interested in books for a Little Free Library that you would put on your own property, contact Spirit Lake Public Library at 712-336-2667.

The Bedell Family YMCA Offers New Program

Passing of boxing legend sure to bring increased awareness to the disease. With the recent passing of famed boxer Muhammad Ali, attention is sure to be amplified on the disease that may have contributed to his death: Parkinson's disease.

More than one million Americans are living with Parkinson's disease with nearly 60,000 new diagnoses each year. Parkinson's disease is an incurable, slowly progressive movement disorder caused by the loss of nerve cells in a part of the brain that produces the chemical, dopamine, which controls body movements. Symptoms, which develop when about 80% of dopamine has been lost, include tremors, stiffness or slowing of muscle movement, loss of balance, and soft or slurred speech. Symptoms continue to worsen as the disease progresses.

At the Bedell Family YMCA, we are dedicated to helping people with Parkinson's disease manage their symptoms and maintain a quality of life. It's one of the many reasons we offer OhioHealth Delay the Disease™, a fitness program designed to empower people with Parkinson's to take control of the disease with daily exercise.

The empowering results of our Delay the Disease fitness program can help with: Moving about with ease and confidence in a crowd, getting out of bed or rising from a chair independently, improved handwriting, dressing independently and regaining a sense of moving with normality.

Delay the Disease™ begins June 14 and goes until July 28 (Tuesdays and Thursdays). Session meeting time is 10:40 - 11:40am. The fee for Delay the Disease™ is \$32 for Y members, \$64 for non-members.

For more information, please contact Health Enhancement Director Scott Hunter at 712-336-9622 or scott.hunter@okobojitymca.com.

Mini Golf Has Character

Mini golf is more fun than ever. Treasure Village has added costumed characters, costume parties, and Mischief Spinners. Mondays through Fridays between 1:00 - 3:00pm a storybook character will be at the mini golf. It might be Peter Pan or Snow White or the Scarecrow or almost any friendly character. They will help you get your golf equipment and might come out to talk with you as you play. They also love to take photos. Feel free to stop in for ice cream and character photos as well.

On Sunday, June 26, will be the first of our three costume mini golf events. The theme for the day is Superheroes Day. Marvel, DC... pick your favorite hero. Come in costume between 3 and 5:00pm and golf is only \$5. (Valid for any age. Reg. \$5.50-\$7. Cannot combine with other discounts) There will be prizes for the best costumes and all ages can participate.

Treasure Village provides family fun with a storybook themed mini-golf course. The optional Mischief Spinners, located throughout the course, may have you putt backwards. For hours and prices call 712-337-3730 or check the website www.treasurevillage.org. Treasure Village is located on the west side of West Okoboji Lake, just 2 miles northwest of Milford on Highway 86.

Donation Made To Spencer Regional Healthcare Foundation

Abben Cancer Center patient, Kris Van Berkum, received a special surprise when receiving care on Wednesday, May 25. Her co-workers from JCL Solutions of which Kris is co-owner, contributed proceeds from "Support KVB" t-shirts to Abben Cancer Center in her honor. The T-shirts were created for family and friends to wear in support of Kris while she battles cancer. To date nearly 180 t-shirts have been sold, with more than 40 of them purchased by JCL employees at the Spencer and Sioux Falls locations. The donated funds will be used to benefit patients at Abben Cancer Center. Jen Jensen of JCL shared, "We are donating back to Spencer Regional Healthcare Foundation because we know Kris would want it to go back to Abben, not to any benefit for her, but to benefit others going through similar circumstances." On learning of the contribution, Kris commented, "I am so glad they did this and shared the proceeds to help others."

State Representative Awarded Fellowship For Midwestern Leadership Institute

State Representative John H. Wills, Spirit Lake was among 33 select lawmakers chosen to participate in a training program that annually identifies and assists promising state leaders in the Midwest.

Representative Wills will meet with fellow lawmakers from Iowa and 10 other Midwestern states and four Canadian provinces on August 12-16 in Madison, Wis., for The Council of State Governments' 22nd annual Bowhay Institute for Legislative Leadership Development (BILLD).

"The Bowhay Institute is one of the premier leadership training programs in the nation," says Indiana Rep. Ed Clere, who serves as co-chair of the institute's steering committee. "The legislatures in the region have benefited greatly from the skills their members have gained through this unique educational experience. Many of the graduates now hold leadership positions in their state."

Since 1995, more than 700 lawmakers have graduated from the Bowhay Institute. State legislators from Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Nebraska, North Dakota, Ohio, South Dakota and Wisconsin are chosen to participate through a competitive, non-partisan selection process. Members of the Alberta, Manitoba, Ontario and Saskatchewan legislative assemblies are selected by their caucuses to take part in the program.

BILLD was founded in 1995 to help new legislators meet the demands of increased policy responsibility being shifted to the states and, in many states, term limits. These two emerging forces highlight the shortage of training available for legislators — a void that BILLD aims to fill.

A program of The Council of State Governments' Midwestern Office, BILLD is held in partnership with the University of Wisconsin's Robert M. La Follette School of Public Affairs. Courses and seminars are conducted by La Follette faculty, Midwestern legislative leaders and professional development experts. In addition to courses designed to develop leadership skills, the program analyzes a variety of public policy issues, including the economy, education and corrections policy.

The Bowhay Institute for Legislative Leadership Development is named in honor of the late James Bowhay, longtime director of The Council of State Governments' Midwestern Office. The program is funded through grants from foundation and corporate sponsors and an in-kind contribution provided by The Council of State Governments' Midwestern Office.

Founded in 1933, The Council of State Governments has national headquarters in Lexington, Ky., and regional offices in Atlanta, Chicago (Lombard, Ill.), New York City and Sacramento. The goal of the national, nonpartisan organization is to assist and advance state government by providing research assistance, professional development opportunities, interstate consulting services and suggested state legislation.

By the Water's Edge

By Steve Weisman

This summer will be a special one for both residents and visitors to the Iowa Great Lakes. With the financial support from a host of sponsors ranging from the county, to municipalities, to lake protective associations, businesses and individuals, this summer will feature a clean water campaign highlighted by a daylong celebration to raise public awareness of water quality issues in the Iowa Great Lakes and across the state.

The campaign will kick off with an eight-week Okoboji Blue Water Festival Clean Water Campaign on KUOO (FM-104) with DJ Becky Thoreson during her 1:30 program every Wednesday beginning on June 15 and running through August 4. During this time, Becky will interview clean water experts about what is being done to protect and enhance the water quality in our lakes, rivers and wetlands, and at the same time the many challenges facing all of us in the future. Listed below are the weekly topics and guests:

- Water Quality in our Lakes – John Wills June 15
- Value of Lake Associations – Bill Maas June 22
- Using Native Prairie Plants for landscaping – Charles Vigdal June 29
- Aquatic Invasive Species Mike Hawkins July 6
- Youth in Philanthropy about water quality – Mary Freiborg July 13
- Iowa Great Lakes Project – John Wills July 20
- Managing shorelines – Mike Hawkins July 27
- Urban Conservation – John Wills Aug. 3

The format will be a question and answer show with an opportunity for listeners to be part of the "clean water solution" each Thursday following the Wednesday broadcast.

On her Thursday show, Becky will present a live Trivia question based on the previous day's campaign show. The winner will receive a \$25 gift certificate from a business in the Lakes area. The Iowa Great Lakes Fishing Club, whose mission is to help protect area waters and the natural resources, is sponsoring the Trivia question.

All eight weeks of the Clean Water Campaign shows will be archived on exploreokoboji.com along with any photos and/or videos speakers can provide.

Heading into the week of August 8-13, residents and visitors alike will get the chance to participate in a wide range of clean water activities. First up is the field Day in Lake Park from 5-7:30 p.m. on August 10. Next, the Prairie Lakes Conference at Arrowwood Resort on August 11-12, followed by the annual "We Pedal Clean Water" conservation bike ride on Saturday morning, August 13.

Culmination of the week will be the Okoboji Blue Water Festival on August 13 in the Preservation Plaza at the Arnolds Park Amusement Park. The festival will be a daylong celebration to raise public awareness of water quality issues in the Iowa Great Lakes and across the state. Preservation Plaza will be hopping in the afternoon with 30 water quality exhibitors, plenty of fun-filled and clean water-themed activities for kids, a distinguished panel of speakers under the big tent and fishing clinics put on by three area pro guides.

Highlighting the day will be an evening concert by the legendary singer/songwriter/guitarist, Boz Scaggs.

The festival is a partnership with Historic Arnolds Park, Inc. and is free to the public.

48th Annual Pachyderm Event

Dave Rowley, Co-Chair of the Dickinson County Republican Party, has announced Steve Scheffler will be the keynote speaker at the annual Republican event to be held Thursday evening, June 16, at the New Inn. Mr. Scheffler serves as Iowa's representative to the national Republican committee. He has been a delegate to the Republican national conventions in 1992, 1996, 2000, 2004, 2008 and served on the RNC rules committee in 2009. Steve has been a leader in the effort to keep Iowa's unique status as "first in the nation" during the presidential season every four years.

The annual event is scheduled to begin at 5:30 in the New Inn's Lakeview Room with the social hour followed by dinner at 6:30. Rowley said ticket sales for the event have been strong, but added there was always room for more at this fund raising event for the county party. Tickets for the event are \$100 for couples and \$50 for singles. The tickets include the Thursday evening dinner and an August event scheduled for the Barefoot Bar at Parks Marina in Okoboji.

Wednesdays To Get A Little Wild At Lakeside Lab

For seventeen years now Iowa Lakeside Laboratory has hosted Wild Wednesdays, a summer learning series for families, children, and "kids at heart."

"Wild Wednesdays are weekly family programs at Lakeside Lab. They're fun, free, and hands-on learning events."

Wild Wednesdays started through the recommendation of the Friends of Lakeside Lab, an organization that helps to fund and support the Lab in its growth and educational mission. The Friends wanted to create a program to benefit the surrounding communities and to help educate people of all ages, not just the college students that normally attend Lakeside in the summer. Each year, Wild Wednesdays has a theme. This year's theme is Natures Engineers: Exploring Nature with STEM. "STEM - which stands for science, technology, engineering and math - has been in the news lately, in particular about the need to expose children to STEM education and career opportunities at an early age. Nature is a great way to do that! We also plan to incorporate art into STEM learning to build some STEAM, because artistic skills of expression and representation are also important to communicating and doing science."

Each Wednesday has a different topic of focus. "The first topic is going to be Animal Shelters: Building Homes. We are going to explore a variety of examples of animals and their ingenious problem solving in creating shelter."

Lakes Area Libraries Present "Iowa's Own Monuments Man: George Stout"

On Saturday, June 18, at 10:30am, Nancy Trask, library director from Winterset Public Library, will present a historical program about the WWII Monuments Men, especially introducing George Stout, who was born and raised in Winterset, Iowa. Library patrons throughout the state have given rave reviews on this program.

George Clooney's character in "The Monuments Men" movie was based on George Stout, although the character was named Frank Stokes for the sake of artistic license in the movie.

Nancy's slides have been collected from extensive research, including correspondence with George Stout's granddaughter; magazine and newspaper articles from a publicist working for the George Clooney movie; historical Winterset resources; internet resources; and historical books including "The Monuments Men: Allied Heroes, Nazi Thieves, and the Greatest Treasure Hunt in History," by Robert M. Edsel (2009), "Salt Mines and Castles," by Monuments Man Thomas C. Howe (1946), and "Survival: The Salvage and Protection of Art in War," by Monuments Man James J. Rorimer (1950).

Nancy Trask grew up in Winterset and has been the Director of the Winterset Public Library for the past 10 years. Besides Iowa, Nancy has worked in public and academic libraries in Oklahoma, Texas, Massachusetts, and New York. She has had a lifelong interest in The Institute of Cultural Affairs (ICA), and is currently on their national board of directors. She worked with the ICA for over 15 years on community development projects, including 4 years in the villages of India. Nancy's interest in World War II is enhanced by memories of conversations with her father, a Purple Heart veteran of Normandy.

This program is sponsored by the Lakes Area Libraries. For more information, contact the Arnolds Park Public Library, the Milford Memorial Library or the Spirit Lake Public Library.

Shooting Club News

by Tony Petersen

Last week we introduced you to the Izaak Walton League and the local shooting grounds in Dickinson County. For those who didn't see the article we are talking about the trap grounds located east of Boonedock's on 190th street, about three miles. So the start of the trap ground was in 1974 but we are now in 2016. Why talk about it now? Well there have been many changes throughout the years and we are working on bringing the new and exciting shooting opportunities to light for more people in the area to enjoy.

In 1979, after the land purchase from Mr. Kilts, there were only two trap houses with one unique feature that set it apart from other trap fields around the country, the trap houses (a trap house is the house that "houses" the clay pigeon thrower and is about four feet underground) face south and overlook a scenic view that can be a little distracting if you are not focused on the task at hand, breaking the clay birds. "Back in the day" the two trap houses provided many hours of shooting fun and that included into the night hours. When the trap ground was built, lights were installed and trap shooting at night was here for the first time. (If you have never shot clays at night you are missing a fun and unique shooting challenge). The trap ground had a standing trap league and they shot well into the evening hours because in the 1970s into the early 1980s there would be over 15 league teams, of 5-7 men per team.

But to quote John C. Maxwell, "Change is inevitable. Growth is optional" which applies to the trap grounds as well. Over time the trap club started to dwindle and the numbers of people shooting at the trap grounds dropped off. There are many reasons: people moved, people stopped volunteering time, got too old to shoot, got bored - but I say there is a bigger reason; they didn't "pass it on". Back when I was a kid growing up in the 1980s my dad took me hunting and fishing but we never really went target shooting. You know, kids come along, the job gets more demanding and there is only so much time and money to use in a day. So we focused on chasing ducks and pheasants on the precious weekends we had. But that was then...today is different.

Make sure to read next week's paper to follow the history up to today and the exciting opportunities it brings to the local area.
Current shooting schedule:
• Open trap shooting for the public - Tuesday nights (weather permitting) from 5:00pm until dark, every week.
• Browning Days - August 6th from 9:00am to 4:00pm
• Southern Archery Gun Show Day - September 17 from 9:00am to 4:00pm
Other events being announced soon!
For more information, contact club President Larry Webber at 712-336-2202 or Tony Petersen at 712-320-0275.

Nancy Trask will present historical slides about the WWII Monuments Men, especially introducing George Stout, who was born and raised in Winterset, Iowa. Seasons Center Awarded Funds

On May 6, 2016, the State of Iowa, Crime Victim Assistance Board, voted to award Seasons Center with nearly \$400,000 in Victim Services Support Program (VSS) funds to expand services to crime victims not previously served, underserved, or not accessing traditional victim services.

"We are excited and grateful to be chosen as a recipient of these grant funds," says Kim Scorza, Executive Director, for Seasons. "This funding will allow us to better partner with well-established victim services agencies in providing therapy to their clients, as well as training and resources to victim service agencies employees."

The proposed project will be both an expansion of existing behavioral health services provided by Seasons and the implementation of new program services. The service area will encompass 19 counties in northwest Iowa: Buena Vista, Calhoun, Carroll, Cherokee, Clay, Crawford, Dickinson, Emmet, Ida, Lyon, Monona, O'Brien, Osceola, Palo Alto, Plymouth, Pocahontas, Sac, Sioux, and Woodbury. With this funding, Seasons will hire four Trauma Therapists, dedicated to the implementation of program services and activities.

Seasons is a non-profit organization and has been providing a broad range of psychiatric and behavioral health services to people and communities in Northwest Iowa since 1959. Seasons strives to provide exceptional care to children, families, and adults through skilled, dedicated, and passionate employees who use evidence-based treatment practices and innovative treatment techniques. Additional information on program services will be provided in the upcoming weeks.

For more information on Seasons' services, please visit our website at: www.seasonscenter.org and Facebook page www.facebook.com/SeasonsCenterForBehavioralHealth

LETTERS TO THE EDITOR

Letter To The Editor:

The Humane Society of Northwest Iowa would like to thank the Good Neighbor Fund and all of the people who support that fund for their generosity. We feel blessed to serve a six-county area, but we couldn't provide the level of care that we do or help nearly as many animals without the support of programs like the Good Neighbor Fund.

The Humane Society of Northwest Iowa strives to serve the region through helping homeless pets find new, loving, and forever homes. We also partner with a number of school districts as we reach out to children about responsible pet ownership and how to interact with pets safely. Our PAWS program visits approximately twelve different nursing homes during each summer month, and we have a number of organizations who come to the shelter to interact with the pets on a weekly basis. In addition, we have been trying to assist with the number of feral cats in the area through a trap, neuter, and return program. Obviously all of these programs cost a lot, but the results are so important. Thank you to everyone for your support of HSNWIA, and thank you to the Good Neighbor Fund for supporting so many worthwhile community organizations.

Sincerely,
Jan Donaldson, Executive Director HSNWIA

Second Annual Gadget Show Now Taking Registrations

The second-annual Farm Gadget Show is now accepting entries for the 2016 Clay County Fair. During the nine days of the Fair, these unique gadgets can be found in and around the Innovation Pavilion in the southwest corner of the fairgrounds.

"All entries should be something that can be used on the farm. Farmers are some of the most creative people I know," said Karen Schwaller, superintendent of the Farm Gadget department.

Often farmers are unable to buy or find the "right tool for the job," leading them to make a new and improved gadget to get the job done. Any of these unique innovations can be entered as an exhibit. Schwaller also said that anything a person wants to finish up in time for the show can be shown at the Fair.

Along with the gadget, all entries need to have a plastic-protected description, its intended use, and safety qualities. Entries will be judged on workmanship, design, usefulness, appearance, safety, and creative use of resources.

"Last year's inaugural gadget show was definitely a success," said Jeremy Parsons, Fair manager. "We can't wait to see what new and unique gadgets are entered this year."

Pre-registration is required for this department and must be postmarked on or before August 15. Entry forms and more information are available online at www.claycountyfair.com or at the Clay County Fair Administration Building.

Grant Applications Now Being Accepted by Dickinson County Endowment Fund

The Dickinson County Endowment Fund Advisory Council is now accepting applications for their 2016 Grant Cycle.

Grants are awarded to I.R.S. 501(c)(3) 'tax exempt' organizations and 170(b) 'unit of government' organizations benefiting residents of Dickinson County. Non-profit organizations without either status may apply by seeking a fiscal agent that does.

Funds may be requested within the DCEF priority project focus areas which include:

- Conservation
- Economic Development
- Family Services
- Housing
- Natural Resources
- Recreation
- Transportation
- Youth Services

Based on fund earnings and contributions received, approximately \$86,000 will be available for distribution in 2016. A fillable grant form is available online at dcefund.org/grant.html and must be submitted by the June 30, 2016 deadline for consideration by the nine-member Advisory Council.

About the Fund: The Dickinson County Endowment Fund Advisory Council was formed in 2005 to coordinate and provide philanthropic support for community betterment projects in Dickinson County. This Fund was created in response to 2004 State of Iowa legislation and continues to receive annual State funding support in addition to donations from local residents, businesses and organizations.

In ten years of grant-making, DCEF has awarded \$945,720 in grant funds by partnering with 76 non-profit organizations throughout Dickinson County and supporting 267 projects!

DCEF Mission Statement: To enhance the quality of life and promote economic vitality in Dickinson County, Iowa, by encouraging philanthropy and providing financial assistance for projects and programs that benefit local residents.

Overeaters Anonymous

Overeaters Anonymous will have new meetings at the Union Memorial Church (805 Okoboji Avenue, Milford) on Thursdays at 6:30pm - 7:30pm. This will be a step study and discussion for everyone who wants to stop over eating or under eating compulsively through the fellowship of individuals who share their experience, strength and hope and the 12 steps of recovery, we abstain from compulsive eating.

LETTERS TO THE EDITOR

Dear Editor:

A help wanted ad appeared in the June 7 edition of The Lakes News Shopper soliciting proxy bidders for the Annual Dickinson County Tax Sale June 20. A proxy bidder is someone who bids for another person. The ad was run by an employment agency for another out of state firm. The rules limit investor groups to 20 bidders. 26 proxy bidders were advertised for a four hour employment. Evidently a firm can split and allow 26 bidders. This puts an individual who would like to have some opportunity to bid at a big disadvantage in being able to acquire tax delinquent properties.

Science Center Of Iowa's "Fantastic Forces"

The Science Center of Iowa (SCI) is bringing its summer library program, "Fantastic Forces," to Lake Park Public Library on Wednesday, June 15, at 1:00pm.

The "Fantastic Forces" program is part of SCI's Science @ Your Site outreach program, which brings fun, engaging experiments to schools and libraries across Iowa.

With the help of SCI's trained outreach presenters, audiences will discover the physics of flight and explore the four forces that allow us to fly through the air at staggering speeds: weight, thrust, drag and lift. Through hands-on demonstrations and audience participation, "Fantastic Forces" will introduce children to the concepts of air pressure and resistance, surface area, movement and gravity.

This program highlights the importance of science learning and experimentation beyond the classroom. It also reflects SCI's mission to engage and inspire Iowans along their journey of lifelong science learning.

Learn more about the Science Center of Iowa and its statewide educational outreach programs at www.sciowa.org.

To: Okobojo Foundation

The City of Arnolds Park and Team WAVE (Willing Active Volunteers for the Environment) would like to extend a huge "Thank You" to The Okobojo Foundation for the generous grant of \$65,000. The new PavDrain System on Monument Drive would not be possible without the funding awarded for this important project. The PavDrain System will not be an average street improvement project but a filtration system which will treat the run-off before it enters West Lake Okobojo. This new advanced system will help preserve our "Crown Jewel" West Lake Okobojo for years to come. Again, we cannot thank you enough.

Wow! What a 50th Anniversary Celebration.

THANK YOU for the cards, greetings, flowers, cake, cookies. We had a fantastic party at Table 316, surprised by Dee and Larry Truman and the Domino family, and all the dancers, listeners, etc. You all made our 50th Anniversary very special, and one that we will always remember.

THANK YOU JESSIE & JIM HOWARD

Thank You

Just when you think there's not much that's good about the world, you are surrounded by loving caring family and friends when sorrow overwhelms you. On behalf of our families, I would like to say thank you to everyone for the love and support you've shown since my husband, Don's passing on April 9th and also my Dad, Maurice Broadie, on June 2nd. We can't begin to tell you how much that has meant to all of us.

Iowa Lakes Corridor New Hires

The Iowa Lakes Corridor Development Corporation has added two new employees to their staff. Katrina McCarty is

acting as the Corridor's office, communications, and events intern for the summer and Tim Weideman is the Corridor's administrative specialist.

McCarty is a recent graduate from Clay Central/ Everly High School and plans to attend Iowa State University in the fall to major in Agriculture Education- Communications Pathway. She is excited to join the Iowa Lakes Corridor team and to do her part in giving back to her community. "I am very thankful to have grown up in this area and to have had the opportunities that living here has given me. By working at the Corridor office, I hope to gain experience in the communication field and to network with other businesses. I appreciate this great opportunity and look forward to my summer here."

said McCarty. At the Iowa Lakes Corridor office, she assists with the development of communication materials, planning and organizing corridor events, and maintaining the Corridor's webpage. Katrina is the daughter of Eugene McCarty.

Weideman comes to the Corridor after working as an assistant manager at Hy-Vee in Spencer. He and his family moved to Spencer from Manhattan, Kan., in July 2015.

While in Kansas, Weideman worked as a general assignment reporter for the Junction City Daily Union, then later as the Manhattan Mercury's crime and courts reporter. Before moving to Spencer, Weideman was a content developer for CivicPlus, a Manhattan-based company that develops city and county government websites.

Weideman will manage the Iowa Lakes Corridor's website, social media and other communications. He'll also plan events and handle administrative tasks.

"I'm excited to hit the ground running for the Corridor," Weideman said. "I can't wait to put my skills and passions to use for the Corridor and those it works with."

Weideman graduated from Drake University in 2012 with a degree in news and Internet journalism. He and his wife, Jordan, have a 16-month-old son, Aiden.

For more information about either Katrina or Tim, contact the Iowa Lakes Corridor at 712-264-3474, or visit the Iowa Lakes Corridor Development Corporation website. You can also connect with both of them via email at kmccarty@lakescorridor.com and tweideman@lakescorridor.com.

Local Student Accepted For Elite International Drama Ensemble

Ryan Petty (17), resident of Spirit Lake and student at Spencer High School, has been admitted into the elite University of North Carolina School of the Arts (UNCSA) 2016-17 drama ensemble. This unique program at UNCSA combines top-tier academics with immersive conservatory training in the arts.

Ryan was one of hundreds of international applicants for the program, which only admits 20-22 students into their high school ensemble annually. The program is only open to students demonstrating commitment, experience and talent in the theater arts, high academic rankings, and ability to live on campus in a full-time college preparatory experience. To be considered for admittance, Ryan had to audition, performing multiple monologues and musical selections for a panel of professors, as well as submit essays, academic transcripts, test scores and letters of recommendation.

Ryan will be the only student representing the state of Iowa in the ensemble and will join students from Florida, Maryland, North Carolina, California, and even the nation of Israel. He is a student of local private vocal teacher, Mrs. Jessica Schable, and Spencer High school music and drama teacher, Mrs. Katie Kardell. "They both prepared me extremely well for this opportunity. I have no doubt that I couldn't have gotten in without them," says Ryan.

Six weeks of Ryan's dramatic study at UNCSA will include service experience in arts therapy in conjunction with Brenner Children's Hospital. In this unit of study, the drama ensemble works with chronically ill children and their families to bring hope and healing through artistic expression.

"Being accepted into UNCSA has been a dream and goal of mine since before I even entered high school," says Ryan. "I would like to pursue a career in musical theater and I think this experience will definitely train and challenge me as an actor."

The public is invited to a concert featuring Ryan performing both classical and Broadway musical selections, Sunday, June 26, 1:30pm, at First Lutheran Church in West Okoboji (1525 Three Cross Road, Milford). Ryan will be accompanied by Mrs. Jessica Schable. There are no ticket charges for the concert, but donations towards Ryan's school fees, books and travel expenses will be accepted and appreciated. In addition to the concert, local artists will display their work during the reception following the concert. All proceeds from any art sales go towards Ryan's expenses as well.

Ryan attends Good New Community Church, works at Spudnutz in Okoboji and participates in Spencer Community Theater. He is the son of Steve and Krista Petty. For more information about the concert or to show your support for Ryan, you may contact his mom, Krista Petty, 704-795-8631 krista_petty@msn.com.

Tales of Tails

Meet the "senior citizen tails" at the Northwest Iowa Humane Society. These are the kitty cats who have been patiently waiting for the right "someone" or "someones" to come along and take them to forever homes.

Ambi, a twelve-year-old tortoise, has been at the shelter for nearly three years. She is good with people, other cats and dogs plus she enjoys being held, making her a perfect companion for someone who also enjoys sitting calmly and watching the world go by.

Gracie is a four-year-old female who's been at the shelter two years. She has mitten toes, loves attention and treats. She would be a great "only" pet being super grateful for being adopted.

Daisy, an orange and white tabby, was surrendered to the shelter because of an apartment change. At some time in her past she was beaten with a broom so would shriek whenever a broom came near her cage. Now she has learned to trust people once again and seeks attention from everyone, broom or no broom!

Natalie, a long-haired tortoise beauty, has been at the shelter 1 1/2 years. Her previous mistress hated to give her up telling of Natalie's many appealing traits; for example, when being petted she will grab one's hand, but lets it go when told, "No claws!"

Zorro, pictured, came to the shelter on January 10, 2013. He is a distinguished black and white feline about five years old. His whiskers are white in sharp contrast to his glossy black coat. He again was one of those surprising strays who despite unpleasant experiences continues to love people and seek their attention.

Wisp, a buff-colored Maine Coon mix, arrived only days later on January 13, 2013. This is another calm, laid-back cat who appreciates attention and would make a great companion for any cat lover.

Murphy is a pure black beauty who was raised here at the shelter. He, his mother, and a sibling came in September of 2013. A brief adoption with possible mistreatment raised his stress level, but he still loves people and seeks affection.

Malibu, a sophisticated pure black gentleman, is one of numerous well-loved pets who lose their homes through no fault of their own, only when their owners can no longer care for them. His owner died, but Malibu has coped with the loss quite well despite being accustomed to total attention from his owner. He'd like a forever home where he could be the only pet.

These "senior citizen tails" all have loving personalities and deserve forever homes. They are patient and hopeful!

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Hagerbaumer Music At The Lake Park Care Center

Gorlyn and Ruthie Hagerbaumer are spending their summer in the Iowa Great Lakes area volunteering their time and talents at a local camp, however this kind couple is also sharing their musical talents whenever possible. The residents of Lake Park Care Center were blessed to be able to enjoy the accordion music, singing and dancing provided by Gorlyn and Ruthie. The care center thanks them for bringing back great memories with their accordion playing talent.

Kick-start Your Kayak

Forward stroke, reverse stroke, sweep stroke --- kick start your kayaking adventure with these basic paddling maneuvers.

Dickinson County naturalists and American Canoe Association instructor Mark Foss will teach experienced and new kayakers alike safety basics and paddling techniques during the Kick Start Your Kayak classes Monday, June 20.

Dickinson County naturalists are examples of both ends of the experience spectrum. Naturalist Mary Petersen will be learning about the sport for the first time while naturalist Charles Vigdal will be re-learning some of his paddling techniques from Foss.

"I've been kayaking seven years and I've been using wrong techniques, and I didn't even know," Vigdal said. "Even the most experienced person can learn new stuff. If you're inexperienced, you can learn good habits before you learn bad habits."

Ages 10 and older can choose from two class times June 20, 9:00am-11:00am and 1:00-3:00pm. Students may bring their own kayaks, paddles and life jackets or may borrow them for the class.

Instructors will touch on ways to enter and exit your kayak as well as how to launch the watercraft, will give group and individual instruction on forward paddling techniques, will teach a variety of maneuvering skills on the water and will give safety demonstrations.

Kick Start Your Kayak costs \$20 per person and registration is available online at www.dickinsoncountyconservationboard.com/event-registration.

Kayaking is becoming a popular sport for a wide variety of ages. Foss has been kayaking for eight years and competitively races in South Dakota, Minnesota, Missouri and Texas. He said he always wanted to pilot a glider airplane but the kayak has become his glider on the water.

"You can get so close to nature," he said. "It's quiet. You can get in there and not have the sound of a motor."

"You can see wildlife and access places where there are no trails," Vigdal said.

Kick Start Your Kayak registrants will be notified the week before the class about the location, which will be dependent on wind and weather.

For more information on Kick Start Your Kayak or other Dickinson County Conservation Board programs, visit www.dickinsoncountyconservationboard.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.
