“Dr. Kanan provides very effective, gentle chiropractic treatments”

I was awakening during the night and every morning with back pain. Now with regular adjustments for the past 2 months I am now able to garden, sleep and carry on with my life without pain! I am grateful to Tullahoma Chiropractic for their expertise and care!

-Patty

When I came to Dr. Kanan, I could barely walk. The pain was so severe it made me sick to my stomach! Dr. Kanan and his staff are true professionals. Dr. Kanan told me what was wrong with my back and the preventative measures I needed to take to fix it. Dr. Kanan and his staff took me from hardly walking to running and exercising again. My quality of life is much better!

-Health L.

I had trouble moving comfortably and breathing normally for about a year! Ever since my adjustments I feel like new! I now have full movement without pain and more energy throughout the day. I finally feel relaxed and calm again! I definitely recommend Dr. Kanan he helped me tremendously!

-Justin R.

I had lower back pain, a bulging disc and pinched nerves. One afternoon my back locked up and I couldn't bend at the waist. Since starting chiropractic care my back is doing much better and I am on my way to a complete recovery. I am extremely satisfied with the adjustments, laser therapy and spinal decompression. I feel better than I have felt in years! Dr. Kanan is very knowledgeable and has great concern for his patients. Everyone here makes you feel like family!

-Charlie G.
