Fine And Performing Arts Fast Track Now Available At Wallace State

After the success of Wallace State Community College's Fast Track Academy and Fast Track for Industry programs that give area high school students the opportunity to start their collegiate careers early, the college is again partnering with Cullman County Schools to offer high school students another pathway for success, as well as an outlet for their artistic endeavors - a Fine and Performing Arts Academy.

"With budget cuts that have unfortunately caused many school systems to completely cut funding for the arts, this dual enrollment program for Fine and Performing Arts students is a perfect way to make sure our local students receive a well-rounded education that includes some form of art said Dr. Vicki Karolewics, President of Wallace State. "Studies have shown that arts in education prepare students for success in school, in work and in life, which are the goals we strive for at Wallace State."

Through the Fine and Performing Arts Academy, students in grades 11 and 12 can take courses in art, dance, music, theatre and visual communications, along with their academic courses. They can choose to participate in this program through the Wallace State Fast Track program or they can stay at their local high school, coming in late or leaving early to accommodate their Wallace State Fine Arts courses. The Wallace State Fast Track facility is open from 7 a.m. to 7 p.m., each weekday for the students' convenience.

Students can participate in the college's bands, choirs and theatre productions if it works with their schedule. One caveat is that students cannot leave a program that is available to them at their high school to perform in a similar program at the college. However, if their schedule allows, they may perform in both programs.

An example of the Fine and Performing Arts classes offered include drawing, ceramics, sculpture, computer graphics and graphic animation in the Art and Visual Communications programs; private voice and instrument lessons, ensembles for jazz band, show choir and concert band in the music programs; acting techniques, theater workshops, intro to dance in theater and modern and jazz dance in the theater and dance programs.

For more information about the Fast Track programs at Wallace State, call 256.352.8050.

Prayer Tree

Please stop by Christ Lutheran Church's outdoor street patio and place a prayer(s) on the Prayer Tree.

Simply write your prayer on a "prayer tag" and then hang it on the tree.

Prayer tags and pens are provided and are stored next to the tree.

Last summer people randomly stopped by and filled the trees with prayers. The result was a stunning witness of "how often we pray and stay in close contact with our Lord".

Please stop by soon.

An investigation published by The BMJ raises new concerns about the top-selling anti-clotting drug, rivaroxaban (Xarelto). It questions the validity of a pivotal trial that was used to gain approval for rivaroxaban from the US and European regulators. The trial, published in the New England Journal of Medicine (NEJM) in 2011, compared rivaroxaban with the older anti-clotting drug warfarin for preventing strokes in patients with irregular heartbeat (atrial fibrillation). But there are now concerns about the trial results after The BMJ discovered that the blood-cotting test device used during the trial had been recalled in December 2014 after giving falsely low test results.

Children and adolescents have a doubled risk of aggression and suicide when taking one of the five most commonly prescribed antidepressants, according to findings of a study published in The BMJ.

More advice from the American College of Physicians (ACP) and the Centers for Disease Control and Prevention (CDC) for prescribing antibiotics: For patients with uncomplicated bronchitis, physicians should not perform testing or prescribe antibiotics unless pneumonia is suspected. Patients may benefit from symptomatic relief with cough suppressants, expectorants, antihistamines, decongestants, and beta agonists. For patients with sore throat, physicians should recommend analgesic therapy such as aspirin, acetaminophen, nonsteroidal anti-inflammatory drugs, and throat lozenges, which can help reduce pain. Physicians can reassure patients that the usual course of a sore throat is less than one week and that antibiotics are not usually needed because they do little to improve symptoms and may have side effects.

BLUE TAG SPECIALS:
 We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
 Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.

Most so called Christian church people carry the Holy Bible, yet their doctrine for salvation is not found within the Scriptures! What Christ, The Holy Truth (Jn 14:6), gave for one to receive salvation is denied. Christians without obedience, are not His sheep for His Sheep hear and follow Him (Jn 10:27). Why calleth Him Lord, Lord and do not the things He say (Lk 6:46)? Also see (Mt 7:21-23)! To uphold man made gospel of Christ, then deny The Biblical commandments of Christ (Mt 10:33, 15:9, Jn 14:15), makes it impossible to know Him (1Jn 2:3-4)! So Be It! Ron & Jeri

Felton Speegle

Dear Family, Friends, Church Families, and Business Associates, Thank you all for your cards, calls, messages, and visits during the loss of my dear husband, the children's father, and the grands Papa, Felton Speegle. There aren't adequate words to express our gratitude for the love extended to us. The flowers were exquisite, and the food you provided at our home and church was delicious. Thank you for your thoughtfulness. Our special thanks to Daphne, Melony, Jill, Lori, and Rod for the beautiful music that Papa would have loved. Thank you also to grandsons: Chris, Bart, Tyler, Kelvin, Nic and Rod for serving as Paul Bearers. Our appreciation to Allen, Rev. Paul Campbell and Rev. Morris Helton for the beautiful service.

BLUE TAG SPECIALS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
