SPEAK OUT

Dear "Speak Out",

I would like everyone to know that, in my opinion, West Sparta is a great little community to live in. This past Saturday I was attempting to clean up and replant the flower bed at the foot of Stoner Hill Road . . . It was taking a lot of work and the next thing I knew, other residents of the community were pitching in . . . Thanks go out to Joanne Young, Tom Edwards and Dennis Johantgen for helping out . . . A special thanks to Bob Young for mowing and trimming, and also to Agway for the beautiful flowers. Community pride is so important.

Keep Your Children Safe This Summer

When summer weather comes, it means more outdoor activity for children. For parents and guardians this means being extra careful to make sure your children stay safe. Keep your children safe this summer by following these simple tips:

Water Safety: Never let your child play in or near water without an adult present. Even if children know how to swim, they can still find themselves at risk. Also remember that infants, toddlers and young children can drown in as little as 2 inches of water. Make sure that children wear life jackets in and around natural bodies of water, even if they know how to swim. Pools should have a four-sided fence, separating the pool from the house, keeping children away from the area when they are not supposed to be swimming.

Insect Repellent: There are many insect repellants that are safe to use for children. Be sure you pick repellants with DEET, picaridin (KBR 3023), IR 3535, or citronella oil. If you use a repellant with DEET, be sure the product has less than 30% DEET, and do not spray near the mouth or eyes and follow manufacturer's directions. Do not use insect repellants with DEET on infants; instead cover them with netting to avoid bites.

Sun Safety: Overexposure to sun and ultra-violet light increases your child's risk of skin cancer. Regular use of sunscreen can lower children's risk of skin cancer by almost 78% (www.keepkidshealthy.com). Sunscreen with an SPF of 15 or higher is the best defense. Sunscreen should be applied 30-45 minutes before exposure to the sun, and should be reapplied every 2 hours or sooner if your child has been swimming or sweating. Also, be sure to stay in the shade whenever possible, and wear clothing that protects you from the sun, such as a hat and sunglasses.

Bicycle Safety: All children ages 14 and under are required by law to wear their bicycle helmets. Wearing a bicycle helmet can protect a child of any age from serious injury. Make sure your bicycle has reflectors if you are biking at night.

For questions on summer safety please contact the Livingston County Department of Health at (585) 243-7299 or visit our website at www.livingstoncounty.us/doh.htm.

Male Health Screenings

What can men do to prevent health problems such as heart disease and cancer of the colon or prostate? A healthy diet, exercise, and proper health screenings can help to prevent these health problems. It is also important to see your doctor for regular health screenings.

Starting at age 50, men should receive screenings for prostate and colorectal cancer yearly. Those who are at higher risk should talk with their doctor about getting screened. Men should have their cholesterol, blood glucose and blood pressure checked regularly per their physician's advice. Early detection and treatment provides the greatest chance for survival. Talk to your doctor today!

Free colorectal screenings are available to those who qualify through the Cancer Services Partnership of Livingston and Wyoming Counties at 1-800-588-8670.

For more information on men's health screenings, contact the Livingston County Department of Health at (585) 243-7299 or visit www.livingstoncounty.us/doh.htm.

Through caring & education, the Humane Society of Livingston County works to eliminate the abuse and overpopulation of animals and aids in the prevention of their suffering within our communities.

Like our brothers and sisters, we need a home too. See us at the Adoption Center, 67 Genesee Street in Avon on Saturday and Sunday from 11-2.
