## Acoustic music fest returns to Lake Street

Midwest Acoustic Music Festival enters its second decade this year, with the 12th annual event set for Saturday, July 30 at the Lake Street Cafe, in Elkhart Lake.

Acoustic music artists will perform from 11 a.m. to 11 p.m. on the grounds.

The Midwest Acoustic Music Festival was founded by Shannon Brunet in 2005 to garner attention for up-and-coming acoustic artists and provide a venue at which to celebrate and foster rising talent and original music. Featuring 13 - 15 acoustic music acts from across the Midwest, MAMF became an instant success. The festival has had an average attendance of 650+ fans each year.

Admission to the performances is free throughout the day.

The 2016 MAMF schedule includes the following set times.

Set Times are as follows -

11:00 a.m. - Jay Matthes

12:00 p.m. - Drops of Blue

12:45 p.m. - Shane Sanders

1:30 p.m. - Jim Green

2:15 p.m. - Brad Abler

3 p.m. - Jón Gunnar Biering Margeirsson

3:45 p.m. - The Belle Weather

4:30 p.m. - Brad Lash

5:15 p.m. - John Harry

6 p.m. - Minor Moon

7 p.m. - American Feedbag

8 p.m. - Soulfoot Mombits

9 p.m. - The Bigger Empty

10 p.m. - Benson Klemme

More bands are expected to be announced, and can be viewed on the Midwest Acoustic Music Festival Facebook page.

Past performers include - AB and the Sea, Acoustic Graffiti, Amanda Sena, Andre Rodriguez, Andy Elwell, Austin Willacy, Benson Klemme, Brad Lash, Brian Mazzaferri, Brianna Lane, Brittany Quaas, Brittney Mitchell, Casey Jones, Cedarwell, Chelsea Z. and the Quiet Hearts, Chip Cruz, Colin Bares, Dan Varese, Daphne Willis and Co. Dave Tamkin, Debra G., Driftwood Fire, Drops of Blue, Dustin, Emily White, Ethan Kellar, Gordy Malis, I AM ATLAS, Icarus/Drifting, Jenny Dalton, John McCarthy, Jon Statz, Jon Troast, Jonathan Delehonty, Julie Moffitt, Kristin Kelly, Lucas Cates, Mark Croft, Mark Little and Dan Mitchell,

Turn to **ACOUSTIC**/page 4

IndyCar racing returned to Road America June 23-26 for the Verizon IndyCar Kohler Grand Prix weekend. Will Power won the Kohler Grand Prix main event, the 50-lap, 200 mile feature, and is pictured on the winner's podium at right. Road America President George Bruggenthies suggested that this may be the largest event ever hosted by Road America. The Verizon IndyCar Series will return June 2017 for the second race in a three-year contract.

## Sharing our Journeys

By Carol Edler Baumann

### Wedding Bells

Every year in the U.S. 2.3 million couples get married. That's over a staggering 6,300 weddings a day.

This past summer Elkhart's three resorts, Osthoff, Victorian Village and Siebkens hosted 40 weddings. Most of the weddings occur in June, 10.8 percent followed by August, 10.2 percent and, as probably could be expected, the lowest marriage month is January, with only 4.7 percent.

On the flip side, 45 to 50 percent of all those marriages end in divorce. Try it a second time and the divorce rate is 60-67 percent and if you still haven't learned anything about wedded bliss and try a third time, your chances of a divorce are between 70-73 percent. (I think Liz Taylor fits somewhere in those statistics.)

Younger folks will probably not remember or perhaps have not even heard of Johnny Mathis. In listening to some of his soothing tunes, here are a few love-lines that come through loud and clear, "your lips close to mine", "life has no meaning without you", "dream that our love will last" and how about, "you melt in my arms"? They all ring true before the marriage, but based on the divorce statistics cited above, many are purely empty words without much long-lasting validity.

Planning a wedding can be fun or a nightmare when you consider some of these facts. The average number of guests invited to a wedding is 178 and

those guests will spend between \$70 to \$100 each on a gift. But are those gifts worth it when you consider that the average wedding cost is \$20,000 (that's a lot of money for a one-day party)?

The groom's average age is 26.9 and his blushing bride checks in at 25.3. At that age the groom hasn't saved up enough money to buy a two or three carat Tiffany diamond, but he will spend about \$1,016 for the ring he does buy (perhaps with a splinter diamond) for his new Mrs. I could find no statistics on how many women take on the "Mrs." title versus keeping their maiden names with just a "Ms." in front of them. Getting back to the divorce rate—Massachusetts has the lowest in the country and Nevada as you might have expected has the highest. The average length of time it takes to get a divorce is about one year.

Honeymoons usually last seven to nine days and cost an average of \$3,657 each with 60 percent going to a foreign country—that has to be economy class. The most popular U.S. designation is Las Vegas (I guess marriage is a gamble, so why not go there).

My dear, sweet husband Richard and I don't fit in to many of the statistics mentioned above, except perhaps the Johnny Mathis love song line, "I'll love you 'til the 12th of Never." We've been married 57 years and are not anticipating when the "12th of Never" will actually arrive.

# Vintage owner gains new certification

**By Mike Mathes**  
for the Depot Dispatch

Elkhart Lake's own award-winning certified sommelier, Jaclyn Stuart has added yet another feather to her credentials as a wine steward.

Stuart, the owner and proprietor of Vintage Elkhart Lake, has officially received her certification diploma from the WSET, Wine and Spirit Education Trust based in England.

She remains only one of three wine professionals in Wisconsin to hold this prestigious certification.

To achieve this status, Stuart had to complete a six-part examination, with a research paper. The examinations each featured a written exam, plus a blind tasting session where the sommelier was required to identify the product in her glass down to the vintage, region, and grape.

The blind taste tests center around different units and topics such as sparkling wines, fortified products or spirits.

Stuart's preparation and testing period was stretched out over the past five years, prior to her opening of Vintage Elkhart Lake in 2012. She had to take a rigorous prerequisite exam before even being allowed to enroll in the Diploma program. The testing required intense preparation along the way.

Preparation for the various tests included reading and studies to keep up on the changing wine and spirits world. "You have to be globally minded to know what is trending in markets around the world. That includes keeping up on current events and trends not only in the U.S., but around the world," Stuart said.

## Benefits for customers

The biggest benefit for Stuart's new certification is the credibility she adds to top of her current professional résumé as Elkhart Lake's sommelier.

"It helps our wine and spirits customers know that there is a professional here who has put a lot of thought and education behind the wines we offer," said the Vintage Elkhart Lake owner.

"It involves a lot more than just looking at labels," she added. "It's about looking beyond the label and finding the unique taste and qualities that customers are looking for."

To have a wine steward of this background and credential level is rare for a community the size of Elkhart Lake. Stuart said it takes customers by surprise in a pleasant way. "Many of our visitors come from bigger cities, and they don't expect to find a professional with this much knowledge in 'little old Elkhart Lake.'"

Many customers may have a deep knowledge of wines on their own, and they may come to Stuart's shop seeking wines from a region they have visited or learned about. Perhaps they are seeking a special taste in a wine. That's where her background comes into play.

"Having this certification, and the training to earn it, allows me to help customers find what they are looking for," she said. "I want them to leave with a bottle of wine they will be happy with, and this helps me to be able to do that."

Stuart also shares her expertise on a regular basis through wine academy sessions held at Vintage Elkhart Lake.

Stuart also serves as a resource to other business owners in Elkhart Lake. "It's not uncommon for me to get texts, emails or phone calls from our local resorts and restaurants asking for help in choosing wine or making sure that wine is being properly served and handled.

"It's all about being a good neighbor and furthering the helping attitude that we all have as business owners in Elkhart Lake," Stuart said.

In addition to her role as a sommelier and local business owner, Stuart also currently serves as the president of the Elkhart Lake Chamber of Commerce.

While her talents are valued and appreciated locally, she is also called upon to share her skills elsewhere from time to time.

In late June, Stuart ventured to Milwaukee to serve on a panel of wine judges for the Wisconsin State Fair. This marked her second time as a state fair judge.

Stuart helped judge professional made wines submitted from licensed wineries in Wisconsin.

Judging is different from wine sampling or tasting. Judges are asked to professionally evaluate different types of wine, some which may not be their own personal preference, for the purpose of providing competition rankings.

A "sip-and-spit" method is used where the judges simply allow the wines to leave an impression on their palates, without consuming the wine. Even palates need a rest or refresher time, during the process, as crackers or other palate-restoration breaks have to be taken.

"It's all about professional discernment, in addition to consumer enjoyment when you are judging," Stuart said.

Located at 100 E. Rhine Street in Elkhart Lake, Vintage Elkhart Lake, uses Stuart's expertise to provide a unique wine-buying experience where customers can feel comfortable enjoying wine, craft beers, local chocolates & cheeses, and olive oils/vinegars bottled-to-order.

Vintage Elkhart Lake offers over 200 wines for purchase (over 100 of which are under \$14), as well as wines by-the-glass at the bar. These hand-picked wines are sourced from wineries located around the world and even some local Wisconsin vintners. "We also offer a wine club that features two sommelier-selected wines each month!" Stuart said.

Vintage recently expanded to offer more unique grocery items, a wide selection of spirits, and an event room for private parties, classes, and more!

Jaclyn Stuart was recognized recently by the Wine and Spirits Education Trust with her certification diploma as a tasting professional—one of only three such degree holders in the state of Wisconsin. Stuart is the owner of Vintage Elkhart Lake.

Charitable donations from the Ladies of the Lakes organization will help to strengthen four organizations in the wider Elkhart Lake Community. Pictured left to right; Mary Richter, Laura Myers both 2017 LOL Directors and 2016 Donation Committee members; Ryan and Angie Shaw, founders of Sheboygan Park Project; Jackie Pottratz, Tina Lammers both 2016 Donation Committee members; Mia McMillan, EL-G Foundation member and 2016 LOL Director; Mary Krahn, Camp Anokijig Development Director; Ann Buechel-Haack, EL-G District Superintendent and LOL member.

# Ladies of the Lakes offer generosity to community groups

Four community programs will be strengthened, thanks to the charitable donations program of Ladies of the Lakes, (LOL) an Elkhart Lake area woman's social organization.

At a recent meeting, organization members voted to contribute a total of \$2,800; \$950 to Elkhart Lake-Glenbeulah Education Foundation, \$750 to New Hope Pregnancy Center \$600 to Camp Anokijig and \$500 to Sheboygan Park Project.

The Elkhart Lake-Glenbeulah Education Foundation will apply the donation to enhance the current playground with an area with facilities specially designed to help handicapped children in the district. The potential is there to help with large and small motor skills, accommodate physical disabilities and provide a soothing sensory experience for children in need. This area will also be used to integrate play between special needs children and their classmates. A check was presented to Mia McMillan, EL-G Foundation member and Ann Buechel-Haack, EL-G Superintendent.

New Hope Pregnancy Center will apply their donation received towards becoming a licensed medical clinic. Located in Sheboygan, they help young woman and couples as a provider of resources in crisis pregnancy situations. A check was presented on behalf of Daniel LeMahieu, Directory of Development.

Camp Anokijig will use the donation presented for their children's Scholarship Program. All the monies will go directly to scholarships for underprivileged children

from Sheboygan County. Camp Anokijig has grown to one of the largest youth camps in the Midwest, and has a stellar record of successfully serving youth and families. A check was presented to Mary Krahn, Camp Anokijig Development Director and LOL member.

Finally, the Sheboygan Park Project in partnership with the Sheboygan Jaycees, will use their donation towards the building of a handicapped accessible playground in Sheboygan Evergreen Park. This park will allow all children to play in a safe structure that will be wheelchair accessible and provide many features for handicapped children and adults. After having conjoined twins 10 years ago, Ryan and Angie Shaw have dreamed of having a park that their three boys could play together in a universal playground, one that is accessible to children of all abilities. A check was presented to Angie and Ryan Shaw, founders of Sheboygan Park Project.

Ladies of the Lake, founded in 2005, meets on the second Wednesday of each month. Their purpose is to develop and enhance friendships while, at the same time, provide support for the improvement of the community. Annual dues are used for charitable purposes as determined by the memberships. New members are always welcomed and encouraged. For meeting information, contact Mary Richter at 920-876-2079 or Laura Myers at 920-918-8559.

This year the charitable donations committee was chaired by Mary Richter, Laura Myers, Jackie Pottratz and Tina Lammers.

# Mill Street Live

In its eight year, show offers a variety of musical genres

The "Mill Street Live" Summer Musical Series is celebrating its eighth year of fantastic performances at the Plymouth Arts Center in downtown Plymouth.

Mill Street live is a summer musical revue featuring songs that span the generations. Featured artists and music offer a wide variety of genres including Mama Mia and other Broadway shows, Madonna, Bruno Mars, the Beatles, etc. This show is truly something for all ages to enjoy. This high-energy song and dance show is performed by members of the Mill Street Guild and is regarded as one of the most entertaining shows in the area.

The musical series opens on Friday, July 1 at 7:30 p.m. and will continue throughout the summer on Friday evenings July 8, 15, 22, 29, Aug. 5, 19, with the finale on Aug. 26. (The Plymouth Arts Center's 13th Annual Jazz Crawl Fundraiser for the Arts is Friday, Aug. 12.)

The show is suitable for all ages and families are encouraged to attend. Tickets are available in advance and at the door: \$12 plus tax for adults, children age 5 to 11 are charged \$1 per their age; kids under five are free.

Tickets may be purchased by calling the Plymouth Arts Center, (920) 892-8409; (voicemail 24 hours) or conveniently online at: [www.plymoutharts.org](http://www.plymoutharts.org). email: [info@plymoutharts.org](mailto:info@plymoutharts.org) or visit our box office at 520 E. Mill Street, downtown Tuesdays-Fridays 10 a.m.-4 p.m.

Visa and MasterCard are accepted.

The 2016 Cast of "Mill Street Live" includes the following.

The ladies are Sam Gretz; Elizabeth Gartman; Megan Burback; Amanda Hartlaub; Courtney Kooistra. The gentlemen are Kevin Sievert; Jon Becker; Zach Glaeser; Sethe Jaymes; Alex Thiry; Dallas Laurin

The 2016 creative team members are Thomas Moore-Director; Choreographers: Sam Gretz; Megan Burback; Tricia Lutze; Emily Shircel; and Kevin Sievert. The Choral Director is Kevin Sievert. Pat Smith is the Lighting director. Costumes were coordinated by Jamie Jeanty; poster design and photography is provided by Kristi Hasenstein.

The performer's motto is "We Sing! We Dance! We Entertain!" This year's show will feature several brand new, young, talented performers from across the area, while being choreographed by some veteran Mill Street Guild members. The show is all about separate messages conveyed in sets, and the cast is really looking forward to people coming to see and hear what they have to say!

The Plymouth Arts Center's and the Mill Street Guild's vision for producing an outstanding show would not be possible without the commitment and generosity of our private and corporate donors and playbook advertisers. Through our fundraising programs it is possible to present the show for community and visitor enjoyment at an affordable cost. Businesses

and individuals, who wish to support the show through sponsorship or would like to advertise in the playbook, may contact the PAC office, (920) 892-8409. This year's sponsors to date are Masters Gallery, Suhrke Insurance Agency, Rockline Industries, Sargento, and Wisconsin Bank & Trust. We invite all generations to enjoy the Plymouth Arts Center's ever growing line-up of visual and performing arts events.

The Mill Street Guild was established at the Plymouth Arts Center in 2009. They are local performers ages 17 and older from the greater area that come together with a common goal to provide an exciting and highly energetic experience not only for the audience, but for those in the show. Musical direction and choreography are organically produced within the group, as well as utilizing talents in art, costumes, staging, and general organization within the group. Auditions are typically held each year in April or May. The Plymouth Arts Center is delighted to present Mill Street Guild, serving as their home. Together they have successfully been producing "Mill Street Live" for eight consecutive years as well as several fundraising musical performances, including some of their recent productions: i.e. "25th Annual Putnam County Spelling Bee," "Love is An Open Door," and "An Evening of Mill Street Live."

## DNR land sale parcels listed online

A list featuring 128 land parcels under department review in the third year of Department of Natural Resources land sale efforts is now available for review online.

Parcels currently under review are located in 37 counties and total approximately 5,3200 acres. Some of the parcels are located in all area counties—Calumet, Manitowoc, Fond du Lac, and Sheboygan—including parcels east of Mount Calvary along CTH CCC and Walnut Road, and in the Killsnake and Collins wildlife areas. For more information visit [dnr.wi.gov](http://dnr.wi.gov) and search keywords "land sales."

In June 2014, the Natural Resources Board approved the sale of 22 parcels (totaling 1,407 acres), as a part of the first phase of DNR land sales. In February 2016, the board approved the sale of an additional 81 parcels (totaling 5,633 acres) as part of the second phase of land sales.

A review process conducted by DNR field staff will consider each parcel's recreational utility, natural resources values, and how the parcel fits within the department's overall portfolio of real estate holdings. The department owns more than 1.5 million acres of land; sales and exchanges are part of the department's routine management of its land holdings.

The importance of on-the-ground parcel review was identified during the land sale process to determine if any exceptional natural resource or recreational value is present. These field reviews will take place over the next two months, and final department recommendations will be presented to the Natural Resources Board Sept. 28. DNR staff hopes to gain approval to sell approximately 3,000 remaining acres required under Act 20 and market parcels for sale in 2016 and 2017.

Wisconsin Act 20 requires at least 10,000 department-owned acres located outside of project boundaries to be made available for sale by June 30, 2017, and net proceeds will be used to repay outstanding public debt related to the Knowles-Nelson Stewardship Program.

The sale of department-owned lands under Act 20, passed into law in June 2013, will help resolve key boundary and access issues, realign land ownership with conservation partners and private citizens for more efficient management, and allow the department to work closely with partner and stakeholder organizations to meet common property and conservation goals.

To view a list of lands currently being reviewed by field staff for possible sale, visit [dnr.wi.gov](http://dnr.wi.gov), search keywords "land sales," and click on the button labeled "parcels for review and sale."

# From table to generosity

## Local church offers proceeds from Lenten meals to community

Grace Lutheran Church offered light suppers to the community during lent this past year and accepted free will offerings for them.

The meals were prepared, served and paid for by members of the congregation. It was a wonderful time to get acquainted with members of the congregation and meet friends of the community.

A free-will offering was accepted and the proceeds were donated to the Elkhart Lake-Glenbeulah Elementary and Middle School Emergency Fund, Elkhart Lake Police Department for ballistic helmets and the Elkhart Lake Fire Department for new pagers and smoke alarms to be given to area residents.

Receiving the funds Deb Hammann,

Elkhart Lake-Glenbeulah Schools; Michael Meeusen, Chief of Police Elkhart Lake Police Department; Pat Zorn, Fire Chief Elkhart Lake Fire Department. Presenting the funds Pastor Peter M. Peitsch Grace Lutheran Church, Elkhart Lake; Jerome A. Heisdorf, President Grace Lutheran Church.

## All Saint's Chapel

You are invited to worship with us  
 Sunday mornings at 9 am,  
 Memorial Day through Labor Day.

Worship in an English-style chapel nestled in a wooded grove just outside of Elkhart Lake, on Highway P, approximately 1/2-mile south of the public boat landing for Elkhart Lake.

Casual summer dress appropriate

The Chapel is an Ecumenical Outreach of Grace Episcopal Church Sheboygan, Wisconsin

visit our website:  
[www.gracesheboygan.com](http://www.gracesheboygan.com)

At Wade House's Ginger Beer Making program guests will get to observe the brewing process as staff use an original Victorian ginger beer recipe, mixing ginger, cream of tartar, sugar, boiling water, lemon juice and yeast.

# Wade House staff to brew ginger beer

On Saturday, July 23, and Sunday, July 24 from 10 a.m. to 5 p.m., in the Wade House summer kitchen, costumed interpreters will brew ginger beer, a soft drink that originated in Yorkshire, England, in the mid-18th century and was introduced in the United States in the mid-19th century, reaching a peak of popularity in the early 20th century.

In "The American Frugal Housewife," a popular 19th-century manual for homemakers, author Lydia Maria Child remarked that, "beer is a good family drink." On July 23 and 24 visitors to the Wade House will get to taste ginger beer and decide if they agree with Ms. Child's description of this cool and pleasant summer beverage from long ago.

Guests will also get to observe the brewing process as staff use an original Victorian ginger beer recipe, mixing ginger, cream of tartar, sugar, boiling water, lemon juice and yeast. Once all the ingredients are combined, the mixture will ferment over a few days, turning it into ginger beer, an excellent beverage with a

fine flavor to savor on a hot summer day. Copies of the period recipe will be available for guests who may like to try to make ginger beer at home.

"Ginger Beer Making" will take place at the Wade House historic site in Greenbush. Visitors will begin the special experience at the new Wade House Visitor Center and Wesley W. Jung Carriage Museum located at W7965 State Highway 23. Admission is \$11 for adults, \$9.25 for students/seniors, \$5.50 for children (5-17) or \$30 for a family (up to two adults and two or more dependent children).

Admission includes a tour of the new Wesley W. Jung Carriage Museum, a horse-drawn vehicle ride to the historic area, a guided tour of the stately, 27-room stagecoach hotel, a trip to the Herrling Sawmill to see and feel the rumble of an up-and-down, water-powered saw, and a journey to the blacksmith's shop.

Wade House is one of 12 Wisconsin Historical Society historic sites and museums. For more information, please call 920-526-3271 or visit wadehouse.org.

Visitors to the Wade House will get to taste ginger beer, a cool and pleasant summer beverage from long ago.

## Henschel, Mehre serve on Wisconsin FFA honor band

Summer Henschel, daughter of Jon and Jennifer Henschel and Jason and Anita Schwobe, and Jessica Mehre, daughter of Roger and Kelly Mehre, of the Elkhart Lake-Glenbeulah FFA Chapter were named as members of the State FFA Band and performed at the 87th State FFA Convention at the Exhibition Hall-Alliant Energy Center in Madison June 13-16, 2016.

Over 80 talented young musicians came together from across the state to entertain the over 3,000 FFA members, advisors and guests during the convention, performing at several convention sessions. The band members were selected by application and audition tapes by the State Band Director, Mr. Monte Dunnum, Director of Instrumental Music at Westby High School.

"The first time these students practice together is at the State FFA Convention. They begin rehearsing the first morning of the convention and shortly after perform for the entire convention. They are a really talented group," says Cheryl Zimmerman, State FFA Executive Director. The State FFA Band also represents the Wisconsin Association of FFA at the Wisconsin

State Fair in West Allis in August. They perform over a four-day span at events during the fair.

Students must be a member of their local FFA chapter in order to participate in the State FFA Band. Students must submit their application and audition tape to the Wisconsin FFA Center by Feb. 5. Contact your local FFA advisor for applications.

The Wisconsin Association of FFA is a leading student organization due to the efforts of more than 20,400 students across the state. With a focus on premier leadership, personal growth and career success, students' FFA activities complement agricultural classroom instruction by giving them an opportunity to apply their skills and knowledge while gaining real-world experience. These activities are dependent on donor funding through the Wisconsin FFA Foundation. For more information about Wisconsin FFA and the Wisconsin FFA Foundation visit [www.wisconsinffa.org](http://www.wisconsinffa.org) or [www.wisconsinffafoundation.org](http://www.wisconsinffafoundation.org), become a fan of Wisconsin FFA Foundation on Facebook, or call 715-659-4807.

# Borland feted as top young professional

**By Mike Mathes**  
for the Depot Dispatch

Elkhart Lake entrepreneur Gina Borland earned recognition recently as one of the top young professionals by the board of the Next Wave group of top young professionals from the Sheboygan County Chamber of Commerce.

Borland, the proprietor of Gina's Fine Gifts & Framing and its companion business, Elkhart Lake Outfitters, was thrilled that her peers have noticed the hard work put into her business.

Also a member and on the board of the Elkhart Lake Chamber, Gina said it felt a little awkward to receive personal attention for this award, since she likes it best when the spotlight shines on her store instead of her as the owner.

"But, we have put in 12 years of hard work, and it's pretty spectacular to be acknowledged for that," she said. "It's exciting to be nominated and recognized, and to know that the surrounding community is paying attention to the cool things you are doing."

Borland opened Gina's Fine Gifts and Framing 12 years ago and has continued to grow over the years by offering an ever changing melange of exciting and eclectic gift items.

Borland's propensity for growing her business and always keeping things fresh and new allowed her to open Gina's Fine Gift's companion business Elkhart Lake Outfitters.

"We opened Elkhart Lake Outfitters two years ago," she said. "I have always been an outdoor enthusiast—I love cycling, running, hiking, paddle boarding, snowboarding—just about anything that's associated with the outdoors. I wanted to sell apparel that I love and brands that have resonated with me from my years of enjoying the outdoors."

Borland said her retail store has been well received by the Elkhart Lake community—residents and resort guests alike. "We are open year round and it's nice to have locals as well as the visitors to our great village appreciate and support what we have to offer," she said.

## Keeping things new, fun

Customers keep coming back to Gina's and Elkhart Lake Outfitters because Borland and her team know how to keep things fun.

"We are always looking to keep things new, and people enjoy that. We work hard at refreshing our inventory cycles," she said.

The young entrepreneur also pointed to her friendly staff as a key to keeping things fresh and fun at the store.

"I pride myself in having great people to work with me, instead of just working for me," she noted. "They are always smiling, friendly and willing to just sit and chat with customers. It's this kind of attitude and atmosphere that make up most of the businesses in Elkhart Lake—and also one of the many reasons why Elkhart Lake is such a gem of a community."

Borland acknowledged that she is lucky to be located in a village that has so many different offerings, from auto racing to beautiful resorts, outdoor recreation, breathtaking scenery and a host of great restaurants.

"It's all part of what makes Elkhart Lake such a fun and special community. We live in a cool place with awesome people where we can enjoy lake life, the Kettle Moraine bike trails, hilly roads that go for miles in any direction perfect for the avid cyclist, beautiful resorts and so many great dining options one never really need leave town during the summer," Borland said.

Borland also touted the cooperative efforts of chamber member businesses to support each other. "We have a great amount of synergy here. None of us could be here if all of us weren't here," she said.

"Your business never gets short-changed when you help promote other people's businesses."

## Dual businesses

Gina's Fine Gifts & Framing offers "perfect gifts for any occasion."

The store carries a vast selection of rustically elegant home furnishings and decor items, clever kitchen gadgets, fine teas and linens as well as an eclectic collection of unique and fragrant candles, diffusers and bath & body products.

Gina's also carries a great selection of purses, accessories, fine artisan and custom jewelry.

The shop features a great children's section with classic toys and baby gifts as well as humorous greeting cards, fine stationery and gift wrap.

Gina's is also a full service custom frame shop. Design experts with more than 15 years of experience await the opportunity to assist customers with the perfect design concepts to preserve and accent their cherished pieces of artwork.

## Elkhart Lake Outfitters

Elkhart Lake Outfitters specializes in men's and women's outdoor/active lifestyle apparel and shoes.

The premier apparel lines include Patagonia, Toad & Co., Kuhl, Prana, Lole, shoes by Keen, Sanuk, Olukai and many more.

"We like to offer products designed to fit people's active lifestyle and lake living needs," Borland said.

Elkhart Lake Outfitters also carries accessory items like Camelbak water bottles, a large selection of bags, seasonal hats, scarves, sunglasses, watches and Smartwool socks.

Borland said maintaining brand selections of the highest quality is important

Gina Borland, right, accepted the Next Wave honor from the Sheboygan County Chamber of Commerce with her friend Shannon Roeh present for support. The presentation honored 10 top young professionals in Sheboygan County.

Jaclyn Stuart photo

for an outdoor minded customer base.

"If you are going to play, you might as well play with the right gear. You will be better off for it in the long run," she said.

Gina's and Elkhart Lake Outfitters is open year-round. Stop in and see all the great offerings available to you right here in Sheboygan County!

# Students, Cedar Bay work on joint project

Elkhart Lake-Glenbeulah School and Cedar Bay Assisted Living come together! Several times throughout the school year students of Elkhart Lake-Glenbeulah School district came together to interact with residents of Cedar Bay Assisted Living in Elkhart Lake.

The Tech Ed class, taught by John Ostermann, built raised 2 raised plant beds and the Horticulture class, taught by Michelle Arbuckle, planted them with vegetables and filled pots with blooming plants that are enjoyed by everyone visiting Cedar Bay. The vegetables grown will be used in the kitchen at Cedar Bay to prepare recipes for the residents.

The 4 year old Kindergarten class taught

by Mary Bauer came to Cedar Bay monthly to exercise with the residents.

7th & 8th grade social studies class, taught by Chris Petrie and 7th grade literature class, taught by Pat VanDuerm, interviewed residents about local history and made a video of the interviews for a Living History Project.

The plan is not set yet, but the instructors are working on the details this summer and plan to do some type of video/website premier event this fall with the students and community members.

The students and the residents both benefit from the relationship and look forward to more interaction in the coming school year.

# JB Realty proud of Elkhart Lake roots

**By Mike Mathes**

for the Depot Dispatch

JB Realty founder John Buss is proud of his Elkhart Lake roots.

In the business of real estate for nearly 40 years, John grew up in the Elkhart Lake area, and continues to operate his business mainly out of his Elkhart Lake home.

John has 39 years experience in real estate. He has worked for five different companies as a licensed real estate broker. Since 1992, he has operated his own real estate firm, known as JB Realty, serving a radius of 50 miles from Elkhart Lake.

The Elkhart Lake chamber member has been involved in all varieties of real estate transactions, including the selling of land, homes, bars, supper clubs, mobile home parks and more.

Since starting JB Realty, John sells and lists businesses and property in that radius, mostly in the communities of Elkhart Lake, Plymouth, Glenbeulah, Kiel, St. Cloud, Mt. Calvary, Hilbert, Chilton and New Holstein.

John opened an office in New Holstein in 2009, and continues to serve customers from that location as well as his home.

On occasion, his wife, Lorrie, of 38 years, also assists with the business. She also has a broker's license.

The Buss family has three married daughters with six grandchildren and a seventh on the way this October.

**John Buss of JB Realty continues to serve real estate needs in a 50 mile radius of Elkhart Lake. JB Realty, John's company, was founded in 1992. He has been actively involved in the real estate business for his company and others for 39 years.**

## All about people

John said that the real estate business is a people business. "You have to be honest and hard-working and ready to serve your clients," he said.

"The most rewarding thing is helping people with their dreams—whether it's helping to sell someone's home, or helping people to find just the exact right house for them and their family. It's all about helping people with their needs," he said.

## Professional affiliations

In addition to being a licensed real estate broker, John also maintains several professional affiliations.

He is a member of the Sheboygan County Board of Realtors and the MLS (multiple listing service). He is also a member of the Wisconsin Realtor Association and the National Association of Realtors.

To contact JB Realty, you can use phone or email. Email [jbrealty1@yahoo.com](mailto:jbrealty1@yahoo.com) or call 920-876-3357.

You can find JB Realty listings and information on the firm's website at [jb-realty.net](http://jb-realty.net).

Join First Lady Tonette Walker in her walk to promote health and fitness while showcasing Tourism and Wisconsin's beauty in Elkhart Lake, WI.

July 7, 2016 • 9:30am

Hosted by The Osthoff Resort in partnership with the Wisconsin Department of Tourism.

This 2-mile walk is free and will be held rain or shine.

Meet at 9:15am at The Osthoff Resort  
101 Osthoff Avenue – Elkhart Lake, WI 53020

## Roads closed on Vintage Night in Elkhart Lake

July 15 will bring yet another vintage race parade into the streets of Elkhart Lake. Residents are reminded that several streets will be closed in the late afternoon and early evening.

For July 15th Vintage Night: S. East, S. Lake, E. Rhine, Square, and part of W. Rhine Street will be closed from 3:30 pm until 8:00 pm.

Residents would live on those streets can pick up passes in order to access their residence by coming into the Village Offices. If you have questions, please call 920-876-2244.

**Congratulations to Morgan Vollbrecht, an eighth grader at Elkhart Lake-Glenbeulah Middle School, for being selected as the fourth quarter Student of the Quarter! Morgan was nominated by Crystal Schipper, a sixth grader. Morgan earned the award for her generosity and helpfulness. Morgan, a member of the student government, has tutored students in the middle school for several years. Way to go Morgan on your achievement.**

# Seed-to-table effort shines through

This past October, the community celebrated the ribbon cutting of the new greenhouse at Elkhart Lake - Glenbeulah High School.

The generosity of our many community members made the purchasing of the building and equipment a reality and opened new opportunities for collaboration between the Agriculture and Family and Consumer Sciences students. The Carl Perkins Grant also provided funding to the project in the form of curriculum development for Mrs. Beth Roehl, Family and Consumer Sciences Teacher and Mrs. Michelle Arbuckle, Agriculture Teacher.

Mrs. Arbuckle's Animal, Plants and Pizza class and Mrs. Roehl's Culinary Arts 3 class collaborated this semester in a Seed-to-Table project that focused on student's working in a team, applying their current knowledge, teaching others that knowledge, planning a project from beginning to end, and marketing their project to the other students and staff. The end goal was for the students to grow a green in the greenhouse, choose a recipe utilizing that green, and harvest the green by April 6 for the school luncheon on April 8. The groups were assigned different greens to grow: arugula, spinach, endive, spring lettuce, pak choy, Swiss chard, and collards.

The Animals, Plants and Pizza class shared their expertise of planning within the greenhouse, germination, pest control, water testing, and harvesting. During the process of growing the greens, some of the greens did not grow to the anticipated timeline. The students then engaged themselves in problem solving and critical thinking to determine the next plan of action. Some of the groups changed the environment a bit by adding certain beneficial insects to eliminate insects that were feeding on the crop, other groups researched their options and chose to grow microgreens that would still complement their green in their recipe but also supplement their original greens. Two of the groups were fortunate and did not have any problems with the growth of their crop. Throughout the growing process students monitored and tracked the progress of their greens to ensure that they would meet their deadline on April 6.

While the greens were growing, the students chose a recipe that would be prepared to sell at the all school lunch on Friday, April 8. The students chose Arugula Bites, Spinach Quiche, Farfalle Pasta with Bacon and Endives, Zuppa Toscana Soup with Swiss Chard, Caesar Salad, Honey Chicken with Pak Choy, and Walking Tacos. Each group needed to convert their current recipe into a yield of 25 four oz. servings. Throughout this process, students learned how to cost a recipe, plan the preparation of the recipe, create a grocery and equipment list, and ensure proper food handling and safety, particularly with allergens, using ServSafe principles.

The last part of the project was to market the lunch choices to the students and staff. Many of the greens were unfamiliar to the students in the class, so they knew that they would also have to educate the rest of the students and staff about their product to ensure sales. The groups marketed their product using technology, announcements, posters, promotions, word of mouth and sales flyers. Sales were tracked the day of the lunch to determine the effectiveness/success of their market-

**Classes from Elkhart Lake-Glenbeulah High School put the school's new greenhouse to good use this school year, combining skills taught in several different subject areas to create a seed-to-table project, beginning with growing the foods through the process of serving food to "customers."**

# Wisconsin Kids make tracks for Arts Center show

The Kids from Wisconsin are back for their 48th show season with a talented group of 33 KIDS representing 29 different hometowns across Wisconsin.

The Plymouth Arts Center will be hosting the Plymouth Show on Saturday, July 23 at 7 p.m. at the Plymouth High Auditorium and is very proud of "Plymouth Kid," Alex Turicik who will be playing guitar in the band. Tickets for general seating, ranging from \$10 to \$15 plus tax are on sale now at the Plymouth Arts Center, 520 East Mill Street, Plymouth or online: [www.plymoutharts.org](http://www.plymoutharts.org), or call (920) 892-8409. The Plymouth Show is sponsored by Sargento.

The Kids from Wisconsin also invite community youth to share in their love of performing with a free afternoon outreach program. This brief hands on program, "Realize Your Dream" is designed for children 7 to 13 years of age and will be held the same day from 3:30-4:30 p.m. in the auditorium. Those interested in attending are encouraged to pre-register with the Plymouth Arts Center: email: [info@plymoutharts.org](mailto:info@plymoutharts.org), or online.

The KIDS are embodying this year's

tour theme, "Sing!" borrowed from the same-titled song by two-time Grammy winning a capella group Pentatonix. The lyrics tell listeners to "Get up and dance, just feel that beat and sing it" - and that is what the KIDS are ready to do this tour season.

Executive Director Tina Weiss said "It is a gift to be able to bring the KIDS to their hometowns to 'Sing!' Having a hometown KID in the Kids from Wisconsin is very exciting for these communities, and something to be proud of. Enjoying and participating in the KIDS experience has had a positive impact on the lives of our 900 alumni and the nearly five million audience members inspired by our performances for nearly 50 years."

Thirty-three of Wisconsin's most talented youth, along with 10 camp alternates, were chosen during statewide auditions in February. The troupe is comprised of 20 singers/dancers and a 13-piece show band.

## Plymouth's Turicik part of Kids troupe

Alex Turicik, a freshman at Plymouth High School, will join the Kids from Wisconsin troupe on guitar. Kids From Wisconsin showcases the most talented youth in a full musical revue for all ages, consisting of 20 singers/dancers and a 13-piece show band that performs inspiring, entertaining, musical productions to over 100,000 people each summer.

Alex performs in a variety of school groups including concert, jazz, and pit bands, momentum show choir and acoustic club on guitar, trombone and ukulele. Alex also lends his talents to his church's contemporary group and enjoys sharing the stage with his father and uncle's band. He is also a member of his school's comedy improv group, the Jolly Pranksters.

Alex appreciates the musical wisdom he has been given from his teachers, Mike Slupski and Jason Sebranek. Music performance is also a large part of Alex's family history. He is honored to carry on the tradition by joining the 2016 KIDS family.

Alex's homeshow will be in Plymouth hosted by the Plymouth Arts Center with a performance in the Plymouth

**Alex Turicik**

High School Auditorium on Saturday, July 23 at 7 p.m. Tickets are now on sale for the show at the Plymouth Arts Center Box Office or online: [www.plymoutharts.org](http://www.plymoutharts.org). To view the entire tour troupe and the complete Kids from Wisconsin tour schedule, visit [www.kidsfromwisconsin.org](http://www.kidsfromwisconsin.org) Contact Tina Weiss [kidsfromwis@sbcglobal.net](mailto:kidsfromwis@sbcglobal.net); [www.kidsfromwisconsin.org](http://www.kidsfromwisconsin.org)

Thongs of participants were on hand in early June to take part in the annual Elkhart Lake Triathlon. Participants gathered on the grounds of the Osthoff Resort to give the three sport race their best shot.

## Greenhouse

continued from page 20

ing plan.

The students prepped the food on Thursday, April 7 and cooked it on Friday, April 8. This process simulated a restaurant experience and provided an opportunity for the students to be nervous, work as a team, problem solve and do what was needed to meet the deadline. The lunch was an exciting event and many of the students bought more than one item to try the different foods. Though some initially turned up their nose at some of the choices, they were pleasantly surprised. The students serving the food continued to market their products as the students went through the lines. Creativity was in the air as they all wanted their peers to try their product. The compliments the students received created a sense of pride for their accomplishments from this project.

As a reward, the students of the Animals, Plants and Pizza and Culinary Arts

3 classes toured LaClare Farms in Malone to see a different aspect of farm to table. LaClare farms is a goat farm that also has a cheese making facility and a restaurant. The funds earned from the lunch was used towards the cost of the trip.

This unique project created within the greenhouse and the culinary arts classroom was more than just a classroom collaboration. It was an exploration of healthier food choices, an understanding of growing food locally for nutritional and economic purposes, and an educational opportunity for students to teach and share their knowledge with each other, with the teachers guiding the students throughout the process. We thank the community for providing ELGHS with the greenhouse and culinary arts equipment as tools to be creative and collaborative in the educational process.

# Walk with Wisconsin's First Lady on July 7

The public and media is invited to join First Lady Tonette Walker as she hosts "Walk with Walker" in Elkhart Lake on Thursday, July 7 at 9:30 a.m.

The guided walk will be approximately two miles beginning at The Osthoff Resort and looping through the Village of Elkhart Lake to Vollrath Park and back to the resort.

"Wisconsin is home to more than 15,000 inland lakes, and Elkhart Lake combines pristine lakefront views with historic small-town charm," said Mrs. Walker. "I'm looking forward to experiencing the beauty of the lake and surrounding community."

Walk with Walker events are free and open to the public. They promote health and fitness while supporting tourism in Wisconsin by showcasing the state's natural beauty. These walks also provide a unique opportunity for participants to spend some time with the First Lady while enjoying Wisconsin's treasured hiking opportunities. Participants are advised to bring the following items with them: good walking shoes, hat, sunscreen, insect repellent, appropriate outerwear for the weather, camera and water. Participants will gather at 9:30 a.m. at the following address:

The Osthoff Resort, 101 Osthoff Ave., Elkhart Lake.

The Blind Horse Restaurant and Winery in Kohler would like to thank all who participated in their first annual Run With Angels 5K event and Art & Wine Festival and charity dinner. The event was held to benefit the Sharon S. Richardson Hospice. A total of 396 runners/walkers participated in the event in memory of loved ones. The dinner was sold out and a record number of paintings were sold. More than \$33,000 was raised for the hospice. The Blind Horse extends its appreciation to the more than 40 volunteers who came out to help make the day such a success.

# Distance event rides again at MPTC

Moraine Park Technical College held its fifth-annual Distance Challenge recently at the College's Fond du Lac campus.

The event is hosted by Moraine Park's Process Engineering Technology and Mechanical Design programs. High school students build a device of 30 pounds or less to hurl or throw a rubber ball, with whatever contraptions getting the furthest "throws" declared the winner.

Four high schools entered teams this year: Mayville; North Fond du Lac; Elkhart Lake; and GPS Education Partners, a charter school in Jackson.

Tom Roehl, process engineering technology instructor at Moraine Park, said the event is a great way for students to learn collaboration, hone their critical-thinking skills and have fun.

"The competition is held as an opportunity for high school students to design, build and test a device under the constraints of weight, time and budget in a fun and low-pressure environment," Roehl said. "Students also win prizes donated by local manufacturers and are exposed to career opportunities in manufacturing and engineering while at Moraine Park."

This year there were six total entrants, four in the "Slingshot" division and two in the "Other" division, both being catapults.

Elkhart Lake-Glenbeulah's entry named Sling-Shot took first place in the "Slingshot" Division with a throw of 260 feet. Owen Kalbacken designed and built Sling-Shot. Elkhart Lake-Glenbeulah's Claw took second place with a throw of 76 feet. Team members were Kalbacken

and Jon Roll.

"Each year that we have held this competition, I've been impressed with the creativity shown by the students," Roehl said. "This is an excellent project for high school students because it requires design, manufacturing and troubleshooting, all of which are skills that employers look for in skilled labor fields."

In addition to the competition, the students also had opportunities to tour the College and talk with local employers.

John Ostermann, Elkhart Lake-Glenbeulah High School Technology Education, felt Moraine Park's Distance Challenge provides a great learning tool.

"Events like this are a great way for students to learn beyond the classroom. It forces students to push themselves beyond what they know and see in class. They have unknown opponents and a set of rules set by the event rather than a teacher," Ostermann said, adding "While testing at school, students often ask 'Do you think

this is good enough?' They are typically looking for approval and someone to say 'Good job, it's done.' In this case, I simply ask them if they think the other team's device is "good enough" yet, or do you think they are still pushing their design to do better?"

For more information on Moraine Park's Process Engineering Technology or Mechanical Design programs, visit [morainepark.edu/programs](http://morainepark.edu/programs).

## July mystery photo

# Down Memory Lane— Recognize these photos?

Take a look at July's mystery photo at the top. Do you know anything about it? Where was the location? What was the approximate year? Do you know anyone in the photo?

If so, let us know!

Send an email or letter with as many details as you can include. The person with the best submission will receive a finely matted, quality enlarged print of the original, courtesy of Schamberger Gallery in Elkhart Lake. Winners must pick their prize up at the Elkhart Lake Chamber office.

**June's winner goes to the following submission from Dale Lanser.**

The buildings as far back as I can remember.

The white building on the far left was the original Road America office.

To the right of Road America office building was Nametz Hardware Store (with the truck in front of building).

The far right building in front of the cars

was owned by Heinie Adler, which had a grocery store on the left of the building and a tavern on the corner with several apartments up stairs.

Warpie Goodrich (a chef at Q's Quarters) and Doug and Pam Lueck lived upstairs while they were young and getting ready to take over Siebkens from Ollie.

The tavern was Shuellers Bar then Bill Bauer ran it and then Arnie Lanser (Arnie's Sportsman's Bar). My name is Dale Lanser the son of Arnie Lanser.

This is what my memories were growing up there.

I recall after school I had to get Heinie's paper from the post office for him while he played cards. I would get a tip accordingly as to how well he was doing in cards sometimes a quarter and sometimes 50 cents. His daughter Louise Kestell worked at the Bank of Elkhart for many years.

The two older fellas on the bench probably were Ben Buck who stayed at the Kettle Hotel where Subway was. The other

## June mystery photo

gentleman was Frickie who would tend bar for us once in awhile who also liked his Paul Jones Whiskey.

Growing up in the tavern business was interesting. I was in trouble at times. Like during the Road America June Sprints I got caught throwing water balloons from the rooftop.

I also sold night crawlers that I got from the village park for 25 cents per dozen.

I also had rummage sales, which I sold my dad's army medals for 75 cents and his Eiffel Tower cuff links. He got back his army medals, thank God. I did get a few lickings in my day which I had coming.

I also remember when they were one card player short they would tap on the pipe and Warpie would come down and play cards. I also remember those stained glass windows that said Tavern on them and Plymouth Spring logo on the front of

the building.

There also was a dumb waiter inside that was once used to bring down food from the upstairs kitchen and beer up from the basement. All in all it was enjoyable. Now I have purchased Crystal Lake Golf Course, which is called Sir Lanser Lot Golf Course.

So I'm back at it.

—Dale Lanser

**May's winner goes to the following submission from Lisa Lutzke**

She identified the Rhine Civil War Memorial from May 2015 as Walter Schalk faces towards Veterans Memorial.

To get involved with our Down Memory Lane contest email your entry to depot-dispatch@elkhartlake.com, or mail it to: Depot Dispatch, P. O. Box 294, Elkhart Lake, WI 53020-0294.

## Fireman's Picnic July 1, 2 & 3 at Fireman's Park on Elkhart Lake

### Friday, July 1

8 pm–midnight  
**Johnny Wad**

9:30 pm  
**Fireworks**

### Saturday, July 2

8 pm–midnight  
**Mt. Olive**

### Sunday, July 3

11:30 am

Featuring the UW Marching Band performing a 5th quarter after the parade in the park

1–5 pm

### Jerry Schneider Orchestra

**Food, beer, soda and entertainment all weekend long!**

**FREE ADMISSION**

The University of Wisconsin Marching Band is headed for Elkhart Lake again, literally, as the band has an engagement to play in the annual Elkhart Lake parade and at Fireman's Park on Sunday, July 3.

# Sargento announces new staff members

Sargento Foods Inc. announces two recent additions to the Consumer Products Division. Cami Schenck has joined the company as Senior Digital Marketing Manager and Phill Murphy has joined as Category Insights Manager.

Cami will be responsible for the planning, development and implementation of digital, mobile and social marketing strategies designed to help build the Sargento brand and to achieve profit and volume goals. In this new role, Cami will serve as the Sargento internal expert on all digital, mobile and social channels. She will report to Erin Price, Director of Integrated Marketing Communications,

and will be based in Plymouth.

"I am confident Cami's experience and education will make her a great addition to our Integrated Marketing Communications team and the Sargento family," said Louie Gentine, CEO of Sargento Foods.

Prior to joining Sargento, Cami held the role of Media and Integrated Marketing Manager at SC Johnson, where she was responsible for driving media planning and communications. Additionally, she worked closely with respective brand teams and agencies to develop effective and innovative strategic communication plans.

Cami earned her bachelor's in journal-

ism with an emphasis in advertising and public relations from the University of Wisconsin in Madison.

Within his role as Category Insights Manager for Albertsons Companies, Phill will focus on improving category management, customer planning, sales execution and financial results across divisions as well as the Boise, Idaho HQ Team. He will leverage his expertise in shopper insights, loyalty card and syndicated scan data to continue to accelerate category growth at Albertsons Companies. He will report to Brian Ginn, Sales Team Leader, West, and reside in Walnut Creek, California.

"With his extensive category manage-

ment and Albertsons Companies experience, we are eager to have Phill collaborate with our customers to drive results," Louie said. "We welcome him to the Sargento family."

Previously, Phill worked at WhiteWave Foods as a Category Solutions Manager. In his role, Phill worked with the Albertsons/Safeway field sales team and developed and executed category management and sales strategies.

Phill earned his bachelor's in communication studies from Niagara University in Lewistown, New York.2

## Bill Bartnik Named Vice President of Manufacturing at Sargento

Sargento Foods Inc. announces William (Bill) Bartnik has been promoted to Vice President of Manufacturing in the Operations Division.

Bill's promotion comes after 16 years with the Sargento family, starting as a Manufacturing Engineer and growing into a Production Manager for the Shredded Cheese product line. He then held the role of Plant Manager in Plymouth for 11 years before leading the manufacturing systems unit.

"Please join me in congratulating Bill on his well-deserved promotion," said Louie Gentine, CEO of Sargento Foods. "I am confident his collaborative leadership style and strong knowledge of manufacturing will continue to strengthen the division."

Bill will be responsible for directing and coordinating manufacturing activities, working closely with the Senior Vice President of Manufacturing and Engineering to help formulate and administer policies and objectives. He'll focus on plant operations to ensure efficient performance, high food safety standards, personnel safety, employee satisfaction and on-time customer delivery.

Most recently at Sargento, Bill served as the Director of Manufacturing Systems, where he identified and led many continuous improvement initiatives across all plants. He also champions the company's involvement in the Manufacturing All Stars program to promote manufacturing as a career. Prior to Sargento, Bill worked at Oscar Mayer and Kraft Foods for 12 years.

He earned his Master of Business Administration from St. Ambrose University in Davenport, Iowa, and his Bachelor's in Industrial Technology with a concentration in Manufacturing Engineering from University of Wisconsin-Stout in Menomonie. Bill will report to Mike McEvoy, Executive Vice President of Operations.

# Elkhart Lake Village Report

## Caboose restoration work begins

### Caboose Restoration

The restoration of the caboose is underway. Fred Bauer will be on site for the next five weeks working on the project. Stop by and say hello to Fred. He is a wealth of knowledge on rail cars. We are hoping to dedicate the caboose on Downtown Night, Aug. 8. The time will be announced at a later date.

Thanks to all who have contributed. A special thanks to Michael Crowley who gave us a substantial donation to get us started. The committee, consisting of Mike, Steve Kapellen, Steve Sutcliffe, Jessica Reilly, Dick Wehmeyer, Pat Zorn and Rich Solek, has been very helpful with the project. Dick Wehmeyer and Steve Sutcliffe's father were instrumental in bringing the caboose to Elkhart Lake in the 1970s.

The Elkhart Lake Historical Society has been raising money for the project and is still looking for donations. Checks can be sent to the Elkhart Lake Historical Society in care of the Village Office, 40 Pine Street, P.O. Box 143, Elkhart Lake, WI 53020.

Since we are restoring the inside of the caboose we will be offering tours of the caboose for one hour during Downtown Night.

### Planning Commission

The Planning Commission did not meet in June. It is expected that at the July Planning Commission meeting there will be a presentation from Bob Werner concerning a proposed housing development. This project will consist of duplex and single-family housing.

Victory Lane is nearly complete. The Village is waiting for streetlights and stop signs to be installed before the road is opened. The Tree Commission is working with Public Works on planting trees in the new parkway.

Construction of Victory Auto has begun on Rhine Street and Victory Lane. A 13,000 square foot building will have space for car storage and detailing. High-end cars and vintage motorcycles will be available for purchase.

### Subway Returns

The Subway restaurant should be open by July 1. Welcome back to Elkhart Lake.

### Beach Passes

Passes for the Village Residents Beach are available at the Village Office. This is the first year of the pass, so if you have not purchased a pass since January, you will need to purchase a new one. Residents need a pass in order to use the Village Beach. The beach passes can be purchased at the Village Clerk's Office from 8:30 a.m. to 4:30 p.m.

### Building Permits

Please be aware if you are doing any remodeling on your home or business you need to get a building permit from the Village prior to commencement of work. Contact the Village at 920-876-2122 for information.

Engine 737 derailed North of Lake Street – Circa 1880's.

### Elkhart Lake Fireman's Picnic

Don't forget that the Annual Fireman's Picnic starts on Friday, July 1 with a spectacular fireworks display on Elkhart Lake. Listen to great music on Friday and Saturday night along with enjoying great food. The parade is on Sunday featuring the Elkhart Lake High School Band and the University of Wisconsin Marching Band. Proceeds from the picnic go toward park enhancements and equipment for the volunteer fire department. If you would like to donate, please send checks to: The Elkhart Lake Volunteer Fire Department, PO Box 66, Elkhart Lake, WI 53020.

### Boating Regulations

A Coast Guard approved Personal Flotation Device (PFD) in serviceable condition is required to be in the boat and accessible for each person in the boat.

A speed of "SLOW NO WAKE" is in effect all year long from 7:30 p.m.-10 a.m. each day. "SLOW NO WAKE" is defined as the slowest possible speed at which a boat can operate while still maintaining steerage.

Maintain a speed of "SLOW NO WAKE" at all times when operating a motor boat between the shoreline and the NO WAKE buoys and within 100 feet of any craft at anchor, adrift or not operating under engine power.

No boat towing persons skiing, tubing or the like can come within 100 feet of swimmers, divers, rafts, other boats or restricted areas.

All boats engaged in towing skiers, tubers or persons in similar activities must have a competent person, other than the pilot, observing the towed person(s).

NO SUNDAY operation of motor driven boats, beginning the second Sunday of June and ending the third Sunday of September. Note: Only electric trolling motors allowed.

There is a radar-enforced speed limit of 35 MPH on the water.

A counter-clockwise course should be maintained while water-skiing, jet skiing, etc., and during the times of high-volume boat activity.

A complete listing of Elkhart Lake and the State of Wisconsin Boating Rules Regulations and Statutes is available at the Village Office in Elkhart Lake.

### Vintage Weekend Parking and Street Closures

Vintage Weekend takes place on Friday, July 15 and Saturday July 16. As you know, there will be a very large crowd in the Village, especially Friday night. This year the Village will be closing Rhine Street, Lake Street, Elm Street, and East Street from 3 p.m.-8 p.m.

Residents, who live in the affected area, can obtain passes to enter this area from the Village Administrator/Clerk Treasurer's Office. Parking will be available at most parking lots around the village. As always, it is good to be in the village well ahead of the 6 p.m. parade.

### Garbage Pickup Moved to Thursday on 4th of July Week

Garbage collection will be one day later when we are celebrating a Holiday on a Monday. For 4th of July week garbage pickup will be on Thursday, July 7.

### Beautification Committee

The Beautification Committee did a wonderful job mulching the garden beds this past month. These volunteers work in the garden beds throughout the downtown area. Volunteers are residents of the Village and the Town of Rhine. Thanks for making our Village look great. If you would like to volunteer to maintain gardens call Katie at 876-2122.

### Dog Owners – Dog Refuse Stations

Just a reminder to please pick up after your dogs. We have installed bag stations throughout the Village for your convenience. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at:

- S. End of Walkway
- N. End of Walkway
- Near Village Square Park
- S. Lake Street near Elm St.
- Osthoff Avenue

## Elkhart Lake Village Board Members

## The Road to Wellness

By Dr. Nic Giebler D.C.  
drnic@gieblerchiropractic.com

### Young Children Pay a High Price for Screen Time

Many parents are occasionally thankful for the television—after all, it can serve as a low-cost, short-term babysitter while they cook or do housework. At the same time, however, many parents are concerned about the amount of television that their children watch—and for good reason. Statistics tell us that in America, children under 6 watch an average of two hours of TV a day, and children 8 to 18 spend an average of four hours in front of a TV and often an additional two hours a day on computers or playing video games.

So what does all of this screen time mean for America's children? Recent research published in JAMA Pediatrics suggests that it results in poorer well-being and sleep and that it contributes to childhood obesity.

In the first study, part of a larger research project called IDEFICS (Identification and Prevention of Dietary- and Lifestyle-Induced Health Effects in Children and Infants), researchers examined 3,604 children aged 2 to 6 to determine if there was a relationship between their electronic media use and their sense of well being. They assessed the children based on six standardized indicators of well being (including emotional problems, peer problems, self-esteem, family functioning, and social interactions) and compared the results to the number of hours they spent in front of a TV, computer, or video game screen. They found that increased media use predicted much poorer senses of well-being. TV was found to be more harmful than

computer use, but overall they found that there was a 1.2- to 2.0-fold increase in emotional problems and poorer family functioning for each additional hour of media use.

A second JAMA Pediatrics study involving 1,713 Spanish children found that children who watched more than 1.5 hours of television per day had shorter sleep duration and began to suffer from sleep deprivation. Their sleep duration shortened with every extra hour of television watched over the 1.5-hour baseline. And in a third study, researchers found that increased media exposure resulted in sharply increasing BMI (Body Mass Index) scores, and thus a tendency toward childhood obesity.

So how much TV is too much? Every day more research comes out indicating that exposure to electronic media can have adverse effects on children—effects that can persist into adulthood.

As a result, the American Academy of Pediatrics (AAP) recommends that children under the age of 2 not watch any TV, as the first two years of life are a critical time for brain development. Television and other electronic media can prevent exploring, playing, and interacting with parents and others, all of which are critical for social development. In addition, the AAP suggests that children older than two watch no more than one to two hours of electronic media per day.

Summers in Wisconsin are short, but amazing. Get those kids outside and get them healthier!

## Historic breakfast Wade House offers hearth cooked experience for visitors

On Saturdays, July 9, Aug. 20 and Oct. 22 from 8-11 a.m., Wade House historic site in Greenbush will be hosting Breakfast at the Inn, a foodways program in which participants will have the opportunity to enjoy a delicious hearth-cooked meal, prepared with their own hands, in the historic Wade House stagecoach hotel.

Authentic recipes from late-19th-century cookbooks will be referenced as guests chop and stir, season and roast, preparing their midday meal. When the breakfast preparation chores are complete, guests receive a guided tour through the stately stagecoach hotel and learn about the respite, which it offered to weary travelers along the Plank Road between Sheboygan and Fond du Lac in the 1850s and 1860s.

Once breakfast is prepared, participants gather family style in the lovely Wade House dining room for a wonderful sit-down meal with lively conversation. The

menu will feature a delectably abundant feast of New England pancakes, eggs and tomatoes, toad-in-the-hole, pork sausage, quick biscuits, fried potatoes, baked apples and coffee. This satisfying encounter with central Wisconsin's past concludes with everyone pitching in to clear the table, wash dishes (19th-century style) and sweep the hearth.

Breakfast at the Inn costs \$45 per person, and reservations are required. If you have any questions about the program or would like to reserve your spot at the table, please call 920-526-3271. Private Breakfasts for groups of 10 to 20 may also be arranged.

The Wade House historic site is one of 12 Wisconsin Historical Society historic sites and museums. For more information, please call 920-526-3271 or visit [www.wadehouse.org](http://www.wadehouse.org).

July 26 - Issue on newsstands

# Clemens takes game to next level at UW

Stephan Clemens, a 2016 graduate of Elkhart Lake-Glenbeulah School and an Elkhart Lake native, has been playing soccer since he was 6 years old, and loves it just as much today as when he started.

He started playing in the YMCA recreation league and was lucky to have several coaches who kept the team playing together, and were always searching for more challenging opportunities. He played for the Jaguars, Sheboygan Soccer Club and Mequon Soccer Club. His team won the Badger State games, and the National Indoor Championships. He played high school soccer for New Holstein Elkhart Lake co-op team, and was named to the 1st team All Conference for three years and Defender of the Year this year for the EWC Packerland conference.

Steve's parents, Tim and Melinda Clemens, said "We've been watching him play soccer since he was 6 and are so

happy to see all his hard work paying off as he realizes his dream of playing college soccer."

At the end of his sophomore year he was invited to try out for the state academy team, the Football Club Wisconsin Nationals, and made the team. They played other state teams around the Midwest, and also in many national showcase tournaments. He attributes his team's success in these tournaments to the top level coaching he received at FC Wisconsin. It took his soccer game to the next level, and gave him the skills, experience and exposure to get to the next level.

Stephan is looking forward to joining the men's soccer team at the University of Wisconsin Madison this fall. He is majoring in International business and Economics or computer science.

Thanks for  
reading the

Elkhart Lake  
Depot  
Dispatch

Stephan Clemens has his eye on playing soccer for the Wisconsin Badgers.

## Awakening East: Moving our Adopted Children Back to China

by Johanna Garton

Author, Johanna Garton, will share her story of her family's one year in China giving her adopted children a chance to experience their birth-country.

"Garton holds nothing back in this moving, candid memoir. The story of her family's journey across the world is one that many people will relate to, even if they've never set foot in Asia. It was compelling, sometimes shocking, and often hilarious. This is a memorable read for anyone interested in adoption, travel, China, or parenthood in general." A.N. Willis, Author
