Rock a la Carte to Perform

Join Boji Bay Fun House and Event Center in Milford, on Friday, July 1, for a tribute to Queen with *Rock a la Carte*. An Iowa Great Lakes area favorite, Rock A La Carte comes back for their second summer at Legacy Park's free concert stage. This band melts together some of the Lakes Area's most experienced entertainers mixed with some of its best up and coming musicians. They pride themselves in their variety and diversity. Not only does this band give us an amazing Queen tribute, they also feature many classic rock songs from groups such as The Beatles, The Who, The Monkees, and many more. A fantastic show to start off your Fourth of July weekend. This show is brought to us by Farmers Savings Bank who will also be handing out 100 free bag chairs to the first 100 people in honor of their 100th anniversary! Gates open at 5:30pm and the show starts at 7:00pm

For more information, contact: Greta Gunderson at 402-320-1904 or gretahgunderson@gmail.com, or Reese Vedder at 712-209-4801 or reesevedder@gmail.com.

Please join us to meet with the artists and enjoy some award winning art. Summerwind Gallery is located in Arnolds Park, in the former location of Side Street Art and Framing, behind Captain's Getaway. "Pillar of Clouds" by Nancy Thompson, First Place, Iowa State Fair 2015

Women's Bowling Banquet

It was an Oscar themed night titled "The 42nd Annual Kegler Awards" with glittering stars dangling from the ceiling, gold and black table decorations, gourmet food ala Corner Lanes' Chef Carol and her elite staff, video clips (which were shot throughout the season by Gary Heady) and even a red carpet. The winner of each film clip category received a gold "Kegler" trophy and a single red rose. The categories were 1) And They All Fall Down... (Almost the bowlers, not the pins), 2) Clothing Adjustments, 3) Unique Approaches, 4) Colorful Characters, 5) Cocktails Anyone? and 6) Butts, Butts, Butts or Who's derriere is it? The bowlers went all out, dressing in their finest bling, makeup and evening wear. The sport of bowling has never looked so good. The highlight of the evening was recognizing the achievements of the Thursday Night Early Bird League members. The Indian Hills Golf Club team ladies were crowned League Champions by winning both the first and second halves of the season. I wonder if these ladies golf as well as they bowl? Diane Kroese's 177 average won the league High Average award; High Individual Game was bestowed upon Diana Heida and Becki Guritz who each rolled a 245 game during the season; High Series went to Carol Baines with a 611; Julie Weaver earned Most Improved by raising her average by 13 pins from last year; and Emily Boettcher was named Bowler of the Year. Indian Hills Golf Club team members pictured are: Charly Godfredsen, Julie Weaver, Tracy Shuck, Jean Reed. Not pictured Marcia McCarthy.

Free Youth Program At The Dickinson County Nature Center

If you're looking for something educational to occupy your children's time this summer, look no further than the Dickinson County Nature Center.

Free youth programming is held each week at the nature center in Okoboji --- Nature Tots for ages 2-5, Nature Explorers for ages 6-9 and Young Naturalists for ages 10-12.

Light bulbs are brightening during each Nature Tots, held year-round at 10:30am the second Wednesday of each month. Dozens of toddlers and their guardians gather together to read stories, play games, make crafts and explore the outdoors.

The next Nature Tots, held 10:30am, Wednesday, July 13, will encourage kids to get dirty, so make sure to dress toddlers in old clothes for the Get Muddy program. The Nature Tots program will also be held at 10:30am, August 10, September 14, October 12, November 9 and December 14.

Nature Explorers are getting Wet & Wild this summer, learning all about water during the program, held at 10:30am, bi-weekly. For the next program at 10:30am, Thursday, July 7, explorers will get an up-close view of the Microscopic Water World, seeing all the tiny creatures we don't realize are living in our lakes, rivers and wetlands.

Nature Explorers will be also be held 10:30am, Thursday, July 21 and August 4, and Petersen is especially looking forward to the final Wet & Wild program, Experimenting with H2O.

Older kids will also have the opportunity to get outside this summer for the Outdoor Survival-themed Young Naturalists program held 1:00pm, June 30, July 14, July 28 and August 11. Each session will focus on a different survival theme, and naturalist Charles Vigdal is looking forward to building survival shelters during the June 30 program. He plans to implement teamwork, science and engineering skills all while having fun outdoors.

Young Naturalists, Nature Explorers and Nature Tots are all free, one-hour programs. Please pre-register children by calling 712-336-6352.

For more information on summer youth programming or other Dickinson County Nature Center events, visit www.dickinsoncountynaturecenter.com. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

Hotel California to Perform

On Tuesday, June 28, *Hotel California* will be playing at Boji Bay Legacy Park in Milford.

Hotel California "A Salute to the Eagles" was founded with the intent of filling the void left by the demise of The Eagles in 1982. By blending their vocal and musical talents, five respected, top music industry professionals have faithfully and accurately reproduced the sound of the Eagles studio recordings for more than two decades.

The group performs 150 - 200 high profile events every year, as well as opening for some of the most prominent names in the entertainment industry. Each concert presents an exciting showcase of The Eagles mega-hits such as "Take it Easy", "Heartache Tonight", and "Hotel California" as well as newer releases "Get Over It" and "Love will Keep Us Alive".

This family friendly concert will be full of timeless music that is appealing to audiences of all ages, bringing back memories and touching the hearts of every generation. So join us now on a trip down a dark desert highway, feel the cool wind in your hair, and experience the Grammy Award winning sounds that defined a generation.

This concert will be a fundraiser for S.A.F.E. - Serving Armed Forces Everyday and Honor Flight, two not-for-profit organizations that work hard to honor those who have served in our nation's military.

Relax...It's time to check into the *Hotel California*. Tickets are \$15 and can be purchased online at bojibayfun.com or via the Boji Bay Funhouse & Event Center facebook page.

This show is sponsored by KUOO Campus Radio and Spirit Lake Silver & Gold.

2000 YEARS AFTER JESUS SAID:

"I have cast a fire on the world and see, I guard it until the world is afire"
- Gospel of Thomas

He teaches us Our *True* Spiritual Nature in His Own Revelatory

A COURSE IN MIRACLES:

"This is a course in miracles. It is a required course. Only the time you take it is voluntary. Free will does not mean that you can establish the curriculum. It means only that you can elect what you want to take at a given time. The course does not aim at teaching the meaning of love, for that is beyond what can be taught. It does aim, however, at removing the blocks to the awareness of love's presence, which is your natural inheritance. The opposite of love is fear, but what is all-encompassing can have no opposite."

This Course can therefore be summed up very simply in this way:

**Nothing real can be threatened.
Nothing unreal exists.
Herein lies the peace of God.**

and

"Many are called but few are chosen" should be, "All are called but few choose to listen." Therefore, they do not choose right. The "chosen ones" are merely those who choose right sooner. Right minds can do this now, and they will find rest unto their souls."

May we all find rest unto our souls as we celebrate God's Gifts to America!

Six Unique Acts Bring Blue Ribbon Fun To The Farmers Bank Stage

The Clay County Fair is excited to announce six "Blue Ribbon Fun" acts that will perform on the Farmers Bank Stage during the 2016 Clay County Fair, September 10-18. These acts are part of more than \$150,000 of free entertainment that fairgoers will find at the 2016 Fair.

"The Farmers Bank Stage is a traditional stop for many of our fairgoers," said Fair Manager Jeremy Parsons. "That tradition will definitely continue this year with high-quality acts for all ages to enjoy."

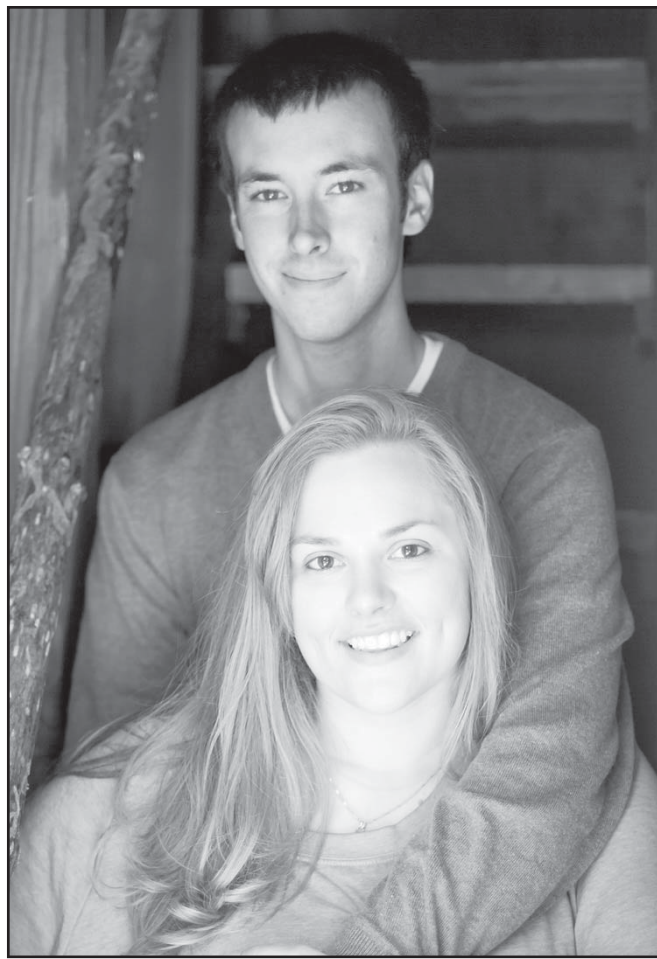

Opening the stage will be Duely Noted and Sami Dare, performing September 10-12. The Duely Noted performers, Cassandra and Jacy, will draw fairgoers in with their dueling pianos-style performances while playing a wide variety of genres that will be sure to have toes tapping along. Sami Dare will surprise people with her funny hypnotism. Everyone in the crowd has the opportunity to be hypnotized, and a few will join Dare on stage. She will guide these people through numerous funny activities for everyone to enjoy.

September 13-15 brings two different musical acts to the stage. The Sound Exchange is a five-member a cappella group with dazzling harmonies and entertaining audience interaction. Fans of the blockbuster "Pitch Perfect" movies will want to put The Sound Exchange on their must-see list. A New Ulm, Minnesota, family will bring a unique sound of German, Polish, and country-inspired polka to the stage. The award-winning Marv Nissel Band brings a variety of instruments to please each crowd with great dance music.

Closing the Fair for the Farmers Bank Stage from September 16-18 will be Steve Russell and Coyote Wild. Steve Russell will make an audience laugh while making bananas disappear and juggling luncheon meat. Grandparents and grandkids will enjoy this stand-up comedian who will leave you thinking while laughing. Six-member Coyote Wild will blend rock and country music for an energetic mix of sound that will draw audiences in with a wide variety of music.

Entertainment sponsored by Farmers Bank does not end with the free stage performances, however. The fireworks that cap off each U.S. Cellular Grandstand concert event would not be possible without Farmers Bank participation.

Have "Blue Ribbon Fun" September 10-18, 2016 in Spencer! The Clay County Fair, "The World's Greatest County Fair" since 1917, attracts more than 300,000 people each September for unique experiences including the world-class Grandstand entertainment, daily livestock and horse shows, more than \$150,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, every imaginable type of fair food, hundreds of commercial vendors, and the largest farm machinery display at any fair in the United States! Everyone will have "Blue Ribbon Fun" at the 2016 Clay County Fair. Visit www.claycountyfair.com for more information.

Vietnam Moving Wall Escort At The Wild Rose Casino And Resort

The Vietnam Moving Wall escort started at the "Chrome Truck Stop" 211 Highway 18 East, Algona, Iowa, on Wednesday, July 20. Staging and placement will start at 11 a.m. The escort will travel about 24 miles to the Wild Rose. Once there, the Vietnam Moving Wall will be set up on the foundation made for it. Opening Ceremony will be Thursday, July 21 at 5:30 p.m. The Moving Wall will be open to the public, 24 hours a day, until after the Closing Ceremony Monday, July 25 at 10 a.m.

"Our veterans should never be forgotten. As we near the 50 year anniversary of the start of the Vietnam War, we at Wild Rose are proud to be able to share this amazing traveling memorial with the community and our veterans. For those who served, are serving and will serve, we thank you. Please come out and pay tribute to the names on the wall that we will never forget," said Amy Rubel, General Manager of Wild Rose Emmetsburg.

The Vietnam Veterans Moving Wall will be located in front of the Wild Rose Casino and Resort Emmetsburg, Iowa. This is free to attend and open to all ages.

About the Vietnam Moving Wall: John Devitt, Norris Shears, Gerry Haver and other Vietnam veteran volunteers built The Moving Wall. It went on display for the first time in Tyler, Texas, in October of 1984. Two structures of The Moving Wall now travel the USA from April through November, spending about a week at each site.

"The Moving Wall" is the half-size replica of the Washington, DC Vietnam Veterans Memorial and has been touring the country for thirty plus years. When Devitt attended the 1982 dedication in Washington, he felt the positive power of "The Wall." He vowed to share that experience with those who did not have the opportunity to go to Washington. <http://www.themovingwall.org/>

100 YEARS FARMERS SAVINGS BANK Growing Strong Relationships

Iowa Bankers Association Recognizes Farmers Savings Bank

Farmers Savings Bank (FSB) is proud to have served the Fostoria and Milford communities since 1916 and is excited to be celebrating its 100th anniversary this year. "As a local community bank, we are proud to have provided our community with exceptional banking service for the last 100 years," President Joe Simington said. "We want to thank our customers for their business and for contributing to our growth as a financial institution."

To commemorate the milestone, Farmers Savings Bank has planned the following events to celebrate with its customers and the community through the rest of 2016:

- Rock a La Carte – Queen Tribute Concert: The first 100 attendees to the Rock a La Carte concert at Boji Bay's Legacy Park in Milford on Friday, July 1, will receive an FSB camping chair. The concert begins at 7:00pm.
- Customer Contest Giveaways: Current FSB customers are automatically enrolled in two giveaway contests each month of 2016. Winners receive a \$25 gift certificate to various restaurants, ice cream shops and retailers in the Okoboji area purchased by FSB.
- Customer Appreciation Picnic: FSB customers are invited to a picnic on Monday, August 15. Everyone who attends will receive a sturdy FSB four-gallon bucket, one of the few tools that is as useful today as it was in 1916.
- Christmas Open House and Old Fashioned Shoe Shining: Customers are invited to attend the bank's Christmas Open House on Friday, December 2, and receive a free shoe-shine from FSB staff who will be dressed as 1916-era bankers. "We began shining shoes at chamber events in 2002," FSB Vice President Brad Simington said. "It's a lot of fun as people aren't used to seeing bankers be of service in that way. We believe a great bank is keenly focused on customer service. Shining shoes is one way to tangibly communicate that value."

John Sorensen, president and CEO of the Iowa Bankers Association (IBA) said the milestone is a testament to the quality service that Farmers Savings Bank provides.

"100 years of service to the community is certainly something to celebrate," said Sorensen. "The Iowa Bankers Association congratulates Farmers Savings Bank and wishes them continued success."

Farmers Savings Bank was chartered on August 24, 1916, and was open for business Sept. 11, 1916, when more than 40 families pooled their resources to start the bank. FSB was the second bank in Fostoria, but one of only three in Clay County to survive the Great Depression. FSB currently has deposits totaling more than \$78,000,000 and assets above \$100,000,000. We are excited to serve you over the next 100 years!

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:
How Do You Interpret The Second Amendment
 The Second Amendment written in 1791 reads as follows: "A well-regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." A seemingly clear and necessary provision, given the state of the country at the time.

On October 1781, General Washington accepted the surrender of General Cornwallis ending hostilities with England. The formal peace treaty was not signed till 1783. A weak union of the colonies was then formed through the Articles of Confederation, but the Continental Congress was at constant battle with the states over diplomatic, financial and military matters. Memories of standing armies from England and other European governments enforcing harsh and unfair dictates on its subjects caused the states to insist that military units should be under state control, not the federal government. As a result, the Continental Army was disbanded, leaving all security issues to the states. Laws were enacted requiring able bodied men to acquire guns and be ready and available to serve in their state militia. The Second Amendment insured that bans on citizenry ownership of guns would not be allowed as they were in some countries to avoid insurrection. Gun possession was necessary for the state militias to operate.

Fast forward to today's world. As a marketing scheme, the NRA began to put forward a program to convince the public that the Second Amendment should be interpreted by changing the meaning of "well regulated militia" to the individual. It was so successful that in 2008 the United States Supreme Court ruled in District of Columbia vs. Heller that the handgun ban in that city was unconstitutional by a vote of 5 to 4. Later a handgun ban in Chicago was also declared unconstitutional. The door was now open for unlimited ownership of weapons. The ban on assault weapons, enacted in 1994 under the Clinton administration, expired in 2004 and was not extended by congress. By definition, an assault weapon is a semiautomatic firearm with a large magazine of ammunition designed and configured for rapid fire and combat use with the intent to kill people.

With no universal gun registry, there is no way to know how many people in the U.S. own guns. However, it is estimated that there are 270 million guns owned. That averages out to be 89 guns for every 100 people in the U.S., the highest in the world.

There are now two views on gun ownership: Gun advocates claim a basic right to own them and to restrict them in any way would be a violation of their basic rights. Gun control advocates say their rights to safely meet at church, attend movies, send their children to school and dance at a bar are far more violated when a person with a gun appears and randomly kills children and adults. Reports now available show that since 1976 there have been an average of 19 mass shootings a year, or one every 2 1/2 weeks, amounting to 3,712 lives lost over that period.

So, the question is for each of us to decide: How do you interpret the Second Amendment?

2016 Water Safety Day Camp

Water safety is a common topic each year as summer approaches, but it is also important to talk about all year long. According to the National Safety Council, drowning is more common for children under the age of 5 and is the second leading cause of death for people ages 5-24. "We at the Smith Wellness Center, on the Emmetsburg Campus of Iowa Lakes Community College, introduced an afternoon day camp last year that reached out to children ages five and older from Emmetsburg and surrounding communities," stated Liz Hoffman, Aquatics Facilitator. "This safety camp is something that people of all ages can benefit from," she added.

Last year, the lifeguard staff spent an afternoon talking about a variety of general water safety topics, including but not limited to sun safety, boat safety, and pool and waterfront safety. The children enjoyed rides in a canoe from the deep end of the pool, created crafts, played water games and won door prizes like free pool passes and t-shirts.

The 2nd annual Water Safety Day Camp will be held on Thursday, July 14, from 1 p.m. to 5 p.m. and is FREE of charge to everyone. To sign up for the day camp, or for additional information, contact Liz Hoffman at 712-852-5201, or email ehoffman@iowalakes.edu, or call the Emmetsburg campus at 1-800-242-5108.

5K Color Dash Fun Run/Walk

Bring your tennies, laughter, and energy to The Color Dash 5k fun-run/walk on Saturday, July 9 to raise money for the Pearson Lakes Art Center and Bedell Family YMCA. Packet pick-up begins at 8:00am at 1900 41st Street. Register early at www.cd5k.com. While you're waiting for the dash to start, make sure you say hello to the vendors, get your groove on in the DJ Dance Party, enter drawings and contests, and much more! This is a family friendly event, so all ages, shapes and abilities are invited to participate. Start white and get doused with an array of colors at each kilometer. Walk, dash, sprint or Rock n' Roll, whatever your method, just let the color move you.

At the Spirit Lake Color Dash, 50% of the profit of registration and merchandise stay local, benefiting the Pearson Lakes Art Center and Bedell Family YMCA directly as the charity partner. Proceeds from the Color Dash will be put to use in the form of recreational activities for the Iowa Great Lakes Community through the art center and YMCA.

All are welcome at the Color Dash, a fun-filled experience for walkers, runners, and people of all ages, shapes, and sizes. The dash isn't competitive or timed; rather it's more about sharing memories, laughing, and putting some color in your life (and on you, of course).

Get your family and friends together or dash on your own. Enjoy the music, colors, and support the hearts and minds behind such a great cause. Add an extra theme to your team; model some fancy socks, a sparkly tutu, or a homemade costume if you like. We look forward to seeing you there!

Remembering Mr. Smith

Teacher, coach, tutor, volunteer, golf partner, good friend. Before his death last November, Denny Smith filled all of those roles quite admirably with humility and good humor.

As a teacher and coach at Spirit Lake High School for 30 years, Mr. Smith made a tremendous contribution to the success of hundreds of young people. After retiring in 2005, Denny continued to serve the students in our community by tutoring them in algebra, trigonometry, and calculus while asking for nothing in return. He continued to teach until the end because he loved it.

Despite the difficulties he faced due to diabetes, Denny's other passion in life was golfing with his friends. A round of golf with Denny was a memorable experience. No round was complete without him attempting to tell one of his corny jokes and breaking down with laughter just before the punch line. His laugh was infectious and made the worst joke seem hilarious. Many of his former students recall him doing the same thing in the classroom. More than a few have said, "He made math fun." How can that be!

If you have fond remembrances of Denny, please join other friends of Dennis Smith at a memorial golf outing on July 30, at Brooks Golf Club.

Brooks has graciously donated the cost of the green fees and cart. Christine Murphy at the Prairie Chick has donated the post round appetizers so your entire \$100 donation will be directed toward the diabetes assistance program at the Spirit Lake Hospital.

All are welcome in honoring the memory of friend Dennis Smith.

Contact John Bramlett at Brooks Golf Club 712-332-5011 for further information or to reserve a place.

Fourth of July Fun

Happy 4th of July to all of our loyal readers and advertisers! It's hard to believe that this edition is already our 4th of July paper, as it seems like we were just celebrating Memorial Day. This is one of the best times of the year in the Iowa Great Lakes, as there is something going on for everyone, and it seems like this is always one of the busiest weeks of the year. The Iowa Great Lakes is buzzing with activity all week, with magnificent firework displays in Spencer, Lake Park, on Big Spirit Lake, in Milford and in Arnolds Park, free concerts at our awesome venues at Boji Bay in Milford and Preservation Plaza in Arnolds Park, and all the other live entertainment going on in our excellent restaurants and bars, we truly are the entertainment headquarters of Iowa this week! If you want to get out and play some golf this week on one of our excellent golf courses in the Iowa Great Lakes and surrounding areas, be sure to check out our Golf Page in this week's Lakes News Shopper. It looks like it's going to be a beautiful week of weather, which means time on the water is a must, and there are plenty of places in the Okoboji area to help you enjoy this time on the water! It's also a great week to get to Arnolds Park Amusement Park and enjoy all that they have to offer for family fun. There's also plenty of HOT deals going on during the week in the local shops, and you can check out those great deals throughout the paper.

The 4th of July is truly a time for us all to pause and realize what a great country we live in! While we all complain and argue about our political parties, the economy, and other issues, this is one day we all need to take the time and simply celebrate being an American! Please take the time to appreciate the freedom that many of us take for granted. While doing this, please take the time to thank a veteran and his or her family for their sacrifices to ensure that we have this freedom, and are able to enjoy all that this great area has to offer. Happy 4th!

The art is exhibited from July 7-September 11 and the opening reception for IWS members and the public will be July 7, 4:30pm. The 39th annual luncheon and award ceremony will be held on August 28, 2016.

Anita has been painting for several years and has studied under the direction of Tony Couch, John Salminen, Nita Engle, Frank Webb, Chen-Khee Chee, to name a few. The selected paintings are titled "Iowa Farm" (pictured) and "From My Kayak: Trumbull Lake III". The 2016 juror and instructor for the annual exhibit and workshops is renowned artist Sterling Edwards. Anita relates about her work, "My watercolor paintings reflect my life in the upper Midwest - waterscapes, rural landscapes and architecture indicative of the area. Currently my inspiration and focus for my work are the designs and patterns created as nature and man play with the surface of the land and water and I find beauty in the ordinary, often overlooked remnants of a vanishing way of life - the homesteads, farmsteads and the buildings now empty where family-owned businesses once thrived in Iowa's small towns."

Edward Jones Assembles Care Packages For U.S. Military

Forty-eight Northwest Iowa Edward Jones financial advisors, along with their spouses and family members, met in Des Moines, to assemble a record 174 care packages for U.S. military serving overseas. This was the 5th year the Edward Jones group has met and assembled these care packages, and this project has grown every year. During this 5th annual service project, Governor Terry Brandstad, R-IA, and Lt. Governor Kim Reynolds, R-IA, joined the Edward Jones group and helped assemble the packages. Reynolds later posted on her Facebook page, "Care packages that go abroad make our troops feel more at home. Thank you to Edward Jones for the thought and care. "Edward Jones Financial Advisors were extremely proud to be part of the effort", said Lt. Governor Reynolds.

The items to be shipped are donated by the Financial Advisors, their Branch Office Administrators, as well as their families, friends and clients. Items shipped include books, magazines, cookies, candy, beef jerky, peanut butter, gum, drink mixes, nuts, protein bars, crackers, pens and hygiene items.

Happy INDEPENDENCE DAY

Come Enjoy The Fun At Treasure Village Family Theatre

Who could be afraid of Zared Wolf? Zared Wolf is not your average wolf! He's just a simple wolf who loves to surf! This show has 2 sets of actors who play the 4 parts. The cast pictured includes Rebecca Moews (St. Ambrose University), Alex Lindsey (Central College), Emilee Cruchelow (Columbia College in Chicago) and Jeremiah Clay (Okoboji High School). They enjoyed sharing ideas for their characters as they rehearsed the play. Check Facebook for a photo of the other cast which includes Madison Kueper (Spirit Lake High School), Nate Scheuers (Dordt College graduate), Kaitlin Moews (Oklahoma City University graduate), and Connor Mullen (University of Iowa).

Tales of Tails

This is a tale of Buster, a large brown, black and cream-colored hound mix who is a favorite among the staff at the Humane Society of Northwest Iowa. Why is he a favorite? There are lots of reasons.

Buster was a stray running the streets of Armstrong looking for friends with whom he could play, for that's his "joy" in life - playing with people, with balls, or even a Teddy bear he found at the shelter. He seeks companionship but also adventure - which may be the reason he was a "stray." He's extremely curious and loves to explore his environment... a sign of his intelligence.

Obviously Buster is not an "old" dog, for his traits are those of a "puppy" even though his size indicates he is full-grown. Because of his curiosity, a fenced yard or pen would be a good place for Buster - controlling his urge to explore. He responds to commands such as "Sit," especially if it means a treat which he loves. Actually Buster loves life in general; he's a happy, playful dog that would add joy to a "forever" home. Middle school or high school playmates would be an additional bonus for Buster - a "tail" who delights in living life to its fullest degree. His joy is contagious thus making him a shelter favorite!

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

LRH Auxiliary Jewelry Sale

by Janet Staver, LRH Auxiliary Fundraising
The Lakes Regional Healthcare Auxiliary volunteers are hosting our summer Masquerade \$5.00 Jewelry Sale fundraiser on Thursday, July 7, from 10:00am to 6:00pm at the Expo/Community Room in Spirit Lake. Masquerade Jewelry is the most recognized hospital auxiliary fundraiser partner in the country. Everything sold at the event is at the price of \$5.00 per item and the room will be full of fun merchandise. Items include necklace and earring sets, watches, bracelets, rings, hair accessories, scarves, numerous size bags and a vast array of other accessories. Masquerade offers an exchange policy should the customer purchase an item that is found to be defective, just return it to the next Masquerade sale. Remember, this is a great opportunity to purchase fun jewelry and accessories for yourself and others. Cash, checks and credit cards are accepted at the sale. Funds raised are used to support LRH Auxiliary scholarships for both high school graduates and LRH employees who are advancing their education in a medically related field, provide Lifeline assistance and purchase a daily newspaper for the hospital surgical waiting area. Additionally, the Lifesavers Relay for Life Team of LRH RNs will be joining us with a craft and bake sale plus serving a delicious lunch item.

TWO HANDS - Barry Andersen, of Milford, with a 2.6 and a 3.4 pound Small Mouth Bass caught in East Okoboji Lake on June 18, 2016. They measured 17 and 18.5 inches long.

So mark your calendar, call your friends and come out for fun jewelry and accessories and have a good time and a bite to eat. The Lakes Regional Auxiliary volunteers look forward to seeing you!

Hi Everyone! Wow summer is definitely here! Well, I wanted to share what the Lord has been dealing with me lately. I felt so out of control when my air conditioner was not working properly, when I lost sleep, had such a migraine, and my time with God was rushed. Anyone else have these days or is it just me? I know when I do not have enough sleep and when I do not have plenty of Jesus time, I feel out of control, weak, and not myself. During this time, God reminded me, He is my helper, and I must cast everything over to Him. God wants to take the wheel, to be in charge, to be in control of my life and of the Discovery House. His ways are higher than my ways. His plans are higher than my plans even immeasurably more if I seek Him. I also know situations a rise and life happens. Am I going to let God take the wheel of my life and Discovery House? We all may feel out of control in some area of our life, but for me, when my world fell a part and my situations were raging at me, all I could do was run to booze. It was the best decision when I allowed God to come in and take control, heal my broken heart, and break that cycle. I truly believe when we allow God in and allow faith, hope, and His love to grow in us, that's when the cycle turns around. You may not be facing a drug or alcohol addiction, maybe it is sweets. I know before, I used to run to pop and chocolate when I was stressed instead of stopping, praying, and casting it over to Jesus. He can get on the scene and take the wheel. I am reminded of the scripture that helps me. Cast all your cares, all your anxiety, on Him because He cares for you. 1Peter5:7. I know we are all human, I am far from being perfect, and I make mistakes. I also know I have to get back up, press into God, not let go, and not give up for my own life and for the Discovery House. God said in His word, Now to Him who is able to do immeasurably more than we can ask or imagine. Ephesians 3:20. It is my job, for myself, and for Discovery House to seek, believe, trust God to do the immeasurably more in situations and allow Him to take the wheel. God wants us all to be confident in Him, allowing Him to move and to bring those right people, right connections, right resources in our lives. So we can be the light and make a difference for Him. Discovery House is all about helping people in their time of need. Giving them a hand up not a hand out and point them to God. So they can be encouraged and strengthened by faith, hope, love so they can press through life challenges and even through their addictions. I am also reminded that Discovery House and I only plant the seed and it is up to the individual to run with it.

Also, I want to put it out there that if anyone wants to donate a trimmer, mower, and window air conditioners, please give me a call at 712-336-5340. I know Discovery House and I would greatly appreciate it. Don't forget our next porch party which is Monday, July, 11, 2016, at 6:00pm with grilled hot dogs and brats and 6:30pm or so is John Senn & friends. Also, don't forget your lawn chairs. See you at the next porch party and thanks so much for being a blessing to the Discovery House.

DAR Awards Announced

DAR Regent Mary Thunhorst, Spirit Lake, is pictured presenting the Pauline Pressley Corey Tray to the Ladies of the Lake Chapter of the Daughters of the American Revolution. Mrs. Thunhorst accepted the tray on behalf of the Chapter at the State Convention of the Daughters of the American Revolution. The accompanying certificate read "in Recognition of 25.5% Highest Net Increase in Membership." The Chapter was also recognized for "The Most New Juniors, 14 New Members by Application, 10% of Greater Increase in Membership."

The Ladies of the Lake Chapter, with headquarters in Spirit Lake, serves all of the northwest and over the past seven years has grown to 71 members and 11 associate members.

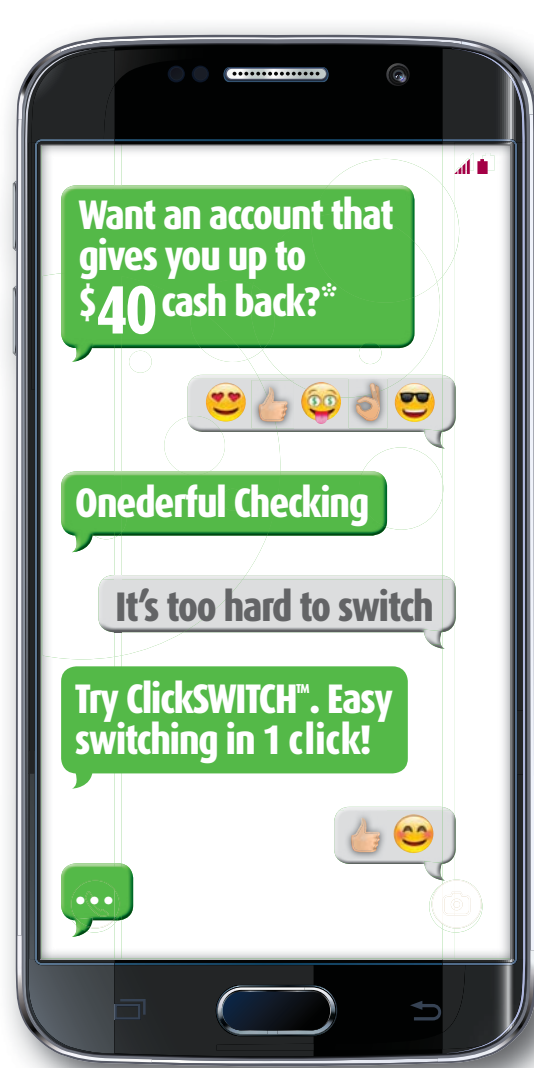

At the June meeting of the Chapter, Mrs. Thunhorst also announced nine other State Awards and one National. The latter was for 100% participation in the President General's Project "Honoring Our Heritage - Focusing on the Future - Celebrating America."

The State Awards for Activities and Projects were for "Chapter with the Most Constitution Week Activities; Submissions to Public Relations and Media Committees; U.S. Partner Chapter-59th Anniversary Vietnam War Committee; Honoring Hal Tuttle, Historical Preservation Award; Honoring James Hass, Historic Preservation Medal; Six meetings with Historic Preservation Theme; Presentation of History Awards; Women's Issue Activities" and 10,495 Interesting Stamps sent to the Veterans at Tucson Medical Center." The stamps are used in therapy activities.

Of the two Historic Preservation awards mentioned above, the presentation to Jim Hass is planned for June 28th in Peterson, IA. The one honoring Hal Tuttle will be presented on August 23 when members of the DAR and the Okoboji Queen Chapter of Questers International gather in Sheldon at the Baker Township School House. They sponsored its renovation as a Heritage Park community site with the support of Mr. Tuttle, longtime president of the Prairie Arts Council.

In announcing these Chapter achievements, newly installed Regent Thunhorst remarked that they were accomplished under the leadership of Colleen Lemkuil, Spirit Lake, who was Regent for seven years and now serves as Vice Regent to assist her. She thanked Registrar Bobbie Lea Holden, Arnolds Park, and Diane Lavender, Estherville, for conducting the research that resulted in new members.

Learn The Rules Of Foraging

The great Okoboji outdoors is a wealth of beautiful wildlife, glistening bodies of water, and wild ... food?

Iowa Lakes Community College's GROW program comes to the Dickinson County Nature Center for a Wild Edibles class 4:30-6:30pm, Friday, July 15.

Naturalist Charles Vigdal will take adults through the rules and tips of finding edible plants right in their own backyards or in common areas such as road ditches. Learn how you can utilize cattails, pineapple weed and other plants in your everyday meal preparations.

"Many of these plants are considered weeds, are invasive or are generally hated by people, but they were brought here by settlers for a reason," Vigdal said. "They are useful every day and are even healthier than foods in the grocery store."

Many wild edibles are prized in natural food stores and featured in upscale restaurants, and people are rediscovering the importance of wild edibles because of their health benefits. For instance, lambs quarter is high in iron, minerals and amino acids.

"People want to know where their food is coming from; I think that's why so many people are interested in farmer's markets and natural food stores," said naturalist Mary Petersen.

Vigdal will teach people when and where to find wild edibles, will give tastes of some recipes that include wild ingredients and will also send home tips and recipes to be used later.

"Foraging was an everyday skill 200 years ago, because when you needed food you needed to learn how to find food," Vigdal said. "Now, food is readily available and people don't know these skills."

The Wild Edibles class costs \$10 per person or \$15 for two people. Register at www.iowalakes.edu for course 65194.

For more information on programming at the Dickinson County Nature Center, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

Spencer Hospital Named Among Top 100 Rural Hospitals

Spencer Hospital has been named one of the Top 100 Rural & Community Hospitals in the United States by iVantage Health Analytics, Inc., a leading provider of healthcare analytics.

The company aggregates hospital-specific data for 71 performance indicator variables across nine pillars of performance to provide an overall hospital strength index. The majority of data used in the study is derived from public sources, primarily the federal government. Areas in which the top hospitals particularly distinguish themselves include quality outcomes, patient safety, patient satisfaction, costs and charges. The median rural hospital earns an overall score of 50 in iVantage's methodology, while the median Top 100 hospital earns a 95.

"There's debate in the healthcare industry about the real significance of rating systems," said Spencer Hospital president Bill Bumgarner. "However, the iVantage study is interesting in that it evaluates hospitals across a wide range of performance variables at both the clinical and business level. While I'm not sure if any study can definitively rate hospitals with great degree precision, I do believe our community can take some confidence from the iVantage methodology that Spencer Hospital and its affiliated medical staff serve the needs of its patients at a high level."

Michael Topchik, senior vice president of iVantage, added: "Rural healthcare encompasses more than 60 million Americans and the facilities which comprise our Top 100 Rural & Community Hospitals play a vital role in ensuring the long-term sustainability of the rural health safety net. Our data analysis shows that this group of top performers exhibits a focused concern for their community benefits and needs, regardless of scale, reimbursement and people's ability to pay."

Only two other Iowa hospitals were listed in the iVantage Rural & Community Hospital Top 100. They are Fort Madison Community Hospital and Trinity Medical Center in Fort Dodge.

Bumgarner said that the iVantage study demonstrates the value that can be added to a healthcare organization when people join together and strive toward a common objective.

"To achieve exceptional healthcare outcomes it takes a skilled and committed medical staff as well as talented and dedicated healthcare team," he said. "Our community and region have been blessed to benefit from the good work of hundreds of caring professionals for many, many years."

Seasons Receives \$2,000 From Renaissance Initiative

Seasons Center for Behavioral Health received \$2,000 from the Renaissance Initiative to help fund a therapeutic playground at Autumn's Center.

The therapeutic playground will be specially designed playground equipment for outdoor play therapy at Autumn's Center, which will open in September. The playground, designed and contracted by Landscape Structures, Inc. of Delano, Minnesota, will serve as an outdoor enhancement to a child's therapy plan. The purpose of the therapeutic playground is to strengthen developmental skills in children, including sensory, motor, cognitive, and social-emotional.

"Sometimes children have a difficult time processing their feelings and experiences in an office setting," said Natalie Sandulte, Director of Clinical Psychology at Seasons Center. "The therapeutic playground will allow children to move about if they need to, thereby facilitating the therapeutic process and the child's ability to learn. The playground will be a wonderful opportunity for children to learn new skills in a natural and familiar environment."

The funding provided by the Renaissance Initiative will assist in building the playground project. The playground features seven distinct play areas, including: a large play area with various areas for climbing, sliding, running, and balancing; a swing set area with developmentally appropriate swings; a "twister" for vestibular input; a sensory play center wall to engage the senses with built-in tactile elements to encourage kids to explore various rough and smooth textures and shapes; a "flywheel spinner" where kids hang on and play together, providing social interaction; a "pulse tempo" which is a multi-sensory interactive musical playground game; and a "cozy dome" which offers kids a place to escape the hustle and bustle of a busy playground.

"Seasons is grateful for the support of the Renaissance Grant for the playground at Autumn's Center," said Christina Eggink-Postma, Director of Program Coordination and Compliance. "It is wonderful to be a part of a community that cares so much about our children!"

Autumn's Center is expected to open on September 1, 2016 and the therapeutic playground will be completed, weather-permitting, by the spring of 2017.

Spencer Mayor Takes Home Public Champion Award

Over the course of six terms in office, Spencer Mayor Reynold Peterson has been an advocate for business growth. Now he is being honored for his leadership.

Representatives of the Iowa Lakes Corridor Development Corporation presented the Public Champion of Economic Development award to Peterson at a city council meeting Tuesday.

The Board of Directors of the development corporation created the Public Champion of Economic Development award to recognize the invaluable contributions local elected officials make to economic growth. Tuesday's presentation followed Public Service Recognition Week last month.

"The communities and residents of the Iowa Lakes Corridor region benefit every day from the commitment to economic development shown by our city and county leaders," said Valerie Newhouse, Chairman of the Iowa Lakes Corridor Development Corporation Board of Directors.

In nominating Peterson, a local official made special note of the Mayor's leadership of delegations from Spencer that traveled to Washington DC.

"On every occasion, some local governmental organization came back with funding," the official wrote. "The mayor was especially helpful in getting a \$5 million grant for the West Beltway."

Peterson has played a significant role in several economic development successes, including the recent expansions of The Merrill Company and QRS/QPS and the recruitment of Pioneer Hi-Bred. At the state level, he served as President of the Iowa League of Cities and he has lobbied diligently to protect Tax Increment Financing, a key development tool for cities.

ILCC Hires Coordinator

An Algona woman has been hired to enhance educational services related to the Tietz Entrepreneurial Center at the Algona Campus of Iowa Lakes Community College.

Shelly Brown began her duties in mid-April. Brown, of Algona, was previously the Public Relations Specialist at Pharmacists Mutual Companies. She has assisted with the Kossuth/Palo Alto County Countywide Breakfast over the years and serves on the Kossuth County Community Foundation.

Brown began her orientation with Kelly McCarty, Small Business Development Center Director, in late April. McCarty has been the SBDC Director for more than 15 years. He covers 10 northwest Iowa counties and provides practical, hands-on assistance to all types of businesses, from start-ups to 500 employee firms.

"I'm thrilled to have Shelly on our team," said McCarty. "This is a full-time position. She knows the community and will have an office at the Algona Campus."

"Her experience and enthusiasm was evident as we discussed the position. She has lots of good ideas and is eager to implement programs."

Brown is part of the Community & Business Relations team at Iowa Lakes, with McCarty as her direct supervisor.

During the spring term, McCarty engaged high school students throughout the region in a variety of business and entrepreneurial discussions in the classroom.

"Iowa Lakes has always partnered with Maureen Elbert and the Kossuth/Palo Alto County Economic Development group," said Jolene Rogers, Executive Director Community & Business Relations. "Hiring Shelly will greatly enhance the educational offerings at the Algona Campus."

Brown's focus will be on education and providing anyone interested with tools to prepare to start their own business. McCarty continues to offer business counseling for the region through the Small Business Development Center.

Spencer Hospital's New Mom Support Program Credentialed

The Iowa Department of Management and Public Health has announced that the Best Care for Better Babies program of Clay County has earned the Iowa Family Support Credential. The Iowa Family Support Credential is awarded to family support and parent education programs that are validated through an external evaluation to be in substantial adherence to the Iowa Family Support Standards.

"Unfortunately babies don't come with instruction manuals and many parents are caught unprepared for the stress and demands of parenting," commented Anne Plagge of the Iowa Department of Public Health. "Programs like Best Care for Better Babies are turning the tide, helping parents understand their role and equipping them with the skills needed to ensure that their child is healthy and thriving."

The Best Care for Better Babies program was established in Clay County 16 years ago to assist families adjusting to an infant in the home.

"Our mission is to strengthen families in Clay County by providing in-home services for pregnant women and families with infants, newborn to six months of age," explained Colleen Paulsen, Spencer Hospital Community Health Director. Registered nurses work one on one with families to promote healthy pregnancies, infant growth and development, parenting skills, and social connections and support within their communities.

The Iowa Family Support Standards are based on the most up to date, evidence based practice in the family support field. Adherence to the standards indicates that the program is providing high quality services that will result in positive outcomes for young children and their families.

"The Iowa Family Support Credential is the first of its kind, and is the only statewide Family Support credential available in the nation," Plagge explained. She added that achieving the credential can be challenging, yet the pay-off comes when a great program provides a continuity of excellence even when personnel change due to the procedures are put into place.

The Best Care for Better Babies program diligently worked toward meeting all of the 138 standards over the course of more than two years with the assistance of a program specialist. A peer review was conducted by trained peers from central Iowa to validate the program's adherence to the standards. The Iowa Family Support Credential is valid for five years.

INDEPENDENCE

Red White & Blue

Emily Jepson prepared for the *Spencer Municipal Band's Flagfest* concert with a most appropriate red, white, and blue dress. The muni band will be performing on the Fourth of July at East Leach Park in Spencer, beginning at 7 p.m., with the *Clay County Chorale*.

Chorale to debut July 4

We expect there will be no shortage of music or fireworks this Independence Day weekend. Adding to the fun will be the debut of the *Clay County Chorale*, which will perform Monday night (July 4th), in Spencer, as a part of the *Spencer Municipal Band's* 7:00 performance in East Leach Park. (Note the time change!)

The *Chorale* was formed by recent Spencer High School graduate Morgan Kramer, who is studying for his master's degree at the University of Texas, in Austin. The performance is expected to be mostly patriotic selections in tune with the holiday. There will be just one other appearance by the *Chorale* this summer — August 9, at Bethany Lutheran Church...

As we edge our way toward the holiday weekend, *The Jazzed Up Big Band of Okoboji* will be performing tonight (Tuesday) at 7:00, in the Majestic Pavilion at Arnolds Park Amusement Park.

Glenn Henriksen will entertain at his place in Spirit Lake tonight, but will not be "home" Wednesday night as he's booked in the Lakeview Room at The Inn — as *The Piano Glenn Showcase*, featuring five singers and musicians: Bill Hansen, Tyler Pedersen, Ed Hendrickson, Mark Kurseth, and Glenn, himself. The show starts at 7:00, and is to include tributes to the likes of Frank Sinatra, Andy Williams, Tony Bennett, Henry Mancini, Roger Williams and Liberace...

Wednesday night will see *The Itty Bitty Boji Band* appearing at Table 316 in Arnolds Park, from 7 - 9:00...

Debbie Ankeny and Mike Springer will take the stage at the Little Swan Lake Winery, Thursday night, as *Beyond Blue*, from 6 - 8:00...

Also Thursday night, Spencer's muni band will perform in the East Leach Park band shell at 7:30. This and the July 4th show will be the final appearances of the season at East Leach Park. The final performance will be a part of Spencer's Main Street Market, on the Clay County Courthouse grounds, Thursday, August 11...

The *Iowa Rock 'n' Roll Music Association's* Thursday night *Rock the Roof* concert will feature *Rock a La Carte* and *The Expressions*, with the music starting at 6:00 in the Majestic Pavilion at Arnolds Park Amusement Park...

The South 71 Trio will be performing in The Lounge at The Inn, Friday night, from 6 - 8:00, while *Rock a La Carte* will feature its tribute to *Queen*, Friday night, on the new stage at Boji Bay Legacy Park.

In addition to its regular Friday night concert, Boji Bay will host *Milford's Family Fun Evening*, Sunday night, with *The Murphy Clark Band* and *Neon Live*...

The *Live at the Lakes* concert series at Preservation Plaza will feature three concerts this weekend. The *Stoners* take the stage Saturday night; the *Farm Rock Band*, Sunday night; and *Kory & the Fireflies*, Monday night -- all at 7:30...

The *Hap Ketelsen Community Center* in Everly will be hosting the *Northwest Iowa Singles Club* dance featuring the *Itty Bitty Boji Band*, Saturday night at 7:30 for singles and couples. Boji Bill is promising some patriotic dance music...

And, *The South 71 Trio* will be trekking to the Little Swan Lake Winery, Sunday afternoon, to perform on the stage in the barn from 4 - 6:00...

Start your 4th of July with breakfast at Estherville's fly-in -- held naturally enough at the airport just east of town. *The Northwest Iowa Jazz Band* will be playing...

Sadly, with July 4th falling on a Monday this year, the *Dick Bauman Big Band* will take the night off to watch the fireworks -- and return to Pomerantz Hall at the Pearson Lakes Art Center the next Monday, July 11th...

Research director RD only gets the holiday weekend off as she has already completed her part of *RAMBOLing* for the next couple weeks. RD tells us that 'The 2000-year-old man', Mel Brooks, turns just 90 today. That's a head-scratcher. How many people do you know who would like to cut their age that much?

In addition to Singer Tierney Sutton turning 53 today, we mark June 28, 1846, as the day Adolph Sax received a patent on the first saxophone.

Lena Horne would be 99 come Thursday. And Olivia de Havilland, who portrayed Melanie Hamilton in *Gone With The Wind*, turns 100(!) on Friday.

And, last but not least, George M. Cohan, who boasted in song that he was a 'Yankee Doodle Dandy, born on the 4th of July,' was actually born on July 3, 1878...

Have a fun -- and safe -- holiday weekend!

All the news that fits we print. Please send your music-related announcements or comments to RAMBOLing@mindspring.com or P. O. Box 676, Okoboji, Iowa 51355-0676

National Bridal Sale Day

The first annual National Bridal Sale Day-Bridal Saturday will take place on July 16, 2016. More than 700 locally-owned independent bridal retailers coast to coast including some top retail salons in Canada will participate in the inaugural event, offering brides designer wedding gowns and wedding party dresses at substantial savings. In some salons wedding gowns may be up to 80% off.

"Every store is unique as far as merchandise selection and price, however, the benefits to brides are universal," says the event's creator, Sue Maslowski, owner of Jay West Bridal in Haddonfield, N.J. "The brides get designer dresses at great prices; the benefits of buying from a reputable salon; and the ability to touch, see and feel what they are purchasing with no surprises. Brides can also take home their dream dress that day, no waiting or delays!"

National Bridal Sale Day, will be celebrated exclusively at locally-owned independent bridal salons. Conceptually, National Bridal Sale Day is intended to become a tradition, for the bridal industry, much like a Black Friday or Small Business Saturday, according to Maslowski. Future events will be held annually on the third Saturday of July "Bridal Saturday".

Organizations supporting this event include, Association of Wedding Gown Specialists, Bridal Guide, BrideClick, International Bridal Manufacturers Association (IBMA), My Wedding, The Knot, Vows Magazine and Wedding Wire. The Association of Wedding Gown Specialists is providing brides with coupons good towards gown cleaning and preservation.

Blue Box Bridal, located at 77 Downtown Plaza in Fairmont, Minnesota, will be participating in this exciting event, with extended hours on Saturday July 16, from 9:00am - 4:00pm. Featured bridal gowns will be marked down drastically, with styles starting at only \$49. Blue Box Bridal will not be taking appointments for this event, so shop early for the best selection! More information about the event can be found at www.blueboxbridal.com or www.nationalbridalsaleday.com.

Thank you for 100 years

We're celebrating 100 years of service! Founded in 1916, we're celebrating throughout 2016 by saying **Thank You** in numerous ways.

Today, we thank Sharon Hoerichs for entrusting her banking needs to us. Sharon and her husband Chris moved to the area from Maryland in 1998. Chris' interest in farming was a primary reason for their move. That interest, and much family involvement, has since grown to become Little Sioux Orchard. The farm not only produces seven varieties of apples, but also grass fed, corn finished beef, asparagus, and red raspberries. Sharon is pictured above between FSB staff members Amy Ness and Jed Ellerbroek.

Knowing that a bank is only as strong as its customers and community, our 100 year anniversary is a celebration of people like the Hoerichs and people like **You**.

Touring Historical Peterson

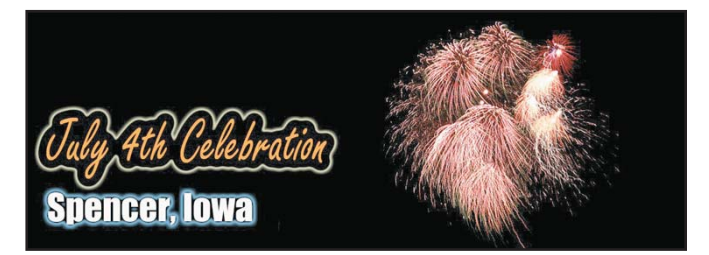

Thirty eight Iowa members of the Daughters of the American Revolution and Questers International honored Jim Hass, creator of the Jim Hass History Barn in Peterson, on June 28. The group also toured the historical sites in Peterson which included the Heritage House, Clay County's first frame house built by Peterson's first settlers, the Kirchner family; the Gus Kirchner house built by a Kirchner son, also restored and furnished accurately for its period; the French Memorial Museum, a collection of over 200 dolls, toys, china and glassware; an original blockhouse from Fort Peterson, constructed in 1862 after an Indian uprising in Minnesota, and an Antique Farm Machinery building which also houses a covered wagon, a sheepherder's wagon, a fence making machine and more.

Hubbard credits the Peterson Historical Foundation, of which Hass was a charter member, with creating a heritage center that is not only outstanding in Iowa, but in the whole nation. The presentation of a National DAR Historic Preservation Medal to Jim Hass will take place at 1:00pm at the Shelter House. Nancy Grindle, DAR State Historical Preservation Chair, will participate in the event. A Peterson Insurance agent, Hass and his wife Jane over the years developed a huge collection of historical objects ranging from Native American to Iowa veterans' memorabilia to a Ku Klux Klan uniform and more. For information, contact Mrs. Hubbard, jmhubbard@g.com, 712-332-7919.

Vietnam Veterans Honored And Thanked

The Commemoration of the 50th Anniversary of the Vietnam War was carried out on Wednesday, June 1 at Wesley Place. Vietnam Veterans were honored and thanked for their service at a brunch organized by the Ladies of the Lake Chapter of the Daughters of the American Revolution. The occasion was a part of the on-going effort by the DAR to recognize these "heroes" following the Commemoration Objectives put forth by the Federal government. (See www.vietnamwar50th.com for more information.) The first and foremost objective of five is: "To thank and honor veterans of the Vietnam War, including personnel who were held as prisoners of war or listed as missing in action, for their service and sacrifice on behalf of the United States and to thank and honor the families of these veterans." As their guests arrived, Ladies of the Lake members asked them to sign in and gave all who attended a pin indicating their support of Vietnam Veterans. A buffet brunch of scrambled eggs, sausage, fruit, a variety of pastries, juice, and coffee was followed by the program. The program was opened by Color Guards of the American Legion Timpe Post 23 Dennis Perry, Gene Fales, and Clifford Phipps. The entire group then sang the Star-Spangled Banner and was led in prayer by Ladies of the Lake incoming Regent Mary Thunhorst. DAR chairman for the event, Collette Travis, welcomed the group and had all the veterans stand and be recognized with a round of applause. Member Karlene Noteboom followed with the singing of "This Land Is My Land," and the audience joined in for the chorus. Ladies of the Lake Regent Colleen Lemkuil read President Obama's proclamation recognizing the 50th anniversary of the Vietnam War, and Mary Thunhorst presented the Commemoration Objectives. Collette Travis was honored and privileged to individually thank each veteran on behalf of our nation for their service and for the sacrifices they made and also their family. Each veteran was called by name, presented with a Vietnam Veteran Lapel Pin and a certificate, The lapel pin is reserved for all U.S. veterans who served on active duty from 1 November 1955 to 15 May 1975, regardless of location. Each veteran then cited his branch of service and rank, and many spoke of those who did not return home, having given their lives for our country. Denny Pohlman of Lake Park said, "I served in the Air Force training F-4 pilots to support the infantry in Vietnam. My job in communications maintenance required security clearance for many instructions of importance passed through our hands." "Today was almost an anniversary for me," commented George Engebretson from Arnolds Park. "On June 3 I got on a bus in Storm Lake and by mid-October I was headed to Vietnam." The Sioux County Veterans Affairs Commission Chairman Roger Johnson from Hawarden, a Vietnam Veteran himself, said, "Helping veterans in my capacity is an honor, and it has allowed me to attend a number of celebrations comparable to today's which was very well done and appreciated." Next Dickinson County Veterans Affairs Commission Chairman, Ann Miller, spoke briefly of her amazement at the atrocities faced by Vietnam Veterans. She spoke of the lessons in tolerance learned by serving with diverse cultures, and the music of the era that reflected the feelings of the people such as "The Green, Green Grass of Home" and the No. 1 hit, "We Gotta Get Out of This Place." This was indeed a challenging period of American history. Door prizes were given to many by Sharon Kay Wilson Godfrey. Collette recognized the generous brunch donations from Fareway, HyVee, Sunshine Foods, and Walmart. Some of the Ladies of the Lake members contributed also and a festive brunch was enjoyed by all. The United Methodist Church of Spirit Lake provided the convenient facilities, and the United States of America Vietnam Veterans Commemorative Program of Arlington, Virginia sent the pins. Following the brunch those who wished had the opportunity to tour the Winchester Store Restoration at the home of David and Jane Kruse in Arthur Heights.
