# SPEAK OUT

Dear "Speak Out",

We want to let everyone know how great living in a small town is. People from Nunda and all the surrounding towns came together with "gifts of money, gift certificates, gifts of merchandise, cakes, raffle baskets" at Donnie Claud's "Annual Round and Square Dance" to support **The Family of Dennis Englert**.

Thank you!

Sincerely,  
Donnie Claud & Family

Dear "Speak Out",

A Rochester pool company in business 30 years took our \$2200.00 job deposit, but 5 weeks later, still can't take our calls. We have since learned he just changes his business name and repeats the offenses. He's a professional alright. There is a specific internet report about him and local pool companies tell of a trail of scams ranging from deposit theft to jobs left half done. Don't let this con man do ANY work for you. Our local sheriff knows our story along with his name and address .

Your local sheriff needs to hear yours also. Lets stop him!

Audrey Griffin  
Lima, NY

Dear "Speak Out",

This year marks the 240th anniversary of the signing of the Declaration of Independence on July 4, 1776. It is important that today we modern Americans understand the courage needed to sign that document! The 56 men who signed it were the first of a long line of patriots who have made great sacrifices for the cause of American freedom.

This is because myths often outlive the facts of history. Many people only remember George Washington and the cherry tree story. Benjamin Franklin's statesmanship is often forgotten but we remember that he flew a kite in a rainstorm. Joyce Kilmer was a military hero, but all we remember is that he wrote a poem about trees. Many people today remember the first lines of the Declaration of Independence but have forgotten that these men also pledged their lives and sacred honor to our country. Today we can better understand the significance of Independence Day if we know what happened to these men.

First of all they know that the chances of being executed were real. And many did pay that price. We named our village after Robert Morris and our county after Robert Livingston. Both served in Congress without pay giving every cent they had to the war effort and both died in poverty. Others such as Swinnett, Clymer, Middleton Hall and Elery had their homes burned and they died of hunger and starvation. Five were captured and tortured. Nine signers died of battle wounds.

These early patriots of July 4th, 1776 could have enjoyed luxury and ease or could have run off to safety in Canada. But they considered freedom so much more important than security that they pledged their lives, their fortunes and their sacred honor. So, as we watch the fireworks in the sky this weekend, this is why we should remember all who paid the price of our freedom. St. Peter said it in the Bible: "They suffered but they had God's approval".

*I regret having to inform everyone that Linda Jacobs has passed away. Here is a letter from her loving husband Sal NiCastro:*

The night of June 20th, 2016 was calm with a storm predicted overnight. Around midnight the storm approached us with severe lightning and thunder. Linda opened her eyes and watched for a time. After a heavy downpour the storm passed and cleared. Linda took a deep sigh and started her journey to God. As her journey started, it was brought to our attention that the sky was clear above the house with several small puffs of clouds around the house.

*1:40 am June 21st, 2016 was Linda's last day on earth. Rest in peace.*
