## Victor & Penny Bring Music With Class and Style to the PLAC

Celebrating a time when style mattered and class was king, Victor & Penny and their Loose Change Orchestra feature tight harmonies, dazzling guitar work, soaring horns and a fiery ukulele. This coset-tight quartet crafts clever original tunes and brings modern voice to the prohibition era jazz with charm and hot licks. Named "Best Folk Ensemble 2015" by PITCH Magazine and "Stand-out Concert of the Year" by The Joplin Globe, they are an "absolute rollicking blast."

All are welcomes for another great performance at the Pearson Lakes Art Center on Thursday, July 14, 2016 at 7:30 pm. Tickets are available for purchase at the Pearson Lakes Art Center box office, or by visiting us online at [www.lakesart.org](http://www.lakesart.org).

If you or someone you know enjoys playing the ukulele, join us for a ukulele workshop on Wednesday, July 13, from 4:00pm - 5:00pm, free and open to the public! Erin McGrane and Jeff Freling of Victor & Penny show you the difference between just strumming along and driving the rhythm. Learn simple but effective strumming techniques and delve into the styles of swing, hot jazz and gypsy jazz. Rock steady rhythm is the backbone of every good song, so jump on the train!

This event is sponsored by the Perry and Teresa Pearson Foundation.

### The Castaways To Perform July 8 At Boji Bay Legacy Park

If one were to write the story of Midwest rock and roll history, the first chapter would have to be on the Minneapolis, Minnesota's nationally recognized Castaways and their legendary hit, "LIAR LIAR," that went to #12 on the Billboard Hot 100 Charts. This was the same band we saw on the big screen in "It's A Bikini World," while later we would hear "Liar Liar" in such movies as "Good Morning Vietnam" and "Animal House." The song "Liar Liar" has been covered by such artists as Debbie Harry & Blondie and The Pretenders. Do you really want to miss this show? We bet not.

The Castaways fast-paced and versatile song selections range from pop and album artists, classic rock, and mood-setting ballads. Jim Donna, vocals and keyboard, leader of The Castaways, was inducted into the Minnesota Rock/Country Hall of Fame in 2005. Boji Bay Legacy Park is located at 2501 Boji Bend Drive in Milford. Gates open at 5:30pm and show starts at 7:00pm. This show is sponsored by Northwest Bank.

Clark Museum

Warner Chapel, Spirit Lake, Iowa • Early 1900

Thomas Crosby Warner came to Spirit Lake in 1863. He homesteaded on East Okoboji Lake on the farm known as the F.N. Pratt Farm. He married Nancy Clark. The family is remembered as being responsible for the building and maintenance of the Warner Chapel in Tusculum on the East Shore of East Okoboji Lake. Their son, Lewis, married Cora La Doux and continued to farm in Tusculum territory. The Lewis Warner son, Elihue Crosby Warner, married Mary Clark. They farmed all their married lives East of Spirit Lake. They had nine children, all of whom attended Spirit Lake schools.

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji and Iowa History

I like this photo as the early Clark family attended this church. My mother, Hazel Alexander, also attended this church before she married a Clark.

Starting this season, the Clark Museum visitors can view over 5,000 pictures and stories from the largest historic collection of Iowa Great Lakes and surrounding areas, representing many towns and over 99 counties. We have unique items of all types and sizes including over 20,000 original memorabilia and business advertisements. Visitors can be seated as they view photos of their county, the lakes area and the amusement park in organized books. This is a great addition. The air conditioned museum is located 1 mile west and 1/2 mile north of the Catholic church in Milford. Call 712-338-2147 or email tjclark1@msn.com for any information.

In addition, the celebration will highlight the 50th Anniversary of the hit song "Peter Rabbit" which was recorded at the legendary studio by Dee Jay & the Runaways.

Festivities will begin at 3:00pm on Saturday, July 16, with the reunion concert starting at 6:00 that evening at the Roof Garden Ballroom in Arnolds Park Amusement Park.

Tickets are available online at [www.iglrecording.eventbrite.com](http://www.iglrecording.eventbrite.com). For details visit the Iowa Rock 'n Roll Music Association website [www.iowarocknroll.com](http://www.iowarocknroll.com). Follow us on Facebook, Twitter, and Instagram.

Fifty years ago, a band from Northwest Iowa made the national music charts with a song recorded at the IGL Recording Studio in Milford.

The hit, "Peter Rabbit" catapulted the group to national and international recognition. The year of 1966 took the band throughout the United States and Canada; including appearances on the Dick Clark show "Where the Action Is" which was taped on the aircraft carrier U.S.S. Forrestal docked in Virginia. They also appeared on "Upbeat" and other national shows. "Peter Rabbit" remained on the charts for 14 weeks in 1966.

The five original members included Denny (Dee) Storey of Dickens, John (Jay) Senn of Spirit Lake, Bob Godfredsen of Sibley, Gary Lind of Milford and Dennis Kintzi of Milford. Other musicians performed in the band with the Vietnam draft taking some players in and out.

The band shared the stage with such notable artists as BJ Thomas, Paul Revere & the Raiders, The Guess Who, Bobby Vee, The Platters, Mitch Ryder, Brian Hyland and many more.

Dee Jay & the Runaways have been inducted into the Iowa (1997), Minnesota (2003) and South Dakota (2012) Rock and Roll Halls of Fame.

The original Runaways will reunite to perform on the Roof Garden stage Saturday, July 16 at the 50th Reunion for the recording studio where it all began—IGL Recording Company of Milford. Other IGL recording artists to perform that night will include: The Epicureans, The Dentairs, Dale's Devonnairs and the Upson Downs.

Sixty years after opening The New Inn in 1956, the now-legendary Marilyn Maye is returning to the newly remodeled Lakeview Room for three nights of performances starting Sunday.

# Maye returning again this week

When Marilyn Maye first opened the Lakeview Room at The New Inn 60 years ago, the venue's construction hadn't been completed. The parking lot wasn't paved, either. It was still muddy from the very wet spring that delayed the project.

As we recall hearing Marilyn tell about it, her first show here took place on the winding staircase in the lobby. The good news is that it must have been a great show, as it paved the way to have Marilyn associated with The Inn for the better half of its 120-year history — not to mention her worldwide fame.

Now, the Lakeview Room has been extensively remodeled — even expanded a bit over the winter months. And that's where Marilyn opens again Sunday night, with additional shows on Tuesday night and Wednesday night; skipping Monday in deference to that night's performance of the Dick Bauman Big Band at the Pearson Lakes Art Center.

How many recording artists can you name who have performed at the same venue over the span of seven decades? We're betting you will hear some of the same "old favorites" Marilyn sang here 60 years ago — along with several selections that were written much more recently.

The Inn will see more entertainment, too, albeit in The Lounge, from 6 - 8:00, Friday night, when The Three Ks return to entertain...

While the legendary Marilyn Maye's 60th anniversary performance is arguably the best bet for good music this weekend, her return is just one part of the week's musical equation.

The Rodgers and Hammerstein musical *Cinderella* opens tonight (Tuesday) at the Okoboji Summer Theatre — running through Sunday. A recent note from the box office explains that two of the performances of Rodgers and Hammerstein's *Sound of Music* — the final show of the season — are already sold out!

The Jazzed Up Big Band of Okoboji will also be performing tonight, at 7:00, in the Majestic Pavilion at Arnolds Park Amusement Park...

Wednesday night should see Jessie James and the Outlaws returning to Table 316 in Arnolds Park, from 7 - 9:00...

The Iowa Rock 'n Roll Music Association's Thursday night Rock The Roof sessions continue at the Roof Garden at Arnolds Park (Not the Majestic Pavilion as we said last week) with John Mogen and Jessie James and company...

Thursday will also see Kris Karr back at the Little Swan Lake Winery, where The Scott Larsen Band will be performing on the same stage in the barn on Sunday, from 4 - 6:00...

And the Pearson Lakes Art Center will be presenting an interactive Beatles' experience, with Yesterday & Today presenting an all-request show of your favorite Beatles' songs, starting at 7:30...

National recording artists, The Castaways, will take the stage, Friday night, at 7:00, at Boji Bay Legacy Park, in Milford...

Jackson's Rhythm of the River music festival begins Friday night at 5:45, when Claudia Russell and Bruce Kaplan return to the Main Stage for an unprecedented third year. Friday night and Saturday will be filled with a great variety of music and family-oriented fun in Jackson's Ashley Park. More information is available at [RhythmOfTheRiver.Org](http://RhythmOfTheRiver.Org)

And Saturday night will have the rock group Paisan playing in Preservation Plaza, at Arnolds Park, with a 7:30 start...

In addition to Marilyn Maye's opening at The Inn, Sunday, there are two other major events to consider.

Glenn Henriksen's annual progressive organ recital begins at 1:30 Sunday afternoon, at the Zion Lutheran Church just east of downtown Ruthven, and continues all afternoon, with the finale at the nearby Lakeside Lutheran Church along with a loose meat sandwich and ice cream social starting at about 4:00...

Glenn's performances are a part of Bully Bullhead Weekend, which also includes a Pork Patty Cook-Out, downtown, Friday night, with entertainment by The Tim Norgaard Trio, from 4 - 6:00; and the Fireman's Street Dance, Saturday night from 9 - 1:00, where the Black Hills - based Judd Hoos Band will entertain...

Also, Sunday, The Northwest Iowa Concert Band, directed by Rich Nicklay, will be performing its 25th anniversary free concert in the air conditioned Majestic Pavilion, beginning at 2:00...

Along with Monday night's return of The Dick Bauman Big Band at the Pearson Lakes Art Center, Monday will see John Senn & Friends entertaining at the Discovery House Porch Party in Spirit Lake, from 6 - 8:30. The music starts right after the grilling is done — at about 6:30. Bring a lawn chair and relax...

Even though she swears she has never worn one, research director RD tells us this week that today is Bikini Day — the anniversary of the day in 1946 that Parisian fashion designer Louis Reed revealed his itty-bitsy-teeny-weeny bikini.

Singer and screen star Della Reese turns 85 on Wednesday, while Carl Hilding 'Doc' Severinsen turns 89 on Thursday. Doc was originally known as 'Little Doc,' as his father was a dentist!

We noted Claudia Russell's Friday night appearance at Jackson's Rhythm of the River festival before RD told us that Sunday is Teddy Bear's Picnic Day worldwide. The connection here is that it was Val Rosing's original BBC Band recording that made the Teddy Bear's Picnic song popular in 1932. Val Rosing was Claudia's father.

To quote the late Paul Harvey, "Now you know the rest of the story..."

## Family Nature Night

Baltimore orioles, ruby-throated hummingbirds, yellow-headed blackbirds --- all kinds of neat species make their homes in Kenue Park, home of the Dickinson County Nature Center in Okoboji.

Bird brains of all ages are invited to the next Family Nature Night 6 p.m. Monday, July 11, to learn all about our feathered friends. Start off with a lesson on some of our local birds and then join Dickinson County naturalists for a short bird hike to see tree swallows, barn swallows, purple martins, goldfinches, house finches, osprey and other birds that live in Kenue Park.

"I hope people learn some interesting facts and insights about birds, and also that birding is an easy and cheap way to get your family out in nature learning about the fascinating lives of birds," said naturalist Mary Petersen.

Then use your ingenuity to create the perfect cushion for an egg in the egg drop challenge. Work with your family and utilize a variety of materials to make a protective barrier that will keep an egg from breaking when it is dropped from the top of a ladder.

"They will be stretching their minds using science and engineering," said naturalist Charles Vigdal. "I want them to have fun; that's our main goal."

The event will conclude with a little family-friendly competition during the egg and spoon obstacle course race. Try to keep your egg on your spoon while going as fast as you can under, over and through barriers.

Observation skills, science and engineering, athleticism --- "It's a pretty rounded program, like an egg," joked Vigdal.

Plus, everyone who comes will be entered into a drawing for a great birding prize.

Bird Brains is the second in this summer's Family Nature Night series, which began with a fishing program in June, and the final Family Nature Night, called The Nature Center Challenge, will be held 6 p.m. Monday, Aug. 8.

For more information about this or other programs, visit [www.dickinsoncountynaturecenter.com](http://www.dickinsoncountynaturecenter.com) or call 712-336-6352. You can also keep up with the latest nature center happenings on Facebook, Instagram and Twitter.

**Fanchon (Hartwig) Ewing**, 92, of Portland, Oregon, formerly of Lakefield, passed away at the Providence Elder Place in Glendover on March 26, 2016. A private graveside service will be held at St. Joseph Catholic Cemetery with Pastor Steve DeKok officiating.

Fanchon Priscilla Ewing was born on September 9, 1923, in Lakefield, Minnesota, the daughter of Frank Edward and DeEtte Catherine (Otto) Hartwig. She graduated from Preston High School in May of 1941. After graduating she moved to Rochester, Minnesota, where her older sister lived. She attended Teacher's College where she learned typing and short-hand and was employed as a secretary at the Mayo Clinic. She was united in marriage to Verne W. Ewing on August 5, 1946, in Rochester. To this marriage were born 5 children; Susan (1950), Sheila and Sharon (1952), Todd (1954), and Mary (1959). Fanchon and her family lived in several towns in Minnesota and Iowa and eventually settled in Cedar Rapids, Iowa in 1960. She lived there until she retired from bartending in 1988 and then moved to Milford, Iowa, to be close to her oldest daughter, Susan. In 2011, Fanchon moved to Portland, Oregon where her youngest daughter, Mary, resided. In 2012 Fanchon moved to Providence Elder Place Glendover in Portland, where she enjoyed the companionship of several wonderful friends and staff members. She passed away there on March 26, 2016, at the age of 92 years.

Fanchon had a blessed childhood, playing with her older sister Mercedes and her younger brother Quentin at the railroad depot where her father worked and in the summer months at Wymer Lake in Frazee, Minnesota. She was always enchanted with animals and had dogs, cats and birds that she cared for all her life. She loved going out to breakfast with friends and enjoying good stories. She was a member of St. Joseph's Church in Milford. She enjoyed socializing with everyone. Fanchon never met anyone who remained a stranger for long.

Fanchon is survived by her 5 children; Susan Sup (Richard) of Laughlin, NV, Sheila Reiland of Clover, SC, Sharon Johnson (Larry) of Nashville, TN, Todd Ewing of Marion, IA, and Mary Gemmill (Hugh) of Portland, OR; 11 grandchildren; 13 great grandchildren; and a brother Quentin Hartwig of Oakmont, PA. Fanchon was preceded in death by her parents, Frank and DeEtte Hartwig and her sister Mercedes Stevens. Blessed be the memory of Fanchon Priscilla Ewing.

## Milford American Legion Auxiliary Unit #384 Meets

Recently the Milford American Legion Auxiliary had the privilege of Dickinson County Emergency Management Coordinator, Mike Ehret, speak at their meeting. He explained the scope of his duties for natural disasters as well as homeland security for Dickinson County.

Hope Pearson and Mallory Miller are the recipients of a scholarship of \$200.00 each. These are payable at the end of their first semester of school and upon proof of their registration for second semester.

A "Thank You" was issued to the Auxiliary members who helped distribute Poppies over the Memorial Day weekend. All proceeds from that project must be used to benefit a Veteran.

The Unit Charter was draped in black to honor the memory of two recently deceased members, Mary Schultz and Elberta Erickson. The meeting concluded with the singing of "You're A Grand Old Flag".

## Arnolds Park Library News

### Arnolds Park Library Receives Grant

The Arnolds Park Library was awarded a community grant in the amount of \$2600.00 by the Alliant Energy Foundation.

The library applied for a community grant to help with the cost of purchasing AWE computer stations for the children and juvenile sections. The AWE's products focus on early literacy and school readiness skills. The AWE early literacy stations have 4,000 localized learning activities with the content spanning over seven curricular areas. This computer station is geared towards kids ages 2-8. The AWE Afterschool Edge provides 65 top-rated educational titles for kids ages 8-12. This station is ideal for exploration, enrichment, and homework assistance. Adding the AWE learning stations to our library will allow kids the opportunity to explore and learn without the danger of unsafe material popping up as the stations are preloaded and require no internet. Thank you to the Alliant Energy Foundation for helping to make this project possible.

## When the School Bells Rang

by Colleen M. Cleveringa Lemkuil, of Spirit Lake  
 Prairie Arts Historical Park and the O'Brien County Tourism Group had a great program on June 23, 2016.

The O'Brien County Tourism representative, Allison Cooke, introduced Harold Tuttle who told about the Village that is now called the Prairie Arts Historical Park at 1423 Park Street in Sheldon, Iowa, on Highway 18. The two and a half acre park is located between Shopko and Casey's on the highway. Later, the O'Brien County Tourism representative, Charlene Elyea, O'Brien County Naturalist, introduced Wesley Peters who spoke on his new book, *These Four Walls-The History of O'Brien County Rural Schools 1860 to 1959*. He highlighted the four schools that are located at the Prairie Arts Historical Park, the only place in the world you can see four different types of rural schools.

Colleen Lemkuil is pictured with Mari Stewart's painting featured at the Hal Tuttle Gallery at the Prairie Arts Historical Park. Stewart is an artist from Spirit Lake.

Standing in the Baker School Number 5, which was moved to Sheldon last June, Wesley told about the school and its history. It was closed to students in 1947 and closed as the Baker Township Community Center 10 years ago as it was empty and falling into the ground. It was moved to Sheldon down 12 miles of paved busy roads. The outside was painted and the Council is waiting on a volunteer group to paint the inside the same yellow color as it was originally. Located in front of the Baker school is a donated school bell.

We had a lovely evening. Six or seven people said they had gone to country schools and one had taught in a country school for three years. She said it was a lot of work.

Mr. Tuttle took us on a tour of the schools including Floyd Township No. 8. Mr. Tuttle told the story of one strange incident that occurred at the country school around 1925. It had turned very cold. One of the directors came to check out the school. He discovered someone had broken into the building. He could see no visual damage done. Going ahead in his check to see that the school was ready for the cold weather, he checked the big potbellied stove. There he discovered that whoever had broken into the school had placed several sticks of dynamite into the firebox. Had he not found and removed the dynamite, what a terrible tragedy there might have been when the teacher went to light the stove on Monday morning. No one knows why this happened. We heard someone in the crowd say, "there were terrorists in 1920-Wow!"

The tour included a visit to the Harold Tuttle Gallery in the Dick Wansink house. Several pictures by Hal Tuttle are displayed as well as many pictures and sculptures showing the art talent in Sheldon and the surrounding area. People with art displays are asked to show their work by calling Hal Tuttle at 712-348-0361 or Karin Vanden Berg at 712-324-9718.

Funds to support this project can be sent to PO Box 61 Sheldon, Iowa, 51201. Make the check out to The Prairie Arts Council.

### Dickinson County Endowment Fund Awards Grant To Meals On Wheels

The Voluntary Action Center is grateful for its partnership with the Dickinson County Endowment Fund for awarding funds to support the Dickinson County Meals On Wheels Program. Meals On Wheels is a program that delivers over 10,000 nutritious balanced noon meals up to six days per week throughout Dickinson County. Meals On Wheels partners with local churches, businesses, and individuals to provide resources and volunteers to deliver noon meals to home-bound individuals living in the community of Milford, Spirit Lake, Arnolds Park and Okoboji. Some of the same people have delivered Meals On Wheels for decades. This grant will help create new partnerships to get meals out to elders who need them. Meals On Wheels in Iowa covers over 48,000 seniors statewide who may be at risk for hunger. Studies show there are likely another 27,000 to whom we do not yet deliver meals. The Voluntary Action Center wants to identify and sign up those seniors for whom this meal will make a difference in their health and well-being. The Dickinson County Endowment Fund's support allows them to fulfill this task. If you would like more information about the Dickinson County Meals on Wheels program or how to volunteer, please contact Vicky Torreson at the Voluntary Action Center at 712-336-4444.

## From the Ground Up: Paintings by Danielle Clouse Gast

Views from the Gast family's 1946 Cessna 140 airplane have become a point of reference for a series of large scale works by Spirit Lake artist Danielle Clouse Gast, currently on view in the Goodenow Gallery of the Pearson Lakes Art Center through August 13. An Artist Reception will be held Thursday, July 7, from 5:00 - 7:00pm with an Artist Talk at 6:00pm. This event is free and open to the public.

Clouse Gast's perspective on the Iowa Great Lakes and the surrounding areas has opened up fresh compositions while emphasizing the style most associated with her work. Her use of organized geometric shapes and lines (referencing planned groves, repetitive docks, and scattered playful boats) results in an abstract blend of inviting landscapes. While Clouse Gast works out of her home studio in Spirit Lake, her work can be found in many corporate and private collections throughout the United States. Learn more about the work at [facebook.com/clousestudios](http://facebook.com/clousestudios).

Bob Kirschbaum, Executive Director of the Pearson Lakes Art Center, will be guest speaker at the Tuesday, July 12, meeting of the Ladies of the Lake Chapter of the Daughters of the American Revolution (DAR). Persons interested in the arts as well as potential DAR members are welcome to attend. His talk will focus on "Volunteer Opportunities."

The event will begin with a tour of the facility, 2201 Highway 71, at 11:00am. A potluck lunch will follow in the Pomerantz Hall meeting room. Hostesses are Ruth Ann Van Donslear, Milford, and Marge Cleveringa, Iowa Falls. The program is slated for 1:30pm.

Kirschbaum, who was appointed director at the end of May, says that he is looking forward to getting to know the DAR and their guests and to talking about the variety of opportunities that we have coming up. He will introduce Arts Center staff members.

The Pearson Lakes Art Center is a non-profit organization that offers activities ranging from juried exhibits with receptions for the artists to art instruction to performing arts events and more. For information on the Center, call 712-332-7013.

## Thoreson To Present At Unitarian Universalist Fellowship

Iowa Lakes Unitarian Universalist Fellowship to Hear David Thoreson present "The Northwest Passage in the Era of Climate Change", July 10 at Arrowwood Resort.

David Thoreson is a professional photographer and explorer from Lake Okoboji. David grew up in Algona but has been on adventures much of his life, whether bicycling around the United States, Canada and New Zealand or exploring the oceans and polar regions of the world. David loves the outdoors and photography of the Iowa landscape. In 1996, his photographs of Iowa and the biking event RAGBRAI were featured at the Smithsonian's Center for American Folklife during the Iowa Sesquicentennial. He has been a frequent contributor to The Iowan Magazine and Iowa Public Television (IPTV) over the years. His latest television documentary was nominated for an Emmy in 2011. David's book One Island, One Ocean was also published in the fall of 2011. The image-based book features over 350 of David's still images documenting his sailing voyage around the Americas. Most recently David participated in the Nobel Peace Prize Forum in Minneapolis, MN. "Over the Horizon" his newest book will be released later this year. "The Northwest Passage in the Era of Climate Change"

This presentation includes a more in-depth look at the science of climate change with the emphasis on the Arctic. Using David's unique northern experiences, he explores the state of the polar ice cap, changes in native villages, culture, tourism, resource development and the northern sea routes with increasing shipping and commerce in the Arctic. Why is the Arctic considered the epicenter of the climate debate? What is the future of the Northwest and Northeast Sea Passages? David will explore the many questions and host a lively discussion.

Iowa Lakes Unitarian Universalist Fellowship meets at Arrowwood Resort. Coffee at 10:30am, with the service at 11:00am. An optional lunch buffet (\$10) follows the service. Visitors are always welcome.

## Shooting Club News

by Tony Petersen

Over the past few weeks we have discussed the creation of the Izaak Walton League trap grounds. We explained the start of the club, the Lakes Area Youth Trap Club and the pistol range improvement that was completed in memory of Ray John.

With all these improvements that are there today and/or are being planned you can imagine that the trap ground was in need of some more modern facilities. When the trap club had a shoot they would operate out of a bowered enclosed trailer and a porta potty and although it was functional, it wasn't accommodating the needs of the growing members or public that came to enjoy the grounds. So, starting in 2014, the President of the Ikes, Larry Webber, laid out a plan for a new clubhouse and a third trap field. Construction of this project began in the summer of 2015 thanks to donations (both in time and money) from people from the community. A 50 foot long by 30 foot wide building (1500 square feet) complete with two bathrooms, storage garage, kitchenette area and an open classroom was completed in early fall of last year. Not only was the building constructed but a third trap field was put in to meet the demand of the youth trap club and to expand the shooting opportunities for members and the public. Now the trap ground has three trap fields with modern trap throwers (Pat Trap Throwers). Within the three fields the club can now offer regular trap, doubles or wobble trap shooting presentations. Include the updated pistol range and the archery aspect; the club is looking forward and working to promote all aspects of the shooting sports. These improvements would not have been possible without the gracious donations from: Consumers Lumber, Pheasants Forever, Plumb Supply, K&K Masonry, Okoboji Foundation, Webber Construction, Elwell Electric, Layton's Backhoe Service, LaDoux Electric, Theesfeld Construction, Tony and Jill Petersen, Real Life Design Taxidermy, Shad Seuffert, Hunter Petersen, the whole Webber family, as well as donations from silent donors. By all these people and businesses investing in the trap ground they are setting up the facility to be there for our future generations to use and enjoy. So what does the ground need now? It needs volunteers, donations and people to shoot and enjoy the grounds. There is one more exciting shooting sport that has been added just in the past weeks. We will explain in the next shooting club news.

Current shooting schedule:  
• Open trap shooting for the public - Tuesday nights (weather permitting) from 5:00pm until dark, every week.  
• Browning Days - August 6 from 9:00am to 4:00pm  
• Southern Archery Gun Show Day - September 17 from 9:00am to 4:00pm  
For more information, contact club President Larry Webber at 712-336-2202 or Tony Petersen at 712-320-0275

## Outdoor Eucharist Service At Gull Point State Park

On Sunday, July 10, at 10:00am, members of St. Alban's Episcopal Church will be having their second annual Outdoor Eucharist service at Gull Point State Park, 1500 Harpen Street, Milford. The service will be led by the Reverend Cathleen Bascom. They have also invited members of Trinity Episcopal Church in Emmetsburg to the service.

Since there are shelters at the park, this event will take place whatever the weather. This will be the principal worship service for that day and there will be no service at the church on 23rd Street in Spirit Lake.

Following the Eucharist, there will be a potluck at the park. Please bring a dish to share. The church will provide drinks and tableware.

St. Alban's Episcopal Church Scholarship Awards will be presented to some very deserving students.

All are welcome for worship and fellowship - and, better yet, bring a friend. For more information, contact the church at 712-336-1117, email: [stalbanchurch@qwestoffice.net](mailto:stalbanchurch@qwestoffice.net), or check the church's website at [www.stalbanepiscopalchurch.org](http://www.stalbanepiscopalchurch.org) or Facebook page at [www.facebook.com/stalbanspiritlake](http://www.facebook.com/stalbanspiritlake).

## Dan Gable To Visit Iowa Great Lakes

What does it take to be an Olympic gold medalist and to coach a collegiate team to fifteen NCAA titles? In *A Wrestling Life: The Inspiring Stories of Dan Gable*, famed wrestler and wrestling coach Dan Gable tells engaging and inspiring stories of his childhood in Waterloo, Iowa; overcoming the murder of his sister as a teenager; his sports career from swimming as a young boy, to his earliest wrestling matches, through the 1972 Olympics; coaching at the University of Iowa from the Banachs to the Brands; life-changing friendships he made along the way; and tales of his family life off the mat. A celebration of determination, teamwork, and the persevering human spirit, *A Wrestling Life* captures Gable's methods and philosophies for reaching individual greatness as well as the incredible amount of fulfillment and satisfaction that comes from working as part of a team.

Whether we are athletes or not, we all dream of extreme success and are all looking to make our future the best it can be, but along the way we will undoubtedly need time to recover and rejuvenate. Let these stories inspire you to find your strength and achievement along whatever path you take.

"Dan Gable has been called 'Sports Figure of the Century' by *Sports Illustrated*. If you've never heard of him (or even if you have), you're in for a treat. *A Wrestling Life* details Gable's most profound triumphs and disappointing losses, both on the mat and off. He's been a primary inspiration to me since I was 15, and this book will show you why. In a modern world of political correctness and glad-handing, the art of the fight is highly undervalued. Allow Dan to show you another way." — Tim Ferriss, author, *The 4-Hour Body*

"The stories in *A Wrestling Life* offer keen insight into how, beginning at a very young age, Dan Gable was able to use personal achievement, adversity, and even tragedy as motivation to reach the highest levels of success and to have a profound effect on those around him. Gable's love and commitment to his family, teammates, teams, and friends jump out in story after story. As a high school and college wrestler I wanted to wrestle for Dan Gable. Now I know why!" — Mike Golic, ESPN broadcaster, NFL player, Notre Dame football player and wrestler

"*A Wrestling Life* shows readers not only how Dan Gable cultivated the 'Iowa Way' to becoming a world-class athlete, but how he became the man behind the athlete. Through his unwavering commitment to teamwork and using the hardships in his life to fuel his unparalleled work ethic, he has truly earned his place as the godfather of Iowa sports." — Nate Kaeding, former Iowa Hawkeye and NFL football player. Information from the University of Iowa Press. (uiowapress.org)

Dan Gable will visit the Sami Bedell Center for the Performing Arts in Spirit Lake, Iowa on July 14th. There will be a meet & greet from 6:00-6:40 followed by a book talk at 7:00. Copies of his book, "*A Wrestling Life*" will be for sale and Dan will do a book signing following the event. This event is sponsored by the Friends of the Library groups at the Spirit Lake Public Library, the Arnolds Park Public Library, and the Milford Memorial Library. Contact any of these libraries for more information.

## Iowa DNR/Lakeside Lab to Host Little Millers Bay Clean-Up

The public is invited to help pick up trash along the shoreline of Iowa Lakeside Lab property on Little Miller's Bay on Saturday, July 9 between 8:00am and 12:00pm. The cleanup is being organized by Sahara Tanner, a fisheries researcher from the Iowa DNR. "Over the summer, fall and spring a lot of trash blows into the bay," said Tanner, "especially with the recent storms." Tanner and Lakeside Lab hope trash removal will improve fisheries and wildlife habitat on Little Miller's Bay, one of the few remaining undeveloped shorelines on Lake West Okoboji.

Volunteers are needed to collect trash by walking the shoreline or bringing their own kayaks and canoes. No water craft will be provided. The bay is too shallow for motorized water craft. The clean-up will start with free registration at 8:00am and the event will go until 12:00pm. Participants arriving by land should park in the main Lakeside parking lot off of Highway 86 and walk to the fire ring in front of the Lakeside dining hall facing Little Millers Bay. Those arriving by water can pull up at the Lakeside canoe launch and walk up the hill to register. Volunteers should wear gloves and bring sunglasses, water bottles, snacks, bug spray, sunscreen, sturdy water-safe shoes and be prepared to get wet and muddy. Contact Sahara Tanner for more information at [sahara.tanner@dnr.iowa.gov](mailto:sahara.tanner@dnr.iowa.gov) or at 952-607-8233.

## ISU Northwest Research And Demonstration Farm Field Day

Don't miss the opportunity to listen to Iowa State University (ISU) Extension and Outreach specialists present timely research and crop production information at the upcoming ISU Northwest Research and Demonstration Farm Field Day on Wednesday, July 13, near Sutherland, Iowa.

Check-in registration will begin at 9:00am, with cookies and coffee provided to start the day, and the program will begin at 9:30am. Paul Kassel, ISU Extension and Outreach field agronomist in northwest Iowa, will kick off the field day by discussing timely agronomic topics. ISU Extension and Outreach specialists, Antonio Mallarino, Alison Robertson and Gary Wright, will present on the surface runoff project at the Northwest Research and Demonstration Farm, and the outlook for corn diseases and the ag economy.

"The field day will give farmers and the public a chance to see current research projects, and talk with the researchers involved in the experiments," stated Joel DeJong, ISU Extension and Outreach field agronomist in northwest Iowa. "Attendees will also be able to hear about the latest research and crop management information in the agriculture industry. Anyone is welcome to attend."

Lunch will be provided by Iowa Learning Farms, with an update on the Nutrient Reduction Strategy to follow. Matt Helmers, ISU Extension and Outreach agricultural engineer, will discuss the new tile study project at the research farm, and then participants will have the opportunity to take a tour of that project.

The field day will end with a short session on how to take nitrate samples, and everyone will be able to take home a nitrate test kit to sample their own tile water. The afternoon will conclude with homemade ice cream.

The research farm is located at 6320 500th Street near Sutherland, . That's 1/4 mile east of Highway 59 on B-62, about two miles south of Calumet or about 12 miles north of Cherokee.

For more information about the ISU Northwest Research and Demonstration Farm Field Day, contact Joel DeJong 712-546-7835, [jdejong@iastate.edu](mailto:jdejong@iastate.edu).

To register your garage sale, please contact Thee Garage Sale, in Milford, at 712-338-3334. Deadline to register and be listed on the Pioneer Days All-Town Garage Sale Map will be Wednesday, July 13, 2016.

**2016 Water Safety Day Camp**

Water safety is a common topic each year as summer approaches, but it is also important to talk about all year long. According to the National Safety Council, drowning is more common for children under the age of 5 and is the second leading cause of death for people ages 5-24. "We at the Smith Wellness Center, on the Emmetsburg Campus of Iowa Lakes Community College, introduced an afternoon day camp last year that reached out to children ages five and older from Emmetsburg and surrounding communities," stated Liz Hoffman, Aquatics Facilitator. "This safety camp is something that people of all ages can benefit from," she added.

Last year, the lifeguard staff spent an afternoon talking about a variety of general water safety topics, including but not limited to sun safety, boat safety, and pool and waterfront safety. The children enjoyed rides in a canoe from the deep end of the pool, created crafts, played water games and won door prizes like free pool passes and T-shirts.

The 2nd annual Water Safety Day Camp will be held on Thursday, July 14, from 1:00pm to 5:00pm and is free of charge to everyone. To sign up for the day camp, or for additional information, contact Liz Hoffman at 712-852-5201, or email ehoffman@iowalakes.edu, or call the Emmetsburg campus at 1-800-242-5108.

**Spencer Quality Housing Initiative Exceeds \$1 Million In Grant Funding**

In just under five years, the Spencer Quality Housing Initiative has exceeded \$1 million in distributed grant funds. Awarded and administered by the Spencer Area Jobs Trust, the Spencer Quality Housing Initiative began disbursing funds in late 2011. The program's goal is to incentivize the purchase of new, mid-range houses located in the City of Spencer.

City Manager Bob Fagen said he is pleased with the program's progress and results.

"The program's been a complete success," Fagen said. "The city came from having four residential building permits with a value of about \$800,000 to having \$26 million of new residential permit value."

The City of Spencer, Spencer Municipal Utilities, Clay County and five Spencer financial institutions are partners in the program. Combined, the partners have pledged funds for grants of up to \$15,000 for homebuyers.

"Housing is a necessary part of our community that we need to have if we're going to expect people to have a place to live in Spencer and around Spencer," Clay County Supervisor Burlin Matthews said. "For us, as a county, it was an economic development idea that we thought fit very well in providing housing." Steve Pick, Spencer Municipal Utilities General Manager and CEO, said the utilities provider is proud to be a program partner.

"Spencer Municipal Utilities is proud to be one of the community supporters that developed and delivered the Quality Housing Initiative," Pick said. "The success of the program is another testament to the community of Spencer working together. The QHI program has led to over 75 new houses being built to date with construction activity continuing."

The Spencer Quality Housing Initiative is offered in conjunction with Spencer Municipal Utilities, City of Spencer, Clay County and participating Spencer financial institutions. Spencer Area Jobs Trust administers the initiative. Applicants are eligible to receive up to \$15,000 toward the purchase of new, mid-range homes located in Spencer. More information can be found on the Iowa Lakes Corridor Development Corporation website.

**5K Color Dash Fun Run/Walk**

Bring your tennis, laughter, and energy to The Color Dash 5k fun-run/walk on Saturday, July 9 to raise money for the Pearson Lakes Art Center and Bedell Family YMCA. Packet pick-up begins at 8:00am at 1900 41st Street. Register early at www.cd5k.com. While you're waiting for the dash to start, make sure you say hello to the vendors, get your groove on in the DJ Dance Party, enter drawings and contests, and much more! This is a family friendly event, so all ages, shapes and abilities are invited to participate. Start white and get doused with an array of colors at each kilometer. Walk, dash, sprint or Rock n' Roll, whatever your method, just let the color move you.

At the Spirit Lake Color Dash, 50% of the profit of registration and merchandise stay local, benefiting the Pearson Lakes Art Center and Bedell Family YMCA directly as the charity partner. Proceeds from the Color Dash will be put to use in the form of recreational activities for the Iowa Great Lakes Community through the art center and YMCA.

All are welcome at the Color Dash, a fun-filled experience for walkers, runners, and people of all ages, shapes, and sizes. The dash isn't competitive or timed; rather it's more about sharing memories, laughing, and putting some color in your life (and on you, of course).

Get your family and friends together or dash on your own. Enjoy the music, colors, and support the hearts and minds behind such a great cause. Add an extra theme to your team; model some fancy socks, a sparkly tutu, or a homemade costume if you like. We look forward to seeing you there!

The YouTube list of the traits individuals of above-average intelligence have in common included one trait of special interest to the staff and volunteers at the Humane Society of Northwest Iowa. That trait shared by above average intelligent people was cat ownership... sorry, no mention of dogs! Evidently if one wants to join the ranks of the intelligent upperclass, one owns a cat. The shelter can help you do that!

In fact if one wants to be considered doubly intelligent there is a pair of extremely affectionate and friendly cats just waiting right in the shelter's reception area... Minnie (top) and Pearl (bottom). They were surrendered by their sad owner who wanted to be sure they remained together having never been separated throughout their three years of life. Both are declawed female tortoise calicos. Minnie is darker brown mixed with tan; Pearl is white, brown, and tan.

If one remembers Minnie Pearl of Grand Ole Opry fame, you will feel these two have similar personalities - always upbeat and eager to please or entertain you. They would make great companions in a forever home that they definitely deserve. Their only request would be "No dogs!" or at least well-mannered ones!

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

**Retired Professor Receives Award for Volunteering**

Gary S. Phillips of Estherville received a Governor's Volunteer Award from Governor Terry E. Branstad and Lt. Governor Kim Reynolds during a special recognition ceremony held June 23 in Storm Lake.

Phillips was nominated by the Iowa Department of Natural Resources and was honored with the Governor's Individual Volunteer Award for 34 years of volunteer service supporting IDNR natural resource management activities in Emmet County and the Iowa Great Lakes Area.

Over the years, these activities have included native prairie seed harvesting, native prairie restorations, invasive species management programs, stream and aquatic plant inventories, water quality studies, numerous educational presentations, and helping organize the Friends of Fort Defiance State Park. Phillips would often incorporate students from his Environmental Studies program and his Water Quality & Sustainable Aquatic Resources program in the projects.

"Volunteering has been a part of my life for many years. It began when I was involved in scouting as a youngster and that carried over for the rest of my adult life," said Phillips. "While at Iowa Lakes Community College, I have strived to involve my students in these activities and as a result, many big projects have been accomplished that otherwise would not have been possible."

"I am pleased to honor those who have given the precious gift of their time to meet essential needs across Iowa," stated Governor Terry E. Branstad. "The commitment of these volunteers, and all volunteers, helps Iowa consistently remain in the top 10 states in the nation for its volunteerism rate."

"Volunteering not only has a positive impact on the individuals receiving the service, but serving others transforms the volunteer themselves," said Lt. Governor Kim Reynolds. "The dedication of the people selected for these awards often encourage others to become involved in service, and I am delighted to recognize them for their amazing contributions."

Coordinated by Volunteer Iowa, the Governor's Volunteer Award program provides an easy way for Iowa nonprofits, charitable organizations, and government entities to honor their volunteers with a prestigious, state-level award. Volunteers are recognized each spring during ceremonies held in several locations around the state. More information is available at [volunteeriowa.org](http://volunteeriowa.org).

## LRH Auxiliary Jewelry Sale

by Janet Staver, LRH Auxiliary Fundraising  
 The Lakes Regional Healthcare Auxiliary volunteers are hosting our summer Masquerade \$5.00 Jewelry Sale fundraiser on Thursday, July 7, from 10:00am to 6:00pm at the Expo/Community Room in Spirit Lake. Masquerade Jewelry is the most recognized hospital auxiliary fundraiser partner in the country. Everything sold at the event is at the price of \$5.00 per item and the room will be full of fun merchandise. Items include necklace and earring sets, watches, bracelets, rings, hair accessories, scarves, numerous size bags and a vast array of other accessories. Masquerade offers an exchange policy should the customer purchase an item that is found to be defective, just return it to the next Masquerade sale. Remember, this is a great opportunity to purchase fun jewelry and accessories for yourself and others. Cash, checks and credit cards are accepted at the sale. Funds raised are used to support LRH Auxiliary scholarships for both high school graduates and LRH employees who are advancing their education in a medically related field, provide Lifeline assistance and purchase a daily newspaper for the hospital surgical waiting area.

Additionally, the Lifesavers Relay for Life Team of LRH RNs will be joining us with a craft and bake sale plus serving a delicious lunch item. So mark your calendar, call your friends and come out for fun jewelry and accessories and have a good time and a bite to eat. The Lakes Regional Auxiliary volunteers look forward to seeing you!
