The Hearing Aid Center

ANNOUNCES FREE HEARING CONSULTATIONS

FREE Audiometric Testing!

FREE Wax Inspection!

FREE Product Demonstration!
and

If you like what you hear wearing the aids in our office, for a limited time we can offer you the opportunity to wear the hearing aids at home and out and about in your normal daily life. If after wearing your hearing aids for a period of 2 weeks you are not completely satisfied with them, just return them.

Satisfied Patients

"Many years ago I had been told that hearing aids would never help. I always believed that until Cassie told me different. These hearing aids are the best things ever! I have always enjoyed squirrel hunting, and as a teen I could hear squirrels chewing on hickory nuts, and then I got to where I couldn't hear them at all, I could only see the limbs moving or the nut clippings falling from the trees. These hearing aids are giving me my youth back! I can't wait to go squirrel hunting! I'm hearing things that are out of this world! Thank you everyone at The Hearing Aid Center!"

- Ronnie Martin
Satisfied Customer

"I love my hearing aids, but I think my wife loves them even more! I tell everyone I know to go to The Hearing Aid Center, and that it doesn't cost anything to find out if they can help you. I really appreciate all that Cassie and Tiffany have done to help me with my hearing, and recommend if you're having trouble hearing to go see them!"

- Mark Dempsey
Satisfied Customer

"These people will change your life! They are honest, knowledgeable, and so nice. They are in this business to help you any way they can. The whole staff is wonderful!!! I now can participate in life because I now can hear, and I can hear because of the people at The Hearing Aid Center!"

- Donna Steele

RESIDENT PROJECT REPRESENTATIVE. Trestles, LLC has an exciting opportunity for a Resident Project Representative (RPR) to join our Nashville, Tennessee Team. Duties include construction observation and inspection on multiple civil engineering and underground utility construction projects in the Fayetteville/Lincoln County, Tennessee area. The successful candidate will enjoy working in a collaborative, multi-discipline environment to develop innovative, cost effective designs. The RPR responsibilities include: Maintenance of daily reports, measurements, calculations and computations of quantities; Ensuring conformance with the contract documents; Performance of daily inspection and documentation of construction activities; Meet with utility owners, landowners and local governments to work out project conflicts; Provide recommendations when considering construction changes; Review construction contractor's work schedule and provide comments and corrections; Inspect contractor's temporary traffic control measures; Conduct progress meetings with construction contractor and subcontractors; Inspect requirements of Storm Water pollution Prevention Plans and environmental permits; Other duties as required by contract. Trestles LLC, is a Tennessee-based registered small business that provides professional engineering and environmental consulting services. Trestles maintains a core philosophy of TEAM in all of our company tasks. Our Team is comprised of engineers and other technical professionals that have gathered a vast and diverse amount of experience. Our Team specializes in serving private and public sector clients with identifying and solving their engineering, environmental, and construction related needs. Trestles provides a complete range of services that are uniquely focused on defining the issue, determining its scope and significance and, most importantly, implementing a cost-effective solution.
