MODULAR OFFICE BUILDINGS **6 UNITS 5880 sq.ft.**

Rare find...modular office buildings for auction! Can be used for dozens of applications such as office space, sale centers, school, office locations, training facility, churches, storage, construction site, clinics and so much more. The flexibility of design, ease of construction, accelerated construction time and turnkey project delivery by these units are the advantage of modular construction.

These gently used units are in "like new" condition. Most are 2009 to 2011 models built to government specs by builder. No expense spared in the construction of these units. They feature a large open work area, private offices, conference room, break room, men's and women's bathroom and are totally complete and ready to be relocated to your site. Similar units sell for \$20 to \$30 per sq ft so don't miss your opportunity to purchase these units for as low as \$8.17 per sq ft. Units will need to be moved and set up at your location. Star Homes of Cullman can assist with arranging set up and transportation. High bidder can purchase one or multiple units at the same price.

Call John Tumminello at 256-975-7694 for additional information and/or questions.

Terms: 10% buyers premium added to high bid. 15% down if you are the successful high bidder at the close of auction. Balance due in 30 days. 3% sales tax due to Star Homes of Cullman, AL. Transportation and set up cost not included. Units must be paid in full before relocating offices.
