RESIDENT PROJECT REPRESENTATIVE. Trestles, LLC has an exciting opportunity for a Resident Project Representative (RPR) to join our Nashville, Tennessee Team. Duties include construction observation and inspection on multiple civil engineering and underground utility construction projects in the Fayetteville/Lincoln County, Tennessee area. The successful candidate will enjoy working in a collaborative, multi-discipline environment to develop innovative, cost effective designs. The RPR responsibilities include: Maintenance of daily reports, measurements, calculations and computations of quantities; Ensuring conformance with the contract documents; Performance of daily inspection and documentation of construction activities; Meet with utility owners, landowners and local governments to work out project conflicts; Provide recommendations when considering construction changes; Review construction contractor's work schedule and provide comments and corrections; Inspect contractor's temporary traffic control measures; Conduct progress meetings with construction contractor and subcontractors; Inspect requirements of Storm Water Pollution Prevention Plans and environmental permits; Other duties as required by contract. Trestles LLC, is a Tennessee-based registered small business that provides professional engineering and environmental consulting services. Trestles' maintains a core philosophy of TEAM in all of our company tasks. Our Team is comprised of engineers and other technical professionals that have gathered a vast and diverse amount of experience. Our Team specializes in serving private and public sector clients with identifying and solving their engineering, environmental, and construction related needs. Trestles provides a complete range of services that are uniquely focused on defining the issue, determining its scope and significance and, most importantly, implementing a cost-effective solution. (615)476-0706.
