### To The Citizens of Marshall County, Tennessee,

My name is Jean Hart Griffin and I would like to ask for your vote for Marshall County Trustee in the November 8, 2016

Marilyn Ervin, current Trustee, has decided to leave the office of Trustee on August 31, 2016, after serving the citizens of Marshall County successfully for several years.

The marshallcountytn.com webpage defines the role of the Trustee as follows:

- To collect all county property taxes and personal property taxes (they do not assess taxes, only collect)
- To keep a fair regular account of all money received and
- To invest temporarily idle funds.
- The Trustee also disburses sales tax revenues

"The Trustee serves as the treasurer of the county and must implement a sound management policy because of its affect on other county offices and on taxpayers. The office serves as the county's bank since it handles all receipts and disbursements for the operating departments of general government, public education and highways."

I have worked over 35 years in banking and the financial services industry. I am very familiar with fiscal responsibility, confidentiality and the importance of the appropriate processes and controls to ensure sound management. Additionally, I have experience in understanding the importance of policies, regulations and laws to ensure ongoing compliance. As a result, I feel I am very qualified to perform the role of Trustee in service of the citizens of Marshall County.

I grew up in the town of Petersburg, Tennessee in the 1960's and 1970's, the daughter of Julius and Reba (Welch) Hart. I attended Petersburg Elementary School and was raised in an atmosphere of civic duty resulting from my parent's involvement in their community. I learned early on, by working in our family businesses of Hart's Realty & Auction Company and Hart's Drug Store, that hard work is important to achieving fulfillment in life.

After graduating Cornersville High School, in the top ten of our class of 1976, I immediately secured a job as a bookkeeper at the First National Bank of Petersburg. Unbeknownst to me at the time, this key first job prepared me for what was to turn into a lifetime career in the financial services industry. Much of my career has been spent in bank operations and technology as member of the Bank of America transition team, which focused on financial processes, controls and conversions resulting from mergers and acquisitions.

GOD's plan for me resulted in a handful of places being my home over the years, including Murfreesboro and Nashville, TN; Orlando, FL and St. Simons Island, GA, eventually returning to Marshall County, after the death of my husband Taylor Griffin in 2011, to make Lewisburg, TN my final home.

I want to publicly thank my family and friends who four years ago welcomed me home with open arms and have over time brought great joy back into this next chapter of my life!

In addition to reconnecting with old friends, I have met many new people through my involvement with the Rotary Club of Lewisburg. I currently serve on the Rotary Board of Directors. I am the committee chairperson for the Rotary Christmas Tour of Homes, proceeds of which are distributed to various charities and non-profit organizations throughout Marshall County. Through my participation in Rotary, I was selected by my peers as a Paul Harris Fellow, which recognizes an outstanding commitment to the Club and community.

I am a member of the First United Methodist Church or Lewisburg.

I realize that the November election is several months away and many other more familiar names may decide to vie for the position of Marshall County Trustee. To the citizens of Marshall County, I want you to know how committed I am to the area; that I know I can do a good job as your Trustee and I ask that you consider my financial qualifications when making your voting decision on November 8th. I look forward to meeting as many of you as possible this summer and fall!

"Paid for by the Jean Hart Griffin Campaign - Julie Miller Treasurer"
