a perfect fit

"Thank you so much to Kathy at Spirit Lake Silver & Gold. She went above and beyond from the very beginning with my engagement ring, first by ordering in a variety of diamonds and settings, then looking for the right setting and band for my wedding ring.

We went from one end of the spectrum to the other, and she was patient with me until the end. We finally settled on a custom made ring which was done perfectly and exactly what we wanted.

What makes it extra special, is I am the third generation on my mom's side to work with them. My grandpa, my mom, and now, me. Since my grandpa is no longer with us, it was like he was there, guiding us through.

Thank you for everything!"

HEALTH NOTIFICATION Are You Hard of Hearing?

A major name brand hearing aid provider wishes to field test a remarkable new digital hearing instrument in the area. This offer is free of charge and you are under no obligation. These revolutionary 100% digital instruments use the latest technology to comfortably and almost invisibly help you hear more clearly. This technology solves the "stopped up ears," and "head in a barrel" sensation some people experience. If you wish to participate, you will be required to have your hearing tested in our office FREE OF CHARGE to determine candidacy and review your results with the hearing instruments with our hearing care specialist. At the end of this evaluation, you may keep your instrument, if you so desire, at a tremendous saving for participating in this field test. Special testing will be done to determine the increased benefits of this technology. Benefits of hearing aids vary by type and degree of hearing loss, noise environment, accuracy of hearing test, and proper fit. This is a wonderful opportunity to determine if hearing help is available for your hearing loss and get hearing help at a very affordable price.

NEW GENIUS™ TECHNOLOGY

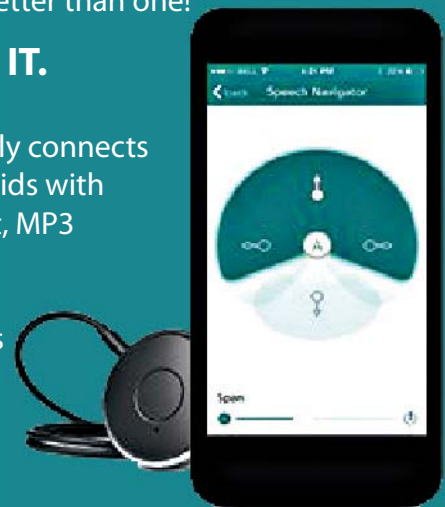

ENJOY MORE NATURAL SOUND QUALITY, WHEREVER LIFE TAKES YOU:

- Directional Focus helps you hear front and center, blocking unwanted noise around you
- Wireless Windscreen takes away the wind noise, allowing other sounds to be heard more clearly
- Voice Target 360 zeroes in on the people and conversations you want to hear
- HD2Sound processes sound the same way your brain does naturally, because two ears are better than one!

DON'T JUST HEAR IT.

STREAM IT:

The GENIUSlink wirelessly connects your GENIUS™ hearing aids with your smartphone, tablet, MP3 player or other Bluetooth®-enabled device. One touch sends phone calls, music, TV, and more directly to your ears for superb clarity.

You will be able to walk into our office and walk out knowing how much help there is for you!

X Boat Championship at Okoboji OHS Youth Boys Basketball Camp

On July 27 to 30, 2016 over 100 "Class X" sailboats will converge on West Lake Okoboji for the Inland Lakes Championship Regatta. This annual competition is sanctioned by the Inland Lakes Yachting Association for its 50 sailing clubs in the upper Midwest. An "X" boat is a sixteen-foot fiberglass sailboat with two sails. It is sailed by two youngsters no older than sixteen years of age. The skipper controls the mainsail and the rudder while the crew controls the front sail called a "jib".

To keep the competition fair the dimensions of the "X" boat and its sails are tightly controlled. This "one design" philosophy assures the competition will be focused on the sailors and their sailing skills rather than who can afford the most expensive boat and sails. The sailors are divided into two age groups that will sail in separate parts of the lake. Skippers 14 years of age up to and including 16 years of age must sail in the senior fleet. The younger skippers will sail in the junior fleet.

The Inland Championship Regatta will consist of up to eight races sailed on Thursday, Friday, and Saturday morning. A trophy presentation will take place at the Okoboji Yacht Club facility on Millers Bay Saturday afternoon. With each of 100 sailboats having two crew - along with their siblings and parents - there will be 100s of people around the lakes during this four day period. Wednesday evening will be a free night so many of the sailors might descend on our great Amusement Park to enjoy its many attractions. Powerboats are asked to slow to a "no wake" speed when they are in the vicinity of the race course.

To probe further - check website www.oycia.org.

There will be a Youth Boys Basketball Camp Tuesday, Wednesday, Thursday - July 19, 20, and 21 from 10:15am to 12:15pm at Okoboji High School for any boy going in to grades 3-8 (Fall 2016 grade). Cost is \$30. To enroll, please email Ryan Paulsen rpaulsen@okoboji.k12.ia.us.

One of the best-selling groups at IGL Records, Dee Jay & the Runaways, included (l-r), Denny Kintzi, Jim Grant, Bob Godfredson, John Senn, Denny Storey, and Gary Lind. They will be appearing this weekend at IGL's 50th reunion festivities.

The original IGL studio on Highway 71 in Milford, is now Mill Creek Lounge.

IGL recording studio celebrating its 50th

Fifty years is a long time in any life or business. And things have changed tremendously in the record business worldwide since the Iowa Great Lakes Recording Company opened its studio to hundreds of musicians 50 years ago, in 1965 — just three years after cassette tapes were developed, and several years before they became popular.

Seven inch 45 rpm records were the standard of the day, along with 33-1/3 rpm, long-playing records. (IGL cranked out 170 45s, and 67 LPs in its Milford studio, one of only two in Iowa at the time.) And it was more than a decade later that the first compact music disc was demonstrated in Germany. We won't even begin to note the changes in music itself...

Instead we celebrate IGL's 50th with a kick off Thursday night, as part of the Iowa Rock 'n' Roll Music Association's Thursday night Rock the Roof Concert in the Roof Garden at Arnolds Park. The party begins with a reunion group show at 6:30, and continues Saturday, starting at 3:00, also in the Roof Garden, with the official 50th Reunion Concert featuring Dee Jay & the Runaways at 6:00...

There will also be a memorabilia display, record swap meet, book signing, autograph session and more, along with the grand opening of the IGL exhibit in the IRRMA Museum next door. Enjoy!

After 60 years, Marilyn Maye completes her three night stand at The Inn, tonight and tomorrow night (Tuesday and Wednesday). The week will also see The Jazzed Up Big Band of Okobojo, in the Majestic Pavilion at Arnolds Park, starting at 7:00 tonight. And Glenn Henriksen will be continuing his Spirit Lake house concerts, also at 7:00 tonight and Wednesday night...

Victor & Penny (Jeff Freling and Erin McGrane) will present a free ukulele workshop for students and adults, Wednesday afternoon, at the Pearson Lakes Art Center. Call ahead for details and tickets to their Thursday night performance with the Loose Change Orchestra...

The public is invited to Keelson Harbour at 7:15 Wednesday night, when the Northwest Iowa Concert Band will perform for residents... The Itty Bitty Boji Band will be returning to Table 316, Wednesday night, from 7 -9:00, before opening Spencer's Main Street Market, Thursday night, on the lawn of the Clay County Courthouse. The IBBB will play from 5 - 7:00...

Estherville's Music on the (Library) Square will feature the music of Out on the Weekend, also from 5 - 7:00, Thursday night; while Adam Layman will take the stage in the barn at the Little Swan Lake Winery, from 6 - 8:00. (You might also want to make your plans now for Doreen's Jazz New Orleans, on the 21st)...

While Marilyn Maye will probably take to the road before Friday, The Three Ks will be performing in The Lounge at The Inn, Friday night, starting at 6:00...

And, Brexit or not, a tribute to British 'invasion' groups will take place Friday night at Boji Bay's Legacy Park, starting at 7:00. The word is that three members of the Rumbles will be a part of the revolution...

The Itty Bitty Boji Band fills out a long musical week at the Barefoot Bar, Saturday, from 2:30 - 6:30, and Sunday, from 2 - 6:00... And Saturday night's Live at the Lakes presentation will include Chubby Carrier and the Grammy Award-winning Zydeco, starting at 7:30 in Preservation Plaza...

Sunday will also see the return of Dave Rowley and Ryan Sather in the barn at the Little Swan Lake Winery, from 4 - 6:00; the same way the Dick Bauman Big Band will be returning to the Pearson Lakes Art Center, Monday night, from 7 - 9:00.

In addition to too many composers' natal days to note here this week, research director RD has come up with some summer craziness of note.

Not only is Wednesday French Fries Day, and Thursday Hot Dog Day in the USA; but Thursday also marks the 1789 riots that freed the prisoners from The Bastille Prison in Paris — hence the French Independence Day.

Apparently riots happen when the French (and Americans) fry in the summer heat. Stay cool...

All the news that fits we print.

Milford Firefighters Fill the Boot

Members of the Milford Fire Department are set to kick off the fire fighter's annual Fill the Boot fundraising campaign to help the Muscular Dystrophy Association (MDA) find urgently needed treatments and cures for muscular dystrophy, ALS and related diseases that severely limit strength and mobility.

Firefighters from Milford Fire Department will fan out across the city with boots in hand for this year's drive on July 23rd during the Pioneer Days Parade.

"For more than sixty years, fire fighters have stood on the front lines with MDA in the fight to free individuals — and the families who love them — from the harm of these life-threatening muscle diseases," said Fundraising Coordinator Derek Harrigan. "Each year, Milford firefighters dedicate countless hours of their time participating in Fill the Boot drives and at MDA Summer Camp. We're grateful for their steadfast drive and uncommon caring toward the kids and adults we serve and look forward to working together once again to make this Fill the Boot season a huge success."

MDA's spirited Fill the Boot campaign is an honored tradition in which thousands of dedicated firefighters in hometowns across America hit the streets or storefronts asking pedestrians, motorists, customers and other passersby to make a donation to MDA, using their collective strength to help kids and adults live longer and grow stronger.

Funds raised through 2016 Milford Fill the Boot event empower families with life-enhancing resources and support that open new possibilities and maximize independence so they can experience the world without any limits.

In addition to Fill the Boot drives, fire fighter contributions from year-round local events help support MDA's efforts to raise awareness and provide professional and public education about neuromuscular diseases.

Contributions also help MDA's efforts to fund groundbreaking research and life-enhancing programs such as state-of-the-art support groups and Care Centers, including the MDA Care Center at the University of Iowa in Iowa City, IA. They also help send more than 70 local kids to "the best week of the year" at MDA summer camp at no cost to their families at Camp Courageous.

MDA is leading the fight to free individuals — and the families who love them — from the harm of muscular dystrophy, ALS and related muscle-debilitating diseases that take away physical strength, independence and life. We use our collective strength to help kids and adults live longer and grow stronger by finding research breakthroughs across diseases; caring for individuals from day one; and empowering families with services and support in hometowns across America.

Learn how you can fund cures, find care and champion the cause at mda.org.

Tractor Ride Route Sunday, July 24

The public is welcome to Florence Park in Milford to see the wide variety of old tractors before they take off at 8:00am or find a good spot to view the tractors as they come through the lakes area. Most of the tractors should be to the Spillway in Spirit Lake by 10:30am so you may want to either watch or take a different route that morning. The route is as follows:

Starting at Florence Park in Milford we will head to Terrace Park, by the Taco House and onto Highway 71 at C&C Screening. We will head north across the bridge between East Lake and West Lake Okoboji. We will then take Lake Shore Dr. all the way up to the north end of West Okoboji where we will then head over to Center Lake and come out by ACE Hardware. We will then take 28th Street through the town of Spirit Lake to Hill Ave and head North up Hill Ave to the Spillway on Big Spirit for a break. We will then continue around to the east side of East Lake Okoboji by the Fish Hatchery and go south to 252nd street and go east to the Aurthur Heights area and continue south to the landfill and then go West on 190th. We then will turn south and head towards Pelican Ridge and to A34 and back to Florence Park in Milford.

Shine Your Light

It was a very tough week for America last week with the senseless shootings of Philando Castile in St. Paul, MN and Alton Sterling in Baton Rouge, LA and then the massacre of five police officers in Dallas, TX. These tragic shootings and the current political situation has definitely caused a division in our nation communities. The easy thing to do right now would be to run and hide away with fear in the darkness that this divisiveness has created. Many of us, including myself don't know what to say or how to react. Some of us feel ignorant while others may feel misunderstood. We don't know how to find common ground, what to say, or what to do to move forward. While I don't have the answers to this horrible situation, I did read something on Monday morning that seemed like a great start, this is very simple but makes so much sense - shine your light!

The only way to overcome darkness is to shine light of love on things. While we may not be able to solve the issue of police killing innocent people of color, or killings of police officers motivated by hate and racism, we can shine our lights of love in tiny northwest Iowa. Don't be the person that finds the negative in everything and brings other people down, be the person that shines your light to help make things brighter. I love this quote by Edith Wharton, "there are two ways of spreading light: be the candle or the mirror that reflects it". Choose to be the person that shows with their actions how to treat people the right way, after all, we are all human beings and we all want to be loved and respected. Look inside of people instead of simply outside. Remember that love is the truth while fear is a lie. If we would just treat each other with that love and respect, no matter our color, economic background, heritage or political affiliation this world sure would be a better place. It sounds like a simple solution, and to be honest, it really is. Start it at home by treating your loved ones with love and respect (after all we normally are the rudest to those closest to us), continue it at work by treating your co-workers with respect and being upbeat. It may be just a small change, but your small change of shining light could lead to another person shining their light, and before you know it, this part of the world will be much brighter than it was last week!

Discovery House News
Carol Elliott, Director
www.mydiscoveryhouse.com

Hi Everyone! I hope your summer is going well! From the first time I stepped foot into the Discovery House, I have been blown away with the architecture of the house. I love the awesome craftsmanship that has been put into the interior and that the house still has its original woodwork, hardwood floors, and the beautiful staircase. I love hearing people saying the same thing as well, I am so impressed with the massive pillars in the front of the house and how they just set off the front porch!

From little that I know about the house, it used to be a mansion. I am sure there is plenty of history about this amazing house in our community since it is over a 100 years old. I would love and appreciate if anyone in the community could share their knowledge that they have on the house with me. You can email me the information at carol.discoveryhouse@gmail.com or drop by so we can talk. Also, if you would like a tour of the house, give me a call or stop by.

Don't forget about our Porch Parties that are going on this summer! There are only two left - August 8 and September 12. See you at the Porch Parties! Thanks everyone for all you do and being such a blessing to the Discovery House! Be Blessed!

Okoboji Club on West Okoboji Lake, Iowa • Picture 1930 – 1940s

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji and Iowa History

This is a nice photo showing the well known Okoboji Club in the distance. Notice how the trees are in line with the road to indicate the trees have been planted. Notice the Okoboji Club sign and how well kept everything looks. The road looks very narrow.

You can see many photos of the Okoboji Club at the Clark Museum, including a visit from Babe Ruth, the dishes and when it eventually burned down. Included with the photos are many stories.

Starting this season, the Clark Museum visitors can view over 5,000 pictures and stories from the largest historic collection of Iowa Great Lakes and surrounding areas, representing many towns and over 99 counties. We have unique items of all types and sizes including over 20,000 original memorabilia and business advertisements. Visitors can be seated as they view photos of their county, the lakes area and the amusement park in organized books. This is a great addition. The museum is located 1 mile west and 1/2 mile north of the Catholic church in Milford. Call 712-338-2147 or email ijklark1@msn.com for any information.

Elegance Bridal and Prom Boutique to Participate in National Bridal Sale Day

"One Day. Your Day. Your Dream Dress for Less"

The first annual National Bridal Sale Day-Bridal Saturday- will take place on July 16, 2016. More than 700 locally-owned independent bridal retailers coast to coast, including some top retail salons in Canada, will participate in the inaugural event, offering brides designer wedding gowns and wedding party dresses at substantial savings. In some salons wedding gowns may be up to 80% off. "Every store is unique as far as merchandise selection and price, however the benefits to brides are universal," says the event's creator, Sue Maslowski, owner of Jay West Bridal in Haddonfield, N.J. "The brides get designer dresses at great prices; the benefits of buying from a reputable salon; and the ability to touch, see and feel what they are purchasing with no surprises. Brides can also take home their dream dress that day, no waiting or delays!"

National Bridal Sale Day will be celebrated exclusively at locally-owned independent bridal salons. Conceptually, National Bridal Sale Day is intended to become a tradition, for the bridal industry, much like a Black Friday or Small Business Saturday, according to Maslowski. Future events will be held annually on the third Saturday of July "Bridal Saturday".

Organizations supporting this event include, Association of Wedding Gown Specialists, Bridal Guide, BrideClick, International Bridal Manufacturers Association (IBMA), My Wedding, The Knot, Vows Magazine and Wedding Wire. The Association of Wedding Gown Specialists is providing brides with coupons good towards gown cleaning and preservation.

A list of participating retailers, which is growing by the minute, can be found at www.nationalbridalsaleday.com. Please call 712-337-3112 for your appointment on this exciting, one-day sale.

Obituaries

Gary Richard Goodell, the son of Betty (McClurg) and Donald Goodell, was born October 23, 1956, in Estherville, Iowa. Formally of Lake Park, he attended and graduated from Harris-Lake Park High School in 1975.

After graduation Gary attended Mankato State, in Minnesota, where he received a Bachelor's Degree in Education in 1979 with an emphasis in Math and Physical Education. Then he taught middle school and coached for two years in northeast Iowa at Edgewood-Colesburg Community Schools.

In 1981, he accepted a teaching position at the International School of Brussels in Brussels, Belgium, where he taught Math and coached. While coaching there Gary enjoyed traveling throughout Europe for games and tournaments at other international schools. School field trips included touring parts of Russia and Egypt. He also traveled with family and friends.

He returned to Iowa in the fall of 1983 to pursue the study of chiropractic. He completed his prerequisites at the University of Iowa and then began his chiropractic studies at Palmer College in Davenport, Iowa, in the summer of 1984. He graduated with his Doctor of Chiropractic degree in 1987.

In the fall of 1987, he moved to Cedar Falls, Iowa, to begin practicing chiropractic with another doctor. While there he met his wife-to-be, Janice Hanson, and her son, Jon Woods.

In the summer of 1988, he moved to Waterford, Wisconsin, where he practiced with another doctor and learned the business aspects of running a practice. He began his own practice in Sturtevant, Wisconsin, in 1990, and continued to practice there for 25 years, retiring in August of 2015.

Gary married Janice Hanson in Prairie du Chien, Wisconsin, on October 4, 1992. They made a happy life together enjoying their vocations; their hobbies—running, biking, and traveling; and their family and friends. Spending time with their children and grandchildren brought them much joy.

Throughout his life Gary valued his community and supporting youth. He was a leader in the Sturtevant Kiwanis Club and offered his time for various projects. He sponsored youth sports teams. He also volunteered his time to support his ECK church community.

Gary will be remembered as an open-hearted, steadfast, and generous man. He cherished his family and made keeping up on their activities and happenings a priority in his life. He reached out gently to others with his smile, kind words, and affable nature. He helped others to flourish—to use their talents more fully.

He handled adversity and his battle for health in the most gracious manner. He continued to live vibrantly remaining present and positive. He was a wonderful husband, father, grandfather, son, brother, uncle, cousin, chiropractor, and friend.

Surrounded by family, Gary passed away peacefully at Alliance Hospice House in Pleasant Prairie, Wisconsin, on July 7, 2016.

Left to cherish his memory are his wife, Janice Hanson; his mother, Betty Goodell of Lake Park, IA; his children Jon (Nadine) Woods of Johnston, IA; his grandchildren, Conner, Duncan, and Megan; his brothers Bruce (Jeri) Goodell and Brian (Michelle) Goodell of Lake Park, IA; his sisters Barb (Greg) Stephanie of Bloomington, MN and Becky (Todd) Hummel of Spirit Lake, IA; his brothers- and sisters-in-law Diane and Jim Kapalis of Bettendorf, IA, Donald and Patty Hanson of Elgin, IA, Dennis Hanson of Nalcrest, FL, Tom Hanson and Jolene Brandenburg of Elgin, IA, Ken and Karla Hanson of Elgin, IA, Keith Hanson of Elgin, IA, and Bob and Lesley Hanson of Le Claire, IA; along with several nieces, nephews, cousins, and many friends.

Gary was preceded in death by his father, Don Goodell, and his mother- and father-in-law Beulah (Hofer) and Robert Hanson.

Dr. Goodell's memorial service will be held at Roma Lodge, 7130 Spring St., Racine, Wisconsin, on Sunday, July 17, at 1:30pm, with fellowship and light refreshments to follow. Online condolences may be expressed at sturinofuneralhome.com.

Shooting Club News
 by Tony Petersen

By now I hope you have read our shooting club news and have driven by to see the improvements at the Izaak Walton League trap ground, located east of the Boonedocks on 190th Street, Arnolds Park about 3 miles. With all the improvements that have taken place out there you may ask - what else can be done?

Well the latest exciting news is the club added a "5-stand sporting clays" set up. What is sporting clays? Well normal sporting clays is like playing golf with a shotgun. You advance from each station, (most cases there is 10 or more stations), to shoot at a different target presentation. But sporting clays takes a lot of ground to create a safe and interesting course, so there is a condensed version of the sporting clays game called 5-stand. 5-stand is set up on a trap field and has 5 stations, with 5 shots being fired at each station until you have shot 25 shots. The twist is there are multiple target presentations beyond the normal scope of trap. The course is set up to include a rabbit target, crossing shots, incoming shots, overhead shots and other angles you might encounter while out hunting. The game is not only different in presentation it is also different in how the birds are released. When you are in the station the first round is a single bird. The second series of targets is a report pair, which means after you shoot at the first target the second is released. The third series of targets is a true pair which means when you call "pull", two birds are thrown at the same time, so you need to be quick. This set up was provided by Southern Archery and Guns of Spencer. Not only did they provide us the opportunity to install a 5 stand they also have shooting equipment on the trap grounds that can be purchased to either get you started in shooting or to upgrade what you currently have. Other donations (so far) are The State Bank, Mr. B's flooring, Business Today and Doug Petersen. Furthermore we have to thank Consumers, they have offered to donate a permanent structure from which to operate the 5-stand from (covered stations) and that construction will be started yet this summer. If you would like to inquire about getting a shooting membership, make a donation or volunteer in some fashion please do not hesitate to get a hold of the club. Current shooting schedule:

- Open trap shooting for the public - Tuesday nights (weather permitting) from 5:00pm until dark, every week.
- Browning Days - August 6 from 9:00am to 4:00pm
- Southern Archery Gun Show Day - September 17 from 9:00am to 4:00pm

Tales of Tails

This coming month will be a big one for the lovers of "tails" in the Lakes Region. On August 4 the Humane Society of Northwest Iowa will be having their annual fundraiser. It will be a Hoedown at Rolling Oaks; more about that in the coming weeks, but save the date.

Also Amy Pas says the area's 6-acre dog park is ready to fence and build. The driveway and parking lot are completed. Amy and Dr. Randy Pas and their two children have two dogs - one a shelter dog, a collie-mix named Chloe. Their family's love of dog "tails" is obvious, and they encourage other like-minded individuals to contribute to the dog park by sending contributions to P.O. Box 456, Okoboji, IA 51355. Learn more by visiting www.lakesareadogpark.com.

Then if you truly want to demonstrate your love of "tails," there are a number of newly surrendered dogs at the shelter waiting for forever homes. One special "cutie" is Comet, a white, long-haired Chihuahua. A family's move caused Comet to come to the shelter - not a health or behavior problem. Comet is very smart as well as photogenic knowing tricks and responding well to commands. This dog is very playful even loving to dance despite being a little timid at first, but enjoys going outdoors and romping in the sunlight. A forever home for Comet would bring happiness to a great little dog and a family of "tail" lovers this month and beyond.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Silver Shooter #371 4-H Club Receives a Grant

The Silver Shooters provide, through 4-H, an Archery shooting training program for proper stance, proper bow handling and positioning as well as proper procedure of handling arrows, positioning to the bow string and the drawback of bow string and release.

The benefit of the program to the Community is the fact that these youth are in a well structured environment under adult supervision plus learning the proper and safe way to do bow hunting or league shooting competition. Their purpose is to give these youth an opportunity to participate in an extracurricular activity outside the school. This activity is not provided elsewhere in the community or surrounding area.

Funding support for this project has been provided by the Dickinson County Endowment Fund. To learn more about the Silver Shooters #371 4H Archery program, contact James Kessler at 712-330-1738.

Okobojo Cemetery Association

The Okobojo Cemetery Association met recently and expressed their "Thank You" to the Okobojo Middle School 6th grade classes under the direction of Mrs. Thunhorst. Each year, as a part of their studies for Memorial Day, the students place a small American Flag at the grave site of each veteran in the Okobojo Cemetery located in Arnolds Park. The Association also thanks those who assisted in placing the large veteran flags for the Avenue of Flags flown over the Memorial Day weekend.

All of these activities are in keeping with the Cemetery Association goal of helping to beautify the historic setting of the Okobojo Cemetery which was created in the late 1800s. A walk through the cemetery shows many of the names of residents who were present in Dickinson County following the Massacre. The Cemetery Association meets four times a year - anyone wishing to assist this group in their endeavors may call President, Pat Ward Schuneman, 712-332-2554 for additional information.

Ice Cream Social

The Spencer Area Activity Center (104 East 4th Street, Spencer) is hosting an ice cream social on Sunday, July 17, 2016, from 2:00 - 5:00pm. All ages are welcome. Free will donation. Come and enjoy delicious ice cream and socialize with family and friends.

FCC/CAASA Support Meeting

There will be a meeting for people interested in supporting the Family Crisis Center (FCC) and the Center Against Abuse and Sexual Assault (CAASA). The meeting's goal is to establish a group of people interested in developing a support group for FCC/CAASA so that we can better meet the needs of victims of domestic abuse and sexual abuse in Dickinson County. There will be someone from FCC and CAASA to explain their ideas for our group.

The support group at this time has no official agenda or guidelines for operation. At this meeting we will be talking about the goals of the group, how to have it structured, and learning about the needs of Dickinson County for advocacy and resources for victims. The meeting should last around an hour or so.

The meeting will take place at the Spirit Lake Public Library Community Room on Wednesday, July 13, at 6:30pm. It should be noted that if you are bringing children, the library area closes at 7:00.

Retirement Planning Workshop

You had a plan, but... Retirement is still a few years away; why should you be concerned?

Often we allow time to give us a reason to ignore our retirement accounts. Economic challenges or changes in employment or family circumstances can mean that a retirement plan needs a tune up. When illness strikes, housing needs change, when you divorce or a spouse dies or you are considering remarriage? Changes can occur in your family with the care of your grandchildren.

The workshop, When life changes...will examine strategies to improve management of current accounts and help determine how to achieve maximum growth. You will evaluate how much you will need to retire and determine what steps will improve your retirement outlook. If you haven't started a plan at all, the class will give you the tools to determine what is feasible with your current economic circumstances.

All are welcome on Wednesday, July 20, from 10:30-11:30pm for a free lunch and learn at Iowa State University Extension and Outreach- Dickinson County; 1600 15th Street, Spirit Lake to learn how to plan for your future. By attending you will be eligible to win a \$25 Visa Gift Card. This is a free class and lunch, but you need to sign up to reserve a space and have materials.

For more information, contact ISUE at 712-336-3488 or rdickinson@iastate.edu.

Lakes Area Lacrosse

There is a new game in town—lacrosse. Maybe you have never heard of it or maybe you've always wanted to try it. Last summer, a small group of lacrosse enthusiasts who also happen to be hockey enthusiasts, put together a 6-week session mainly focused on their fellow hockey players and friends. The kids learned the basics of the game on the concrete floor of the Boji Bay Ice Arena. "The ice arena's dasher boards are ideal for restricting the travel of the ball when the kids lose control of it. They get more time handling the ball, and less time chasing it," says Chris Hoerichs, lacrosse organizer. Chris grew up in Maryland and played the game from the time he was 10 years old all the way through college and then in an adult league. To get started here in the Lakes area, he recruited a friend from Maryland to shop for inexpensive used equipment. He ended up with about 20 sticks. Hockey helmets and pads rounded out the equipment needs. "We didn't advertise very widely since we were just trying it out," Chris remembers. "We mostly focused on the hockey kids and told them to invite friends; we weren't sure what to expect in terms of numbers, but we were thrilled to have over 40 kids, ages 4 through 17. This year, we're opening it up to the community." Lacrosse is the fastest growing sport in the US with clubs popping up all over the place. If you'd like to try it, come to orientation on July 13 at 5:00 at the Boji Bay Ice Arena. This will be an introduction to the sport with skills practice and scrimmages. We hope that we can grow and eventually play games with other clubs in the area. Practices will be held on Wednesdays for ages 5-10, and Thursdays and Saturdays for ages 11-18, from July 13-August 20. Chris would love to get some adults together as well, so if you are interested, please give him a call at 712-339-1444 or visit the website at www.lakeslacrosse.com. See you at the rink!

Unleash Some Fun!

The Lakes Area Dog Park is proud to announce that they have partnered with the Lake Okoboji United Methodist Camp to build a six-acre dog park on their south campus. A dog park was listed as one of the top four needs in Dickinson County in 2013. The Iowa Great Lakes is a wonderful place to live and visit yet we have no safe place to walk our dogs. There is a need to accommodate the summer swell of people so that year round residents, summer residents, tourists and guests can use the dog park.

The first phase is building the driveway, parking lot and six-foot commercial grade fence. The cost is approximately \$35,000.00. They have received donations from people, cities and sponsors of the dog park and are very close to being able to build the first phase and need community support to get it running.

The second phase is adding water stations, a covered entrance, a message board at the entrance and shade trees. These amenities will be added as donations come in and as fundraising allows. The third phase will include anything necessary to enhance the park. The goal is to make a dog park you can be proud of and make it worthy of Dickinson County.

Donations can be mailed to PO Box 456, Okoboji, IA 51355. You can donate directly through our web site at www.lakesareadogpark.com. The Lakes Area Dog Park is a 501c3 non-profit organization. Be a part of Dickinson County's next best thing. Give your dog a treat, build a dog park!

Okoboji Blue Water Festival set for August 13
 By Steve Weisman

It is hard to believe that the 4th of July weekend has come and gone. Each community in the area did its best to provide people with lots of wholesome activities for the entire family. Highlight for so many of us were the fireworks displays! One thing that often gets pushed to the back with all of the "fun" activities is what this holiday really means.

The 4th of July is Independence Day, the federal holiday commemorating the adoption of the Declaration of Independence. It is our country's national day where we Americans celebrate the freedoms we so often take for granted.

For 240 years, Americans have enjoyed a freedom that others in the world can only dream of having. We have lots of naysayers and there are constant complaints, but there is no other place I would rather live. As a people we really need to rekindle the patriotism and pride for our country's rich heritage, our laws, our society and our people!

One thing as I grow older is the realization of just how fast a year can go by. It seems that just a few days ago we observed Memorial Day, now the 4th of July is over and here we are heading to Labor Day. Before we get there, however, the Iowa Great Lakes is going to have the opportunity to join together for another celebration...this one on Saturday, August 13.

Okoboji Blue Water Festival – This one centers around something extremely important for all of us who care about the Iowa Great Lakes: clean water! The Okoboji Blue Water Festival will be a daylong celebration to raise public awareness of water quality issues in the Iowa Great Lakes and across the state. Clean water is the theme, and this entire day is all about protecting and enhancing the water quality of our lakes, rivers and wetlands.

Thanks to the leadership of Greg Drees and an incredible list of donors and volunteers, everything is free, right down to the headliner, Boz Scaggs! It is an opportunity for really valuable family time and a wonderful way to help our youngsters see what stewardship is all about! Let's see what's going to be happening:

- 10:00am Chalkstock – kids and adult sidewalk chalk art (with awards) hosted by Kurio Kastle and Creative Spirits.
- 10:00am (throughout the day) Mural Painting for Kids hosted by the Pearson Lakes Art Center: "Together We Can Preserve." 5-part series.
- 10:00am (throughout the day) face painting, banner art and T-shirt painting
- 1:00pm to 7:00pm Water Quality Exhibitors. As many as 30 organizations and businesses staffing clean water-themed display booths.
- 1:00pm to 5:00pm Water Sports in a Clean Water Environment. Okoboji Expedition Company will be lakeside with standup paddleboards, kayaks and water bikes.
- 1:00pm Fishing Clinic with guide John Grosvenor. "Slip Bobber Techniques That Will Make a Difference"
- 2:00pm Fishing Clinic with guide Doug Burns. "The Basics: a Workshop for Kids of all Ages." Casting practice following clinic on a nearby dock
- 2:00pm Nature Class with the Dickinson County Nature Center. Education program entitled "The Pollinators."
- 3:00pm Fishing Clinic with guide John Campbell. "Walleye Tips for Late Summer and Early Fall on the Iowa Great Lakes"
- 3:30pm to 5:30pm Panel Discussion on Water Quality moderated by Joe McGovern, President of the Iowa Natural Heritage Foundation. Chuck Gipp, Director of Iowa Department of Natural Resources, Bill Stowe, Director of Des Moines Water Works; Keith Schilling, Professor of Earth & Environmental Sciences, U of I; Susan Heathcote, Iowa Environmental Council, Sean McMahon, Director of the Iowa Agriculture Water Alliance; Larry James, Jr., Co-Chair of Iowa Soil & Water Future Task Force
- 7:00pm The Claudettes
- 9:00pm Boz Scaggs

Napa Beware!

As we begin our Arnolds Park Farmer's Market cycle, we have to mention our new member and vintner from the Spencer area. Inspiration Inn Bed and Breakfast has just been awarded a medal in San Francisco for their wine "Marquette". It is a Merlot with plenty of body and quite frankly a vino with high quality. Well Done!

There will be a half dozen or so vendors each week including our own bread maker who is milling his own wheat and who makes a wonderful garlic cheese loaf. Plus, there are the usual produce growers who should be having some tomatoes shortly. The gardens are just about to take off and you do not want to miss fruits and vegetables at peak freshness because there really is no comparison. This week rain or shine on Thursday from 4:00pm to 6:00pm.

A Well Deserved Smile!

Good readers, this week at the farmers market we have to give credit where it is due. Kentwood Farms, in particular Miss Vicky, is a hard worker who is exercising a true "Corner". That is correct, we used the term corner because she is the only person selling tomatoes and has been doing it for over a month. Her hydroponic vegetables are of the highest quality, but it is her "maters that keep customers coming back week after week. She sells regular tomatoes and a purple heirloom that is simply as sweet as sugar. The heirloom must be eaten that day as they do not keep well, possibly because of the higher sugar content. Still, her execution of a plan with its inherent risks puts a well-deserved grin on her face. Keep up the good work, Vicky!

Iowa State Pays Another Call

We had 4 interns this week from the ISU extension program creating a salad that was a little surprising, because it was cabbage based and used tomatoes - the flavor was sublime. We are expecting the interns back for the salsa competition in the middle of August. We will have the exact dates in the next article. Until next week, *eat well!*

Milford's All-Town Garage Sale

The All-Town Garage Sale is a returning favorite to Milford's Pioneer Days scheduled for July 22-23, 2016, in Milford. To register your garage sale, please contact Thee Garage Sale, in Milford, at 712-338-3334. Deadline to register and be listed on the Pioneer Days All-Town Garage Sale Map will be Wednesday, July 13, 2016.

A city map highlighting the locations of each sale will be printed just as it has in years past. Thee Garage Sale, the Lakes News Shopper and St. Joseph's Catholic Church will be teaming up to produce this year's map on behalf of the Milford Commercial Club.

Sale dates can be Friday July 22, Saturday July 23, or both. The map will be available at retail businesses in Milford beginning the week of Monday, July 18.

"The all town garage sale attracts a tremendous amount of bargain-hunters to Milford," said Susan Reiser, of the Pioneer Day Committee. "It is a wonderful opportunity for Milford residents to profit from the unused items in their closets and garages", she added.

Pioneer Days is the annual town celebration for the City of Milford. The Milford Commercial Club sponsors the celebration. Look for additional press releases and advertisements regarding all of the Pioneer Days events in the coming weeks or check out the information on the website at milfordcommercialclub.com. Additional information available from Pioneer Days Co-Chair Susan Reiser, 338-2274.

Lieb Exhibits At Nature Center

Metal sculpture and nature might not seem to be connected, but to Spirit Lake artist Bill Lieb, they definitely are.

Lieb's new exhibit in the eARTh exhibit area at the Dickinson County Nature Center, Connecting with Nature Through Sculpture, exhibits the relationship between certain site-specific pieces he has created and the environments they reside in.

"All of these, except one, are kinetic; the wind activates them," Lieb said. "I love that part. I think it draws your attention to it because it moves. When it moves, you start to think about wind and breezes and the nature of it."

When Lieb begins a site-specific sculpture, like "The Birder," which sits outside the Dickinson County Nature Center in Okoboji, his plans start out with a site walk. The former architect analyzes the problem, gets a feel of the nature and scale of the site and then does some freehand sketches of his sculpture ideas.

Lieb's freehand sketches then turn into computer drawings, and then the plans are cut out of cardboard. These models are on display at the nature center through September with photos of the completed sculptures.

Lieb's computer drawings are given to a steel fabricator who laser cuts the designs out of steel, and then Lieb either works with a welder to complete the sculptures or he does the welding in his own shop.

One of Lieb's newest sculptures, Bird Series No. 3, is on display outside the nature center. The kinetic bird series has five sculptures that have all been completed since September 2015.

The exhibit in the nature center includes many sculptures people in the area may already be familiar with. These include the orange "Edward Hopper," which resides outside the Pearson Lakes Art Center in Okoboji. This piece was entered into a competition at the art center and won. It addresses the idea of light, exhibiting what happens in direct sunlight, shadow, reflection and even shows different intensities of light.

"Lake Spirit" has its home at Ainsworth-Orleans Beach on the south side of Big Spirit Lake. This piece shows an adult and child with cut-outs that allow people to see the lake through the sculpture.

"The spirit of the lake was in the sparkle," Lieb said. "The sparkle tells the mood and personality in the lake at that time."

Lieb will give a presentation on the exhibit during an opening reception to be held in his honor 5:00-7:00pm, Thursday, July 14, with a gallery talk at 6:00pm. Appetizers and wine will be served.

People will also get the chance to learn from Lieb during a special class held 10:00am-4:00pm, Wednesday, July 27, at the nature center.

The class will begin with a walk to the Pearson Lakes Art Center, along which Lieb has eight sculptures. That afternoon, Lieb will provide students with pieces of wood, metal and foam core from which they will create their own abstract sculpture models that will depict flight.

The class will cost \$15 per person and has a maximum of 10 students. Contact Lieb at 712-336-4410 or 712-330-7295 to pre-register. The subject matter will be tailored to adult students or youth accompanied by an adult.

SPACE/Mainstreet Market 2016

The Spencer Alliance for a Creative Economy is pleased to announce the dates and live music scheduled for the five arts, farmers market, and entertainment events for the 2016 Summer.

- July 14 - Itty Bitty Boji Band
- July 21 - Society of Broken Souls
- July 28 - Matt Andrews
- August 4 - Amber Norgaard
- August 11 - Open Mic/Spencer Municipal Band

Mainstreet Market events open to the public at 5:00pm each night, with music performance beginning around 6:00pm and concluding at 8:00pm.

There are no fees to attend or display your hand made crafts and art work or locally grown produce, call 712 580 8623 if you have questions about how you can sell your work at this event. The cost of producing the Mainstreet Market is the result of donations from various commercial sponsors, Spencer Mainstreet Inc, SPACE, and the generous support of Clay Co. for use of the courthouse square location. New sponsors can reach Bob Rose at Spencer Mainstreet to contribute to this free event. Please join us with all your family and friends for reasonably priced food, provided by local nonprofits and commercial vendors.

As many have observed, the Mainstreet Market has reached a nightly level of attendance as high as 1,200 or more. Live music, fresh local produce, and fine art have become the seasonal favorite for this grassy evening promenade on the Courthouse Square. The public is invited to attend and do their part in voting for their favorite artist. Each evening a First, Second and Third place cash prize will be awarded to the chosen artists for their fine work and creative display. It is recommended that you bring a lawn chair or blanket for your seating comfort.

SPACE has played a role in getting Spencer the designation of an "Iowa Great Place" and the benefits provided by that program. Only one location in this part of the state was so recognized, the resulting funds helped to complete the building of the SCT Theater remodel, Clay County Heritage Center, and improvements to the Grand Ave. enhancements. In the past year the Spencer Alliance for a Creative Economy (SPACE) has been involved with numerous projects and in their task of helping communication among the various cultural organizations and creative workers in the Spencer area. Among the projects that are most obvious is Mainstreet Market, a growing success, and a new public art project recently installed at the Clay County Heritage Center.

DKMS and Green Plains to Host Bone Marrow Donor Drive

On Tuesday, July 12, 2016, 11:00am - 3:00pm, DKMS and Green Plains Superior will host a bone marrow donor drive for the community to learn more about the process and get registered as potential lifesavers. This event will be held at Green Plains Superior Conference Room, 1495 320th Avenue, Superior.

Green Plains volunteers will be onsite to help participants fill out the registration form and swab the inside of their mouth to determine if they are a match for a patient in need. Registration is simple and takes less than five minutes. Individuals between the ages of 18 to 55 in good health are eligible to participate. Anyone who cannot attend the drive can register online at dkms.org.

DKMS is a global organization with the mission to grow the number of suitable bone marrow and blood stem cell donors for patients in need. With more than 6 million registered bone marrow donors worldwide, DKMS is part of the world's largest network of donor centers. Green Plains is partnering with DKMS to increase awareness and help patients battling blood cancer by hosting a bone marrow drive.

Blood cancer is the third leading cause of all cancer deaths in the U.S.; it kills more children in the U.S. than any other disease. However, many patients can be saved with bone marrow transplants. Every year, nearly 14,000 people will need a bone marrow transplant from an unrelated donor, but less than half will get one. Growing the number of eligible donors will help raise these odds.

"Party In The Park" Fundraiser

Historic Arnolds Park Inc., announces "Party in the Park", a Fundraiser on August 6, in the Majestic Pavilion to help support and sustain Historic Arnolds Park Inc., a non-profit organization.

With generous past donations, Arnolds Park Amusement Park has succeeded in making many needed improvements throughout the Park during the off-season. One of the renovations has been a "facelift" of the Park, which includes new paint and signage to rebrand the park and give it a more consistent look. A third phase of a four phase project was also completed on The Legend Roller Coaster, installing new brakes and track into the coaster deck.

"Not only have renovations contributed to the aesthetic appeal of the Park, they have ensured that things remain in outstanding working condition," CEO Charley Whittenburg said. "This will help preserve the Park for generations to come."

The party begins at 5:30pm in the Majestic Pavilion with Rick Ayres and his Quartet providing live music for all to enjoy. The performance will be followed by a meal catered by Yesterday's. There will also be a silent auction of donated items followed by a short program. At the conclusion of the program, all of the guests are invited to Preservation Plaza to sit in the Golden Circle VIP seating for the concert featuring FOGHAT. This rock band has had many hits and is still touring today after over 40 years in the industry.

For a \$5,000 sponsorship you will receive sixteen tickets to the party, twenty-five Golden Circle wristbands to FOGHAT and recognition as both a concert and party sponsor. The first \$5,000 sponsor will also receive sixteen meet and greet passes to meet the band. For a \$2,500 sponsorship level you will receive 8 tickets to the party and 8 Golden Circle wristbands to FOGHAT and recognition as a party sponsor. For a \$1,250 sponsorship level you will receive 4 tickets to the party and 4 Golden Circle wristbands to FOGHAT and party sponsor recognition. Party tickets sell for \$100 per ticket. Historic Preservation Award

Jim Hass of Peterson (left) is the recipient of both a national and a local Daughters of the American Revolution Award for Historic Preservation. He is pictured above with Colleen Lemkuil, Ladies of the Lake DAR Chapter Vice Regent, who instigated the award process, and Maryanna Hubbard, Chapter Historian, who prepared the application commenting that Hass met three of the five criteria required for the award. Only one other Iowan has been so honored. Hass was presented with Award Certificates and memorabilia by DAR state officers in a ceremony on June 28.

The event included a tour of the Jim Hass History Barn, an outstanding collection of historical items which he collected and documented, plus visits to the first pioneer homes in Clay County which are authentically restored; the French Museum Doll Collection and the old fort. For information on Peterson Historic Foundation tours, contact Michael Hyde, 712-260-3432. For DAR information, contact Mrs. Hubbard, 712-332-7919, jmhubbard@q.com.

Hopkins Enters U.S. Naval Academy

Andrew Hopkins, graduate of McDonogh School in Owings Mills, Maryland, was inducted into the Naval Academy Class of 2020 Thursday, June 30, and will begin six challenging weeks of basic midshipman training as part of Plebe Summer. Andrew Hopkins is the grandson of John and Linda Hopkins, summer residents of West Lake Okoboji for 48 years. His father, John Hopkins Jr., (graduate of Albert City-Truesdale High School) also graduated from the Naval Academy.

Founded in 1845, the U.S. Naval Academy today is a prestigious four-year service academy that prepares midshipmen morally, mentally and physically to be professional officers in the naval service.

The academy's alumni included one president, 21 members of Congress, five governors, 73 Medal of Honor recipients, two Nobel Prize winners, 52 astronauts and over 4,000 admirals and generals.
