Sertoma presents T-Ball ticket sales awards

By Linda Cranford

Sertoma of Laurel has sponsored T-Ball for the youth of Laurel and Jones County for close to 40 years. The T-Ball program, with its 4-wheeler giveaway, is Sertoma's major fundraising project, and the funds raised go toward helping the organization fulfill its mission to provide funds for the speech and hearing health needs of the community.

The kids and their parents sell the raffle tickets throughout the T-Ball season. At the conclusion of the season, awards are presented to the T-Ball player who sold the most tickets and to the one who sold the

winning ticket. The winner of the 4-wheeler is given the choice of taking the 4-wheeler with trailer or \$3,000 cash. This year's awards were presented at the club's weekly meeting recently. Sertoma's newly elected president, Chris Ishee, for the second year in a row presented 4-year old Truleigh Mills, daughter of Jonathan and Glendora Mills, with a trophy and a check for selling the most books of 25 tickets. This year Mills sold 41 books, breaking her record of selling 35 books last year.

Rylan Blue was presented a check for selling the winning ticket. The winner of

the 4-wheeler, which was provided by Pro-Flow Motorsports, was Alona Blue. Pro-Flow Motorsports General Manager Dylan McNeil and Financial Manager Marcus Hall were on hand to present Blue with the keys to the 4-wheeler.

This year the funds raised by Sertoma of Laurel through the T-Ball program and their annual Golf Tournament in September was given to help various individuals and speech and hearing programs in the Laurel and Jones County community. Over \$10,000 was used to help purchase hearing aids, approximately \$6,000 was given to the Laurel School System to help purchase iPads for use in their speech therapy program, and the Jones County Schools system received the same approximate amount to help them purchase devices and supplies to help with their

program. Another \$10,000 was provided to help in the installation of a sound system looping at the Laurel Little Theatre that will help the hearing impaired. Most hearing aids will connect to the sound system of the theatre, therefore cutting out some of the background noise that often hinders the clarity of sound a hearing impaired person hears. This technology will allow the hearing impaired to enjoy the quality performances of the talented members of our community that is so often seen at the Laurel Little Theatre.

It was announced at the meeting that funds have been given to help in the purchase of a special hearing device for a young boy that will start kindergarten this

YWCO Celebrate America program 2016

By Linda Cranford

The YWCO Board of Directors presented their annual Celebrate America program at the historic YWCO in downtown Laurel Tuesday, June 28.

"This is an opportunity for us to come together as a community to celebrate our independence and honor the men and women who have served and those who continue to serve our country," stated YWCO Board President Mary Kay Rogers.

Those attending the program enjoyed a traditional Southern meal of BBQ chicken, potato salad, and baked beans.

Prior to recognizing and honoring all branches of our military, the Laurel High School ROTC color guard presented the colors, and the Pledge of Allegiance was given to the flag of the United States of America. The U.S. National Anthem was sung by 9-year old Anne Trest, followed by an invocation given by First Trinity Presbyterian church minister Rev. Luke Ponder. Music accompaniment throughout the program was provided by pianist Catherine Nowicki as the assembly sang a couple of patriotic songs. The program concluded with the singing of "TAPS" by retired U.S. Navy Chaplain Lewis Allred.

Among those attending the program were FEMA disaster relief workers L-R, **Detra Terry, John Beasley and Constance Jackson, who are in Jones County helping with the March flooding relief.**

Smith signs with Milwaukee Brewers

Submitted by Bobby Harvison

Pitching standout and Jones County native Jake Smith signed with the Milwaukee Brewers Organization recently. Jake graduated from West Jones High School in 2013. He then pitched two years for Meridian Community College before transferring to Division 1 Nicholls State University for his junior year. This summer Jake has been playing for the Wareham Gatemen in the Cape Cod League where his performance as well as his consistent 98 mph fastball and "major league ready" split-finger fastball caught the Brewers' organization's attention.

Jake is the son of Laurel residents Danny Smith and Trisha Manning Padgett. He will be heading to play for Milwaukee's Pioneer League affiliate, the Helena Brewers.

year. Five-year old Elijah Moncivais was born with unilateral microtia, a congenital deformity of the ear. He has only one ear and just a hole on the other side. Since surgery was out of the question, his parents, Brittani and Justin Smith, were in the process of raising enough money to purchase a BAHA (Bone Anchored Hearing Aid) when someone notified Sertoma of their plight. According to a Facebook post by Brittani, she was so overwhelmed by Sertoma's timely donation that she vowed to donate any further funds she received back to Sertoma "so that another family can have their prayers answered as we have!"

Sertoma of Laurel serves the community all year long, and the most notarized service is the annual Sertoma Christmas Parade, which is the largest parade in the State of Mississippi; however, that is a "gift to the community" from the club members and not a fundraiser.

Sertoma's next fundraiser will be their 3rd Annual Golf Tournament, a four-man scramble, which is scheduled for September 15 at the Laurel Country Club.

“Grand Opening of Adam Trest Home and J Parker in Downtown Laurel”

Photos/info by Linda Cranford

Two new downtown Laurel businesses, Adam Trest Home and J Parker, celebrated their grand opening with a block party and ribbon cutting ceremony Thursday, June 30. Owners Adam Trest and Jacqueline Parker expressed their excitement in being a part of the growth movement happening in downtown Laurel today.

Right, Artist Adam Trest with his watercolor and architectural design talent creates artfully designed accent pieces for the Southern home with his pattern designs in the form of pillows, stationary, letterpress prints and original art work.

“It’s great to see what is old is now new again,” said J Parker owner, Jacqueline Parker, pictured on the left with business assistants Allie Crawford and Shelley Jones. The three are standing behind a Gentlemen’s Whiskey Cabinet made out of reclaimed heart pine wood taken from a home built in Sullivan’s Hollow in Mize around 1892. J Parker and team make custom made wood furniture.

Surrounded by family and friends, Adam Trest cut the ribbon to officially open Adam Trest Home in downtown Laurel.
