Meet authors, help write crime fiction

JANESVILLE — Janesville mystery writer Jerry Peterson will write scenes for a new crime novella on Sunday, July 20, at Oak Village Garden Center in Janesville. The book, tentatively titled "Sleeping With The Fishes," the third in Peterson's series of John Wads crime novellas, is set in part at Oak Village.

Peterson

"It's a locked-room mystery," Peterson said in a news release. "An employee finds a body floating in the store's indoor fish pond when she opens for business one morning. There are no signs of a break-in during the night, yet there's the body, someone very dead."

The story that Peterson will

write will be projected on a screen. Those who come to Oak Village's One for the Books event can stop him and ask questions about how he writes, the story, the characters, the setting or anything they would like to know.

Five other writers also will take part in One for the Books: local writers Merry Fitz Randolph, Sherry Derr-Wille, Cinder Roherty and Pat Hall and lecturer Joan Calder.

Calder will talk about gardening, bees and butterflies, and her children's book, "Airplanes in the Garden." Her presentation is set for 11 a.m.

One for the Books, open to the public, will be held from 10 a.m. to 3 p.m. July 20 at Oak Village Garden Center on U.S. Highway 26, between Janesville and Milton.

Celebrate Recovery program begins

JANESVILLE — The Salvation Army in Janesville began its new Celebrate Recovery program on Monday, July 14, at The Salvation Army Corps Community Center, 514 Sutherland Ave. in Janesville.

The Celebrate Recovery program will be held from 5:30 p.m. to 9 p.m. every Monday. The program includes more than 22,000 churches and 700,000 people participating worldwide.

The Celebrate Recovery program, a 12-step biblical support group, is designed for any person dealing with hurts, habits or hang-ups or their loved ones and affected family members. Some of

the hurts, habits and hang-ups include any addiction, obsessive or compulsive behavior, domestic abuse, anxiety, depression, codependency, anger, fear, betrayal/trust issues, loss of a loved one, divorce and alcohol and drug issues.

The meetings begin with fellowship and a meal at 5:30 p.m., then a large group teaching at 6:30 p.m., small group sharing at 7:30 p.m. and fellowship at 8:30 p.m.

For more information about Celebrate Recovery, call Major Ruth Fay at (608) 757-8300 or email crsalvationarmy@gmail.com.

BRIEFS

Salvation Army food pantry seeks donations:
 The Janesville Salvation Army is in need of items for its food pantry, including canned tuna and chicken, peanut butter, macaroni and cheese, canned vegetables and fruit, canned pasta and cereal. Items can be brought to the Salvation Army Corps Community Center or the food pantry at 514 Sutherland Ave. in Janesville. For more information, call (608) 757-8300.

block grant and the HOME-Rock County funds. For more information, call (608) 755-3052.

Milton House Museum sets summer hours:
 The Milton House Museum, 18 S. Janesville St. in Milton, will be open from 10 a.m. to 4 p.m. daily through Labor Day. Tours begin about every half hour. The museum will be open from 6 p.m. to 9 p.m. on select Fridays, July 25, Aug. 8 and Aug. 22. For more information, call (608) 868-7772 or go online to MiltonHouse.org.

UW-Rock County hosts college prep events:
 The University of Wisconsin-Rock County will conduct One-Stop Shop for Going to College events from 1 p.m. to 3:30 p.m. July 17 and Aug. 14 at the Hyatt Smith Hall, located on the campus, 2909 Kellogg Ave. in Janesville. Participants will learn about the campus, meet with an adviser, get help in completing applications and financial aid forms and tour the campus. For more information, call (608) 758-6565 ext. 200.

Fire department offers safety seat inspections:
 The Janesville Fire Department will offer child safety seat inspections from 2 p.m. to 6 p.m. Wednesday, July 16, at Fire Station No. 5, 1414 Newport Ave., Janesville.

Discussion for women slated at hospital:
 Dr. Dale Rozeboom will conduct a free presentation about endometrial ablation for women on Thursday, July 17, at Edgerton Hospital, 11101 N. Sherman Road, Edgerton. Registration begins at 5:30 p.m. and the presentation begins at 6 p.m. Attendees will be entered to win a spa package and will enjoy a yogurt parfait and a dessert bar. For more information, call (608) 884-1607 or go to the website EdgertonHospital.com.

Senator's staffer will be on hand:
 A regional representative from U.S. Sen. Tammy Baldwin's office will hold office hours from 3 p.m. to 4 p.m. Wednesday, July 16, at Eager Free Public Library, 39 W. Main St., Evansville. Residents will have an opportunity to meet with staff and request assistance with a federal agency or discuss other federal issues. No appointment is necessary.

Janesville hosts riverfront meeting:
 The city of Janesville will host a Riverfront Implementation Strategy meeting at 6 p.m. Thursday, July 17, at the Janesville Performing Arts Center, 408 S. Main St. in Janesville. Residents will review and discuss the redevelopment of the downtown riverfront area.

Public hearing scheduled for housing program:
 The Community Development Authority will host a public hearing at 5:30 p.m. Wednesday, July 16, in the council chambers of the Janesville Municipal Building, 18 N. Jackson St. The Community Development Authority will discuss goals for the use of the community development

Immunization clinic scheduled:
 The Rock County Health Department will host an immunization clinic from 3 p.m. to 5 p.m. Thursday, July 17 at its Janesville office, 3328 U.S. Highway 51 North. For more information, call (608) 757-5440 or (608) 364-2010.

BROASTER
company

Broaster Company is the leader in providing high quality Pressure Fryers and branded foodservice programs for over 60 years. Broaster also markets Genuine Broaster Chicken® and the Broaster® Express food program globally to a wide range of foodservice operations. Headquartered in Beloit, Wisconsin, Broaster markets its expansive line of products through a responsive network of authorized Distributors. As a complement to the Genuine Broaster Chicken product line, the company blends a complete line of marinades and coatings, and offers an expanding line of ready-to-cook foods. Since 1954, Broaster Company has been the leader in innovation and design and continues to build upon its decades of success. We are currently recruiting for the following positions:

Engineering Technician/Drafter
The Engineering Technician is an active member of the design team. This position will support Manufacturing, Engineering, and New Product Development with computer aided design, product testing, prototyping, engineering change order processing and data collection. The technician is responsible for creating, maintaining and converting engineering drawings, establishing part numbers and bills of material in the system.

The required qualifications are:

- Associates degree and 2+ years experience in a related field.
- Must be an experienced and up-to-date user of Solidworks.
- Ability to communicate with all levels of our organization.

Press Brake Setup Operator
We are seeking an experienced fabricator to setup and operate our mechanical 90 ton press brake. The qualifications we require include:

- 5+ years experience with press brake setup and operation
- able to read and interpret blueprint drawings
- proficient in use of mics, calipers and tape measures
- ability to work independently
- above average math skills
- ability to lift/carry 50 pounds or more

Apply to: Broaster Company, 2855 Cranston Rd, Beloit, WI, 53511 or apply@broaster.com

Autofile

Chevrolet Avalanche: 2007-'13

HISTORY

Spun from General Motors' full-size pickup and sport utility lines for 2002, the six-passenger four-door Avalanche offered features previously unseen in both categories. The most prominent was called a "Midgate" that extended the cargo area by folding the rear seats, removing the back window and lowering the divider separating the box from the cabin. A removable three-piece hard tonneau provided security for the bed and its contents. Second-generation Avalanches arrived for the 2007 model year with a 5.3-liter V8 or an optional 6.0 that was dropped for 2010. Other than installing a two-speed transfer case (with a low range for off-roading) to the 4x4 versions for 2011, the Avalanche stayed unchanged until production ended after the 2013 model year.

Variations

Interior layout

Sport Wagon

Midgate

THE GOOD STUFF

Versatility was the Avalanche's stock in trade. It could operate as a six-person people mover with adequate short-bed hauling capacity, or be transformed into an impressive cargo hauler with more than eight feet of bed length. Along with a protective tonneau, there were also two lockable storage containers built into the rear quarter panels as well as tie-down cleats molded into the composite bed liner. The available four-wheel-drive system along with optional skid plates, traction control and self-leveling shocks gave the Avalanche its off-road capability. Both V8 engines were strong and reliable.

HEADS UP!

The Avalanche was a good multi-tasker, but didn't quite cut it as a full-blown pickup or deliver all the conveniences of a sport utility vehicle. If your primary requirements ran in either direction, a full-size Chevrolet Silverado pickup or Suburban/Tahoe wagon were likely better choices. That said, however, dropping the Midgate in the dead of winter to haul oversized cargo around was no one's idea of practical or fun. Note that 2009 or newer Avalanches came with a more efficient six-speed automatic transmission that replaced the earlier four-speed unit. Still, with a weight of more than 5,500 pounds to lug around, the fuel economy numbers weren't all that impressive.

PRICES AT A GLANCE

Avalanches are not quite as common as conventional pickups or sport utes, but can still be easily located on many dealer lots. Fully loaded LTZ models will be priced significantly higher than either the LS or LT versions.

Year range	Approx. price range	The higher end of a given price range represents vehicles with more options and fewer miles
2007-'08	\$17,000-\$24,500	
2009	\$20,500-\$27,000	
2010	\$22,500-\$31,500	
2011	\$25,500-\$35,500	
2012	\$28,000-\$40,000	
2013	\$30,000-\$44,000	

OVERALL

The Swiss-Army-Knife versatility of the Avalanche is hard to ignore, especially if you're required to tote a wide variety of cargo from time to time while still needing the convenience of carrying more than three passengers in comfort on a frequent basis. For light-duty towing and hauling to the job site or for recreational use, the Avalanche makes an excellent choice.

VITALS

Engines: 5.3-liter OHV V8 (310hp); 6.0-liter OHV V8 (366 hp, 2007-'09).

Transmission: Four- /six-speed speed automatic.

Layout: Front-engine, rear- /four-wheel-drive.

Body: Four-door pickup

BRIDGESTONE ECOPIA EP422
All Season | Touring

The latest in our line of environment-conscious tires, the Ecopia™ EP422™ is an all-season tire that delivers a smooth, comfortable ride. It is designed to improve rolling resistance, which helps it achieve better gas mileage. With its innovative tread compound and advanced traction technology, the tire is a strong, reliable performer on wet and dry surfaces all year long.

BRIDGESTONE DRIVEGUARD
CONTINUE YOUR JOURNEY

Bridgestone's DriveGuard tires are masterfully engineered to be able to drive up to 50 miles + after a puncture so you can get to a safer place. This all-season tire provides a quiet, comfortable ride and confident handling and is backed with up to a 60,000 mile warranty* So when other tires would go flat, you can keep moving to make the most of your day.
+Up to 50 miles at a maximum speed of 50 mph. Repairability depends on the tire damage amount of pressure loss and vehicle operating conditions. Contact Bridgestone retailer for details. TPMS required.

Firestone TRANSFORCE™ HT

- Helps to prevent damage and promotes long wear
- Contributes to ride comfort
- Promotes extra traction in wet conditions
- Helps increase tread life
- Reduces noise on road surfaces

BRAKE FLUID FLUSHING SERVICE

Operation of disc brakes creates extremely high temperatures which can cause rapid oxidation of the brake fluid. New anti-lock brake systems (ABS) are sensitive to this fluid deterioration. The brake flush service goes to the heart of your vehicle's safe operation. Regular replacement of brake fluid has become a requirement in virtually all auto manufacturer's maintenance programs.

\$89.95
Shop supplies extra. COUPON EXPIRES 8/3/14.
