Beloit Cancer Center Now Open

Working together is how Drs. Walter Vogel, Neel Karne and Peter Mahler are fighting cancer. They are three of the dozens of cancer specialists committed to improving the lives of patients at our new center. By creating an environment where medical professionals from two health systems can share their expertise, more informed options become possible. More cancers can be treated. Better outcomes emerge. Patients win. **Take that, cancer.**

See how we're helping. Visit ImACancerFighter.com

IN BRIEF

Groups invited to showcase Janesville: The Janesville City Council is looking for nonprofit organizations and civic groups to talk about their activities during the "Showcase Janesville" portion of the city council meetings. Groups will be given three to five minutes to highlight their organization. Interested organizations can obtain an application form by going to the website Ci.Janesville.wi.us/showcase-janesville. For more information, call (608) 755-3177.

Magician featured in park: Magician and storyteller Bob Kann will conduct a performance from 12:30 p.m. to 1:30 p.m. Thursday, July 3, at the Camden Stage in Palmer Park in Janesville. The program is part of the Kids Noontime Entertainment program. For more information, call (608) 755-3030.

Agrace Hospice offers support group: Agrace HospiceCare will offer the spouse/partner loss support group from 10 a.m. to noon on Thursdays, from July 3 to July 31, at Agrace Hospice, 2901 N. Wright Road in Janesville. For more information, call (608) 314-2919.

Immunization clinics scheduled: The Rock County Health Department will host an immunization clinic from 3 p.m. to 5 p.m. Thursday, July 3, at the Janesville office, 3328 U.S. Highway 51 North. Another clinic will be held from 4:30 p.m. to 6:30 p.m. Wednesday, July 9, at the Beloit office, 61 Eclipse Center. Call (608) 757-5440.

Experienced Deposit Operations - Assistant

Community Bank CBD is seeking a full-time, detailed-oriented, organized, and professionally-minded person to work in our deposit operations department. This person's main duty will be account file maintenance for new and existing deposit accounts. They will work directly with our retail department to resolve discrepancies and errors on a daily basis. In addition to file maintenance, the qualified individual will assist with answering customer phone calls and other duties as assigned by the Supervisor.

The individual must have at least one year of deposit operations experience in a financial institution as well as a strong background in account opening procedures and regulations. We are seeking a candidate that is proficient in MS Word/Excel/Outlook. Good communication skills, both verbal and written, in addition to attention to detail and accuracy are required.

If interested please submit a resume to martinj@communitybankcbd.com or mail to Jon Martin, Sr. Vice President, Community Bank CBD, 820 E. Geneva St., P.O. Box 648, Delavan, WI 53115

Community Bank CBD is an equal opportunity employer committed to creating a diverse workforce. We consider all qualified applicants without regard to race, religion, color, sex, national origin, age, sexual orientation, disability or veteran status, among other factors.

Community Bank CBD
Jon Martin, Sr. VP/CFO
PO Box 648

The BMW X4 might not represent everything for everyone, but as a compromise between a hatchback and a wagon it delivers more space and all-weather functionality than you might think.

BMW's expansion plans are moving just as rapidly as those of its Audi and Mercedes-Benz rivals, with new models entering the pipeline on a seemingly monthly basis. The recently available 2015 X4 hatchback is part of that rapid growth.

Based on the 4 Series coupe platform, the X4 draws inspiration from the X6 that has been around since the 2008 model year. Both could best be described as tall sport utility passenger cars with sloping rooflines and large hatch openings instead of trunks. BMW prefers the term "Sport Activity Coupe," but with four passenger doors that description is technically inaccurate.

Compared to the X6, the scaled-down X4 is close to eight inches shorter, four inches narrower and lacks about five fewer inches between the front and rear wheels. It's also lighter by more than 650 pounds, which legitimizes the "sport" term to a degree.

The interior is certainly plenty sporty and luxurious enough in classy BMW fashion. The dash and wood-trimmed control panel are well laid-out, with BMW's console-mounted iDrive Controller directing most key functions, including climate, audio and communications.

There's plenty of room for four passengers (five in a pinch) and fortunately the ceiling is high enough at the mid-point that only taller adults might notice any rear-seat headroom short fall.

Beyond people pampering, the X4's key attribute is stowage flexibility. With the rear seat occupied there's still several golf bags worth of room back there.

All models come with an eight-speed automatic transmission and the iDrive control knob that runs the various systems.

The layout is classy, although you might find the switchgear a bit on the small side. There's plenty of room for four people although five will fit in a pinch.

The sloped roof obviously limits cargo capacity, although the seats fold forward to hold longer items, even if they can't be that tall.

When more room is required, the 40:20:40 split-folding second-row bench increases the load space appreciably, although not quite to the extent that a comparably sized wagon — BMW's X3, for instance — can provide.

For engine choices, the X4 mirrors many other BMW mod-

All models are all-wheel-drive and can overdrive the outside rear wheel when cornering. That helps the X4's stability by reducing understeer, which is a vehicle's natural tendency to continue in straight line while cornering.

What you should know 2015 BMW X4

Type	Four-door, all-wheel-drive hatchback sedan.
Engines (hp)	2.0-liter DOHC I4, turbocharged (240); 3.0-liter DOHC I6 turbocharged (300).
Transmissions	Eight-speed automatic.
Market position	BMW pioneered the part-sport ute, part hatchback X6 model and is adding to the niche with the similar X4 and upcoming X2. Mercedes-Benz is planning a similar models and other automakers will likely follow suit.
Points	• Copycat styling might actually cut into sales of larger X6. • Base four-cylinder turbo engine is pretty gutsy, six-cylinder even more so. • Practical, multi-configurable seating/cargo arrangement. • Limited rear visibility a drawback for some drivers. • Adding options won't come cheap, but sticking to the basics keeps it affordable.
Safety	Front airbags; side-impact airbags; side-curtain airbags; anti-lock brakes; traction control; stability control.
MPG (city/hwy):	21/38 (2.0, est.) Base price (incl. destination): \$45,600

BY COMPARISON

Range Rover Evoque	Porsche Cayenne	Cadillac SRX
Base price: \$41,500 Radical (for Land Rover) off-roader available in two- or four-door versions.	Base price: \$50,500 Classy sport ute comes in several performance levels, with prices to match.	Base price: \$38,500 Handsome tall wagon has plenty of standard content at an attractive price.

els. The base X4 xDrive28i has a turbocharged 2.0-liter four-cylinder that produces 240 horsepower and 260 pound-feet of torque. Move up to the xDrive35i and the 3.0-liter inline six-cylinder engine (also turbocharged) makes 300 horsepower and 300 pound-feet. Each engine is connected to an eight-speed automatic transmission with paddle shifters.

BMW's testing indicates that the four-cylinder will scoot to 60 mph from rest in 6.0 seconds, while the six-cylinder handles it in 5.2.

As their respective nomenclatures imply, both the xDrive28i and xDrive35i are equipped with BMW all-wheel-drive that sends power to both axles as needed, but also shifts torque to the outside rear wheel when turning, which actually helps reduce understeer.

To maximize fuel efficiency, both models feature auto stop-start (shuts the engine off when the vehicle is stopped in traffic). The X4 comes with an ECO PRO mode that when selected reduces

the load on the various electrical systems (e.g. air conditioning) and shuts off the engine when coasting downhill.

Although official numbers have yet to be announced, you can expect the xDrive28i to ring in at about 21 mpg in the city and 28 on the highway.

Of course premium content abounds for both models, with features including a power moonroof and liftgate, eight-way power front seats, backup warning system, high-strength xenon headlights and rain-sensing wipers, all included as standard.

From there the option packages run the gamut and can ring up the final price tag considerably. Heading the list is the M Sport grouping that bundles together an aero body kit, plus fancier wheels and exterior/exterior trim, sport seats and a sport suspension.

Other packages add a navigation system, premium Harmon Kardon sound system, heated front and rear seats and other delights.

The BMW X4 could sorely tempt X6 fans that are lacking in funds. At a \$45,600 base price, it's \$16,000 cheaper than the bigger "X", but in obvious ways could be considered the bigger deal.
