Salvation Army upgrading music program

JANESVILLE — The Salvation Army Corps & Community Center in Janesville recently received a grant from the Marion J. and Robert C. Lietz Fund, a component of the Community Foundation of Southern Wisconsin Inc. to support music program upgrades. The Lietz Fund supports arts programming by non-profit organizations in Janesville.

The Salvation Army music upgrades in-

clude the purchase of new materials for the various music groups to update the music library for more modern music literature. Additional purchases of instruments for the brass band and praise band will be made to allow more people the opportunity to be a part of the programs.

All music programs are free to join. For more information, contact Danielle Moushey at (608) 757-8300.

Mineral Point Avenue closed for storm sewer construction

JANESVILLE — Mineral Point Avenue, from Madison Street to Franklin Street, is scheduled to be closed to through traffic beginning today, Aug. 20, for three weeks due to storm sewer construction. A signed detour will be posted.

Access to the Mercy Hospital and Trauma Center emergency room entrance driveway at Madison Street and Mineral Point Avenue will be maintained at all times from at least one direc-

tion, depending on construction progress. Mercy Health System staff will communicate as needed to all emergency responders about the access restrictions. Local access to the Mercy parking ramp on Mineral Point Avenue also will be maintained from one direction or the other. Parking in the construction zone will be restricted.

The construction will provide improvements to the city's storm sewer system

which is preceding a street reconstruction project planned for next year. The work is being completed under contract for the city of Janesville. For more information, call (608) 755-3167.

This project will affect the West Court Street bus route at the Mercy hospital bus shelter. The first Mercy hospital stop of the route, outbound, will follow the normal route until Franklin and Ravine streets. The bus will turn left on Ravine Street and

then turn right on Washington Avenue. At Washington and Mineral Point avenues, the bus will resume the normal route. Riders wishing to be picked up or dropped off at the Mercy hospital bus shelter should go to the intersection of Mineral Point and Washington avenues. The second stop of the route, inbound, will not be affected by the construction. For more information, call (608) 755-3150.

Volunteers needed for Irish Fest

JANESVILLE — The Janesville Irish Fest organizing committee has a variety of opportunities available for individuals and groups who would like to become involved in this year’s event.

The second annual Janesville Irish Fest will be held Thursday through Sunday, Oct. 2 through Oct. 5. Events will be held throughout the city and range from a Janesville Irish CD release party, Irish Family Reunion party, downtown music stages and a family friendly children’s event.

“There are plenty of interesting

volunteer opportunities available for everyone to share in the fun at this great community event,” Christine Rebut, Irish Fest volunteer coordinator, said in a news release. “They range from selling tokens, taking surveys, running children’s games, distributing posters, selling food, security, music stage management to name but a few.”

Individuals, local organizations or businesses who would like to sign up to volunteer can contact Rebut at (608) 757-3171 or email crebut@jvlnet.com.
