JANESVILLE — Blackhawk Technical College's new Student Success Center at its central campus is intended to be a hub for students looking to improve their chances at attracting jobs in their fields of study.

The BTC Career & Professional Development Office is housed in the center, Room 2200, and plans several September events that are aimed at helping BTC students and alumni improve job-seeking skills.

In addition, career and professional development staff (or CPD) will visit Monroe, Beloit, the Advanced Manufacturing Training Center in Milton and the Center for Transportation Studies campuses to connect students and alumni with its services.

CPD is a self-paced program moderated by BTC faculty and staff and community business leaders that emphasizes specialized training and experiences needed to enhance an employment search and develop skills with resume reviews and mock interviews, among other important job searching techniques.

Other CPD events in September at the Student Success Center

include:

- Internship Prep Workshops: at noon and 4:30 p.m. Wednesday, Sept. 10, to learn about internship opportunities.

- Student Engagement: at noon Thursday, Sept. 11, to learn about student organizations at BTC and make social and business contacts.

- Technology Tuesday: at noon Tuesdays, Sept. 16 and Sept. 30, to learn about LinkedIn and Wisconsin TechConnect and to build a job search portfolio through Career Cruising.

- How to Get Hired Workshops: at 4:30 p.m. Monday, Sept. 22, and at noon Tuesday, Sept. 23, noon in Monroe, also includes campus employment opportunities.

The CPD staff also will be making stops at other campus sites. On Tuesday, Sept. 23, CPD will be at Monroe from 9 a.m. to 4 p.m., and from 8 a.m. to 1 p.m. on Wednesday, Sept. 24, in Beloit.

Students and alumni are encouraged to make an appointment to attend these programs to guarantee access to CPD services.
