## Janesville applies for DNR award

JANESVILLE — The city of Janesville has applied for the Excellence in Wisconsin Recycling award through the Wisconsin Department of Natural Resources. Award recipients will be announced this winter.

The city is applying for the award for the 2013 conversion to

an automated trash/recycling collection system. The new system improved recycling efficiency and convenience for residents, according to a city news release.

In the first year of the new program, the amount of recyclable materials collected increased by 44 percent.

**Plant Maintenance Technician**  
**Offering \$1,000.00 Sign-On Bonus!**

BlueScope Buildings North America, the world's leading supplier of pre-engineered metal buildings and components, has immediate need for experienced Maintenance Technicians at our Evansville, WI facility. These positions are on second and third shifts. We are paying a \$1,000.00 sign-on bonus for new Maintenance Technicians, payable after completing 90 calendar days of employment.

The qualified candidates should have 3 years experience in industrial maintenance and have a working knowledge of: 115-460 VAC electrical systems, PLC and controls hardware, AC/DC drives, pneumatics, hydraulics and have the ability to perform mechanical and electrical troubleshooting. Must be able to read and work with schematics. Other related skills include automotive maintenance and troubleshooting, including electrical, transmission, engine repair and hydraulics as related to all forms of industrial mobile equipment. A working knowledge of OSHA regulations relating to guarding and mobile equipment is desired. Must be able to lift up to 50 pounds when required.

Technicians will be responsible for completing Safety Work Orders, performing and developing preventative maintenance tasks on the facility's production equipment. A degree in Industrial Maintenance or Electro-Mechanical Technology or a four-year apprenticeship program certificate is preferred. New technical school grads with maintenance degrees are also encouraged to apply.

We offer competitive wages and full range of benefits including: medical, dental and vision insurance, 401(k) with a generous Company match, education assistance and more.

Please email your resume to: [WJhumanresources@vp.com](mailto:WJhumanresources@vp.com)  
or apply in person between the hours of 8:30 AM and 3:30 PM Monday through Friday.

**Part-time Jobs Available Immediately!**  
**Night Shift Hours**

The Janesville Gazette Printing and Distribution facility is seeking energetic and reliable team players to join our team! Ideal candidates will work independently, accurately and efficiently in a fast-paced, deadline driven production environment. You must work well with others and be reliable! Job duties are general paper handling tasks and feeding inserts into packaging machines.

Night shift hours fall between 9pm - 5am, including Friday and Saturday nights. We can potentially offer some flexibility in your standard schedule, as long as it falls within our production needs. You must be at least 18, be able to lift 15 to 25 pounds and do routine bending and standing.

Pays \$7.50/hour with \$1.00 premium on third shift. Additional pay increases available upon achievement of attendance and performance standards.

Please note your ideal hours and/or restrictions on your application or letter of interest.

**Autofile**

**Mini Cooper: 2007-'13**

Mini ownership had its drawbacks, mostly attributable to the vehicle's small size. Rear-seat access and legroom was tight and the ride was overly choppy, made worse by the optional sport suspension and stiff run-flat tires. The leatherette front seats in base models were out of step with the vehicle's sporty style. Not everyone was fond of the wall-clock-sized center-mounted speedometer/display panel. Some found it downright intrusive. The Mini's base engine was spry, but its limited-output took much gear-rowing to maximize performance. Cooper S and JCW models cured that problem.
