#### SEASONAL DECORATING ON A BUDGET

It's fun bringing summer into your house but overhauling your décor can be hard on your budget. Here are three ways to decorate without breaking the bank.

Bring the outside in by celebrating the season of green by decorating with plants. Keep fresh cuttings from your garden in vases around the house. You can also choose flowering potted plants with lush foliage that looks good without blooms.

Changing out accent pieces for the season also changes your look. Pack away those darker colored and thicker fabrics and embrace summer's

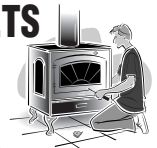

lightness. Choose breathable and natural textiles such as linen or cotton for tablecloths, throws or upholstery covers. Sticking to neutrals or bright colors will bring life into any room.

Jazz up the bathroom with just a fresh shower curtain towels and bath rug. It will look like you had a complete bathroom makeover. Use cheery colors such as yellow, orange or mint green will brighten your mood. Using a beach theme with turquoise and accessories such as starfish and seashells will compliment the room.
