Tractor Ride Route Sunday, July 24

The public is welcome to Florence Park in Milford to see the wide variety of old tractors before they take off at 8:00am or find a good spot to view the tractors as they come through the lakes area. Most of the tractors should be to the Spillway in Spirit Lake by 10:30am so you may want to either watch or take a different route that morning. The route is as follows:

Starting at Florence Park in Milford we will head to Terrace Park, by the Taco House and onto Highway 71 at C&C Screening. We will head north across the bridge between East Lake and West Lake Okobojo. We will then take Lake Shore Dr. all the way up to the north end of West Okobojo where we will then head over to Center Lake and come out by ACE Hardware. We will then take 28th Street through the town of Spirit Lake to Hill Ave and head North up Hill Ave to the Spillway on Big Spirit for a break. We will then continue around to the east side of East Lake Okobojo by the Fish Hatchery and go south to 252nd street and go east to the Aurthur Heights area and continue south to the landfill and then go West on 190th. We then will turn south and head towards Pelican Ridge and to A34 and back to Florence Park in Milford.

Oak Hill Marina Raises Funds during Rockin' the Boat Event

In an effort to raise funds for veterans and their families, Oak Hill Marina hosted Rockin' the Boat on Friday, June 24th, Saturday, June 25th, and Sunday, June 26th at Oak Hill Marina and Arnolds Park Amusement Park.

The event kicked off at the marina where families from The Foundation for Exceptional Warriors (The FEW) introduced themselves and got to know the Oak Hill Marina team. The FEW is an organization that assists in the healing process of veterans and their families. The families came from many different states such as Oklahoma, Illinois, and Missouri to participate in the weekend. With nine families in attendance, the adults and children then got to experience a Queen II ride, a fishing excursion, a free concert, mini golf, and Arnolds Park Amusement Park rides all from the help of community sponsors; including Oak Hill Marina, Blink Marketing, Frito Lay, Fareway, Carstens Financial Group, KICD-FM, Clary Lake Service, Fitzloff Photography, Hellinga Homes Klaassen Realty, Milford Electric, West O Beer, Arnolds Park Amusement Park, LOCASH, Casey Muessigmann, Breedlove Stringed Instruments, and The FEW.

Throughout the weekend, Oak Hill Marina made an effort to raise money in multiple facets including raffles, text donations, and passing the boot all of which resulted in over \$5,000.00 of donated funds at the concert. The community rallied together to sponsor and donate to the veterans and to provide them with a weekend full of activities. Oak Hill Marina is looking to make this an annual event.

Oak Hill Marina is a boat dealership located in Arnolds Park. They have provided a wide variety of boats to the community for over 20 years. Ranked #19 this year, they have been a Top 100 Dealer in the boating industry for ten consecutive years.

Native Plantings Workshop

A plant that improves soil health, filters water, is drought-resistant, doesn't need fertilizer and requires little, if any, pesticide use --- sounds perfect, doesn't it?

Believe it or not, these plants do exist. They're native plants, from milkweed and spiderwort to wild bergamot and blazing star. Come to the Dickinson County Nature Center 11:00am Saturday, July 23, and take part in the Native Plantings program to see how landscaping with native species can change your yard for the better. Naturalist Charles Vigdal will talk about the importance of native plants and will give native alternatives to popular cultivated species.

For more information on the Lake Friendly Lawn Care initiative or other programs at the Dickinson County Nature Center, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

A come-and-go bridal shower honoring Whitney Packebush; bride-elect of Jason Hemmer, will be held Saturday, July 23, 9:00am-11:00am at the home of Ed and Brenda Packebush (1751 170th Avenue, Milford). Whitney is registered at Target.

2016 Parade Grand Marshalls of Milford's Pioneer Day Parade

The Milford Commercial Club is pleased to announce that six pastors currently serving Milford Churches have been selected as this year's Parade Grand Marshalls for the 2016 Milford Pioneer Day Parade.

The recipients of this honor include Pastor Bob Vaage and Associate Pastor Perry Aalgaard of First Lutheran, Pastor Karl Whiteman of Union Memorial, Pastor Tim Nappe of Harbor of Joy and Fr. Tom Flanagan and Fr. Shinoj of St. Joseph Catholic Church.

They are being recognized for their service to the community in their religious roles including many behind-the-scenes hours they give as part of their professions.

"These pastors touch the lives of many every day. In these trying times, it is reassuring to know that Milford has a strong religious core to rely on when tragedy or disaster occurs but also in the happy times of baptisms and marriage," said Parade Chairman Susan Reiser.

Vaage has been Pastor at First Lutheran Church for the past 20 years. His family includes wife, Dee, and three sons.

Aalgaard joined Vaage at First Lutheran four years ago. His family includes wife, Ann, and two children.

Whiteman has been Pastor at Union Memorial for eight years. His family includes Pastor Jan, who serves the Langdon Methodist Church. Whiteman plans to retire sometime between now and November from Pastoral Ministry.

Nappe has been Pastor of Harbor of Joy for six years and has a total of 12 years in Milford serving congregation members. His family includes wife, Bev, and three children.

Fr. Tom Flanagan has been Pastor at St. Joseph Catholic Church since 2011. Fr. Shinoj, of India, arrived about one year ago.

Tonic Sol-fa, The Britins Highlight Blue Ribbon Fun

The Northwest Bank Stage will bring nine days of free Blue Ribbon Fun to the Clay County Fair September 10-18.

"The Northwest Bank Stage this year will showcase comedy acts with a side of juggling and music as well as music acts that will transport you to eras of Johnny Cash and the Beatles," said Fair Manager Jeremy Parsons.

Tonic Sol-fa

A cappella group Tonic Sol-fa will highlight the first weekend of the stage, playing September 10-12. The Britins, a Beatles tribute band, will close the Northwest Bank Stage on a big note September 16-18.

The Britins

Mary Mack (comedy) has a knack for laughs with an endearing stage presence and musical surprises that will entertain audiences September 10-12. With a mandolin in hand, she shares stories from her life as a former polka band leader and music teacher.

Emmy Award-winning group Tonic Sol-fa (a cappella) will open the Fair beginning September 10. Beginning two decades ago, the a cappella group will blow audiences away. The group performed at the Clay County Regional Events Center in December 2004.

Sean Emery (comedy juggler) will delight fairgoers September 13-15 with his talent, an uncanny ability to read people and circus-like skills. Professionally trained with Ringling Bros. and Barnum & Bailey Circus, Emery's jaw-dropping juggling stunts will leave audience members in awe.

Sherwin Linton and the Cotton Kings (country) bring an old country flavor to the stage September 13-15. Linton began performing at 16 and quickly gained national attention playing all over the United States, including the Grand Ole Opry and the Las Vegas strip. Fairgoers will enjoy his style of country music transcending the eras.

Isaac Brockshus, Liz Gergel to perform with Henriksen

College students seem to want to be productive through the summer months. A few weeks back it was Spencer High School alum Morgan Kramer who put the *Clay County Chorale* on the *Spencer Municipal Band* stage. (Kramer and the *Chorale* will return to Spencer August 9, to perform at Bethany Lutheran Church.)

Tuesday night (tonight) will see another SHS alum, pianist Isaac Brockshus, performing with cellist Liz Gergel, as a part of Glenn Henriksen's house concert. Brockshus, who just earned his masters degree at the University of South Carolina, will be teaching piano and seeking work as a classical composer in the Denver area once the summer is over, and cellist friend Gergel will be working on her masters in cello performance at the University of Oregon. The performances begin at 7:00, as will Glenn's solo performance on Wednesday (tomorrow) night.

Glenn will also be leading a Friday night sing along in The Lounge at The Inn, from 6 - 8:00...

Tonight will also see *The Jazzed Up Big Band of Okoboji* performing at its Tuesday night haunt, the Majestic Pavilion at Arnolds Park...

Rich Nicklay will direct *The Northwest Iowa Community Concert Band*, Wednesday night, at the Hawkeye Care Center in Spirit Lake, starting at 6:30. The public is invited to join HCC residents for the show.

Also Wednesday night, Terry Klein will return to Table 316 in Arnolds Park, from 7 - 9:00...

Thursday night's *Iowa Rock 'n' Roll Music Association Rock The Roof* concert will see Sean Benz taking the stage in the Roof Garden before stepping aside for the *British Invasion*. The music starts at 6:00...

The Society of Broken Souls (aka Truckstop Souvenir) will return to Spencer's Main Street Market, on the steps of the Clay County Courthouse, to perform from 6 - 8:00.

The Little Swan Lake Winery has several of what Ed Sullivan would have called "really big shows" coming up, including Thursday night when *Doreen's Jazz New Orleans* band will be back in Superior from 7 - 9:00 - not the usual Thursday night time...

Come Sunday afternoon, the Winery will be bringing *Tonic-Sol-Fa* back to the area to perform on the stage in the barn from 4 - 6:00. And the following Thursday will see jazzman Justin Kisor back, with *Beyond Blue* the last Sunday of the month...

The new *Legacy Park stage* at Boji Bay in Milford will see a 10-piece horn band, *The Main Avenue Warehouse*, performing Friday night, from 7:00, until they run out of steam...

Boji Bill will be doing his solo act, Saturday, aboard the Diamond Lady cruise...

And, *Jimmi and the Bands of Soul* will be the opening act at 6:00 Saturday night for *L'il Ed and the Blue Imperials*, on Preservation Plaza at Arnolds Park...

All this brings us back to the first of the week, when the *Dick Bauman Big Band* will be the final note again, on Monday night, at the Pearson Lakes Art Center, from 7 - 9:00...

After writing about what we expected would be a peaceful Bastille Day celebration, last week, research director RD came up with some notes of lunar celebrations well in advance of this week's deadline - and two days before last week's Bastille Day massacre in Nice.

Tonight should see a full moon - "the Buck Moon," as July is usually the month when the new antlers of buck push out of their foreheads in coatings of velvety fur.

Wednesday is the 47th anniversary of the day Neil Armstrong walked on the moon.

In a more distant connection, pop singer Kay Starr turns 94 today. It was Starr who hit the top of the charts when she was the first to record *Wheel of Fortune* and *Rock And Roll Waltz* in the early 1950s - more than a decade before Armstrong's historic walk.

And, Saturday is Janis Siegel's 64th birthday. Siegel has been with *The Manhattan Transfer* ever since Tim Hauser reformed the group in 1972. She was earlier part of *The New Generation*.

In addition to her work with the *Transfer*, Siegel has also recorded several solo albums and partnered with other performers, including Les Paul, with whom she reprised *How High The Moon* some 30 years after he and wife Mary Ford hit the top of the charts with their multitrack effort.

Think peaceful thoughts of the moon this week - not lunacy...

Show stealers

The *Itty Bitty Boji Duo*, 'Boji' Bill Carpenter and Mel Kimblad, may have been the featured entertainment at last week's *Main Street Market* in Spencer, but several groups of kids stole the show with their dancing. The market continues Thursday nights through August 11.

All the news that fits we print.

Please send your music-related announcements or comments to RAMBOling@mindspring.com or P. O. Box 676, Okoboji, Iowa 51355-0676

Save your local economy...
 three stores at a time.

- 3** Think about which three independently owned businesses you'd miss most if they were gone. Stop in and say hello. Pick up a little something that will make someone smile. Your contribution is what keeps those businesses around.
- 50** If just half the employed U.S. population spent \$50 each month in independently owned businesses, their purchases would generate more than \$42.6 billion in revenue.* Imagine the positive impact if 3/4 of the employed population did that.
- 68** For every \$100 spent in independently owned stores, \$68 returns to the community through taxes, payroll, and other expenditures. If you spend that in a national chain, only \$43 stays here. Spend it online and *nothing comes home*.
- 1** The number of people it takes to start the trend...you.

This free program is open to all ages and should prove to be highly entertaining, as well as, educational. Young people are especially invited to attend this fun session.

SPACE/Mainstreet Market 2016

The Spencer Alliance for a Creative Economy is pleased to announce the dates and live music scheduled for the arts, farmers market, and entertainment events for the 2016 Summer.

- July 21 – Society of Broken Souls
 - July 28 – Matt Andrews
 - August 4 – Amber Norgaard
 - August 11 – Open Mic/Spencer Municipal Band
- Mainstreet Market events open to the public at 5:00pm each night, with music performance beginning around 6:00pm and concluding at 8:00pm.

As many have observed, the Mainstreet Market has reached a nightly level of attendance as high as 1,200 or more. Live music, fresh local produce, and fine art have become the seasonal favorite for this grassy evening promenade on the Courthouse Square. The public is invited to attend and do their part in voting for their favorite artist. Each evening a First, Second and Third place cash prize will be awarded to the chosen artists for their fine work and creative display. It is recommended that you bring a lawn chair or blanket for your seating comfort.

SPACE has played a role in getting Spencer the designation of an "Iowa Great Place" and the benefits provided by that program. Only one location in this part of the state was so recognized, the resulting funds helped to complete the building of the SCT Theater remodel, Clay County Heritage Center, and improvements to the Grand Ave. enhancements. In the past year the Spencer Alliance for a Creative Economy (SPACE) has been involved with numerous projects and in their task of helping communication among the various cultural organizations and creative workers in the Spencer area. Among the projects that are most obvious is Mainstreet Market, a growing success, and a new public art project recently installed at the Clay County Heritage Center.

The Dickinson County United U12 soccer team poses in their championship shirts after winning all four matches at the 2016 Rochester Invitational Soccer Tournament June 18-19. Making the trip were teammates including front, from left, Dominic Paulette, Cam Cardwell, Evan Beck and Justin Hamm. Back, from left, Coach Alan Ditsworth, Vance Katzfey, Austin Harms, Jack Wajda, Corbin Quance, Carter Toews, Kaleb Lee, Gavin Elser, Coach Mark Toews and Dillon Ferguson.

Dickinson County United Claims Title at Rochester

The U12 boys soccer team, part of the Bedell Family YMCA programs, brought home championship jerseys after a strong showing at the Rochester Invitational Soccer Tournament June 18-19.

The first match was against the home team Rochester Thunder Fuhrmeister under a partly cloudy sky and a warm afternoon temperature. The Dickinson County United team prevailed 6-0.

Next up was the Eden Prairie Soccer Club. This was another offensive showing by the United Boys as the evening temperatures started to cool. DCU prevailed in that match 6-1.

The next morning's match was against a strong Waseca team. The Dickinson County boys fought through and secured the third straight victory 5-2, qualifying for the championship match.

The Dickinson County United boys battled through and took first place honors against another home team, Rochester Thunder Boyer. It was a tight match throughout, with the Lakes Area boys prevailing 3-1, before a satisfyingly long ride back to Dickinson County.

Coaches Alan Ditsworth and Mark Toews said they were very proud of the effort from the boys. "The Iowa Great Lakes Area boys conducted themselves like champions," Ditsworth said, "under some unusually challenging situations, exhibiting great teamwork, attitude and sportsmanship. We had brilliant keeper play, lockdown defense and a lightning strike attack."

Can You Volunteer?

"My goal is providing art for everybody and getting the community involved in accomplishing this," said Bob Kirschbaum, newly appointed Director of the Pearson Lakes Art Center. He focused on the important role that volunteers can play. In his July 12 address to the Northwest Iowa DAR chapter, he discussed the value of the arts in everyday life and the special need to give children arts opportunities now that many schools are eliminating arts programs due to funding problems.

Kirschbaum declared "I'd like the Pearson Lakes Arts Center to be the friendliest place in the community." He wants lakes area residents to know "that the center has programs for all ages, including children, and that there are many ways that the community can support the non-profit agency beyond that of becoming a donor, which of course is always welcomed."

"You can be a greeter, making sure that everyone feels welcome; you can be a docent to give tours; you can take tickets or usher at the performing arts programs (and get free admission)," he said.

Kirschbaum complimented the Ladies of the Lake DAR Chapter for accruing thousands of volunteer hours during 2015. They were inspired to tally their community service hours under the national DAR (NSDAR) goal of celebrating, and serving, America. This service goal is continuing in 2016. Vice Regent Colleen Lemkuil, Spirit Lake, said that 1,871 hours have already been reported.

The new Pearson Lakes Art Center director brings a unique background to the position. He told how he worked three years after graduating from high school before realizing that he needed a college education. He then went to Morningside College, Sioux City, on an athletic scholarship and gained degrees in education. He has spent over 32 years as an educator, first being a teacher-coach and then as Elementary School Principal, the last 12 being in Spencer. He has also served nine years with the Red Cross, the last two as Executive Director in Dubuque. He is a Past President of the Iowa Reading Association and an Iowa Principal of the Year.

The DAR meeting included a tour of the art center, and a potluck lunch hosted by Ruth Ann Van Donslear, Milford, and Marjorie Cleveringa, Milford and Iowa Falls. Assisting was Charlene Thomsen, Arnolds Park.

As a part of the focus on the arts, DAR member and artist Collette Travis, Spirit Lake, displayed prints of her plein-air paintings, describing the joy of painting outdoors and the memories it evoked.

Mrs. Travis, who is chair of the project to honor Vietnam Veterans, presented a pin and certificate of recognition to Marilyn Milbrath Means, now of Lakefield, Minnesota, whose 13 years of service in the Army Air Force included the Vietnam War.

To contact the Pearson Lakes Art Center, phone 712-332-7029. For information on the DAR, contact Regent Mary Thunhorst, Spirit Lake, travelinmarty5005@q.com, 712-336-0240.

Hospice of Spencer Hospital Grief Support Group

Losing a loved one is indescribable to someone who has not felt the loss of death. Hospice of Spencer Hospital's professional team understands the tragedy of losing a loved one and they identify with the difficult decisions and emotions that the person left behind faces.

To help people cope with the death of a loved one, Hospice of Spencer Hospital is offering a 6-week Understanding Grief Support Group. The group will meet each Tuesday evening beginning July 26 through August 30 from 6:30pm - 7:30pm at Spencer Hospital's Women's Resource Center.

"During your time with the Understanding Grief Support Group, you will uncover techniques to help begin the healing process," commented Chelsea Reed, social worker for Hospice of Spencer Hospital. Lakes Area Library News

Heather Gudenkauf is the New York Times and USA Today best-selling author of *The Weight of Silence* and *These Things Hidden*.

Heather was born in Wagner, South Dakota, the youngest of six children. At one month of age, her family returned to the Rosebud Indian Reservation in South Dakota where her father was employed as a guidance counselor and her mother as a school nurse. At the age of three, her family moved to Iowa, where she grew up. Having been born with a profound unilateral hearing impairment (there were many evenings when Heather and her father made a trip to the bus barn to look around the school bus for her hearing aids that she often conveniently would forget on the seat beside her), Heather tended to use books as a retreat, would climb into the toy box that her father's students from Rosebud made for the family with a pillow, blanket, and flashlight, close the lid, and escape the world around her. Heather became a voracious reader and the seed of becoming a writer was planted.

Heather Gudenkauf graduated from the University of Iowa with a degree in elementary education, has spent her career working with students of all ages and continues to work in education as a Title I Reading Coordinator.

Heather lives in Iowa with her husband, three children, and a very spoiled German Shorthaired Pointer named Lolo. In her free time Heather enjoys spending time with her family, reading, hiking, and running. Heather is the author of six books. She is currently working on her next novel.

Heather will visit the Iowa Great Lakes to discuss her books on Tuesday, July 26 at 2:00 at the Milford Memorial Library. This event is sponsored by the Friends of the Arnolds Park, Milford, and Spirit Lake Public Libraries.

Final Week for Robin Hood

Robin Hood and Little John must try to stop the greedy Sheriff of Nottingham from taxing the poor. There are sword fights and an archery contest! When Robin Hood takes a big risk, it may take the help of Maid Marian to come his rescue.

Performances of Robin Hood will be at 10:00am on Tuesday, Wednesday, Thursday, and Saturday, July 19-23. Little Red and the 3 Little Pigs performances will continue on Fridays until August 5. Tickets may be purchased with cash or credit card. New this year is a discount for children's tickets. Children's tickets are \$5.50 each for ages 3-10 while everyone 11 and up is \$7.00. Face painting is available for \$1.50 before or after the show.

Treasure Village also offers family fun with a storybook themed mini-golf course. Golfers on Monday through Friday afternoons between 1 and 3 may be greeted by a costumed character such as Peter Pan or Dorothy! For details call 712-337-3730 or check the website www.treasurevillage.org. Treasure Village is located on the west side of West Lake Okoboji, just 2 miles northwest of Milford on Highway 86.

Duncan Does it Right

The epitome of a pro, one of the best to ever play the game, Tim Duncan retired last week after playing 19 seasons with the San Antonio Spurs. Duncan retired the same way he played the game, no frills, no press conference, no farewell tour, just a taped announcement with Duncan wearing shorts and a t-shirt from his home. Duncan declared it was time for him to hang up his sneakers because the game "wasn't fun anymore". In an era when many pros hang on well past their prime because they can't give the game up or because they are playing for the paycheck, Duncan retired for the right reason, the game just wasn't a game anymore, and when it's not fun you can't put everything you have into it to be successful.

Duncan is definitely a throwback to the me-first generation that is taking over the sports world. Can you name the last superstar to stay with his team during his entire career, especially one that lasted 19 years? I know that I can't! Duncan continually put his team ahead of himself, he wanted to win more than he wanted personal glory; he often sacrificed money and fame to stay with the team that drafted him because they gave him his first chance in the NBA. Who does that anymore, sadly nobody? It's hard to blame professional athletes for looking out for themselves first as you do have small window to make your money while you are in your prime, yet Duncan found a way to do that while staying with the same team and while doing things the right way. Duncan was an incredibly hard working, dedicated and egoless superstar who is still an excellent role model for our youth; yet sadly you don't see many highlights of him during the season because his game is "boring" and you don't see him doing many endorsements because he's not flashy enough. Yet all Duncan did was win, and he won the right way with five NBA championships (yes LeBron five titles) and two NBA MVP awards. To me the most impressive accomplishment of Duncan's storied career is playing 19 seasons with one team. I am a big loyalty guy and I hate it when athletes at any level leave for greener pastures instead of staying loyal to the organizations or schools that have worked with them and help develop them. Thank you Tim Duncan for being the type of person and player that my son can look up to and for showing us all that you can still be successful by doing things the right way, you will be missed!

Obituaries

Janice Marie Zellaha, 78, of Lewellen, Nebraska, passed away Saturday, June 11, 2016, at the Perkins County Hospital in Grant, Nebraska.

Janice was born July 30, 1937, in Milford, to Hartman "Hart" and Alice (Moritz) Christofferson. She graduated from Milford High School.

On October 6, 1956, Jan married Virgil Zellaha in Milford. The couple made their home in Spirit Lake, where Jan worked at Mountain Bell Phone Company as an operator. The couple would later move to Hartley, before moving to Denver, Colorado, where Jan continued to work as an operator and Virgil worked in the retail boat industry. Jan and Virgil retired to Lake McConaughy, Nebraska, in the late 1980s.

Jan loved baking and cooking. Her family always looked forward to the holiday season, when they would be treated to her delicious pies and Christmas cookies. Jan loved music and playing the piano. She and Virgil also enjoyed dancing whenever they got a chance. Jan also shared a great love of the outdoors with her husband, and the family spent many cherished moments outside and on the water. Jan was preceded in death by her parents and 3 sisters; Ruth Ann Christofferson, Cleone Jones and Phyllis Betson-Hixon; and one brother, Sylvan Christofferson.

Survivors include her husband, Virgil, of Lewellen, Nebraska; 3 daughters, Cynthia (Brian) Cook of Larkspur, Colorado, Marcy Starner of Indianapolis, Indiana, and Sandra (Robin) Ball-George of Littleton, Colorado; 6 grandchildren, Ryan, Linsey, Ryker, C.J., Chadd, and Madison; 3 great-grandchildren, Colton, Aubree, and Jackson; brother, Wayne (Dort) Christofferson of Lawrence, Kansas; several nieces, nephews, other relatives and friends.

CONGRATULATIONS TO LINDA AND DAVE DINGEL, of Terril, who were named the 2016 Deans of the Dickinson County Fair by the University of Okoboji Board of Regents in ceremonies Sunday night, July 17, at the fair. Fair-board President Tom Underwood is shown, center, making the presentation. The Dingels were honored for Dave serving on the fair board for 22 years and Linda serving as facilities manager during the same time. The two are shown in their "cap" and "gown" from the University. 48 Star Flag - A Serendipity Story

This 48 Star Flag displayed by Colleen Lemkuil, Vice Regent of the Ladies of the Lake, Daughters of the American Revolution, has quite a history. Most recently, it has "starred" in this story of "serendipity," a delightful discovery by pure accident.

The story begins back in June when DAR member Charlene Thomsen, Arnolds Park, noted that since it was the flag of that era, a 48 star flag needed for the 1936 Baker Township school house that the DAR is helping renovate in Sheldon.

Over a month later, on June 28th, local DAR and Quester Chapter members, along with others in northwest Iowa, were touring the historical homes and museums in Peterson, IA. As the group was headed for a "pioneer lunch," generously supplied by the Peterson Historical Foundation at the Shelter House, a man drove up in an ATV.

He said that DAR member Margaret McCombs, Emmetsburg, had stopped him en route to ask him for directions to the event. As they chatted, he told her that he had an old flag that was labeled "Sutherland DAR." McCombs suggested that he come to Peterson and talk to Colleen Lemkuil. He arrived at noon to tell how he had found the flag in a dumpster and had it cleaned. Since there is no longer a Sutherland DAR Chapter, Lemkuil told him that it could fly over the school house being restored in Sheldon. It is now being given a second cleaning.

"Charlene, who knows and loves history, put the idea in my head and it stayed there, then it just showed up. What a fortunate find! A serendipitous event," says Colleen. She adds that "The gentleman who rescued the flag asked to remain anonymous, not wanting people to think of him as a 'dumpster diver'." He was so pleased to find a home for it and we are pleased to have a 5 by 7 foot flag that was owned by an earlier DAR chapter."

According to Internet research, the 48 star flag came about on July 4th, 1912, when New Mexico and Arizona were added to our union. It flew for 47 years, the longest of any other flag. Arizona and Hawaii became states in 1959 to make the now 50 stars.

The Ladies of the Lake DAR and The Okoboji Queen Chapter of the International Questers, which also supports the renovation project, hope to see it flying when they gather at the Heritage Park, 1423 East Park Street, in Sheldon on August 23.

Area residents interested in local history are invited to join group there at 10:00am to tour the park which has three other restored school houses and an art gallery. Guests are also invited to be present at 1:00pm when Harold Tuttle, President of the Prairie Arts Council, will be given the National DAR Historical Preservation Award.

WaTanYe Scholarship Awarded

The WaTanYe Scholarship was established to reward a non-traditional age student pursuing higher education at Iowa Lakes Community College. This scholarship is funded by Estherville WaTanYe (an Indian word meaning "Service Foremost") which was established in Estherville in 1936. The recipient is chosen based on community service performed and personal essays provided with the scholarship application. For 2016-17, additional scholarship funds were provided by the Family of Darlene Seylar. This resulted in an additional \$1000 in scholarships being awarded in memory of Darlene Seylar, who was a WaTanYe member for 52 years. Award amounts vary and may be used for any educational expenses.

The 2016-17 recipients are:
 • Felicia Carrillo of Estherville – WaTanYe \$200
 • Rebekah Broadie of Spencer – Seylar Memorial \$500
 • Natalie Rosenberg of Algona – Seylar Memorial \$500
 To establish a new scholarship contact the Iowa Lakes Community College Institutional Advancement/ Foundations Office at 712-362-0491 or 800-242-5106 ext. 4491. To apply for scholarships visit www.iowlakes.edu.

Proceeds from this event provide scholarships for Iowa Lakes Community College student athletes.

The event was a 9-hole four person best shot tournament format. The Soper team of Andy Soper, Jeff Soper, Mike Myers, and Todd Ommen took top flight honors.

Correction: The ISU Extension and Outreach sponsored class is about Credit Cards and not about retirement as stated in last week's article.

"Credit Cards: Keeping them Private and Improve My Score"

Life is not about money — but how people manage their money impacts their quality of life, their family's life and the life of their community. A new course from Iowa State University (ISU) Extension and Outreach provides the tools Iowans need to work toward financial goals.

"Credit Cards: Keeping them Private and Improve my Score" course is offered Wednesday, July 20 in Spirit Lake", said Jan Monahan, Family Financial Specialist. "In this free one hour course you'll learn how to protect your identity, improve your credit score, what counts on your credit report, and how to negotiate a lump sum payment."

The course covers how to understand your credit report, use free financial management resources to pay off your bills quicker and build personal financial credit. You will also learn what to do if your credit report is wrong. It is sponsored by Spirit Lake Public Library and ISU Extension and Outreach in Dickinson County.

The course meets Wednesday, July 20 from 10:30am to 11:30am at the Spirit Lake Public Library (702 16th Street) call 712-336-2667.

"The better your credit score, the lower your interest will be on your house, auto, loans, and mortgage interest rates. When you improve your credit score by 100 points you are putting extra money in your pocket. You can manage your money effectively, make better financial decisions, and live according to your priorities," Jan Monahan said. "With sound financial management, you can be more financially secure."

Funding For Conservation Practices Available

The Dickinson Soil and Water Conservation District Chair, Chris Hoffman, has announced today that funding will be available for local farmers and landowners to assist in the installation of conservation practices through the Iowa Department of Agriculture and Land Stewardship (IDALS) cost-share program. Interested farmers and landowners should contact the Dickinson district office by calling 712-336-3782, Ext 3.

"The cost share program is a partnership between the District and local landowners to help get conservation practices on the land that prevent soil erosion and protect water quality. Now is the time for farmers to plan ahead," said Hoffman.

This year, the District will be encouraging cover crops in which IDALS will provide financial assistance to local SWCD offices to incentivize their use. Cover crops are extremely beneficial in reducing erosion, retaining nutrients, combating weeds, while at the same time improving water and soil quality. Related management practices such as no-till, strip till, and ridge till, are also being encouraged.

The cost-share rates are variable and depend on the practice used. Farmers should become familiar with the details by calling or visiting the district office. Other conservation practices eligible for assistance through this program include grass waterways, grade control structures, wind breaks as well as several other practices.

The Dickinson Staff with IDALS and the USDA Natural Resources Conservation Service assure the technical quality of the practices and further, help farmers develop conservation plans for their farms.

"These funds are a great investment by the state in an effort to reduce erosion, improve water quality. Since there are funds available, farmers are asked to contact our office to discuss various options for their farm," Hoffman further commented.

Play Ball! Minnesota Youth Clinic to Take Place in Jackson on July 23

Play Ball! Minnesota will offer a free baseball clinic to youth in Jackson, MN. The clinic will begin at 9:00 AM on July 23, 2016 at Wacker Field. In the event of rain, the clinic will be relocated to JCC High School Auxiliary Gym.

Presented in partnership with Great River Energy, the Play Ball! Minnesota Youth Clinics program provides boys and girls from throughout the Upper Midwest with the opportunity to enhance their skills and have fun, while also hearing positive messages.

The clinic is divided into two 90-minute sessions, and provides quality and fun instruction for boys and girls ages 6 to 13. The clinic begins at 9:00am; youth 6-9 years of age should report at start time, and youth 10 to 13 should arrive at 10:30am. The clinic will focus on hitting, fielding and throwing, and parents are encouraged to participate with their children.

The Play Ball! Minnesota Youth Clinics program was created in 1961 by longtime Twins scout Angelo Giuliani as a way to promote the game to all youth. Since then, more than one million Upper Midwest and Southwest Florida youth have participated in a Play Ball! Minnesota Youth Clinic.

For more information or a complete 2016 Twins Youth Clinics schedule, please visit www.playballmn.com

Established as a nonprofit organization in 1991, the mission of the Twins Community Fund is to enrich local and regional communities by providing resources for the healthy development of children and families through an association with baseball, softball and the Minnesota Twins. The Twins Community Fund is governed by a board of directors representative of the Upper Midwest. Target, Treasure Island Resort & Casino, U.S. Bank, and Delta Air Lines are Cornerstone Partners; contributing annually to the Twins Community Fund. A Wireless Teams Up with Culture of Good

This year A Wireless is teaming up with Culture of Good to donate 100,000 backpacks full of school supplies to children across the United States.

Parents and students in Dickinson County will soon benefit from a national backpack giveaway campaign. A Wireless, the nation's second-largest Verizon Premium Retailer, announces today that they are partnering with Culture of Good to donate 100,000 backpacks full of school supplies to children through the annual School Rocks Backpack Giveaway. Since 2013, Culture of Good has donated more than 360,000 backpacks filled with supplies to ensure children are well prepared for the start of the school year.

More than 760 participating A Wireless stores across the U.S. are inviting local families and their children to visit these select locations on Saturday, July 30 between noon and 3 p.m. to pick up a backpack filled with various school supplies; including pencils, paper, a pencil box, folders and glue. One backpack per child present will be given away on a first-come, first served basis while the supplies last.

Participating A Wireless store(s) are located at 584 US Hwy 71 N Unit A in Arnolds Park and 1805 US Hwy 71 in Okoboji. Each participating A Wireless store will donate 125 backpacks. Any leftover backpacks will be donated to local schools. A Wireless hopes that this program will help alleviate the average cost of \$97.74 on school supplies that the average person with children spends each school year on these supplies. With over 16 million children in the U.S. living in poverty, A Wireless hopes to help give some relief to some of these families.

"When given the opportunity, doing good is important, and taking such opportunities to help, lift up, and encourage others is a privilege," said Bryan Bevin, president and CEO of A Wireless. "At A Wireless we don't just want to be doers of good, we want to inspire a Culture of Good."

More information about the School Rocks Backpack Giveaway initiative is available on YouTube. Supporters of the School Rocks Backpack Giveaway are encouraged to use hashtag #cultureofgood on Instagram and Twitter to help spread the word.

Arnolds Park Farm Market News

Located at the Okoboji Middle School Parking Lot, Arnolds Park, Iowa 51351

Variety Is the Spice of Life

We have some vendors who are exclusive to the Arnolds Park Market beside the vintners. There is Ernie Janssen, who travels a long way to sell his honey and produce vegetables. Mr. Janssen has quite the apiary and his clover honey is very nice. Next, we have "Perfectly Posh" beauty products vended by Waxela Sananda and we round out the new vendors with Terri Svoda and her aunt selling baked goods and eggs. Terri has a small flock and if you ever need to know anything about egg production, just ask her. On the other end of the poultry spectrum is Mark Guritz and his whole chickens, there is just no comparison when it comes to taste. His turkeys are a favorite. Stop by on Thursday evening, buy some vino and get Sunday dinner, including dessert. Until next week, be kind.

Informal ESL Gathering
 There will be an informal gathering of international students working in the Iowa Great Lakes on Tuesday evenings throughout the summer for the purpose of learning English language skills and sharing stories of our different cultures. Fun games and ice breakers will be the means of learning English the way native speakers communicate. This is not a formal ESL class and there is no fee for the gatherings. Each meeting will be held in the small Chapel of the Okoboji Bible Conference (enter parking lot at Ida Street) in Arnolds Park at 7:00pm. The first meeting was on June 14. We express our thanks to the First Lutheran Mission Team for organizing these gatherings and to the Okoboji Bible Conference for the use of the space. All are welcome! Please contact Sheila Ove for further information at 712-330-1725.
