I was awakening during the night and every morning with back pain. Now with regular adjustments for the past 2 months I am now able to garden, sleep and carry on with my life without pain! I am grateful to Tullahoma Chiropractic for their expertise and care!

-Patty

When I came to Dr. Kanan, I could barely walk. The pain was so severe it made me sick to my stomach! Dr. Kanan and his staff are true professionals. Dr. Kanan told me what was wrong with my back and the preventative measures I needed to take to fix it. Dr. Kanan and his staff took me from hardly walking to running and exercising again. My quality of life is much better!

-Health L.

I had trouble moving comfortably and breathing normally for about a year! Ever since my adjustments I feel like new! I now have full movement without pain and more energy throughout the day. I finally feel relaxed and calm again! I definitely recommend Dr. Kanan he helped me tremendously!

-Justin R.

I had lower back pain, a bulging disc and pinched nerves. One afternoon my back locked up and I couldn't bend at the waist. Since starting chiropractic care my back is doing much better and I am on my way to a complete recovery. I am extremely satisfied with the adjustments, laser therapy and spinal decompression. I feel better than I have felt in years! Dr. Kanan is very knowledgeable and has great concern for his patients. Everyone here makes you feel like family!

# Planning Ahead Makes it Easier on Everyone

## Pre-Planning

### Consider the advantages:

- Make important decisions together, not alone...
- If something were to happen to you today, your family would know what to do...
- You have peace of mind knowing you have minimized the anxiety for loved ones...
- Your final wishes will be carried out...
- You can choose a pre-payment plan that fits your budget...
- Costs are locked in and you are protected...
- Most pre-arranged plans are transferable, should you transfer or move to another area...

### By Pre-planning Your Funeral, You Can:

- Make all the arrangements during a time of peace and not leave them to your family during their time of grief.
- Make your wishes known.
- Control the cost of your funeral and protect from inflation.
- Ensure that personal records are organized and easy for your survivors to locate.
- Protect your insurance so that it provides for your survivors and not for funeral expenses. and
- Provide protection in case the need arises before it is expected.
