## Are you a MEDICARE patient with a CPAP?

Do you feel like this poor guy looks? If you can't wear your CPAP because of its bulkiness or discomfort, it's definitely not helping your sleep apnea. Dr Timothy Smith offers a comfortable and convenient alternative: a custom designed oral appliance to move the jaw forward and open the airway. Many of our patients report feeling better and more rested than they have in years. Call us at **(256) 287-1250** about a sleep apnea consultation today.

The U.S. Food and Drug Administration has approved Cinqair (reslizumab) for use with other asthma medicines for the maintenance treatment of severe asthma in patients aged 18 years and older. Cinqair is approved for patients who have a history of severe asthma attacks (exacerbations) despite receiving their current asthma medicines. Asthma is a chronic disease that causes inflammation in the airways, of the lungs. During an asthma attack, airways become narrow, making it hard to breathe. Severe asthma attacks can lead to asthma-related hospitalizations because these attacks can be serious and even life-threatening. According to the Centers for Disease Control and Prevention, as of 2013, more than 22 million people in the U.S. have asthma, and there are more than 400,000 asthma-related hospitalizations each year.

\*\*\*  
 In a small, placebo-controlled clinical trial, Johns Hopkins physicians report that the antidepressant paroxetine modestly improves decision-making and reaction time, and suppresses inflammation in people with HIV-associated cognitive impairment. The researchers say they believe this is the first time that a SSRI (selective serotonin reuptake inhibitor) has been shown to improve key measures of cognition in people with HIV in a controlled study. The researchers note that many patients with HIV-associated neurocognitive disorders may already be benefiting cognitively by taking SSRIs in the dosages used in their study to treat depression, but the new study lends more rigorous scientific support to the drug's value.

### BLUE TAG SPECIALS:

We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

### NO LIMITS:

Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.

Man's law requires one to take an oath on The Bible that they are telling the truth (not on a church), yet most church congregations trust "their" church more than The Holy Bible. Christ plainly said He and His Father are one (Jn 10:30), yet most so called Christian churches are not as one! They warn of the Antichrist, which is the pot calling the kettle black, for most of them do not as Christ saith (which is Antichrist)! Claim Christians are forgiven, yet deny Christ's Words to sin no more and much, much more. Preach every one sins (Mt 16:22-24, 2Cor 11:13-15), when The Holy Bible gives he who committeth sin is of the devil (1Jn 3:7-10)! So Be It!

AD PRICES EFFECTIVE WEDNESDAY, JULY 20, 2016 THRU TUESDAY, JULY 26, 2016

**BLUE TAG SPECIALS:** We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.  
**NO LIMITS:** Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
