# SPEAK OUT

Dear "Speak Out",  
 WHERE HAS THE BACKBONE OF THIS COUNTRY GONE?

From our local governments to the state and federal, official corruption and abuse of power has hit its highest. Local gov and edu boards undermine the public to benefit their greed and /or fanatic wants. Examples: the new school that is half empty and falling apart in many ways, the library board buying a house and property violating NYS Edu law and violating the people right to vote on it. The selling of our old school behind closed doors illegally for a hundred dollars and cost the taxpayers. A swimming pool that was a bribe and we proved it, and not even at competition size, another want by certain ones. The town officials illegally transferring town property and a cemetery with remains still there and being desecrated. A most wanted and needed education program deleted from our system all because board members wanted that teacher gone because they butted heads and that was our respected AGR DEPT AND CLASS. The board members not only hurt that teacher but many students and our community and all because they had the power to do so, and many on that board are some of your so called elite in Perry. And the village, what a joke, you have a mayor with a number of aliases, he doesn't sign legal documents with legal and proper signature, he's got his own pet operations going on against the majority of village citizens, a water system and sewage system that has been having problems for years, streets that cause damage to vehicles and sometimes accidents, a down town run by he and his group that profit from it. The certain RICH and Elite in Perry do not care about your's and my kids or the proper development of Perry, they're making it a retirement community for themselves and their friends. Thank God for the family from Warsaw that built the Cheese Factory. PCS used to have some of the best shop classes and highest enrollments until certain buffoons got their way and now look at it. And now they want to dump around 7 million into projects that they took away and or poor management and deal making. That's our local level.

I see and hear the uneducated and just political blind downing the only one that can pull this country back up again and that is Donald Trump. But many want the one that has been a DERELICT in her official duties, a conspirator to murder, espionage and embezzling millions and out right liar that has been proven, caused a chain of uprising events in other countries, a cohort to causing race riots here, is in collusion with ISIS and Islamic Jihad, this country's enemy, and that is HILLARY R. CLINTON, And many of you out there are for her because she's a woman and will keep the Dept. of Education going for SALLIE MAE and its collectors profiting millions. Just like many of you voted for the proven worst one in history to be in our WHITE HOUSE, all because he's black and you all wanted to be part of history. Well you sure got your history and our country in chaos and destruction. >FACT. Both Obama and his wife lost their law licenses prior to him stealing the election and yes, he was born in Hawaii, Hawaii Kenya, the one that forged his BC has come forward. Too many of you believe the news and false propoganda and ignore reality and truth and facts. And now you have the guy in the WHITE HOUSE causing a race war on whites and Law Enforcement and a presidential candidate doing the same. Look up H. Clinton's involvement in Vince Foster, Black Panther murder cover up of Alex Rackley 1969. being thrown off Water Gate investigation for lying and falsifying evidence, the little girl that got raped and Clinton belittled as she represented the raper, White Water cover up, Waco, NAFTA from her corrupt Husband that has hurt this country, Benghazi her hands are red from it. 16 million embezzled to the Clinton foundation , go watch the Clinton Chronicles and get educated. Donald Trump has been wrongfully put down and that man is the only one for the Presidency of this Great Country.

It's time to get your backbone again and clean up all steps of our government !

God Bless to all,  
 Jim Dacey

## Need Help Paying Bills?

The Weatherization Program of Wyoming County Community Action, Inc. helps reduce the heating bills and energy costs of clients. Another side benefit is that it will improve the safety of someone's home through energy efficiency measures. While the exact amount of savings will vary, most households who receive assistance from this program may experience energy cost savings in excess of 20%, which can be the equivalent to hundreds of dollars.

So what this means is that a family's heating bill may go down by over 20%. In order to apply or get more information, contact Debbie Fladie today at Wyoming County Community Action, Inc. at 585.237.2600, ext. 131.

## Come together to help us support this amazing little girl and her family

Lily was born 10 weeks early, weighing only 3 lbs. 6 oz. She spent 31 days in the NICU and was diagnosed with periventricular leukomalacia, PVL. Due to delayed development milestones and PVL she was also diagnosed with spastic quadraplegia cerebral palsy in August of 2013. In October of 2014 she was diagnosed with hip dysplasia resulting in hip subluxation surgery in March 2015. She also started getting Botox injections to help relax her spastic muscles. She will require a wheel chair and a walker for mobility so we are asking you to join us in helping the Bryant family with the wheel chair, adaptive equipment and other medical expenses.
